Official Sod Watering Rules:

1. Sod laying, lawn seeding, and the planting of other landscaping for the establishment of a new lawn or new landscaping is prohibited from July 1st through August 31st of each year unless the source of watering for said sod, lawn seeding and/or planting of landscaping is derived from a private well, imported water source or means other than any municipal water source.
2. From May 1st through June 30th and September 1st through the end of the season, water may be used on new lawns (sod or seed) only as follows:
 - a. On the day new sod or seed has been placed on a property, a person may use an automatic sprinkling device to apply water to the sod or seed for a total period of time not to exceed eight (8) hours.
 - b. For the next nine (9) days thereafter, a person may apply water to said sod or seed each day during permitted hours of water use.
 - c. Following the first ten (10) days after the sod or seed is placed, the provisions of the Water Conservation Regulations Ordinance No. 2004-17 (copy upon request) shall apply.

Signature of Responsible Party: _____

Following the first ten (10) days, even numbered houses may water on even days; odd numbered houses on odd days during the permitted hours of use as follows:

Between 5:00AM – 9:00AM and 9:00PM – 12:00AM (midnight) only.
