DRAFT

Thursday, April 6, 2017 6:00pm
City Hall Conference Room**

In Attendance:

Chairman Joel Frieders
Alderman Carlo Colosimo

Alderman Seaver Tarulis

Other City Officials in Attendance:

City Administrator Bart Olson
Police Chief Rich Hart

Deputy Chief Larry Hilt
Jason Engberg, City Planner

Others in Attendance:

Joe Plocher, Alderman-Elect
Jim Jensen, Blackberry Creek North

The meeting was called to order at 6:00pm by Chairman Frieders and a quorum was established.

Citizen Comments: None

Minutes for Correction/Approval: January 5, 2017

The minutes were approved as presented on a unanimous voice vote.

New Business:

1. PS 2017-05 Police Reports for December 2016-February 2017

Chief Hart said there was nothing unusual in the reports and the milder weather resulted in fewer accidents. There were a few parking restriction issues related to snow. Alderman Colosimo commented on the effect social media has on policing and he receives more emails as a result. Chief Hart encouraged texts or calls from Aldermen about any issues.

2. PS 2017-06 Adjudication Reports for January-March 2017

Fines were average with no spikes and there are a few administrative fees for towing.

3. PS 2017-07 Noise Ordinance Amendment

Mr. Engberg said the noise ordinance was updated in December 2014 by staff. In 2015 and 2016, complaints were being received for noise and vibrations at Pindeadz. A

consultant was retained to overhaul the noise ordinance and measuring equipment was provided to test the noise. The issues had also been addressed by EDC and Planning and Zoning. Staff is recommending changes to help the situation and Pinheadz will also pay for half of a study. There are liquor and patio licenses which can be used as leverage. Pinheadz attempted to initiate measures to reduce noise, however, vibrations are still a problem. Alderman Frieders also discussed duration of the noise and amount of base and it was noted the measurements are calculated on a tablet. This item will move to the Council consent agenda.

4. PS 2017-08 Request to Purchase New Vehicles in FY 18

Chief Hart said this purchase is subject to budget approval. The total budgeted was \$165,000 for three vehicles and the actual price came in under that amount. Deputy Chief Hilt added that the department would like to have Watchguard video cameras for the new cars and said that Oswego is very happy with theirs. The Chief said there are now 11 patrol vehicles and eventually he would like additional SUV's. Alderman Frieders asked if the consortium would be involved in resolving camera problems that occurred. Mr. Olson replied the consortium will do research on problems and for vendors. This item moves to the Council consent agenda.

5. PS 2017-09 Liquor Code Amendment Regarding License for a Business in a City Owned Building

Ginger and Soul wishes to secure a liquor permit from the Mayor for a license in a city building. No additional licenses are being added, but a provision would be added in the code. This moves to the City Council consent agenda.

6. PS 2017-10 Local Prosecution

Chief Hart has been investigating this concept. Currently, the State's Attorney's office handles all Illinois vehicles code violations. With local prosecution, the Mayor would contract with an attorney who would hear all city code violations on a specified date at the courthouse. He said the State's Attorneys sometimes have very heavy case loads and communications are sometimes lacking. The new process would also allow more control over the outcomes and a larger amount of money would come back to the local police. In addition, more money would come back to an Anti-Crime Task Force Commission Fund. Five persons appointed by the Mayor would oversee the funds.

Costs for an attorney vs. a State's Attorney was discussed as well as judge and case fees. Chief Hart noted that an added benefit is a reduction of overtime costs in court for officers. He said some neighboring towns are also considering this idea and he anticipates some partnerships. The committee approved and this moves forward to the Council regular agenda.

Mr. Olson noted that all items moving forward to the Council would be on the April 25th agenda.

Old Business None

Additional Business

Since the Public Safety meetings are held only quarterly, Alderman Frieders said he has asked for updates/information on goals, number of officers, etc. to show “where we stand” compared to other departments and “what we are doing right”. Chief Hart shared the following:

1. Budget is closing and some money remains. As a result, department will get Narcan for overdose cases. Narcan no longer free, so it will be purchased, officers to be trained in administering.
2. Converting policies and procedures to Lexipol which is a huge undertaking.
3. In-house training continues including policy review.
4. Authorized for 30 full time officers, have 29 now, hoping to get 30th person to lock in police academy dates.
5. Census results may justify additional officers, FBI recommends 2 officers per 1,000 population, traffic unit would also be priority.
6. Task force person would also help bring additional funds.
7. Department has good group of officers, no disciplinary issues!

