DRAFT

**UNITED CITY OF YORKVILLE
PUBLIC SAFETY MEETING
Thursday, April 7, 2016 6:30pm
City Hall Conference Room**

In Attendance:

Chairman Larry Kot
Alderman Carlo Colosimo

Alderman Joel Frieders
Alderman Seaver Tarulis

Other City Officials in Attendance:

Mayor Gary Golinski
City Administrator Bart Olson

Alderman Chris Funkhouser
Police Chief Rich Hart

Others in Attendance: None

The meeting was called to order at 6:30pm by Chairman Kot.

Citizen Comments: None

Minutes for Correction/Approval: January 7, 2016

The minutes were approved as read.

New Business:

1. PS 2016-06 Police Reports for January 2016 – March 2016

Chief Hart said the reports are status quo and the reports were accepted as presented.

2. PS 2016-07 Adjudication Reports for December 2015 – March 2016

Chief Hart commented that the Hearing Officers are doing a good job and the reports were accepted as presented.

3. PS 2016-08 Request to Dispose of Hewlett Packard Design Jet 500 Printer

According to Chief Hart, this is a plotter that has never worked and should either be recycled or parted out. The committee approved of the disposal.

4. PS 2016-09 Police Department Training Report

This report was requested by Alderman Frieders at a previous meeting and shows what types of training are occurring. Some training is required to keep certifications current. The Sergeants and officers also do mandatory policy reviews each month. Chief Hart said the department is considering using a program which uses standardized rules and regulations for police departments. Automatic updates are also provided.

The Chief discussed some of the other training programs and other aspects of the report. Alderman Kot said he was encouraged to see this amount of training. Officers are encouraged to go to conferences that pertain to their particular expertise or position in the department. The Chief said each officer is trained for crime scenes, breathalyzer testing, DUI's, fingerprinting and juvenile matters. This helps to minimize overtime by not having to call other officers to handle. No further action.

5. PS 2016-10 Police Facility Planning

Chairman Kot asked to include this topic on the agenda and said the 2005 plan is the most recent and was only a space analysis. He wants the committee to begin to think about a new facility. A plan of all city buildings and their uses needs to be done. Quotes are being gathered now according to Mr. Olson.

The County has agreed to continue being the holding facility unless a new building or major remodeling is done. Alderman Kot recalled parental concern about the police department being so close to the schools. Chief Hart said there is also some concern about sex offenders being brought to the department since it's close to the schools and library.

Funding of a new building was discussed by Alderman Colosimo and he likes the idea of retrofitting the Old Second Bank building downtown as the police department. Then more space would become available in City Hall. Alderman Kot said he would not want the police department being moved around frequently as in the past. Alderman Frieders said he was glad to see planning begin prior to it being an emergency and he would like a central location.

Chief Hart said many departments have expandable campuses and include indoor ranges. He said the current department is tight on space and has been in the same space for 8 years. Also discussed was indoor vehicle storage which adds life to the squads. He noted Plano PD has a pole building for their vehicles.

Administrator Olson suggested using the 8 acres near Kendall Marketplace as a north central location for a department with the idea that a south side location would be needed at some point. He said land is cheap now and possible locations should be explored. This item will be kept on the agenda for more discussion.

6. PS 2016-11 Crosswalk Pedestrian Signage

Alderman Kot said this item should be discussed at Public Works meetings. Mr. Olson replied that some residents and schools have contacted the City about signage. It was noted that the students cross Game Farm Road at several locations and it was suggested there should be a study. Alderman Colosimo said a 3-foot landscape material could be used and leave openings at the crosswalks only.

Alderman Kot summarized and said the problem areas should be identified, take it to Public Works for a study and ask for an engineering recommendation. Mr. Olson said

the problem can be presented to the schools, however, he does not expect they would spend any money to rectify the problems. The Mayor added that staff can also look at and make recommendations.

Old Business None

Additional Business

Chairman Kot discussed the police vehicles and said he does not want to fall behind in purchasing new squads if there is extra money. Mr. Olson commented that any purchases do not have to be tied to the FY.

There was no further information and the meeting was adjourned at 7:17pm.

Dear Chief Rich:

My name is Nicole Lemke and I am a student at Waubonsee Community College in Sugar Grove, Illinois. My major is Criminal Justice.

