**Minutes for Correction/Approval:** January 4, 2018

The minutes were approved as presented on a unanimous voice vote.

**New Business:**

***5. PS 2018-09 Opioid Lawsuit Discussion*** (out of sequence)

Ms. Chavez said she has communicated with Chief Hart about the proposal regarding the opioid lawsuit. She said there has been national litigation and most of the cases filed have been moved into federal court. Her firm has focused their litigation on the pharmaceutical companies that have made and distributed the opioids. Two decades ago there was a push to market drugs aggressively and increase prescription rate. In the Appalachian area, there was an increase in burglaries where drugs were stolen and overdoses became the leading cause of death. Now health professionals are seeing repeat overdose calls for the same persons and they do not respond as well to the Narcan.

The purpose of this presentation is to have Yorkville join a lawsuit along with other Illinois towns that are too small to pay for lawyers on their own. Ms. Chavez sent a written proposal to the city attorney. If the case is resolved favorably, Yorkville could receive some money for training and other programs. It is possible that fire districts could also be included.

Ms. Chavez would take this case on a 20% contingency basis and she must get court approval of her fees. If the suit is not won, there is no charge to Yorkville. Alderman Tarulis asked for clarification on the end result. Ms. Chavez said part of the goal is to have the pharmaceutical companies help pay. She said the pharmacy companies and distributors misled Doctors because they knew the pills were highly addictive. She said more information is available on the Department of Justice website.

Ms. Chavez said a decision is needed in the next 2-3 weeks. All committee members said they want to review the proposal and memo prior to a decision.

***1. PS 2018-05 Police Reports for November 2017 – March 2018***

Chief Hart said some car burglaries have occurred from unlocked cars. One of the patrolmen will receive an award for apprehending the culprit. There was also an armed robbery in a restaurant parking lot. He added that some Yorkville residents were arrested in Aurora on gun violations and Chief Hart said his department is being vigilant regarding this type of activity. Chairman Colosimo commented that he likes the complimentary letters received by the Police Department.

***2. PS 2018-06 Adjudication Reports for January – March 2018***

No discussion of reports.

***3. PS 2018-07 Liquor Code Amendment - Catering***

Mr. Olson said the new restaurant Pizza Riot wishes to serve liquor at the restaurant at a music event and at a movie event. The amendment also eliminates references to Meadowhawk Lodge at Hoover Forest Preserve which was de-annexed from the city. This item moves to the Mayor's report for the next Council meeting. Mr. Olson will ask Attorney Orr to clarify the ordinance.

***4. PS 2018-08 Liquor Code Amendment – License Fee Deposit***

The fees have been codified and staff is recommending elimination of the deposit since there is a \$350 application fee. The committee was ok with the revision.

# DRAFT

**UNITED CITY OF YORKVILLE  
PUBLIC SAFETY MEETING  
Thursday, July 5, 2018 6:00pm  
City Hall Conference Room**

**In Attendance:**

Vice-Chairman Seaver Tarulis

Alderman Chris Funkhouser

Absent: Aldermen Carlo Colosimo and Joe Plocher

**Other City Officials in Attendance:**

Police Chief Rich Hart

**Others in Attendance:**

Fred DuSell, River's Edge

Jim Jensen, Blackberry Creek North

Rich Pietrzyk, River's Edge

Vice-Chairman Tarulis called the meeting to order at 6:07pm without a quorum, but for discussion.

**Citizen Comments:** (moved to end of meeting)

**Minutes for Correction/Approval:** April 5, 2018

No corrections were noted, however, the minutes will be brought back to the next meeting for action due to no quorum.

**New Business:**

***1. PS 2018-10 Police Reports for February - May 2018***

Chief Hart said there was nothing unusual in these reporting months. Alderman Funkhouser noted the reports now reflect whether the statutes are state or municipal which is part of a new software package.

***2. PS 2018-11 Adjudication Reports for April - June 2018***

Newark has now joined the adjudication process, according to Chief Hart and their hearings follow Yorkville's. If the county police issue the adjudication tickets, they will attend and if the matter is a city violation, the City Administrator will attend.