There was no further information and the meeting was adjourned at 6:43pm.

RE: **OSWEGO POLICE DEPARTMENT**
- "Missing Person" Dispatch

Dear Chief Hart,

I would like to offer my sincere appreciation for your professional and dedicated service in assisting the Oswego Police Department with the "Missing Person" on May 9, 2017. This was an elderly lady with dementia who had walked away from the Jewel on Orchard Road. Once her husband had realized she was missing and called 911, the total manhunt ended up being 4.5 hours.

We are happy to report that the woman was found safe, unharmed and reunited with her husband. This is once again an incident that displays the teamwork that is continually shared between the surrounding public safety agencies and the Oswego Police Department in serving all citizens of Kendall County and the Village of Oswego.

Again, I would like to extend a sincere "thank you" from myself and the entire Village of Oswego for your dedication and performance.

Sincerely,

Jeffrey R Burgner
Chief of Police

Dear Officer Hart:

My name is Jaqueline Montano and I am a student at Waubonsee Community College in Sugar Grove, Illinois. I am majoring in Criminal Justice and aspire to be a police officer someday.

On February 7th, I participated in a ride-along with Officer Matthew Nelson as part of an assignment for my Introduction to Criminal Justice class. During our patrol, we made a traffic stop and responded to several calls. We took a dog to the animal shelter and even searched for a suicidal missing person. It was a great experience to ride with Officer Nelson I learned many new things from observing him and talking to him about the important work he does for your department. I have been looking into many different departments around the area and I will definitely look more into Yorkville Police Department. From the moment I stepped inside every officer was very friendly and demonstrated great work ethics.

Thank you for allowing me to ride along with Officer Nelson, and please extend my thanks and appreciation to him as well. This was an eye-opening experience that I will remember for a long time.

Sincerely,

Jaqueline Montano

Dear Chief Hart:

My name is Kylie Stoneberg and I am a student at Waubensee Community College. I am majoring in Forensic Science and am taking an Introduction to Criminal Justice course as part of the program.

On March 3, 2017, I participated in a ride-along with Officer Chris Jeka. Deputy Chief Klingel was exceedingly helpful throughout the process of arranging the ride-along. During the ride-along, we made a few traffic stops and responded to an accident. Through these experiences and my conversation with Officer Jeka, I learned a great deal about the important work he and the rest of the police department are doing.

Thank you for allowing me to ride along with Officer Jeka and please extend my appreciation to him and Deputy Chief Klingel as well.

Sincerely,

Subject: ADA and golf carts

Summary

Approval of an ordinance clarifying that use of power driven mobility devices in accordance with the American with Disabilities Act is allowable on City properties.

Background

This item was last discussed by City Council in early 2017, when the City Council approved a code amendment prohibiting golf carts and other motor driven vehicles from being used on City building grounds. Prior to approval of that ordinance, a resident could have transported a golf cart or similar device up to a City property (like City Hall) and driven around the open areas. The ordinance addressed that narrow loophole, but was mistakenly interpreted by some residents and outside entities to be a new regulation on the wider use of golf carts on City streets and sidewalks.

As a result of that misinterpretation, City staff was contacted by an outside entity that advocates for individuals with mobility disabilities. This organization presented the City with information from the federal government that golf carts and other large motor driven vehicles may qualify as a mobility device under the ADA. While the City has never asserted that it would not comply with the ADA, we felt it could be more clear within the City Code that certain exceptions under ADA would apply. The draft ordinance (attached) codifies and clearly states that ADA exceptions to the code would apply. For individuals with a qualified disability under ADA, use of a golf cart or other power driven vehicle would be allowed on sidewalks and City properties.

Recommendation

Staff recommends approval of the ordinance.
