## Mayor updates community on recent projects

I have been asked by a number of residents to give an update on some of the projects going on in the City.

### State Street Water main project

First let me start with some of the infrastructure projects. The upgrade of the **South State Street** water main to 12" is completed. This upgrade, along with the upgrade of the water main along Mill Street that was complete last year, will provide a much needed increase of water flow to the south-central part of the City. This is important to maintain flows for fire protection and should help with water quality in the area. There are still some shorter runs scheduled for upgrade in the coming year.

### New water treatment facility online

The final **water treatment facility** is scheduled to go on line in mid- October. With this new facility going into operation, the City will now be in compliance with the final standards for radium removal set by the EPA. In fact, this should be the last newsletter that contains the radium statement. Also, this summer the two wells at Grand Reserve were connected into the main system which brings the production and storage capacity of the City to service a population up to approximately 45,000 people. Several of the

proposed new developments are also required to provide additional wells, towers, and treatment facilities.

### In-town road program

Plans for the next phase of the **In-Town Road** program is progressing. This winter bids will be accepted for additional utility work. Bids for street construction are scheduled to be accepted from mid to late spring. The streets included in this phase are Hydraulic Street, Mill Street ( Hydraulic to Washington), Heustis Street (Hydraulic to Fox) Fox and Washington Streets (from Mill east to their end) Orange Street (from South Main to Mill), Van Emmon Street (Morgan to State), Morgan (from Hydraulic to Madison), Madison (from Morgan Street to South Main) and Adam Street (from Hydraulic to Ridge). Road work on Countryside Parkway from Center Parkway to East Kendall is complete. Engineering is continuing for the upgrade to Somonauk/Game Farm Road.

*(continued on page 2)*

## Mayor challenges community to submit ideas for monument

During the city's fourth annual Patriots Walk, **Mayor Art Prochaska** challenged the community to submit ideas for a monument to honor those individuals who serve in our emergency services and the victims of Sept. 11. "I challenge the community to send their ideas, their support and their offers to City Hall," Prochaska said, at Town Square Park, where among 100 residents gathered

to take a few moments out of their day to remember those who lost their lives in the tragedy. Any group, organization or individual that has an idea can submit it by dropping it off at City Hall, calling the city's Community Relations Manager, Glory Spies, at 630.553.8564 or by e-mailing it to [gspies@yorkville.il.us](mailto:gspies@yorkville.il.us).

## Mayor's message continued

Also, the landowner to the west of the Kendall Marketplace has submitted a concept plan with an additional shopping center, a continuous care senior housing development, a residential component and further continuation of the Beecher Road extension.

**Wal-Mart** is going through final review of their project at Veterans Parkway and Countryside and plans to begin construction early

next spring.

The developers for the water park continue to work on their plans as the landowners proceed through the annexation process.

As for the former Countryside Center property, the owners have not yet secured users as required as part of a redevelopment agreement for them to receive TIF funding beyond what was allotted for demolition.

### **Downtown TIF and downtown projects**

The downtown TIF is now in place and work on the first project at the corner of Hydraulic and Bridge Streets is in final review and is scheduled to begin in the very near future. The City staff has been contacted by other interested parties and, I suspect, we will see additional projects coming forward in the next few months. The rebuilding of the dam is continuing and IDNR has indicated that they are looking to continue the project including the building of the canoe chute. Finally, the City is converting the old post office into a new Parks and Recreation facility. It is important to note that these City projects are using funds from existing revenue sources and not from TIF funding.

### **Annexation of Route 71 properties**

Finally, let me talk a bit about the recent annexation of the property to the southwest of the City along Rt. 71 west of West Highpoint Road. With its proximity to the connecting road to the proposed Eldamain Rd. bridge, and the proposed Prairie Parkway, this area has

been identified by our comprehensive plan for future business and manufacturing development.

This area also includes a parcel of land that has been proposed for a future solid waste landfill. Understand that this annexation does not guarantee the landfill will be sited at that particular location. Specific State Statute governs the siting process. The process is the same whether the application is made to the County or the City.

What this annexation has done, is to insure that the United City of Yorkville, which would be directly impacted should such a facility be sited, will have a say in determining whether it does or does not meet specific state requirements, as well as being able to add any additional conditions deemed necessary and reasonable.

Understand also, that if an application is submitted, the governing body and certain staff (in the case of the City this includes the Aldermen, the City attorney, and myself) may not speak on this issue to anyone including, the petitioner nor any citizen until the public hearings and the decision process is complete.

I encourage anyone that is interested to be involved in the process which includes a scheduled series of public hearings. If you are not able to attend any of the scheduled public hearings you can get your concerns and questions addressed by calling City Hall at 630.553.4350.

I hope I have covered the projects that most people have asked about, however, if you still have questions on these or other projects please contact your Aldermen, myself or the City offices.

Have a safe and enjoyable fall, and as we move into the holiday season please remember to support our local merchants and shop Yorkville first whenever you can.

—Mayor Art Prochaska

*(Mayor's message continued)*

The City is looking to begin engineering for the installation of traffic signals at Sycamore Street and Veterans Parkway (Rt. 34) now that IDOT has concurred with the city's warrant analysis. IDOT has begun work on the re-alignment and upgrade to the intersection of Schoolhouse Road (Rt. 126) and Stagecoach Trail (Rt. 71). I have been in contact with our local state legislators, and they have informed me that they are hoping to see a compromised capital budget passed by the General Assembly that will contain funds for Rt. 47. Finally, there will be improvements and upgrades to various streets and intersections as required by some of the new developments.