***3. PS 2018-12 Liquor Code Amendment – Employment of Minors***

Police Chief Hart said current state law states that municipalities can choose if they want restaurant servers to be 18 or 21 in order to serve liquors. At this time in Yorkville,

18-year olds can serve liquor in a restaurant, but must be 21 to sell package goods. He is suggesting that 18-year olds be allowed to also sell the package goods to standardize the rules. He said many family restaurants have family members working there who are not 21. This would also allow 18-year olds to sell package liquor in stores such as Jewel. He said Yorkville has had no problems with the current operation.

Chief Hart said part of the issue is some bars also sell package goods. If the age was pushed to 21, some employees could lose their jobs and it would be a hardship for the business. Alderman Funkhouser and Tarulis agreed the policy should be consistent. More information will also be requested of Bart Olson regarding the origin of this request.

A special Public Safety meeting may be called in order to reach a decision.

#### ***4. PS 2018-13 Request to Dispose of Vehicle***

Chief Hart said the original plan was to take the vehicle to auction, but the car has a blown engine and over 100,000 miles, so he said a sealed bid would be a better way to handle. The vehicle is also not covered by insurance. The cost to remove striping and equipment is less than \$500. Alderman Funkhouser asked for an email regarding the cost of removing a squad from service and for bid amounts. Proceeds are placed in the capital fund. No further action at this time.

#### **Citizen Comments** (out of sequence)

Mr. Pietrzyk shared a typed statement regarding trains by the River's Edge subdivision where he resides. Recently there was an occasion where the train was blocking the only exit from his subdivision for more than 40 minutes. He was very concerned about this being a safety issue and just noticed this problem this year. He said Illinois formerly had a 10-minute time limit in which trains could block a street. He said there were over 100 cars on the train and it moved very slowly. Mr. DuSell said the trains have not been this long or stopped that long before and that it is a serious issue. He said there was a second incident also.

Alderman Funkhouser said a candid conversation may be needed with the railroad regarding this serious matter. He said both Bart Olson and Mayor Golinski have a rapport with the railroad. He said White Oak also has a similar problem.

Chief Hart said the trains have an issue with the curve of the tracks in one area and he also said he would have a conversation with Mr. Olson and the Mayor. He said there has been an increase in the number of trains and can be 6 per day.

Mr. Pietrzyk of River's Edge also expressed concern for the speed limit in the subdivision as it relates to the park there. He would like to have the speed limit posted at 20mph. It was noted that the state has restrictions on speed signs since Yorkville is a non-home rule community. Mr. Funkhouser said it could be addressed by Public Works to examine other ways of reducing speed there. Chief Hart said the park area is one of their extra watch areas.

Mr. DuSell of White Oak added that there is no egress on the north side of the tracks In White Oak. He said that after a train derailment a few years ago, an ambulance was blocked by the train and the train finally had to be broken apart for the ambulance. He asked Chief Hart to check on any policy regarding ambulances and trains in similar situations.

Alderman Funkhouser asked Chief Hart to find out the number of trains per day since the railroad will not divulge the numbers.

**Old Business** None

**Additional Business**

Alderman Tarulis asked about fireworks calls that might have been received. Chief Hart said the fireworks were cancelled on the first scheduled night due to the weather and he said there was an ambulance call for a heat-related incident. He said fireworks incidents have increased over the years and it is detrimental for vets who suffer from PTSD. Mr. Tarulis said information was put out through one HOA asking for consideration for others. The Chief said they also disseminate information to be considerate, but to no avail.

Mr. Tarulis said motorized traffic on the path has decreased. It was noted that motorized pedal bikes are not allowed on the path unless they are not using their motor.

There was no further business and the meeting was adjourned at 6:41pm.

It is encouraging to know that during the most difficult times in our lives we are not left to face them alone. The out-pouring of love, in the words and deeds of family and friends, carry us through and ease our burden.

Thank you for your generous gift to Jaimie's memorial. Our appreciation is more than words can express.

