# DRAFT

**UNITED CITY OF YORKVILLE  
PUBLIC SAFETY MEETING  
Thursday, October 4, 2018 6:00pm  
City Hall Conference Room**

**In Attendance:**

Chairman Carlo Colosimo	Alderman Seaver Tarulis
Alderman Chris Funkhouser	Alderman Joe Plocher

**Other City Officials in Attendance:**

Police Chief Rich Hart	Deputy City Clerk Lisa Pickering
Deputy Chief Terry Klingel	Lucas Potter, Comcast
Jim Jensen, Blackberry Creek North	

**Others in Attendance:** None

Chairman Colosimo called the meeting to order at 6:03pm and a quorum was established.

**Citizen Comments:** None

**Minutes for Correction/Approval:** April 5, 2018 and July 5, 2018

Both sets of minutes were approved on a unanimous voice vote.

**New Business:**

***1. PS 2018-14 Police Reports for February – August 2018***

Chief Hart noted the staffing is down three officers and all are taking more calls as they transition through vacation time. Alderman Funkhouser said he was concerned for burnout and Chief Hart will evaluate how the upcoming holiday season affects the department. He said there were 104 applications for new police officers and he will hire 3-4 in mid-December.

***2. PS 2018-15 Adjudication Reports for April - September 2018***

No comments.

***3. PS 2018-16 Liquor Code Amendment – Employment of Minors***

Chief Hart said he is OK with this amendment which would allow employees 18 years and older to serve or sell liquor. He cited the BASSET training as a valuable tool for these employees. Deputy Clerk Pickering said she will email liquor license holders or

send a written notification about the change when approved. Alderman Plocher said Oswego is already delivering groceries and liquor. The committee agreed they do not think minors should deliver liquor to a residence. Ms. Pickering said some laws have been changed and the State allows the towns to enact laws covering delivery by businesses. She will consult the City Attorney regarding the intent of this ordinance and delivery would be reviewed as a separate item. Chairman Colosimo said Liquor Code Ordinance 3-3-14 should be clarified and a separate section should be added regarding off-site delivery of alcohol by those under 21. This will come back to committee for further discussion.

***4. PS 2018-17 Liquor Code Amendment – Waive 100 Foot Church/School Restriction***

Chairman Colosimo said this law is antiquated and Chief Hart added that some private schools are now located in business districts. Mr. Funkhouser said he preferred some separation and does not want liquor next to schools/churches. Committee members Colosimo, Plocher and Tarulis supported this amendment, while Alderman Funkhouser did not. This moves to the regular agenda for Public Safety.

***5. PS 2018-18 Code Amendment – Licensing Requirements for Resale Dealers***

City staff had recently been contacted by a local business inquiring if a resale dealer's license was required for a trade-in program they wished to start for used electronic equipment and gift cards. Chief Hart said licenses should be required to prevent stolen items from being brought to the business. He said thrift shops that do not pay when items are brought in are exempt from licensing. However, Alderman Plocher said Goodwill sometimes hands out 10% off coupons. Regarding licensing requirements, Alderman Colosimo suggested leaving the threshold at 35% of the gross sales and add language as follows: "or doing gross sales in excess of \$1 million per year". Chief Hart said many crimes have been solved with this ordinance. This item will be brought back to committee for further discussion.

***6. PS 2018-19 Code Amendment – Repeal of Licensing Requirements for Bicycles***

Chief Hart said the ordinance was repealed at one time and then reinstated. He said there is no time or manpower to handle bicycle licensing and he recommended repeal. This moves to the consent agenda.

***7. PS 2018-20 Comcast Fiber Optics Contract – KenCom Connection***

Chief Hart said it was originally thought this project would be below the spending limit and not need Council approval. KenCom is switching to the New World system (police reporting system and CAD in squads) in December. The present T-1 line will be turned off December 12<sup>th</sup>. It was thought the Comcast contract would be for 2 years, however, Comcast was not aware the building was not fiber-optic capable. The 3-year plan must be adopted to get the free hookup for fiber optics. This item must move forward to Council due to time constraints for the necessary hookups by December. Chief Hart said Metronet would not provide a quote. He said this item was not budgeted, but his department will be \$200,000 under budget, so an amendment will not be needed. The committee was OK with this. This will be on the Mayor's report for the next Council meeting.

#### **8. PS 2018-21 Meeting Schedule for 2019**

The committee was OK with the meeting schedule. Mr. Funkhouser asked if the police statistics could be emailed monthly to the committee members instead of reviewing three months at a time. Chief Hart will also send the adjudication reports.