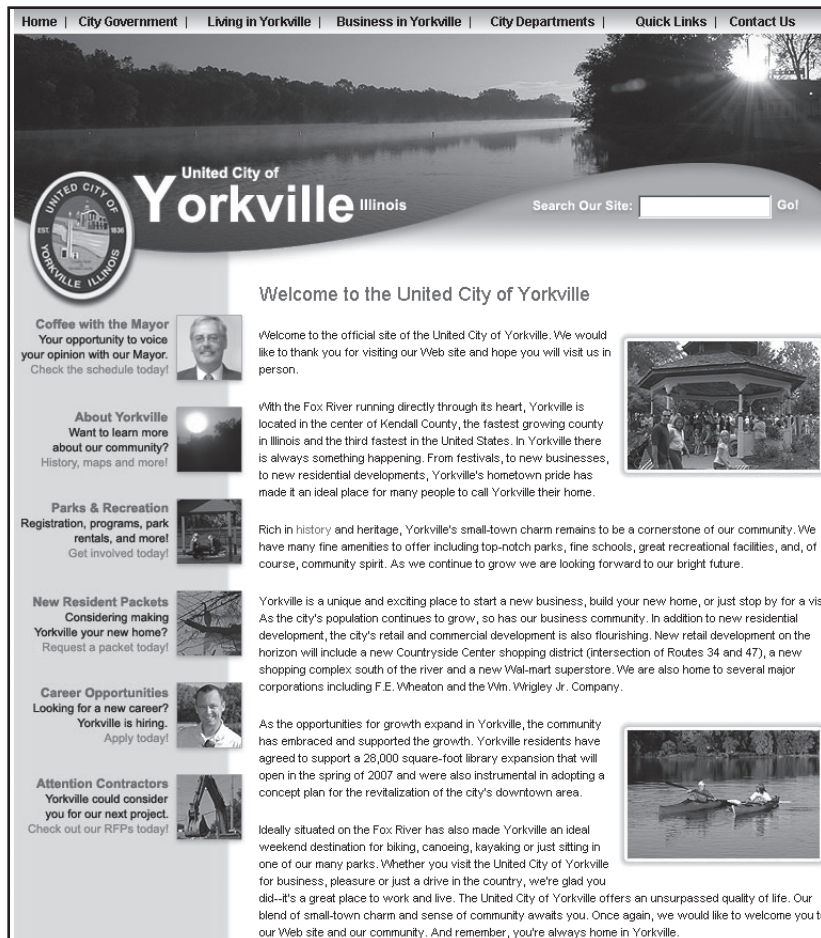

### **Other project updates**

The **Library** expansion is continuing on schedule. The building will soon be enclosed and it is expected to open this winter.

**Rush-Copley** is continuing their work on the first phase of their medical campus as they go for final approval by the State Board and hope to break ground later this fall.

The developers of the proposed **Kendall Marketplace** at Cannonball Trail and Veterans Parkway are likewise hoping to get through their process and break ground this fall. The project includes widening a stretch of Veterans Parkway, improving a portion of Cannonball trail, and building the first leg of the Beecher Road extension.

## Submit your event to [www.yorkville.il.us](http://www.yorkville.il.us)

If you are an organization or a not for profit group and would like your event listed on the city's new Web site go to [www.yorkville.il.us](http://www.yorkville.il.us). On the home page under **Upcoming City Events** you have the opportunity to submit your event. We're looking for pancake breakfasts, senior events, seminars, club meetings and charity events in the United City of Yorkville. Here's your opportunity to let us and the rest of the community know what your doing. The United City of Yorkville reserves the right to decline any request based on space constraints and content. For questions or information call 630.553.8564.

## City polls community on new Web site

The city's new Web site contains an opinion poll and each month we will be asking your opinion on a variety of issues concerning everything from public safety to what radio station you listen to. Since we have just debut our new site this month, we would like you to tell us what we missed. Be our eyes and let us know what you would like us to include on our new site. Log onto [www.yorkville.il.us](http://www.yorkville.il.us) and fill out the quick opinion poll listed on the home page of our site. Results will be tallied and posted within a four-week period.

Also, if you have suggestions on any polls that we may conduct for the future, please let us know. You can e-mail the city's Community Relations manager at [gspies@yorkville.il.us](mailto:gspies@yorkville.il.us) or call 630.553.8564.

## City debuts new Web site

*Visit our site today and let us know what you think.*

Check us out and log on to our new Web site at [www.yorkville.il.us](http://www.yorkville.il.us). The city's new web site made its debut on September 14 and includes many new features. In addition to the old, we have many new features including a request for proposal link, a request for a resident packet, career opportunities, upcoming community events and an area on the home page listing headlines and press releases for easy access to Yorkville news.

The site, according to Community Relations Manager, **Glory Spies**, was designed to be able to find the information in one or two clicks. "We wanted people to be able to find the information with as little effort as possible," Spies said.

In addition to the reorganization, the site has a new look.

"We wanted people that were looking to move to Yorkville to be able to get a sense of community," Spies commented. "We also wanted to make sure it was user-friendly for existing residents by providing a new Living in Yorkville link."

The Living in Yorkville link will be the most helpful to residents who are looking for a variety of information including a listing of local churches, parks, helpful phone numbers and utility billing information.

According to Spies, this was phase one of the project. In the next phase, she anticipates the site to include online utility payment, a web camera airing City Council meetings and the ability to send the City's newsletter electronically. She plans to include the improvements in the fiscal 2007/08 budget.

# Yorkville Community Events

## Fall fun in Yorkville

**Yorkville Farmers' Market**  
Saturday mornings through October  
Town Square Park (Rt. 47)  
8 a.m. to Noon

Apples, pumpkins and more at **Yorkville's Farmers' Market**. Head on over to Town Square Park for fresh produce, plants, jewelry, baked goods, and garden crafts. If you would like to sell your items at the market, please contact the Parks and Recreation office at 630.553.4357 or download a form from the city's Web site at [www.yorkville.il.us](http://www.yorkville.il.us) and go to forms under Parks and Recreation.

### City Hall Celebrates Illinois Arts Week

**Sunday, Oct. 8 - Saturday, Oct. 14**  
800 Game Farm Road, Yorkville,

Join **Mayor Art Prochaska** and the **Kendall Arts Guild** for a celebration of Illinois Arts week. City Hall will be exhibiting original works of art from the Kendall Arts Guild throughout the week of Oct. 8. Please plan to join us in a celebration of the arts! Art work can be viewed daily from 8:00 a.m. to 4:30 p.m. Monday through Friday. For more information call 630.553.8564.

**Mark your calendars for the  
Annual Halloween Walk**  
Saturday, Oct. 28,  
11:00 a.m. - 2:00 p.m.  
Sponsored by the Yorkville  
Area Chamber of Commerce

Trolleys, treats and more during the **Yorkville Area Chamber of Commerce** Halloween Trick or Treat. When you see the Halloween Trick or Treat sign in the window of participating businesses, you are invited to stop in between 11:00 a.m. and 2:00 p.m. for an assortment of sweet treats! Surprises, prizes and fun for all! Free activities for the entire family. Trolleys will be available to take you from business to business. For information call 630.553.6853.