Love,

Mrs. Cox and the Cox family

*Just saying "thank you" doesn't seem enough.*

*Hope you know how much your thoughtfulness is appreciated.*

Dear Chief Rich Hart

My name is Kendall Watkins and I'm currently a student at Wabaunsee Community College in Sugar Grove, Illinois. I am studying criminal justice.

On March 5<sup>th</sup>, I participated in a ride-along with Officer Chris Kuehlem as part of my criminal justice project. During our patrol we conducted a traffic stop, which the person had an expired license plate, responded to an emergency alarm at Advocate Medical Group and responded to an order of protection violation at Yorkville High School. I learned a lot from Officer Chris Kuehlem by observing him along with talking to him.

Thank you for allowing me to ride along with Patrol Officer Chris Kuehlem, and please let him know that I appreciate the ride along and the work he does for the city of Yorkville. This was a awesome experience that I will never forget.

Sincerely,

Kendall Watkins

Hello officer, (Hages)

I am the girl you pulled over for going 60 mph in a 30 mph at 2 AM. You gave me the biggest break. I can't thank you enough. I was late to work and not thinking of any consequences. The next night I drove through town again, going the speed limit; someone pulled out in front of me cutting me off. If I was speeding again, they would've been killed and I would be in jail. I know you were just doing your job, but I wanted to let you know that your VERY kind action is very much appreciated. You save 2 lives by pulling me over. Thank you so much. I've been

working 2 jobs  
and going to  
school for 7 years.  
All that hard  
work would've  
been for nothing  
if it weren't for you.

Thank  
you.

SO

much!

THIS is a very SMALL token of thanks  
for your GREAT kindness.

I work at the McD's on Veterans ~~Pkwy~~  
Parkway. Stop by anytime, or you  
can use this anywhere they will honor it.

Dear Deputy Chief Hilt,

My name is Tabatha Garcia and I am a student currently enrolled at Waubonsee Community College located in Sugar Grove, Illinois, who is majoring in Psychology.

On February 8<sup>th</sup>, I participated in a ride-along with your department, Deputy Chief Larry Hilt, as part of an assignment for my Introduction to Criminal Justice class. During our patrol together, Officer Sara Gerlach and I guided traffic for both Yorkville High School and Yorkville Elementary School, made a traffic stop on Game Farm Road and responded to a call about a dispute at the Hillside parking lot. Officer Gerlach was great, she did a very good job at explaining her job responsibilities to me and was kind enough to share some of her advice with me and answer any questions I had.

Thank you for allowing me to ride along with your department Deputy Chief Hilt, and please extend my thanks to Sara Gerlach, whose help is greatly appreciated. This opportunity was an amazing experience that I will never forget.

Again, thank you so much for taking the time to let me ride-along with your department. I greatly appreciate your generosity.

Sincerely,

Tabatha Garcia

Last week I had a very  
unfortunate experience of  
locking my purse, car keys  
and cell phone in my car.  
After numerous unsuccessful  
"coat hanger" attempts, I  
contacted Yorkville P.D.

Sgt. Hunter arrived on scene  
within a few minutes.

In the 90° heat, Sgt. Hunter  
skillfully unlocked the door.  
Throughout the whole ordeal  
he was very sympathetic and  
pleasant.

I would like to extend  
my sincere appreciation  
to Sgt. Hunter for a job well done

...it's an "eternally grateful,  
forever in your debt,  
how can I ever repay you"  
note!

Sincerely,

Rose Spears

Subject: Liquor Code Amendment – Employment of Minors

---

## **Summary**

Consideration of an amendment to the liquor code regarding employment of minors.

## **Background**

The current liquor code contains conditions on employment of minors that allows for different ages to be able to serve/sell alcohol based on the type of business. For instance, businesses that sell package alcohol can only permit persons twenty-one years of age and older to sell package alcohol, however; for businesses such as restaurants that are not predominantly in business for the sale of alcohol, it allows for persons age 18 years and older to serve/sell alcohol.