#### **Old Business** None

#### **Additional Business**

Chief Hart said vehicles and personnel have both been a priority in the past budgets. Three vehicles have been purchased this year and now he will focus on hiring personnel. He would like three police officers next year and additional office staff. Discussions must also be held regarding building needs. Alderman Funkhouser said he would like to see a plan for a new building and how it would be funded. Chief Hart gave a brief history of the present building and said the economy crashed at the time new plans would have been brought forward. Chairman Colosimo asked if the city-owned bank building is an option since it was purchased to be a city hall or police department. The Chief said it would be a good location with adequate parking. A satellite office in a school was also suggested, however, Chief Hart said a satellite office was opened on Rt. 126 at one time, and citizens did not come there. He also wants to engage in community outreach. It was noted the goal-setting meeting is November 10<sup>th</sup>.

There was no further business and the meeting was adjourned at 6:59pm.

Dear Chief Hart:

My name is Kierra Nitkiewicz and I am a Junior at Waubonsee Community College in Sugar Grove. I am currently enrolled in an Intro to Criminal Justice course and majoring in Social Work.

On the 9<sup>th</sup> of November, I was able to participate in a ride along with Officer Chris Jeka thanks to all of your help! I wasn't entirely sure what to expect from my experience but I ended up having a great time! We helped a man get his keys from his locked truck, aided the Plano and Montgomery Police Departments stop a potentially drunk driver who committed a hit and run, answered a domestic disturbance call, and strengthened the police-community bond by stopping by the new Yorkville Christian High School and greeting the students who were enjoying a dance. This was the first time I've ever experienced something like this so I appreciate that my first ride-along was such a positive and exciting one! I learn many different things in my class but it's much different to actually go out and experience policing first hand. The Yorkville Police department does so many great things for this community and I appreciate all the hard work you and your officers do every single day!

I want to take a moment to thank you for allowing me to ride along with Officer Jeka and to thank him as well for this unique opportunity! This ride along is something I will never forget and I fully appreciate that I will be able to keep this experience with me forever!

Sincerely,

  
Kierra Nitkiewicz

Dear Deputy Terry:

My name is Mariah Watson and I am a student at Waubonsee Community College in Sugar Grove, Illinois. I am majoring in Criminal Justice.

On September 25th, I participated in a ride along with Officer Timothy Kolowski and Kyle Davis as part of my Introduction to Criminal Justice class. During my patrol with Officer Timothy Kolowski, there was a bad storm occurring as we were driving around, so we went to a house that the storm had set off the burglar alarm to make sure everything was ok and working correctly. After my ride with Officer Kolowski, I had switched over to Officer Kyle Davis where we had gotten two calls about domestic violence. It was a great experience being able to patrol with Officer Davis and Officer Kolowski. I learned a lot just from observing and having conversations about what they do for their career with both officers.

Thank you for allowing me to complete my ride-along with Officer Davis and Officer Kolowski, and please extend my thanks and appreciation to both officers for opening up their time to allow me to learn more of the work on the officers behalf. This is an experience and memory I will hold on to and hopefully in the future another ride-along to come.

Sincerely,

Dear Chief Rich Hart

My name is Michael Frauenfelder, and I am a student at Waubonsee Community College in Sugar Grove, Illinois. I am majoring in Criminal Justice.

On September 20<sup>th</sup> 2018, I participated in a ride along with the Yorkville police department. As part of my assignment for the introduction to criminal justice. During my 4-hour ride along I rode with the following officers, Chris Kuehlem, and Pete Pappas. During my first to hours I rode with officer Kuehlem, we patrolled the north part of Yorkville where he introduced me to the real side of police work, and how to go about becoming a police officer, alongside giving me valuable information on how to proceed with the criminal justice program, while we were talking about our military background, we responded to a report about a family of pan handlers, of whom already vacated the premises of Wendy's. After that I was transferred from officer Kuehlem to officer Pappas. We patrolled the southern part of Yorkville around RT 71, where Officer Pappas and I pulled over a car exceeding the speed limit, concluding my ride along with the Yorkville police department.

Thank you for allowing me to ride along with officer Kuehlem, and officer Pappas and please extend my thanks and appreciation to them as well. This was an eye-opening experience and invaluable experience that I will remember for a very long time to come.

Sincerely,

Michael Frauenfelder

Dear Chief Hart,

My name is Celeste Acosta. I am a freshman at Waubensee Community College in Sugar Grove, IL. My major is Criminal Justice. So as a part of that, I am taking Intro to Criminal Justice and I had a project to do a Ride-Along.