### United City of Yorkville Halloween Egg Hunt

**Saturday, Oct. 28,**  
7:00 p.m., Town Square Park, Rt. 47  
Sponsored by the Yorkville  
Parks and Recreation Department

Join the Yorkville Parks and Recreation Department for a new twist on an old tradition—our Halloween Egg Hunt. Children of all ages can join in on the fun, show off their costume and hunt for eggs. Bring a flashlight and container. All participants should line up on the sidewalk until the hunt starts. Toddlers are first, followed by a different age group every few minutes. There is a 10 egg limit. Call 630.553.4357 for more information. Free admission.

**Help support literacy!**  
**Get a Book, Give a Book**  
Saturday, Oct. 28  
During the Annual Halloween Walk  
Old Second Bank (downtown)

The **Rotary Club of Yorkville** will be giving out new books to the first 200 children during the annual Halloween Walk. They will also be collecting new and gently used children books to support their effort for worldwide literacy. Books collected will be distributed to children throughout the world. Rotary members will be located at Old Second Bank in downtown Yorkville. Please stop by with any children's books that you would like to donate. For information call 630.553.8564.

### Be a senior in the know Senior Police Academy

**Monday, Oct. 30,**  
9:00 a.m. - 3:00 p.m.  
**Kendall County Historic Courthouse**  
110 W. Madison St., Yorkville

Join the United City of Yorkville Police Department and a host of others for a one-day informational workshop with topics ranging from how to identify a scam to how to take care of your health to live a longer, happier life. Sign up today! There is no registration fee; space is limited. Lunch provided. To register call 630.553.5777 or 630.553.8511.

### City Hall Holidays

City Hall offices will be closed in observance of the following holidays: Friday, Nov. 10 in observance of Veterans Day. Thursday, Nov. 23 and Friday, Nov. 24 in observance of Thanksgiving Day. Friday, Dec. 22 and Monday, Dec. 25 in observance of Christmas Day.

# More Yorkville events and Coffee with the Mayor

**Register today!**

## **Co-Ed Winter Basketball Registration Monday, Nov. 6**

Interested players in grades 1 through 8 can register beginning Monday, Nov. 6 for the **Parks and Recreation** winter basketball league. The season runs January through March. Practices are held during the week and games are played on Saturdays at various Yorkville schools. For additional information contact Parks and Recreation at 630.553.4357 department or check out the fall brochure.

## **Christmas in Yorkville Annual Christmas Walk Friday, Dec. 8**

**5:00 p.m. - 8:00 p.m.**

**Sponsored by the Yorkville  
Area Chamber of Commerce**

Caroling, lighting the Christmas tree, trolley rides and shopping make for a picture perfect beginning to the holiday season. Caroling begins at 6:15 p.m. Tree lighting at 6:30 p.m. Come out for the evening and enjoy many family activities, a visit from Santa, snowball golf and much more. For information contact 630.553.6853.

## **Yorkville Junior Women's Club "Homes for the Holidays"**

**Saturday, Dec. 9**

**10:00 a.m. to 4:00 p.m.**

**Admission: \$15 in advance;**

**\$20 day of event**

**Tickets go on sale Nov. 15.**

Spend an afternoon with family and friends, enjoy holiday decorations, and get some ideas for your own home. Five houses will be open for viewing, each with its own style and flair.

The **Yorkville Junior Women's Club** is a non-profit organization of area women united to support Yorkville and surrounding areas. The organization has helped the Kendall County Food Pantry, the Yorkville Parks and Recreation department, the Yorkville Public Library, and has raised money and funded grants for high school seniors. To purchase tickets or for more information call Michelle Jones at 630.553.2351.

## **Walter and Connie Payton Foundation Annual Holiday Toy Drive**

**Nov. - Dec., City Hall**

**800 Game Farm Road**

The United City of Yorkville will be collecting toys at City Hall for the **Walter and Connie Payton Foundation**. A toy drop box will be located in the main entrance of City Hall. Please help us support this worthwhile cause. The Foundation works closely with the Illinois Department of Children and Family Services to help boost the children's self-esteem and give them a reason to believe that tomorrow can be different...That tomorrow can be better. Toys can be dropped off during regular business hours between the hours of 8:00 a.m. and 4:30 p.m. For information call 630.553.8564.

## **You're invited to Coffee with Mayor Art Prochaska**

No need to RSVP and the coffee is FREE when you visit with **Mayor Art Prochaska** on Saturday mornings. What better way to start your day than with a brief chat with the Mayor. If you have a question, concern or a compliment for the Mayor, then here's your opportunity to let him know what's on your mind. Below is a list of locations that will be hosting Mayor Prochaska during October, November, December and January.

### **October 7**

Noon - 2:00 p.m.

**Picture Perfect Custom Frame Works**

211 S. Bridge Street (Rt. 47), Yorkville

### **October 21**

9 a.m. - 11 a.m.

**O Net Incorporated**, (sponsoring at Panera Bread at 1206 N. Bridge Street ) Yorkville

### **November 4**

9 a.m. - 11 a.m.

**Coleman Chiropractic**

1308 Sunset Avenue, Yorkville

## City Hall celebrates Character Counts Week, Oct. 15 - 21

The **United City of Yorkville Wellness Committee** will decorate the pillars of City Hall the Week of Oct. 15 - 21 in celebration of **Character Counts Week**. The pillars of City Hall will stay decorated until Friday, Oct. 27.

Character Counts! is a not for profit, nonpartisan, nonsectarian coalition of schools, communities and organizations working to advance character education by teaching the **Six Pillars of Character** to school age children. The six pillars of character are **Respect, Trustworthiness, Responsibility, Fairness, Caring** and **Citizenship**. These six core ethical values form the foundation of the Character Counts! youth-ethics initiative. Throughout the year, the six pillars of character will be assigned to a month or

months of the year and promoted during special school programs and assemblies.

September/October - Responsibility  
November/December - Caring  
January - Respect  
February - Trustworthiness  
March - Fairness  
April/May - Citizenship

Any other organization within the City who would like to support the Character Counts initiative is invited to decorate their facade during Character Counts Week. For more information contact **Doug Trumble**, district assistant superintendent for Instruction of the Yorkville Community Unit School District #115 at 630.553.4382.

## City Hall welcomes new employees

**Greg Weber,**

GIS coordinator

**Bill Scott,**

Parks Maintenance Worker

**Kristopher Gawrych,**

Parks Maintenance Worker

**Sharyl Iwanski,**

Librarian

**John Stewart,**

Part time Accounting Clerk

**Charlie Graff,**

Information Technology Specialist

**Charles Wunder,**

Urban Planner

## Optimist Club Forms in Yorkville

The United City of Yorkville's first **Optimist Club** is seeking new members. Join now and become a member of the newest club in town. The club meets on the second and fourth Monday evenings of each month, 5:30 p.m., Kendall Pub, 209 S. Bridge St.

Optimist Clubs are formed by people who want to reach out to help youth in their community by providing a positive approach, an upbeat outlook and a commitment to creating a more optimistic future for kids.

From sponsoring youth athletic leagues, weatherizing the homes of the elderly, to conducting oratorical contests for young people—Optimist Clubs are responding to the special needs of local communities throughout the United States

and beyond. Making a difference in the lives of others is the primary goal of an Optimist Club. Members of an Optimist Club usually live or work in the community. Members join together to serve others and to promote Optimism as a way of life. Each Optimist Club is chartered as a Member of Optimist International. This gives individual clubs the right to use the Optimist name and provide each club with services and programs offered by Optimist International. Local Optimist Clubs operate independently from each other. They choose their own activities, elect their own officers and raise their own funds. A club's service activities are based on the needs of the community.

Additional information is available by contacting 630.553.5622.

### Let us know of your HOA

*The United City of Yorkville is collecting information on Homeowner's Associations for the Web site. If your development has a Homeowner's Association or if you are the president, please give us a call at 630.553.8564 or [gspies@yorkville.il.us](mailto:gspies@yorkville.il.us).*

## The Value of a Tree

Planting a tree is one of the simplest ways to improve a community's quality of life. Typically 10 percent of a City's "green" infrastructure is in parkway trees. The **United City of Yorkville** staff is currently updating the Landscape Ordinance to increase the variety of shade, ornamental and evergreen tree species acceptable for planting, provide guidelines for median landscaping, and strengthen preservation standards in order to find a balance between new growth and existing forests.

Much like Dutch Elm Disease changed the streetscape in the 1930's, the Emerald Ash Borer (EAB) has the capability to significantly alter the Illinois landscape. Ash trees, on average, account for six percent of forests state-wide and 20 percent of urban forests, totaling over 130 million ash trees in northeastern Illinois alone. Revisions to the City's Landscape Ordinance include a more diverse selection of plant material, including the addition of less disease and insect susceptible species and varieties. State and federal environmental agencies are working to eradicate the insect. You can prevent the EAB from coming to Yorkville by not transporting firewood from another state or infested county in Illinois.

Trees are valuable to homeowners by reducing energy consumption and increasing residential property value. In commercial areas, trees slow traffic and create a consumer-friendly environment. The current Landscape Ordinance strongly promotes preservation of existing trees in newly developing subdivisions and commercial centers. Revisions to the ordinance will raise the protection method standards to ensure the survival of protected trees.

Professionals in the fields of horticulture, forestry, and nursery stock growing have been consulted, in addition to published documentation on preservation standards and proven street tree species. City Council will be reviewing and considering the revisions in the coming weeks, so please be aware that the acceptable tree

list will be changing to promote a healthy green environment for Yorkville.

If you have any questions, please contact Laura Haake in the Community Development Department at [lhaake@yorkville.il.us](mailto:lhaake@yorkville.il.us) or 630.553.8574.

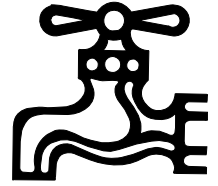

## City Ordinance regarding dogs

The United City of Yorkville and the Yorkville Police Department would like to remind all residents that the city has an ordinance in place to help keep people and animals safe, our City clean and neighbors happy.

A portion of the ordinance reads as follows:

Dogs must be:

- Confined by a fence of sufficient height and security (which may be an electronic invisible fence system) to prevent the animal from leaving the area so encompassed;
- On a leash under the control of a responsible person;
- On a leash securely fastened to an inanimate object and of a length which prevents it from leaving the property of its owner or keeper.
- Any dog found upon a public street, sidewalk, alley or any uninclosed place, shall be deemed running at large unless the dog is firmly held on a leash or is in an enclosed vehicle.
- It shall be unlawful for any owner to allow a dog to defecate on private property, without permission of the property owners, or any public street, sidewalk or park without properly disposing of such waste in a trash receptacle.

## From the Water Department

### Utility Billing Rates

#### **Water Rates:**

Bi-monthly minimum user charge: Up to 350 Cu. Ft.—\$11.94 \$2.17 per 100 Cu. Ft.\*

#### **Sewer Maintenance Fee:**

Residential, Commercial, Industrial and Government \$18/60 days per unit

#### **Refuse Fee:**

\$10.90/60 days-per single family or duplex unit

#### **Senior Discount Refuse Fee:**

\$1/60 days - per single family or duplex unit (age 65 or older)

#### **YBSD Yorkville-Bristol Sanitary District:**

(treatment of wastewater)

Residential, Commercial, Industrial, Government—0-6919 Cu. Ft.—\$76.11 min. fee

Over 6919 Cu., Ft.—\$1.10 per 100 Cu. Ft.\*

\*1 Cubic foot = 7.48 gallons

The minimum utility bill for a two-month period is \$116.95.

The minimum utility bill for senior citizens for a two-month period is \$107.05.

#### **Grande Reserve utility billing:**

The Grande Reserve utility billing will be the same charges for water, sewer and refuse. Fox Metro will be the sanitary district for Grande Reserve and will be doing their own billing from reads provided to them from our meter reads. The rates are as follows: \$5.25 minimum for 350 cu. ft. usage then \$2 per 1,000 gallons (134 cu. ft.) For example 1,000 cu. ft. usage = \$15.

A minimum utility bill from the United City of Yorkville to Grande Reserve residents will be: \$40.84. (Note: This will not include Fox Metro Sanitary District charges as they will be billing for their services)

A minimum utility bill from the United City of Yorkville to seniors 65 and older is \$30.94. (This does not include Fox Metro Sanitary charges).

The Fox Metro Sanitary District billing for filling pools and watering sod which services Grande Reserve is as follows:

- Fox Metro will adjust the bill if you have either filled a pool or watered new sod. This is not an automatic adjustment. For information you can call Fox Metro at 630.301.6881.
- New accounts will be billed at approximately \$4.50 per person, per month (approximately \$24-\$26 per month).

For more information contact Fox Metro at 630.301.6881. Please note that the Yorkville Bristol Sanitary District does not discount for pool filling or watering. The flat fee of \$76.11 is for up to 6919 cu. ft. Any usage over 6919 will be billed at \$1.10 per cu.ft.

The United City of Yorkville utility bills (water, sewer maintenance, Yorkville Bristol Sanitary District, garbage bills) are sent to every residential and business unit within the city limits on or about the first of the following months: January, March, May, July, September and November.

The water meter reads are taken at the beginning of each month and billed at the end of each month. For example, reads taken at the beginning of October will be billed on October 31 for August and September water usage. If you do not receive your bill, please call City Hall at 553-4350 to obtain the balance due and due date information that you will need in order to make your payment. Please keep in mind that if you move you will need to call for a final meter read due to the lag time in the meter reading/billing process.

#### **Senior citizen rate**

##### **Senior Citizen Discount Rate:**

A qualified senior citizen (age 65 or older) bi-monthly refuse fee is \$1 for single family or duplex unit per utility billing cycle. Proof of age is required. For information, (630) 553-4350.

#### **Utility billing e-pay**

The Utility Billing Department is participating in an Internet payment service that is available to Yorkville residents. The E-Pay program was launched by State Treasurer Judy Baar Topinka's office. Payments can be made with a variety of credit cards including Visa, MasterCard, American Express, Discover and E-check. A user fee of \$3.50 per transaction is added to the payment amount for

the convenience of Internet service, however, this fee is not charged or collected by the city. You can visit the city Web site and follow the link, or call City Hall at (630) 553-4350 with any questions.

#### **Direct debit available**

Direct debit payment is available and it is auto-deducted from your checking or savings account on the day the bill is due. Applications are available at City Hall or on the City's Web site at [www.yorkville.il.us](http://www.yorkville.il.us). Completed forms can be dropped off or mailed to City Hall, 800 Game Farm Road, Yorkville, 60560.

#### **Drop Box**

For your convenience, there is a drop box located in front of City Hall by the entrance to the parking lot for making your utility bills payments after hours.

#### **Snowbird Policy**

Residents who are absent from their residence for a period of 60 consecutive days or more qualify for the Snowbird Utility Account Policy. The City of Yorkville utility charges for water, sewer, and refuse will be waived during the resident's absence. Any resident wishing to have their water shut off at the curb box during their vacancy will be charged a \$25 shut off fee which is to be paid prior to the shutoff order being issued. The YBSD charge of \$76.11 per unit will be reduced to \$45.55 which is the debt service loan portion of the bill. It is the resident's responsibility to inform the City of their return.

#### **A reminder from the water department...**

Please trim shrubs and trees around your water meter to insure easy access for meter readers. Thank you.

United City of Yorkville schedules refuse pick ups, hydrant flushing

Refuse pick-up

Weekly Waste Management Refuse pick-up is as follows:

**Monday:** South of the river, west of Rt. 47, Bristol Bay, Greenbriar, Prairie Gardens, Rivers Edge, Sunflower Estates, and White Oak Estates.

**Tuesday:** South of the river and east of Rt. 47, Cannonball Estates, Country Hills, Crooked Creek, Briarwood, Fox Highlands, Klyn's, Raintree Village, Whispering Meadows, Wildwood and Windett Ridge.

**Wednesday:** Blackberry Creek, Grande Reserve, and Prairie Meadows

**Friday:** North of the river, Cimmeron Ridge, Fox Hill, Countryside Center, Heartland, Longford Lakes.

Each residence covered under the city's agreement may put out one 64-gallon Waste Management refuse cart, one 35-gallon recycle cart and one large household item on the regular pick-up date.

Please have your garbage out by 6 a.m.

**Waste stickers are available for any extra items or additional refuse for \$1 at City Hall, Pride Pantry and Jewel.** Extra recyclables do not require a sticker.

Yard waste pick-up happens from April 1 through November 29. There is no yard waste pick-up from November 30 through March 30. No stickers are required on yard waste, but it must be in brown kraft bags. When holidays fall on a regular refuse pick-up day, the pick-up will be made one day later. Holidays observed during 2006 by Waste Management are as follows: New Year's Day, Memorial Day, July 4, Labor Day, Thanksgiving Day and Christmas Day. **Refuse, recycling and yard waste are collected by different trucks on different routes.** However, if you home is missed, please call Waste Management at 800-796-9696. If you have any questions, please contact City Hall at (630) 553-4350.

Yard waste pick up

Yard waste is collected from April through November on scheduled garbage pick up days. Stickers are not required for yard waste but waste must be in brown kraft bags to be collected.

Brush and leaf pick up

The United City of Yorkville provides brush pick up from April through October. Brush must be placed parallel to the curb in neat stacks no longer than six feet in length and no wider than three inches in diameter. Brush must be placed on the parkway no later than 7 a.m., Monday morning. Brush crews will not return for special pick ups, once the street is completed, brush will not be picked up again until the next scheduled date for your area.

Brush pick up-north side

April 24-28

June 19-23

August 21-25

October 23-27

Brush pick up-south side

May 22-26

July 24-28

September 18-22

October 23-27

Leaf pick-up north side

November 6-10

Leaf pick-up south side

November 13-17

Hydrant Flushing

The city's Public Works Department schedules hydrant flushing in the months of April and October. If you experience rust in the water during this process, please let your water run clear and use caution when doing laundry on days that hydrant flushing is scheduled. In the event rust does occur, Rust Remover is available at local hardware stores.