State law allows for persons age 18 years of age and older to serve/sell alcohol, no matter what type of establishment holds the liquor license as long as there is not a local ordinance in place that is more restrictive. The proposed amendment changes the liquor code to allow persons age 18 years and older to be able to serve/sell alcohol in all liquor license categories.

A red-lined version of city code is provided to show the two sections of the liquor code that refer to restrictions on employment of minors.

## **Recommendation**

Staff recommends approval of the attached ordinance.

Rich Hart, Chief of Police  
Date: September 14, 2018  
Subject: Liquor Code Amendment – Waive 100 Foot Church/School  
Location Restriction

---

## **Summary**

Consideration of an amendment to the liquor code giving the Mayor authority to waive the 100 foot church/school location restriction.

## **Background**

For years, the Illinois Liquor Control Act contained restrictions on liquor licenses being issued to establishments that were located within 100 feet of a church or school. A recent amendment to the Illinois Liquor Control Act now allows local liquor commissioners to be able to waive this restriction if local ordinance allows it.

Approval of an amendment that allows the Mayor, acting in the role of the local liquor commissioner, the ability to waive the restrictions found in 235 ILCS 5/6-11 would give the city a greater measure of control over the issuance of liquor licenses within the municipal boundaries.

A red-lined version of city code is provided to show the proposed change to the current liquor code along with a draft ordinance. A copy of Public Act 100-0663 showing the change in the Illinois Liquor Control Act has also been provided for reference.

## **Recommendation**

Staff recommends approval of the attached ordinance.

### 3-3-2: LICENSE AND COMPLIANCE REQUIRED:

A. It shall be unlawful for any person to sell at retail alcoholic liquor within the corporate limits of the City without having a license so to do, issued by the Local Commissioner, as provided by the State Liquor Control Act or in violation of the terms of this chapter.

B. The Local Liquor Control Commissioner may grant an exemption to the prohibition in section 6-11(a) of the Liquor Control Act of 1934, with or without conditions, when in the opinion of the Commissioner it is in the best interest of the City.

Date: September 17, 2018  
Subject: Code Amendment – Resale Dealers

---

## **Summary**

Consideration of an amendment to city code regarding the licensing requirements for resale dealers.

## **Background**

Staff was recently contacted by a business who wanted to know if a resale dealer's license was required if the business wanted to start a trade-in program for used electronic devices such as cell phones and also a trade-in program for gift cards.

When reviewing the licensing requirements for resale dealers, the code as written only requires a business to be licensed if the business derives more than "thirty-five percent (35%) of its gross receipts from the sale, consignment for sale, pledge or trade of any goods, wares or merchandise which have previously been owned by a consumer". Chief Hart reviewed the request and the current code and has recommended this section be amended to require a resale dealer's license for any business that is going to allow trade-ins of electronic equipment and gift cards.

A red-lined version of city code is attached along with a draft ordinance amending this section of city code.

## **Recommendation**

Staff recommends approval of the attached ordinance.

## Chapter 13

The term "resale dealer" shall not include pawnbrokers, providers of commercial mobile services as defined in 47 USC 332(d) or their authorized dealers, ~~or retail merchants that do not purchase previously owned items directly from the public at the retail location.~~

Subject: Code Amendment – Repeal of Licensing Requirements for Bicycles

---

## **Summary**

Consideration of an amendment to city code repealing the licensing requirements for bicycles.

## **Background**

Staff recently received a phone call from a resident who inquired if the city had bicycle regulations. Upon review of the city code, it was discovered that Title 6 of the city code regulating motor vehicles and traffic also contained a section on bicycle regulations. The bicycle regulations found in the city code were enacted in 1979 and registration, licensing, and enforcement were handled by the police department.

In checking with the police department, it was found that it has been years since the police department had registered and licensed bicycles. In reviewing the regulations, the licensing requirements would create a burden on police department staff to enact these requirements. Chief Hart has recommended that this section be repealed.

A copy of the city code regulating bicycles is provided for reference and also attached is a draft ordinance repealing this section of city code.

## **Recommendation**

Staff recommends approval of the attached ordinance.

## **Chapter 4 BICYCLES**

### **6-4-1: REGISTRATION AND LICENSE REQUIRED:**

No person shall ride or propel a bicycle upon any of the streets, alleys or public highways or upon any public path set aside for the exclusive use of bicycles in the City without first registering and obtaining a license for such bicycle from the Yorkville Police Department and having the license attached thereto as hereinafter provided. (Ord. 1979-16, 9-13-79)

### **6-4-2: APPLICATION FOR REGISTRATION AND LICENSE; ISSUANCE; TERM:**

- A. The Yorkville Police Department is hereby authorized and directed to issue such license and registration for bicycles, upon written application, which shall be effective for a period of five (5) years. Any said license shall entitle the licensee thereunder to operate the bicycle, for which the same is issued, upon the streets, alleys and public highways and upon any public path set aside for the exclusive use of bicycles within the City for the duration of the license.
- B. Before issuing any bicycle license or registering the ownership of a bicycle, the Yorkville Police Department shall use reasonable diligence in ascertaining whether the facts set forth in the application are true. A license and registration shall not be issued unless the Yorkville Police Department is satisfied that the applicant is the lawful owner of such bicycle or otherwise entitled to have the same registered and licensed in his name, or by affidavit satisfy the Yorkville Police Department that the same has not been stolen or lost. (Ord. 1979-16, 9-13-79; 1994 Code)

### **6-4-3: INSPECTION OF BICYCLES:**

The Yorkville Police Department shall inspect each bicycle before registering and licensing the same, and shall refuse a license for any bicycle which is determined to be in unsafe mechanical condition. (Ord. 1979-16, 9-13-79)

### **6-4-4: LICENSE TAG AND REGISTRATION CARD:**

The Yorkville Police Department shall provide (each year) tags and seals having registration numbers stamped thereon, commencing with the number "1" and indicating the year for which same is issued, suitable for attachment upon the frame or rear of each bicycle. It shall be the duty of the Yorkville Police Department to attach one of the tags to the frame or rear of each bicycle upon the issuance of a license. Said tag shall at all times, during the license year(s) for which it is issued, remain so attached. At the time of the issuance of the license, the Yorkville Police Department shall also issue to the person obtaining the license a registration card, which said card shall bear the license and registration number of such bicycle. (Ord. 1979-16, 9-13-79)

#### **6-4-5: RECORDS KEPT:**

Records shall be maintained by the Yorkville Police Department, for the person obtaining such license, during the period of validity of the license or upon notification that the bicycle is no longer to be operated. (Ord. 1979-16, 9-13-79; 1994 Code)

#### **6-4-6: REFUSAL AND REVOCATION OF REGISTRATION AND LICENSE:**

If the Yorkville Police Department shall determine at any time that an applicant for a license on, and registration of, a bicycle is not the lawful owner of such bicycle, or is not entitled to have the same licensed and registered in his name, it may refuse to issue the license and to register the bicycle for a like reason, and after notice and hearing, revoke the license and registration of same already acquired on any such bicycle. Such notice shall be served in person or by registered mail, shall be in writing, shall give the holder of the license and registration or the transferee of same at least three (3) days' notice of the time of the hearing. (Ord. 1979-16, 9-13-79)

#### **6-4-7: REMOVAL OF OR DAMAGE TO LICENSE TAG OR SERIAL NUMBER PROHIBITED:**

- A. License Tag: It shall be unlawful for any person to remove, destroy, mutilate, alter or counterfeit any license tag during the time in which such license tag is operative.
- B. Serial Number: No person shall destroy, remove, alter, cover or deface manufacturer's serial or frame number on any bicycle. No person shall own or have custody of a bicycle which has had the manufacturer's serial or frame number destroyed, removed, altered, covered or defaced, without first satisfying the Yorkville Police Department by affidavit explaining the reasons thereof. (Ord. 1979-16, 9-13-79)

