

**Community Garden  
Yorkville, IL.**

The Yorkville Human Resource Commission is in the process of piloting a community garden for the summer of 2011. Fifty plots will be offered for a fee with the plots being assigned as first come, first served. Only one plot will be assigned per person until April 15th at which time multiple plots will be made available to gardeners if they are available. Additional plots will be offered in 2012. The plots will be in the city lot north of Home Depot on Cannonball Trail.

FEEs: 10 x 10 plots = \$20 for season

15 x 20 plots = \$35 for season

- Once all 50 plots are reserved, a waiting list will be established.
- Plots are not available for planting until the fee has been paid and the Community Garden Agreement is signed.
- Plots that have not been planted by June 15th will be reassigned with no fee refunded to the original gardener.
- It is expected that all gardeners use organic growing methods.

If you are interested in renting a garden plot, please provide your information below and submit with payment to the City of Yorkville.
