Bills Review:

Bill List – June, July, August, September and October 2017 – Informational purposes.

Budget Report – May, June, July and August 2017 – Informational purposes.

Old Business:

Riverfront Park and Bristol Bay Regional Park Grant Updates – Tim said the fishing pier and kayak chute are about ready to go in, the city is finalizing the final things like the parking lot. The city is creating a gravel area for fishing boats to be able to back in and the city will have access to put buoys in each year. The fishing pier and kayak should be in by end of October or November. The contamination issue is resolved, so the park should be functional by May 1st of next year. We have until December 31st of next year to finish Riverfront.

The board asked about some of the details of where things will be placed at Riverfront. Bristol Bay is coming along well. Scott has done an amazing job. The skate park has been installed and the flood hill has been built and seeded. The sidewalk was poured around the sand of the volleyball court and the sand should go in soon. The electrical and lights will be done soon.

Scott said things are moving along well and the landscaping is what is left. Tim said Bristol has to be done by June next year. The city is going to work on the parking lot and take it out of next year's budget. The board discussed what parks will have to be replaced next year and about budgeting for

those. Tim said at the next meeting they can discuss more details on those parks and numbers. Tim said that there is \$250,000 from the sale of the dome and there is a special meeting with city council that will be held to decide what to do with that money. Deb asked about how many playgrounds need updating. Scott said there are 24 playgrounds and several need updated. Scott said some are old, so they have to be completely replaced. Beecher and Purcell are the top two.

New Business:

Clark Park Parking Lot – The Brown is a house on Route 47 next to Clark Park and it has been purchased to put in a restaurant and banquet center. Fishermans in Elburn reached out to the city wanting to do this business there, but they need some additional parking spaces there. This would be to the north of the Brown house - adding a parking lot. This would be a great opportunity for the city for parking and more exposure for the park.

The board discussed the grant and if there would be any problems with the grant – Tim said it will not. Tim said there will be more details, the city just wanted to bring this to the board to make them aware of what is being discussed. The board discussed if there are trees that need to come down. Scott said they will be very conscious of those things and some of these things will be done by city staff, so the city has total control of those things.

Mark Southern who owns the Fishermans Inn said we are very conscious of trees and everything. He wants to turn this into a banquet facility with an amazing view of the river and park. It will be a stone and brick structure and it will be a very nice structure. The house will be torn down and we will put in 40-50 parking spaces and there will be a walk out building dropping down to the river with a banquet room that would seat up to 130 people for weddings etc.

Mark envisions a lot of windows down there and they want to incorporate native plants and things. Mark stated that in Kane County they have had 96 weddings this year - that is almost every weekend night from May to October – it is really popular and elegant with a rustic feel – Mark said that is what they want to do here in Yorkville similar, but smaller. The Chapel on the Green is across the street and he thinks that it would be a great combination.

Mark said that they would like to do an ecological restoration of the park. This park is overgrown, but there is a lot of invasive species in there that need eliminated and we will maintain it for 5 years to get it to a good point. Scott said that would give the city a good education there and help the city grow, since it is specialized. The gazebo would be enhanced that is there now. It could be utilized for small weddings and other things like a teaching environment.

The restaurant would seat 150 and have a great view. Dan thinks that the river needs to be helped so that residents will go down there and it will bring life down there. Mark said food wise small plates and quality fresh food. Gene said he really likes this plan and likes the quality of what they have done and he thinks that this could bring attention to bring people to the riverfront.

Mark said for the revenue they need 150 seats in the restaurant so we need plenty of parking to facilitate events as well. The board discussed different ideas about the location and opportunities for the future. The board discussed the public/private access and how to work that out. The board discussed the houses and trees around the location and how to be respectful of the neighbors. Tim said this will go to city council and it will move pretty quickly. The board is excited about this project.

ITEP Project Selection – Tim said there is a grant that is federally funded and obviously we would like to submit to city council. There are three projects we are looking to go after, the trail from Riverfront to Route 71, one from Hoover to Route 47 and downtown landscaping. There are pros and cons of each in your packet. The board asked more detail about locations of the trails and what roads they will go along. Tim said there will be more details worked on with the county. This will move on to city council and Tim will keep the board updated.

2018 Athletic Field Usage Agreement – Tim said things have been going very well. The biggest issue is not enough field space, but otherwise this has gone well the last couple years. This new agreement will be the same as last year. Tim said the city just needs to make sure they understand this is city property. Dan motioned to approve the 2018 Athletic Field Usage Agreement seconded by Sash Dumanovic. The board approved the 2018 Athletic Field Usage Agreement unanimously. Motion passed.