On September 14th, 2018 I participated in that Ride-Along with Officer Sara Gerlach. Might I just say that Officer Gerlach is amazing. She wanted to make sure the whole time I was comfortable and fed. I really appreciated that. During our Ride-Along, we pulled a truck over for speeding. Went to the robbery at the Goodwill. Stopped a van for not having valid registration. It was so wonderful to ride with Officer Gerlach. I learned more than I knew before. Officer Gerlach is very lucky to be with the Yorkville Department.

I really appreciated you letting me participate in the Ride-Along with Officer Gerlach. I really hope I can do it again. This was a great learning experience for me. I will defiantly remember this. Thank you.

Dear Deputy Chief Raymond Mikolasek,

Hello, My name is Amanda Freeney and I am a student at Waubonsee Community College in Sugar Grove, Illinois. I am taking an Introduction to Criminal Justice class.

On October 5th, 2018 I participated in a ride-along with Officer Stacey Mott from 8am to noon as part of an assignment for my Introduction to Criminal Justice class. I learned so much on this ride-along and it was pretty exciting to me even though there weren't any intense calls. Our first stop was a hang up call at the Super 8 Motel, and then to a ticket she was writing for a trailer that wasn't attached to anything. She drove to assist someone who left a candle on in their garage and then made a follow up call to a business owner about a theft with an employee. After that we went to a 3 car accident and then we went to the 911 dispatch call center. Diane showed me the screens and protocol for what they do when a call comes in. After that we went to run errands at the courthouse. Time definitely flew by and before you know it we were back at the prescient

Thank you so much for allowing me to ride with Officer Mott. I definitely enjoyed my time riding with her and seeing her expertise in action. It is something I will carry with me as I was able to see from a officers eyes how they get to interact with different people.

Sincerely,

Amanda Freeney

Dear Chief of Police Richard Hart:

My name is Benjamin Summers and I am a student at Waubonsee Community College in sugar grove.

On October 2<sup>nd</sup>, I participated in a ride-along with Officer Chris Kuehlem as part of an assignment for my Introduction to Criminal Justice Class. During our patrol, we responded to a traffic accident that occurred on route 47, just in front of the Raging Waves waterpark. It was really fascinating to watch all of the first responders interact with each other and get the accident cleaned up fast. Officer Kuehlem directed traffic as the other first responders got the accident cleaned up. It was a great experience to ride with Officer Kuehlem. I learned many things from observing him and talking to him about the important work he does for your department.

Thank you for allowing me to ride along with Officer Kuehlem, please extend my thanks and appreciation to him as well. This was an eye-opening experience that I will remember for a long time.

Subject: Title 3 Chapter 9 Massage Establishments Discussion

---

## **Summary**

Discuss Title 3 Chapter 9 Massage Establishments requirements as outlined.

## **Background**

In January, 2018 the City Council approved several amendments to Title 3 Chapter 9 Massage Establishments. All changes were made to adhere to the Illinois Massage Licensing Act, 225 ILCS 57/5 *et seq.* Letters were mailed out to all existing massage license holders on February 5, 2018 letting them know that their current business is now subject to the regulations in Ordinance No. 2018-10 with a copy of the approved Ordinance enclosed.

Furthermore, prior to the approval of the amendments, the code exempted businesses with only one massage therapist and one massage room from licensing requirements. With the new regulations, these sole proprietors who operate businesses with one massage therapist are now required to obtain a massage business license and comply with all sections of the code. Because the City does not otherwise license businesses, and the nature of sole proprietor massage businesses means that they may not be a full tenant in a business unit with an occupancy permit, it is impossible for the City to know a full list of who was previously operating as a massage therapist in City limits. As owners began to contact us in 2018, it was found that some requirements of the amended Code for this type of business could not be met. One of the massage therapist business owners spoke at the November 27, 2018 City Council meeting and the December EDC meeting. Since that meeting, staff has met with a couple of the business owners in town and has itemized the physical limitations of their space as it compares to the City Code. We have also included photos of some of the spaces to outline the issues. The requirements in conflict with existing businesses are listed below:

### 1. 3-9-7: Sanitation and Safety Requirements:

- a. All licensed premises shall be periodically inspected by a duly authorized representative of the City for safety of the structure and adequacy of plumbing, ventilation, heating, illumination and fire protection. In addition, the premises shall comply with the following regulations:
  - F. All massage or bodywork services are prohibited in any cubicle, room, booth or other area within a bodywork establishment which is fitted with a door capable of being locked.
- b. Staff notes – Two of the businesses we contacted cannot meet this requirement, as one is a single, small room with an exterior door without the space for an interior door or wall, and the other is an actual single bedroom-sized room within a larger building. The second business's larger building has another business in an adjacent room and both businesses share a lobby space. In this case, this business owner could have customers

from the adjacent business walking into the lobby – without a locked door into the massage room and without a staffed lobby, another business’s customer could interrupt the massage.

