This chart contains only major subdivisions/developments that have received zoning entitlement and are less than 90% built out. Commencement of construction and completion of buildout within the territories of the United City of Yorkville and the projected planning area may occur in phases. The City does not warrant the accuracy of the information contained within this chart, and therefore is to be used as a planning tool only. The chart in no way represents an agreement between the City and any developer. January 2010
