Citizen Comments: None

Minutes for Correction/Approval: April 7, 2016

The minutes were approved as presented.

New Business:

1. PS 2016-12 Police Reports for March 2016-June 2016

Chief Hart said the burglaries were up for unlocked vehicles and garages. The report was accepted as presented.

2. PS 2016-13 Adjudication Reports for April 2016-June 2016

Commenting on the report, Chief Hart said some of the Building and Zoning violations were for repeat offenders. Alderman Colosimo suggested a once a year mini-training session for the Hearing Officers and Mr. Olson noted that one had been held at the end of last year. Alderman Frieders asked if there was a difference in the process for Yorkville and Oswego since Oswego is home rule. Oswego has more authority and hearings are held once a month compared to Yorkville's once a week. Oswego has better enforcibility and higher fine thresholds. The report was approved as presented.

3. PS 2016-14 Request to Purchase Four Police Vehicles

Chief Hart requested to purchase three squads and one administrative vehicle. In addition to a savings in last year's budget, Mr. Olson detailed where the funds would come from and said this purchase would bring the replacement schedule up to date. While Caprices would be the first choice, Chief Hart said Impalas are the only vehicles available at this time. He added that one of the current vehicles was not shut off for six days. There was also a discussion of the repair costs and high mileage.

Alderman Funkhouser asked about the purchasing process. The State bids were used, however, Chief Hart said local vendors were also contacted. Other vendors are contacted for equipment prices. Additional money was built into the budget for unexpected expenses with the equipment.

The committee recommended these purchases and the item moves to the July 26th City Council meeting for a budget amendment.

4. CC 2016-38 Ordinance Amending Liquor Code Increasing Number of Class A Liquor Licenses

This was discussed at City Council and was referred to Public Safety. The owner of OMG Liquors, Mr. Chirav Patel, said he is asking for a license so he can add 5 gaming terminals which require this license. He said he has invested a lot of money into the business and the business has been slow.

Concern was expressed for someone buying a 6-pack and drinking it while in the business, however, Mr. Patel said customers must purchase liquor from the bar with a 2-drink limit. Mr. Patel said he would lose money if customers bought their own 6-pack to drink there. Mr. Olson said the legal opinion is that there is flexibility and the business owner can restrict the drinks. Staff and Chief Hart supported the A-1 license.

Alderman Frieders said he supports the liquor license and 2-drink limit. Alderman Colosimo said he did not support the license as he feels there are too many gaming machines in the City already. He feels the law, which ties the gaming machines with the ability to pour liquor, was to restrict the gaming to bars. He feels the City would be circumventing the law and would set a bad precedent. He said it is not the intent of the statute. He said a liquor store is for purchase, not to serve liquor. Mr. Ruzicka said he had a list of 30 food and liquor marts that have gaming to provide supplemental income. Alderman Tarulis was also opposed to the sale of package liquor and poured drinks in the same establishment.

A vote was taken to recommend approval to amend the liquor code increasing the number of Class A liquor licenses by one. Colosimo-nay, Tarulis-nay, Frieders-nay, Kot-aye. Defeated 3-1.

Old Business

1. PS 2016-10 Police Facility Planning

Mr. Olson reported staff is still reviewing maintenance proposals, contracts and a study of the City buildings. This item will be kept on the agenda under Old Business.

Additional Business

Alderman Frieders said he felt this committee should hold meetings more than just quarterly. This is in light of the recent law enforcement issues and shootings throughout the country. Alderman Kot said that in the past, several Public Safety meetings were canceled due to lack of items. With today's technology and daily emails from the police, he felt quarterly was sufficient. It was decided to continue meeting quarterly.

Alderman Funkhouser complimented the police for doing a good job with traffic control at the July 4th festivities. He noted that one officer at Rt. 47 and Main did not wear a safety vest. Chief Hart noted it is policy to wear a vest in this circumstance. The Chief said that next year the traffic control will begin a half hour earlier due to the number of people present.

Alderman Kot noted there will soon be a traffic button at Main & Rt. 47 to control a flashing light for pedestrians.

There was no further business and the meeting was adjourned at 7:17pm.

Yorkville Police Department Memorandum

Telephone: 630-553-4340
Fax: 630-553-1141

Date: September 21, 2016
To: Public Safety Committee
From: Chief Rich Hart
Reference: Request to Amend the Ordinance Violation for Possession of Cannabis

This request is in response to recent changes in state law with the decriminalization of possession of cannabis. The new law went into effect on August 25, 2016 when the State of Illinois changed the Cannabis Control Act to lower the penalty to a civil fine only for a violation of possession of 10 grams or less of cannabis, the old amount was 2.5 grams or less. Our current ordinance needs to mirror the new state law and be raised from 2.5 grams to 10 grams as worded in the attached ordinance that was prepared by the City Attorney. Listed below is the current ordinance.

5-3-9: CANNABIS:  

A. Cannabis includes marijuana, hashish and other substances which are identified as including any parts of the plant Cannabis sativa, whether growing or not; the seeds thereof, the resin extracted from any part of such plant; and any compound, manufacture, salt, derivative, mixture or preparation of such plant, its seeds or resin, including tetrahydrocannabinol (THC) and all other cannabinol derivatives, including its naturally occurring or synthetically produced ingredients, whether produced directly or indirectly by extraction, or independently by means of chemical synthesis or by a combination of extraction and chemical synthesis; but shall not include the mature stalks of such plant, fiber produced from such stalks, oil or cake made from the seeds of such plant, any other compound, manufacture, salt, derivative, mixture, or preparation of such mature stalks (except the resin extracted therefrom), fiber, oil or cake, or the sterilized seed of such plant which is incapable of germination.

B. It shall be unlawful for any person knowingly to possess any quantity of any substance containing cannabis, except that the effect of this section shall be limited to persons knowingly possessing two and a half grams (2½ g) or less of any substance containing cannabis.

C. The provisions of this section shall not apply to:

1. Any person who has been authorized by the department of mental health and developmental disabilities, with the approval of the department of law enforcement, to possess and deliver substances containing cannabis.
2. Persons registered under federal law to conduct research with cannabis. (Ord. 2009-02, 1-13-2009)

Ordinance No. 2016-_____

AN ORDINANCE OF THE UNITED CITY OF YORKVILLE, ILLINOIS, TO AMEND THE ORDINANCE VIOLATION FOR POSSESSION OF CANNABIS

WHEREAS, the United City of Yorkville (the “City”) is a duly organized and validly existing non home-rule municipality created in accordance with the Constitution of the State of Illinois of 1970 and the laws of the State; and,

WHEREAS, Public Act 0697, effective August 25, 2016, amended the State of Illinois’ Cannabis Control Act to lower the penalty to a civil fine only violation for possession of 10 grams or less of cannabis; and,

WHEREAS, the current City ordinance violation makes possession of 2.5 grams or less an ordinance fine only violation; and,

WHEREAS, City desires to amend the amount of cannabis in its ordinance violation to the same limit as the State statute.

NOW, THEREFORE, BE IT ORDAINED by the Mayor and City Council of the United City of Yorkville, Kendall County, Illinois, as follows:

Section 1: That Subsection 5-3-9B, of the Yorkville City Code, as amended, be and is hereby amended to read as follows:
