23	PZC 2017-04, the United City of
24	Yorkville, Kendall County, Illinois, Petitioner,

is proposing a text amendment to two Chapters of the United City of Yorkville Ordinance including "Chapter 2: Definitions," and "Chapter 6:

Permitted and Special Uses." The amendment to Chapter 2 defines a health and fitness center -- club/center, and Chapter 6 amendment will provide that health and fitness clubs/centers will be permitted in B-2 Retail Commercial District, B-3 General Business District, B-4 Service Business District, and M-1 Limited Manufacturing District.

Staff, you ready to --

MR. ENGBERG: Yes. I'm proposing it, so I'll give a brief explanation on what we're doing here. It's going to be a text amendment to the zoning ordinance.

Back in 2015 the Plan Commission amended the zoning ordinance to allow fitness clubs in the M-1 district. The background being a cross-fit type of use wanted to go into an M-1 area; and the zoning ordinance had health centers or gyms in the B-2, B-3, B-4.

It was amended so, and I think what really was supposed to be amended, the way it was supposed to go down is just adding that to M-1.

What ended up happening was fitness club got added as a new use, and then was only allowed to be M-1.

Over the past few months I've been getting some commercial permit applications for a studio, like a yoga studio or cross-fit in the business districts; and I went to the land use table and said, is this a fitness center or a health club?

There's no definition in the business district. So I'm going, okay, this should be cleaned up a little bit.

We already allow cross -- cross-fits are allowed in the business district, allowed in M-1 and vice versa with health clubs, studio, things like that. So we were just -- this is just really a cleanup to make sure it's a lot easier for anybody who wants to open a business to read, and us for permitting, to understand, yes, they're allowed everywhere.

I will say that when we took this to EDC, there was some mention of outright permitting said uses in the M-1, even though it was approved a year ago -- or two years ago.

I did some investigating, looking up other municipalities in the region, and it's pretty standard that these M-1 -- some people even M-2 -- allow gyms and cross-fit centers.

It's one of those things for those bigger areas, those bigger spaces, even like, you know, the indoor golf stuff, baseball training, they need those big spaces.

And a lot of M-1 uses have vacant space. So it kind of helps the business users to make sure they're filling their vacancies. And it just seems like, yeah, many neighborhood municipalities, the EDC overall as a group decided, yes, just leave it permitted, B-2, B-3, B-4, M-1.

So that's the story behind it.

Staff's just recommending the zoning ordinance change. And I'd be happy to answer any -- oh, we added a health and fitness club/center as a combined definition, went over it with Krysti, the new Development Director, and our city attorney to make sure it was encompassing of all these types of uses.

So now we have a definition; it's

very clear as one line in our land use table. 1 hopefully it will be clear to everybody that this 2 3 is how we handle things. So...I'll be happy to answer any 4 questions if you guys have them. 5 CHAIRMAN HARKER: The only question I 6 7 have -- I guess you started without saying that -- we just made a change; right? 8 Yes, 2015. Yep. 9 MR. ENGBERG: 10 CHAIRMAN HARKER: Awesome. It was just -- I think MR. ENGBERG: 11 that was the original intent of the -- but it was 12 coded as two different uses. 13 CHAIRMAN HARKER: Okay. 14 MR. ENGBERG: Going back and reading the 15 old planner's notes, it was for a cross-fit and 16 that type of center to be just allowed; it just 17 got coded differently. 18 CHAIRMAN HARKER: Yeah. Does anybody 19 20 else have any questions? COMMISSIONER GOINS: No. 21 COMMISSIONER GOCKMAN: No. 22 Since all the CHAIRMAN HARKER: Okay. 23 public testimony regarding this petition has been

24

İ	
1	taken, may I have a motion to close the taking of
2	testimony and this public hearing?
3	COMMISSIONER GOINS: So moved.
4	COMMISSIONER MARCUM: Second.

6	motion, please.