On February 12th, I participated in a ride-along with Patrol Officer Chris Kuehlem for my Introduction to Criminal Justice class assignment. During our patrol, we did not make any traffic stops. We did get a call to a home for an alarm, but the call was canceled as the alarm code was entered wrong by the homeowner. We did drive by the home as if the call was not canceled. We also drove around the north side of town and Officer Kuehlem showed me a street that was half County and half Yorkville, which I found a bit interesting. Officer Kuehlem did take the time to show me lots of valuable information such as, accident reports, DUI reports, warning tickets, and the real ones too. I learned that keeping the City safe is the most important thing above all.

Thank you for allowing me to ride along with Officer Kuehlem, and please extend my thanks and appreciation to him as well. This was a very interesting experience, and I will always remember all the valuable lessons.

Sincerely,

Nicole Lemke

Dear Chief Richard Hart:

My name is Steven Burch and I am a student at Waubensee Community College in Sugar Grove, Illinois. I am a veteran from the United States Marine Corps and will be applying to Police Departments in the near future.

On January 27, 2016 I participated in a ride-along with Officer Tom Grimes as part of an assignment for my Introduction to Criminal Justice class. During our patrol, we had two traffic stops for speeding coming out of a residential area. We also patrolled some of the troublesome areas of town. It was a great experience to ride with Officer Tom Grimes. I learned many things from observing him and talking to him about the important work he does for your department.

Thank you for allowing me to ride along with Officer Tom Grimes, and please extend my thanks and appreciation to him as well. This was an eye-opening experience that I will remember for a long time.

Sincerely,

Yorkville Police Department Memorandum

Telephone: 630-553-4340
Fax: 630-553-1141

Date: June 30, 2016
To: Public Safety Committee/City Council
From: Chief Rich Hart *RTH*
Reference: Request to Purchase four (4) Police Vehicles.

I am requesting the authorization to purchase four (4) police vehicles. The first vehicle requested is for patrol and the funds are coming from the police department 2017 budget capitol fund for a total cost not exceed \$44,087.78 (there is \$55,000.00 in police capitol). Please see attached memo from Deputy Chief Larry Hilt with the costs and quotes. I am also requesting to purchase 2 other police vehicles one is for patrol at \$44,087.78 and the second is for investigations at \$29,440.00. The funds for these two vehicles will be coming from the 2016 Police general fund from unused funds from last year's budget.

I checked with both Bart and Rob and the funds from the police capitol line item are available and they have no problems with my request to purchase the first patrol vehicle. Bart will be at the Public Safety Committee Meeting to confirm that the funds for the other two vehicles (patrol and investigations) are available. There is also a possibility that we could purchase a fourth vehicle for patrol use at \$44,087.78 if the funds from last year's general fund available. Bart will confirm this at Public Safety.

Please see attached memo from Deputy Chief Larry Hilt with the costs and quotes. If the Committee approves this request I would like to have this placed on the agenda for next available City Council Meeting. I am available at anytime if you have any questions.

From: Deputy Chief Larry Hilt #103
Reference: Request to Purchase Vehicles

Chief Hart,

The following is a request to purchase three (3) new vehicles, and have two of them outfitted as a squad car; the other will be a detective car. These vehicles will be replacing 3 squad cars and 2 detective cars that will be disposed of in accordance with City policy.

The first vehicle we are requesting is a 2016 Chevy Impala to be purchased from Miles Chevrolet, who holds the state bid for Chevy Impala police vehicles. See attached purchase worksheet.

Cost of Vehicle - \$22,102.00

New equipment including installation - \$9,778.52

New Fujitsu in car computer w/console - \$3779.27

Provision video camera - \$3,129.00

3-Mobile radios - \$2200.00

Streamlight flashlight - \$148.99

Striping - \$950.00

Miscellaneous unexpected expenses - \$2000.00

Total Cost - \$44,087.78

*See attached quotes.

The second vehicle we are requesting is a 2016 Chevy Impala to be purchased from Miles Chevrolet, who holds the state bid for Chevy Impala police vehicles. See attached purchase worksheet.

Cost of vehicle - \$22,102.00

Yorkville, Illinois 60560
Telephone: 630-553-4340
Fax: 630-553-1141

Striping - \$950.00

Miscellaneous unexpected expenses - \$2000.00

Total Cost - \$44,087.78

*See attached quotes.

The third vehicle (detective car) we are requesting is a 2016 Chevy Impala to be purchased from Miles Chevrolet who holds the state bid for Chevy Impala police vehicles. See attached purchase worksheet.

Cost of vehicle - \$22,102.00

New equipment including installation - \$3138.00

3-Mobile radios - \$2200.00

Miscellaneous unexpected expenses - \$2000.00

Total Cost - \$29,440

*See attached quotes.