Meeting Schedule for 2018 – Tim said that other departments meet every other month. Dan said he would like to keep the same schedule and if we do not need to meet, just cancel. Tim said meeting each month is based on the agenda. The board agreed to keep the same schedule and if there is not a need for the meeting, it will be cancelled. Motion to keep the meeting the second Thursday of each month by Sash Dumanovic and seconded by Dan Lane. Motion unanimously passed.

Receptionist Update – In May, Barb retired and Shay and Tim talked about the direction where the department is going. Tim said the city needs more staff out in the field as much as possible. The recreation employees are working 40-50 hours a week. With online registration now, REC hired Jake as a recreation coordinator. Other funds available were used to hire a shared receptionist that would be at city hall too. This way it will cut back hours the Park and Rec building is open. It would be a 10-2 shift at the Rec building and then people can go to city hall to register, if needed.

Tim said that with Hometown Days the REC department shut down for a week. This will benefit city hall and REC. Tim said if some of the staff is at the REC building, they can help register people, if needed. Tim said this will be a full time position split between the departments.

Reports:

Parks – None.

Recreation – None.

Additional Business: None.

Adjournment: There being no further business, the meeting was adjourned at 7:48 p.m.. Motion by Sash Dumanovic and seconded by Dan Lane. Meeting adjourned.

Subject: Review of Proposals for the Purcell Park Playground

Summary

Review of Proposals for the Purcell Park Playground

Background

The playground at Purcell Park was installed in May, 1997. The park is categorized as a mini park or tot lot, designed to serve an isolated population that live too far from a larger regional park site. At the time, staff wanted the playground to fit into the neighborhood so they chose neutral colors and, in addition to the playground itself, created a sitting area and picnic spot. The existing playground equipment, made by Miracle Manufactures, is part of their Lokville line and has no theme.

Unfortunately and for the past few years, parts for the Lokville playground system are no longer manufactured. As a result, it is extremely difficult for staff to maintain this playground and keep it up to the Consumer Product Safety standards (CPSC & ASTM guidelines), which govern public playgrounds. Parks & Recreation Department will need to remove and replace the playground equipment in 2018.

A request for proposal for fabrication and delivery of playground equipment for Purcell Park was approved by the City Council in January, 2018 and was posted on January 11, with final proposals due from playground manufacturers by February 22, 2018. Seven manufactures submitted eight proposals, which are attached. Staff reviewed the proposals and recommend purchasing the Playcraft (Zenon Company) playground equipment proposal. Highlights of the recommendation follow:

- 1) The Playcraft (Zenon Company) proposal offered exceptional play value and did a nice job with the requested "Nature Theme."
- 2) It offered ground level activities for younger children while providing challenging items for older children.
- 3) The configuration offers both children and adults the opportunity to play games on the structure.
- 4) It provides opportunities for younger children and disabled persons to interact and play with one another.
- 5) Total cost of the equipment and delivery is \$40,000, not including installation.
- 6) Installation will be completed by staff.

Recommendation

Staff seeks Park Board approval to purchase of the Purcell Park playground equipment from Playcraft in the amount of \$40,000.

Subject: Review of the Windett Ridge Playground Proposals

Summary

Review of the attached Windett Ridge Playground Proposals

Background

As part of the Windett Ridge Planned Unit Development Agreement, the developer was required to deed over the park site, map attached, to the City as well as make a \$50,000 donation toward the purchase and installation of playground equipment for the park site. To maximize the amount of playground equipment for the site, staff will be installing the playground, in-house.

A request for proposal for fabrication and delivery of playground equipment for Windett Ridge Park was approved by the City Council in December, 2017, posted on January 11, 2018, with final proposals due from playground manufacturers by February 22, 2018. Six manufacturers submitted seven proposals, which are attached. Staff reviewed the proposals and are recommending purchasing the Burke playground equipment. Highlights of the recommendation follow:

- 1) The Burke proposal offers exceptional play value and did a good job with the requested "Nautical Theme."
- 2) The proposed equipment offers activities for younger children, but still has challenging items for older children.
- 3) It is a larger structure capable of handling a good number of children.
- 4) Total cost of this unit is \$45,362.00, which does not include installation.
- 5) Staff will handle installation

Recommendation

Staff seeks Park Board approval to purchase the Burke playground equipment proposal in the amount of \$45,362.