#### **6-4-8: TRANSFER OF LICENSE; CHANGE OF ADDRESS:**

- A. Whenever the owner of a bicycle licensed pursuant to this Chapter sells or otherwise disposes of a bicycle, he shall, within ten (10) days, notify the Yorkville Police Department of such disposition.
- B. Any person who purchases or otherwise acquires possession of a bicycle shall, within ten (10) days of taking possession, apply for the transfer of license to his name.
- C. Whenever the owner of a bicycle licensed pursuant to this Chapter changes his address, he shall, within ten (10) days, notify the Yorkville Police Department of the old and new address.
- D. Rules and regulations to govern and enforce the provisions of this Section shall be established pursuant to local authority. (Ord. 1979-16, 9-13-79)

#### **6-4-9: PURCHASE OF NEW BICYCLES:**

It shall be the duty of every retailer within the corporate limits of the City, who sells a new bicycle for the first time after receipt from the manufacturer, to furnish the purchaser thereof with a bill of sale. Such bill of sale or sales invoice shall show:

- A. The name and address of the person to whom new bicycle is sold;
- B. The make and model and year of manufacturer (if applicable);
- C. Serial number of said bicycle. (Ord. 1979-16, 9-13-79; 1994 Code)

#### **6-4-10: NONRESIDENT USE OF BICYCLE:**

Any nonresident may operate any bicycle which is duly licensed and registered in any municipality in Illinois and equipped with a license tag without obtaining a local license. (Ord. 1979-16, 9-13-79)

**6-4-11: FALSE STATEMENTS ON APPLICATIONS; STOLEN BICYCLES:**

Any person who shall knowingly make any false statement of a material fact either in his application for a license or registration of a bicycle, or for a transfer of same, or in any assignment thereof; or who, with intent to procure or pass title to any such bicycle which he knows or has reason to believe has been stolen, shall receive or transfer possession of the same from or to another; or shall have in his possession any bicycle which he knows or has reason to believe has been stolen; and who is not any officer of the law engaged at the time in the performance of his duty as such officer, shall be guilty of a Class A misdemeanor. (Ord. 1979-16, 9-13-79)

**AN ORDINANCE OF THE UNITED CITY OF YORKVILLE, KENDALL COUNTY,  
ILLINOIS, REPEALING REGISTRATION AND LICENSING

**Reference:** Comcast Fiber Optic Contract – KenCom Connection

In December our current T-1 line connection to KenCom will be turned off. The T-1 line is obsolete and will not work with the Tyler New World computer aided dispatch (CAD) system that will become operational in December. Currently the Sheriff's Office owns and maintains the Tyler New World Reporting system, but with the addition of the CAD system KenCom is going to take ownership of both the reporting system and CAD. All of the police agencies that are dispatched by KenCom are part of the Tyler New World system. Both Plano and Oswego have already signed the same contracts from Comcast.

Please see the attached memo from Deputy Chief Klingel and the ComCast quotes for further information. I have also spoken with our IT representative about the transition. He told me that Comcast was the only company with the existing fiber optics lines in place that we would have to go with them. He also wanted us on the same system as Oswego because they also serve Oswego's IT needs.

I apologize about the hurry we initially thought that we could obtain a 2 year contract that we would not need the Council's approval, but we just found that we could only get a 3 year contract that would require your approval. The attached bid includes everything including the installation costs to the building.

Sir,

As you know, The Oswego Police Department as well as the Plano Police Department are on board with the current installation of the fiber optics line that must be connected to KENCOM communications by December 2018. Both of the Police agencies have decided to use COMCAST Business. I personally have spoken with representatives from each agency. In speaking with them, the representative from the Oswego Police stated that they are able to go through with the fiber optics to KENCOM due to the fact that they are in the process of building a new facility and that building will be in compliance with KENCOM. In speaking with a representative from the Plano Police Department, I was informed that they were in the process of installing a Comcast Business line. Plano then gave me the business information contact for COMCAST.