*Total cost for all three vehicles - \$117,615.56.

Overall, the funds for one squad car and one detective car will be expended from the 2015/2016 General Fund. The funds for one squad will be expended from this year's police capital under Vehicles.

*Two other Chevy dealerships in the area were contacted and could not match the state bid. See attached copies.

Memorandum

To: Mayor and City Council
From: Lisa Pickering, Deputy Clerk
CC: Bart Olson, City Administrator
Date: June 7, 2016
Subject: Request for Liquor Code Amendment to Increase Number of Class A Licenses

Summary

Consideration of an amendment to the liquor code to increase the number of Class A liquor licenses outside of the downtown area by one.

Background

The city received a request from existing liquor license holder OMG Liquor & Wine to change their liquor license classification from a Class B: Package: Beer, Wine, and Liquor (carryout only) to a Class A1: Retail-tavern/bar: Beer, Wine, Liquor, and Package. The reason this business is requesting this change in liquor license class is so they can apply for a video gaming license. To get a video gaming license from the state, a license to pour is needed. The Class A1 license would allow them to serve drinks on-premise and it would also allow carryout sales of package beer, wine, and liquor.

Staff Comments

If the decision is made to amend the code, as with all liquor applicants, the Liquor Commissioner will review the request and make the final decision on this licensee's request. For your consideration a draft ordinance increasing the number of Class A liquor licenses by one outside of the downtown area has been included, along with a copy of the request from the licensee and a chart showing the current businesses that hold a Class A license.

Ordinance No. 2016-_____

**AN ORDINANCE AMENDING THE CODE OF ORDINANCES
OF THE UNITED CITY OF YORKVILLE, KENDALL COUNTY, ILLINOIS
PROVIDING FOR LIQUOR CONTROL
NUMBER OF CLASS A LICENSES**

WHEREAS, the United City of Yorkville (the “City”) is a duly organized and validly existing non home-rule municipality created in accordance with the Constitution of the State of Illinois of 1970 and the laws of the State; and,

WHEREAS, pursuant to section 5/4-1 of the Liquor Control Act of 1934, as amended, (235 ILCS 5/1-1 et seq.) the corporate authorities have the power to determine the number, kind and classification of liquor licenses and their fees; and the regulations for the sale of alcoholic beverages; and in addition pursuant to its powers to protect the public’s health, welfare and safety this Ordinance is hereby adopted.

NOW, THEREFORE, BE IT ORDAINED by the City Council of the United City of Yorkville, Kendall County, Illinois, as follows:

Section 1. That Title 3, Chapter 3, Section 6-A-2, of the United City of Yorkville Code of Ordinances is hereby amended by deleting paragraph 2 in its entirety and replacing it with the following:

2. Additional Retail Type Licenses Issued: The liquor control commissioner shall further have a right to issue up to a total of six (6) additional retail type licenses inclusive of any of the four (4) existing retail class licenses, in areas outside the above designated downtown area and outside of any residential area subject to approval of the city council, in order to provide for the orderly growth of the city with respect to additional territories being developed and annexed within the city. No licenses in excess of six (6) additional class A1 through A4 licenses, inclusive, shall be issued outside of the downtown area without amendment of this section by the city council.

Section 2. This Ordinance shall be in full force and effect upon its passage, approval, and publication as provided by law.

Passed by the City Council of the United City of Yorkville, Kendall County, Illinois