Hydrant flushing-north side

April 17-22

October 16-20

Hydrant flushing-south side

April 24-28

October 23-27

White goods pick up

Yorkville white goods pick up is scheduled for the week of Oct. 16 - 20 on your regular pickup day only. Only one pass will be made. Please make sure items are out by 6:00 a.m. White goods pick up items include refrigerators, freezers, water heaters, air conditioners, humidifiers, stoves, boilers clothes dryers/washers, microwaves, dishwashers, heat pumps and furnaces.

Explanation of YBSD charges

The United City of Yorkville bills and collects the Yorkville-Bristol Sanitary District's (YBSD) "user charges" bi-monthly. This fee includes four services the people of Yorkville pay for. The four services are water, refuse pick-up, sewer maintenance and wastewater treatment.

To meet the stricter standards mandated by the Illinois Environmental Protection Agency (IEPA) and to provide service to the area, the YBSD has borrowed \$9 million from the State of Illinois Revolving Loan Program. Loan monies pay for the expansion of the wastewater treatment plant located at 304 River St. The YBSD also has an existing debt incurred in 1991 of \$3.5 million. The dedicated source of revenue to pay these debts are part of the YBSD "user charge." The dedicated source of revenue format is a requirement of the IEPA to assure the low interest loan is paid back over a 20-year period.

The "user charges" are as follows: \$1.10 per 100 cubic feet of flow, providing that the user pay a minimum bi-monthly fee of \$76.11 of which \$45.55 is dedicated to Debt Service for the repayment of the IEPA Act Loan. The debit service fee is \$45.55 and \$30.56 is for operation and maintenance. The total is \$76.11.

Please note: If a customer uses 6,920 or more cubic feet of water, the fee would be calculated at \$1.10 per 100 cubic feet.

With the new water treatment plant fully operational please note that this will be the last time that the City newsletter will contain a radium update. The City is now in compliance with the standards for radium removal set forth by the Environmental Protection Agency (EPA).

## Radium update

The United City of Yorkville Public Water System has levels of gross alpha and combined radium above drinking water standards.

Our water system has violated a drinking standard. Although this is not an emergency, as our customers, you have a right to know what happened, what you should do, and what we are doing to correct this situation.

We routinely monitor for the presence of drinking water contaminant. Quarterly samples taken over the past year show that our system exceeds the standard, or maximum contaminant level (MCL), for gross alpha and combined radium. The standard for gross alpha is 15 pico curies per liter (pCiL) and 5 pico curies of combined radium. The average level of gross alpha is 33 pico curies (pCiL) and combined radium over the past year was 19 pico curies per liter (pCiL).

### **Q. What should I do?**

**A.** You do not need to use an alternative (e.g. bottled water) supply. However, if you have specific health concerns, consult your doctor.

### **Q. What does this mean?**

**A.** This is not an immediate risk. If it had been, you would have been notified immediately. However, some people who drink water containing radium-226 or radium-228 in excess of the MCL over many years may have an increased risk of getting cancer.

### **Q. What happened? What is being done?**

**A.** The United City of Yorkville is currently designing and constructing Ion Exchange Treatment Facilities, which will remove the radium below the 5 pico curies per liter (pCi/L) level. We anticipate the treatment plant to be online by spring 2007. Please share this information with other people who drink

this water, especially those who may have not received this notice directly (for example, people in apartments, nursing homes, schools and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail. This notice is being sent to you by the United City of Yorkville Public Water System ID# 0930250. For information, contact Joe Moore at 630.553.4350 or write to 800 Game Farm Road, Yorkville, IL 60560. *(Distributed October 2006)*

## Public Works readies water facility for October service

The United City of Yorkville tested the city's water treatment plant for wells numbered 3 and 4 during the week of September 25. According to Public Works director Eric Dhuse, this is the last of three water treatment facilities that were designed to remove naturally occurring radium in the city's water.

With this new facility going into operation the City will now be in compliance with the final standards for radium removal set by the EPA. In fact this should be the last newsletter that contains the radium statement.

Dhuse expects the facility to be completely operational by mid October. Dhuse noted that once it is up and running, the entire city will be serviced with the same water. The third facility will service the central part of Yorkville from

Countryside to Colonial Parkway. During the initial change over, residents may notice a slightly different taste and odor but the effects will not last for an extended

period of time. The reason for this occurrence, says Dhuse, is that the current water using old treatment methods will mix with the water treated by the new plants for a short period of time.

As a result of the new facility, the city's water will benefit. The water will be softened to approximately eight grains of hardness, down from the current level of 14-16 grains.

The city's other two facilities are located at 3299 Lehman Crossing in the Grande Reserve subdivision and at 2224 Tremont in the Raintree subdivision.

For additional questions or more information contact the United City of Yorkville Public Works department at 630.553.4370.

Monitoring Violations Annual Notice Template				
<b>IMPORTANT INFORMATION ABOUT YOUR DRINKING WATER</b>				
Monitoring Requirements Not Met for United City of Yorkville				
<p>Our water system violated several drinking water standards over the past year. Even though these were not emergencies, as our customers, you have a right to know what happened and what we did to correct these situations.</p> <p><i>We are required to monitor your drinking water for specific contaminants on a regular basis. Results of regular monitoring are an indicator of whether or not our drinking water meets health standards. During 7/1/05-9/30/05 we did not complete all monitoring or testing for Gross Alpha, radium combined, and Uranium combined and therefore cannot be sure of the quality of our drinking water during that time.</i></p>				
<b>What should I do?</b>				
<p>There is nothing you need to do at this time.</p> <p>The table below lists the contaminant(s) we did not properly test for during the last year, how often we are supposed to sample for these contaminants, how many samples we are supposed to take, how many samples we took, when samples should have been taken, and the date on which follow-up samples were (or will be) taken.</p>				
<b>Contaminant</b>	<b>Required sampling frequency</b>	<b>Number of samples taken</b>	<b>When all samples should have been taken</b>	<b>When samples were or will be taken</b>
Gross Alpha Activity, Radium Combined, (226, 228) Uranium Combined	2	0	7/1/05-9/30/05	10/1/05-12/31/05
<b>What happened? What is being done?</b>				
<p>Samples arrived late to the testing facility. All future samples will be mailed next day delivery with confirmation.</p> <p>For more information, please contact Joe Moore or Brian Sorensen at 630-553-4370 or 800 Game Farm Rd. Yorkville, IL.</p> <p><i>Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses) You can do this by posting this notice in a public place or distributing copies by hand or mail.</i></p>

## Guidelines to winterize your home

Use this pre-winter check list for a more economic heating season:

- Be sure your home is well insulated.
- Make sure ductwork is properly insulated and sealed.
- Insulate your water heater using R-6 insulation or better.
- Weather-strip around doors and windows.
- Remove or cover window air conditioners.
- Change the filters in your heating system.
- Clear heating registers of items that may be blocking them including rugs and furniture.
- Vacuum heating registers.
- Reverse the direction of your ceiling fan blades. Fans should rotate counterclockwise in the winter.
- Seal your fireplace damper when it is not in use; heat escapes up the chimney.

