the agenda item, or you can do it?

MR. ENGBERG: Can we get someone to read

CHAIRMAN GOINS: Public hearing PZC 2018-10, James McNamara, petitioner, has filed an application with the United City of Yorkville, Kendall County, Illinois, requesting an accessory structure location variance for 515 West Madison Street. The purpose of this request is to allow a detached garage to be placed in the front yard.

The real property is zoned R-2

Traditional Family Residence District and is

located at the west end of West Madison Street.

MR. ENGBERG: All right. And I put a memo in here outlining everything. Mr. McNamara is here, if you want to give us a rundown of what you are requesting.

MR. McNAMARA: Sure. Do you want me over here?

MR. ENGBERG: Sure.

MR. McNAMARA: I'm not much of a public speaker, but there's not much public here.

My lot is a very unusual shape and size. In order for me to look at putting a garage in, it doesn't fall under the zoning that I had hoped it would have done, so, hence, this

is why I'm here today.

I think you have copies of where I'm going to put it, and the main issue is everything behind me is unaccessible, so my back yard is -- I don't have a driveway that goes to it, and my side yard, it falls off into a valley or a ravine, whichever you'd like to call it, so the only feasible place to put the garage is where I've stated.

There is ten houses immediately on West Madison; nine of them have two-car garages, both detached, attached, some of them slightly forward of the house line, some of them -- you know, it's very individual on our street.

I understand that the zoning is -if I was in a subdivision and I wanted to put a
two-car garage at the front of my house, it would
look unusual, but I don't think it does in any
way, shape or form. If anything, it ties into my
closest neighbor where her garage is, so, yeah.

MR. ENGBERG: And, additionally, I added some of the pictures Mr. McNamara gave me of the location. He needs the garage because there is a giant walnut tree sprinkling down walnuts all

questions of Mr. McNamara?