Dear Lisa,

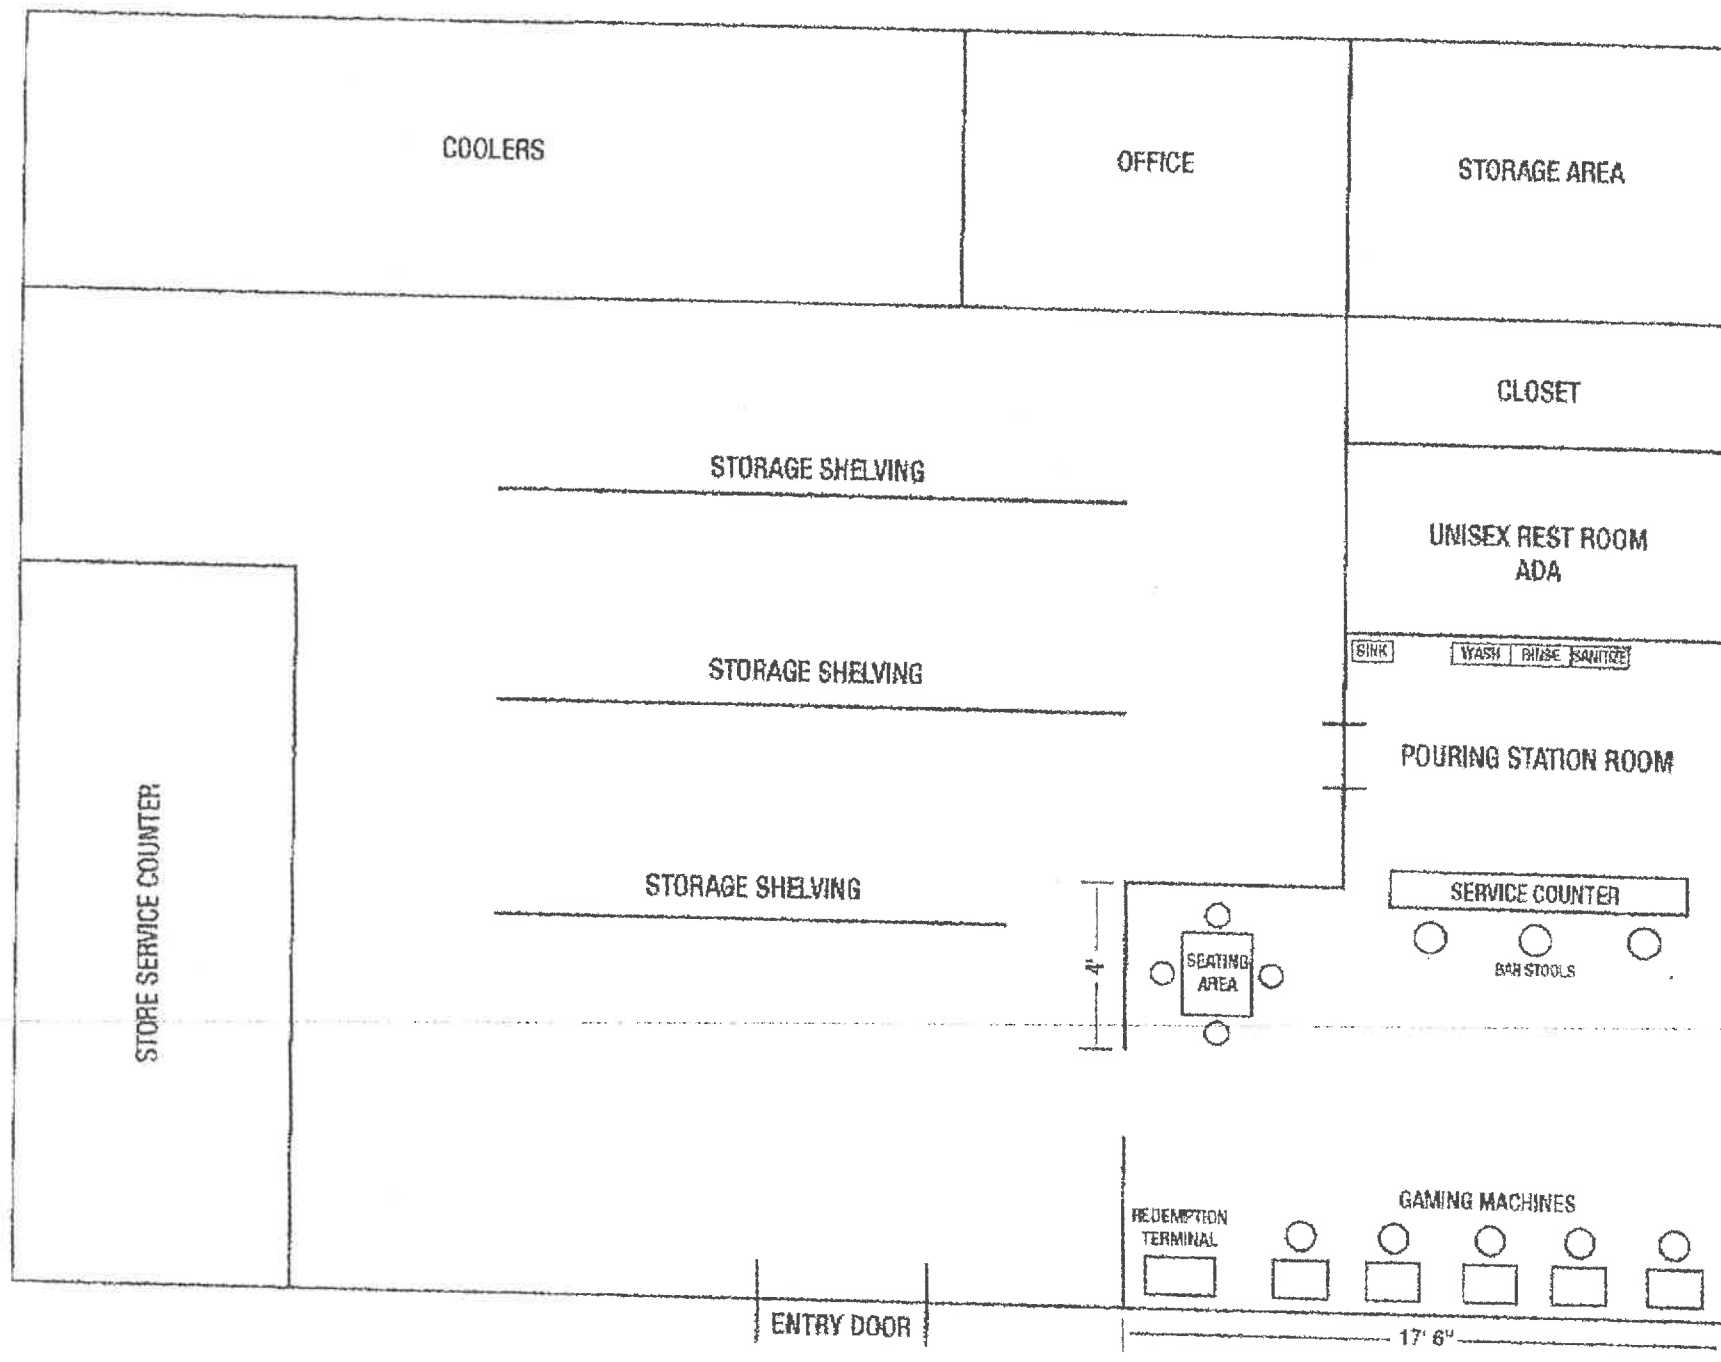

We have an interested in pursuing a combination liquor license for our store. This would allow us to add video gaming terminals to the location. We did high investment to renovate and revamp this location. As of now business is slow moving. To survive and protect our investment we decided to expand this current business and add video gaming terminals. This will support our investment we made to renovate the store. We understand there is responsibility involved with this and this concept has to done right way. I have included a drawing of the area we would like to build out so we have understanding of the proposed concept.

We have an existing room that has all the sinks already in place, this room would serve as our pouring station or service room. An opening would be made in wall to accommodate for a pouring counter. 3 bar stools would be added here along with 1 high chair top table with chairs next to pouring station. Walls would be built to separate the gaming area from the common area of the store. The front entrance wall would be 4' high. This would allow us to have clear vision of anyone entering the rooms, Surveillance cameras would be added to proposed room with a monitor near main store cashier counter for extra monitoring and surveillance.

Generally, location like this does not serve many drinks. We would even be willing to impose 2 drinks maximum for patrons. This would be the type of location for customers to visit that don't drink or are not very comfortable with the bar scene. Again, this would be another tool to protect our investment on the store renovations and hope you will consider our proposed concept.

Thank you for your time.

Chirav Patel,

Police Facility

B. Police Facility

The new Police Facility should be a state of the art facility. The ideal placement is adjacent to a major traffic intersection. If situated near the judicial law courts on Rt 34, it would create a convenient law enforcement 'campus'.

Currently, there are approximately 23 existing sworn and unsworn officers, and the proposed facility expands to approximately 62 sworn and unsworn officer capacity. The current Yorkville police facility is a woefully inadequate space to function. The new state of the art facility should have: a premier law enforcement training center with classrooms, a firing range, field training offices, a patrol office, and records adjacent to a public access lobby and communications lobby. Officers should go from a secured officer parking lot into the building adjacent to the patrol and field training offices, through a secure area to locker rooms, to a firing range. The sallyport, is a secured and enclosed prisoner and evidence drop-off area and the first step in the suspect processing flow diagram. From here one should also be able to go to the evidence storage facility as well as booking work area and cell blocks. The property evidence area will have officer bag and tag areas, labs, evidence intake and vehicle examination bays.

Adjacent to these there should be police administration, IT, computer programming, community outreach and investigation. There should also be a DARE garage adjacent to the property evidence building. In addition to the headquarters building and because of the geographical separation in the community into the north and south resulting from the Fox River, there should be separate North and South outposts. Ideally these could be combined with the community centers to facilitate positive police interaction within the community.