## Moisture control 101

To prevent mold growth in your home, the U.S. Environmental Agency (EPA) says there are a few steps homeowners can take to control moisture in their homes.

- Fix leaks and seepage. If water is entering the house from the outside, your options range from simple landscaping to extensive excavation and waterproofing (the ground should slope away from the house). Water in the basement can result from the lack of gutters or a water flow toward the house. Water leaks in pipes or around tubs and sinks can provide a place for biological pollutants to grow.
- Cover dirt in a crawlspace with plastic covering to prevent moisture from coming in from the ground. Be sure crawl space are well ventilated.
- Use exhaust fans in bathrooms and kitchens to remove moisture to the

outside (not into the attic). Point your clothes dryer vent to the outside.

- Turn off certain appliances (such as humidifiers or kerosene heaters) if you notice moisture on windows and other surfaces.
- Use dehumidifiers and air conditioners in hot, humid climates to reduce moisture in the air, but be sure that the appliances do not become sources of biological pollutants.
- Raise the temperature of cold surfaces where moisture condenses. Use insulation or storm windows. A storm window installed on the inside works better than one installed on the outside. Open doors between rooms especially doors to closets which may be colder than the rooms to increase circulation.

## Change your clock; change your battery

You've seen the signs, heard the slogan, and reminded yourself that you really should find a few minutes to test your home smoke detectors. How many of us will actually change the batteries and test our smoke detectors when we set our clocks back on Sunday, October 29?

The majority of home fires that kill people happen at night. If you're asleep the smell of smoke won't always wake you up. In fact, smoke and poisonous gasses can put you into a deeper sleep.

Inexpensive home smoke alarms can wake you up in time to escape—cutting your chances of dying nearly in half. Smoke alarms do save lives, and in most states, including Illinois, are required by law in private homes.

### How to choose a smoke detector.

Be sure that the smoke alarm you buy carries the label of an independent testing lab such as UL. Some home smoke alarms run only on batteries, others on household current and batteries. There are different sensor technologies, some faster to react

when fires are smoldering, others faster when fires are openly flaming. All are fast enough to provide sufficient warning. All laboratory tested smoke alarms, regardless of type, will protect you if they're installed and maintained properly.

### How many do you need?

Install at least one smoke detector on every floor of your home, including the basement and outside each sleeping area. Smoke alarms should also be installed in every bedroom. Yorkville's building code now requires detectors inside every bedroom of new homes as well as on every level and near all sleeping areas. Be sure everybody sleeping in your home can hear the alarms. Smoke detectors should be installed in kitchens, bathrooms or garages where cooking fumes, steam or exhaust might set off false alarms. Do not install smoke detectors in attics or unheated spaces.

### Where to install.

Smoke rises, so mount alarms high on a wall or on the ceiling. Wall mounted alarms should be mounted with the top of the device four to 12 inches down from the ceiling. Mount ceiling devices at least four inches away from any wall. In a room with a pitched ceiling, mount the alarm at or near the ceiling's highest point. Always position smoke detectors in closed stairs at the ceiling near the bottom of the stair as dead air trapped at the top of the stair may prevent the detector from activating.

### How do I know I need new batteries?

A "chirping" smoke alarm is indicating that it has a low battery. Test your alarms monthly by pushing the "test button". If you change batteries and your detector still doesn't test OK it is time to buy a new detector. It is now recommended that smoke detectors be replaced at least every 10 years.

### When the smoke detector activates?

If a detector activates, leave the premises immediately and call 911. Teach children to recognize the sound of the smoke detector and what to do if it activates.

# Yorkville Police Department

## Yorkville Police host informational seminar for seniors

The United City of Yorkville **Senior Police Academy Conference**, is a new one-day seminar providing seniors with a variety of information from how to identify a scam to how to take care of your health to live a longer, happier life.

•**Illinois Attorney General's Office**—*Identity Theft, Sweepstakes, Foreign Lottery Scams and Medicare Fraud—How to Detect It and Report It.*

•**Rush-Copley and Linden Oaks Hospital**—*How to Take Care of Yourself*

*to Live a Longer, Happier Life.*

•**Kendall County Forest Preserve**—*Birds, Reptiles and Mammals in Your Backyard.*

The **Yorkville Police Department, Senior Services**, the Kendall County Forest Preserve and the **Kendall County TRIAD Committee** sponsor this event.

Be a senior “in the know” and sign up today. There is no registration fee; space is limited. Lunch will be provided. Contact Patty Strahan at 630.553.5777 or officer Barry Groesch at 630.553.8511 for more information or to register.

The seminar is scheduled to meet from 9:00 a.m. to 3:00 p.m. on Monday, October 30 at the Kendall County Historic Courthouse, 110 W. Madison St., Yorkville.

As a result of a survey conducted by the **Yorkville Police Department** the topics listed below are just a few of those that will be covered. Additional topics will be added.

•**Illinois State Police**—*Gypsies and Scams*, presented by **Inspector Bill Hendrickson**

## National Night Out—A celebration of community

The Yorkville Police Department and the Yorkville community came together this year for **National Night Out** on Tuesday, Aug. 1 at Beecher Community Park.

National Night Out is a unique, nationwide crime, drug, and violence prevention celebration that brings communities together. There were games, family activities, plenty of food, fun, a car safety seat demonstration and much more.

Every year the **National Association of Town Watch** (NATW) puts aside a

special day to provide a unique opportunity for communities to join forces with thousands of other communities across the country in promoting cooperative, police community crime prevention efforts. National Night Out is designed to heighten crime and drug prevention awareness; generate support for, and participation in, local anti-crime efforts, strengthen neighborhood spirit and police community partnerships, and send a message to criminals letting them know neighborhoods are organized and fighting back.