On today's date (09/26/18), Rob Fredrickson (Yorkville's finance director), Deputy Chief Ray Mikolasek, and I had a meeting with the Comcast account executive, Lucas Potter, in reference the fiber optics issue that will be facing the United City of Yorkville as it relates to KENCOM connection. Potter informed the group that the best option that Comcast offers is a three year plan at a cost of approximately thirty-six thousand dollars over a three year period. In the discussion, it was determined that Comcast does not offer a month to month payment option. The lowest payment option that is available would be on a thirteen month basis minus the installation cost and the

installed equipment which would have to be added at the thirteen month rate. Potter stated that the added cost is due to the lower long term agreement. Potter added that if both sides could come to an agreement, installation could be started and completed by the time that KENCOM cancels the current connection line in December 2018.

As you informed me, you spoke with the Yorkville purchasing agent, Carri Parker in reference to this situation. I then had a telephonic conversation with Parker and asked if she was working on any fiber optics line for the United City of Yorkville. She stated that she was not. I further asked Parker if she knew of any other companies that offer fiber optics business lines. She informed me that she did not know of any in this area unless it was a private organization. Parker informed me that she would look into this. I then ended the call with Parker.

It should be highly stated that if the fiber optic situation is not resolved by the time KENCOM switches over to the new system, The Yorkville Police department will be unable to have connection with KENCOM be it through New World/Tyler, I-status, or any forms of report writing. This would make the Yorkville Police agency the only Department within the KENCOM area not on this system

I have attached all the documentation that I have in regards to this situation. If you have any other questions or concerns as we move forward with this, please contact me. I will present to you any other documentation in regards to this as I receive it. Thank you in advance.

Respectfully,

Terry A. Klingel

Deputy Chief, Yorkville Police Department.

## AGREEMENT

This Comcast Enterprise Services Sales Order Form ("Sales Order") shall be effective upon acceptance by Comcast. This Sales Order is made a part of the Comcast Enterprise Services Master Services Agreement, entered between Comcast and the undersigned and is subject to the Product Specific Attachment for the Service(s) ordered herein, located at <https://business.comcast.com/terms-conditions-ent>, (the "Agreement"). Unless otherwise indicated herein, capitalized words shall have the same meaning as in the Agreement.

## E911 NOTICE

Comcast Business Class Trunking Service may have the E911 limitations specified below:

- The National Emergency Number Association (NENA), a 911 Industry organization that makes recommendations for standardized services relating to E911, has issued guidelines that state "The PBX owner is responsible for creating customer records, preferably in NENA standard format, that identify caller locations." To facilitate Customer's compliance with these guidelines and with associated state and local requirements related to provision of Automatic Location Information (ALI) for E911 services, Comcast offers two options:
  - a. Comcast will send to the ALI database or Subscriber Location Database (SLDB) the main billing telephone number and the main address provided by Customer; or
  - b. Customer may choose to sign up for up to 10 Emergency Location Information Numbers (ELINs) that Customer could assign to zones within Customer's premises that would be separately identified to the E911 call taker. The location information, such as a specific floor, side of a building, or other identifying information, could assist emergency responders to more quickly reach the appropriate location. Customer is solely responsible for programming its PBX system to map each station to one of these numbers, and for updating the system as necessary to reflect moves or additions of stations within the premises. Comcast will send the assigned ELINs to the ALI or SLDB database, as is appropriate.
- Many jurisdictions require businesses using multi-line telephone systems to program their systems to transmit specific location information for 911 calls. Customer bears sole responsibility to ensure that it identifies and complies with all such requirements. In any event, if Customer does not maintain E911 records in a timely and accurate manner, the E911 call taker may not receive proper location information, and emergency responders may be delayed or even prevented from timely reaching the caller's location.
- Battery Back Up - The Integrated Access Device (IAD) provided by Comcast is not equipped with battery backup. It is Customer's responsibility to ensure adequate back-up power is provided to ensure service continuity during a power outage, as employees would otherwise be unable to use the Services, including dialing 9-1-1, when power is unavailable.
- Calls using the Service, including calls to 911, may not be completed if there is a problem with network facilities, including network congestion, network/equipment/power failure, or another technical problem.
- All questions should be directed to 1-800-391-3000. E911 Service, Private Branch Exchange, and Direct Inward Dial Service.

By signing below, Customer acknowledges, agrees to and accepts the terms and conditions of this Sales Order.