## We can help!

Invite your friends and neighbors and have a fall block party. No need to worry about getting a permit says Yorkville Police officer **Barry Groesch**, “permits for block parties are not required but we do ask that residents call us and register so that we can help them with the planning.”

The Yorkville Police Department and Groesch can assist residents with the arrangements by providing barricades and garbage cans. They can also arrange to have Mc Gruff the crime-fighting dog make a special appearance, in addition to having a police representative available for bicycle registrations.

The Police Department encourages the neighborhood get-togethers because says Groesch, “it’s a great way to have fun and meet your neighbors.”

Three weeks notice before your event is required. For additional information, or to register your block party call 630.553.8511.

The Police Department participates in this annual event that takes place on the first Tuesday evening in August. Mark your calendars for next year.

This year the **Citizens Police Academy Alumni**, the **Yorkville Police Department**, the **United City of Yorkville Parks and Recreation Department** and the **Bristol-Kendall Fire Department** joined forces to provide this free community event.

# Community Services

## CHEFS WORKING TOGETHER FOR A COMMON CAUSE

Support "A Suburban A Fare"  
Celebrity Brunch

11:00 a.m., Sunday, Nov. 5

Drury Lane Theater

100 Drury Lane, Oakbrook Terrace

You wouldn't say "Thank God It's Friday" if you wouldn't eat again until Monday! Would you? Meals-on-Wheels is a vital service that feeds our elderly in need. The publicly funded Meals-on-Wheels program, critical to so many elderly, is limited to only providing one meal per day, Monday through Friday. Current funding is insufficient to provide a nutritious meal on weekends, let alone holidays. Every person receiving a weekday meal should have the opportunity to eat at least one meal every Saturday, Sunday and the 13 holidays when the weekday meal program is closed.

Eating seven days a week is often impossible for a significant number of older persons who are unable to leave their homes to shop for fresh and healthy foods; or, no longer can experience the joys of cooking. In Kendall County over 18,944 meals are served annually as a result of this program.

Chef **Patrick Cassata**, Spa Café, Chicago, is the 2006 chair for this year's 15th annual "**A Suburban A Fare**" celebrity chef brunch to benefit the **Holiday Meals on Wheels** program. Over 20 suburban and Chicago Chefs will be "working together for a common cause" in preparing scrumptious entrees, appetizers, soups, salads and desserts for your sampling. This gala event is a diner's delight, where guests savor unique dishes and wines served table side.

All proceeds of ticket sales go towards nutritious meals for our at-risk elders. The goal of the program is to raise enough money to provide our most vulnerable elders with the most basic of human needs—one nutritious meal a day, everyday. This special event also includes a silent auction, appetizers and wine tasting beginning at 11:00 a.m.

Sponsor of the event, the Northeastern Illinois Area Agency on Aging, is a non-profit organization chartered in 1974 to plan and coordinate a comprehensive network of services for older persons throughout our community. Tickets are \$90 (80% tax deductible). For additional information regarding the Holiday Meals on Wheels Program or the Celebrity Chefs Brunch, contact **Connie Kobitter** at 630.293.5990 or [crkevents@ageguide.org](mailto:crkevents@ageguide.org); or **Rose Spears** at 630.553.8371.

Your support can help to eliminate the survival practice of our at-risk elders saving a portion of their wheels-on-meals food delivered on Friday in order for them to eat a portion of that nutritious meal on Saturday and Sunday when no meals are delivered.

Please support our elderly, at-risk population. Donated silent auction items would be greatly appreciated. Baskets to contain all of the wonderful donated items would also be appreciated. Please drop off donated items and/or baskets(s) at City Hall, 800 Game Farm Road.

## KENDALL COUNTY FOOD PANTRY

Once again, the fall/winter season is approaching. In order to assist those less fortunate than us, we would like to urge you to donate blankets, bath towels, dish towels, bed linens, sugar, oil, juices, peanut butter, jelly, ketchup, canned meat products, spaghetti sauce, canned fruit, detergents (dish/laundry), personal items (deodorants, toothpaste, toothbrushes, bar soap, etc.) to the Kendall County Food Pantry.

The food pantry serves over 90 families on a regular basis. This includes over 50 families that have five or more individuals in the family. It is not uncommon for over 165 families to require

the needs of the Food Pantry.

The Kendall County Food Pantry is located in downtown Yorkville at the Farm Bureau Building, 111 E. Van Emmon. You can drop off much need donations between the hours of 8:00 a.m. to 9:30 a.m. on Mondays; and, 8:30 a.m. to 9:30 a.m. on Thursdays. Please note, if you would like to drop off donations before work, you can call 630.553.7259 and make arrangements to come as early as 7:30 a.m. PLEASE REMEMBER THE MANY INDIVIDUALS THAT ARE LESS FORTUNATE.

## HELP STOP ELDER ABUSE

If you are aware of an elderly individual experiencing abuse and neglect, please call the Illinois Department on Aging, Elder Abuse Hotline at 1-800-252-8966 (Monday-Friday, 8:30 a.m.-5:00 p.m.); or 1-800-279-0400 (after hours, weekends and holidays).

## KENDALL COUNTY OLDER MEN'S GROUP

Seeking all Kendall County men 60+ years of age. Have you recently retired? Are you dealing with a little extra time on your hands? Do you have questions regarding your spouse and/or other family members? Are you looking to keep both mind and body busy? If you said yes to any of these questions, please join us.

The Kendall County Older Men's group meets on Wednesday afternoons from 1:00 p.m. to 2:30 p.m. at the Kendall County Health Department, 811 W. John Street. For additional information or to register, contact Keith at 630.553.9100, ext. 8028. We are looking forward to meeting you.

## FREE LEGAL SERVICES FOR SENIORS

Prairie State Legal Services, Inc. is a not-for-profit agency offering legal assistance at NO CHARGE for senior citizens, age 60 and over, residing in Kendall County. Services are made possible through funding from the Northeast Illinois Area Agency on Aging, United Way, and a special grant from Kendall County. Legal services provided include Social Security, Medicare, Medicaid and more. For information contact 815.935.2750 or go to [www.pslegal.org](http://www.pslegal.org).