2. 3-9-11: Conditions and Restrictions of Licenses:

- a. I. Open Door During Business Hours: The main entry to the massage or bodywork establishment, other than single rented rooms in buildings with multiple tenants that are not performing bodywork services, shall be open and unlocked all hours that the bodywork establishment is open for and doing business, including all hours that the bodywork establishment is advertised to be open for business and/or services are performed in the premises.
- b. Staff notes – In one of the businesses case, the exterior door is the only door in the unit and the business schedules the massages by appointment. The business may be open during specified hours but then opt to accept a massage appointment during their normal business hours. Since they have no other employees, the business owner locks the door and performs the massage.

3. 3-9-11: Conditions and Restrictions of Licenses:

- a. J. Open Sign: A sign indicating the premises is open for business shall be maintained at all times that massage or bodywork services are being provided, and a sign indicating that the premises is not open for business shall be maintained at all times the premises is not open for business.
- b. Staff notes – In one of the businesses, massages are performed by appointment and the building is locked while the massage is being performed.

4. 3-9-11: Conditions and Restrictions of Licenses:

- a. K. Public Access: Every massage or bodywork establishment that operates on the first floor of a building with direct access from outside the building shall separate the area of the premises in which massage or bodywork services are performed from a public reception and/or waiting room area, and the public entrance to the establishment shall be open and unlocked during all of the hours that an establishment is open or advertised to be open to the public while massage services are being performed
- b. Staff notes – In one of the businesses, physical space does not allow for a lobby, waiting area, or separation between the exterior door and the massage area.

5. 3-9-13: Prohibited Acts and Conditions:

- a. B. No person shall operate or conduct any bodywork establishment that does not comply with all of the terms and conditions of section 3-9-11 of this chapter.
- b. Staff notes – The code does not allow for any non-compliance of any sections of the above.

6. 3-9-13: Prohibited Acts and Conditions:

- a. J. No massage or bodywork establishment shall obstruct the windows at the entrance, reception area or other area open to the public of the massage or bodywork establishment, and such windows shall be maintained to provide an open and clear view into the public areas of the massage or bodywork establishment.
- b. Staff notes – One of the businesses has an exterior door and window and a small interior room with no lobby or waiting area. They screen the window with curtains to prevent people from seeing into the massage area while the massage is being performed.

## **Recommendations**

All of the issues listed above have been given to the City by the various single-therapist, sole proprietor massage businesses in town. These businesses are all owned by the massage therapist and have no employees. The two spas in town (Cozy Spa and Sun Massage) with a separate owner and massage therapist have only one licensed massage therapist and are able to comply with all sections of the massage licensing codes.

The amendments to the massage licensing code approved by City Council earlier in 2018 were done to prevent issues in massage establishments seen in other towns. Those amendments included some of the curtain and lobby requirements narrated above, but it also expanded the licensing requirements to massage businesses with only one massage therapist and only one massage room. The Police Department does not recommend reverting back to the old regulations because some improvements were made in the code, but we have the following options:

- A. Leave the code as is. This would force the sole proprietorships in town, with their non-traditional rooms and tenant-units, to move to new locations in town or to move out of town.
- B. Carve out sole proprietorships from certain regulations. Attorney Orr said that we could draft an amendment that would carve out some of the physical requirements for locked doors, lobbies, etc. for sole proprietorships. These businesses would not have employees and would not have the legal protections of an LLC. Because of the legal protections afforded LLCs, we think it is unlikely any illegitimate business would set up as a sole proprietorship to escape the physical requirements of the City's massage code. This carve out could be done on an automatic basis or through administrative/inspection review.

Staff, including the police department, is supportive of Option B subject to further review. If the Committee agrees with the staff recommendation, we can bring a formal code amendment to a future committee or City Council meeting.

Finally, one point of clarification from the December Economic Development Committee discussion which the Public Safety Committee may or may not want to weigh in on, the massage licensing fee is \$500 annually plus \$50 per licensed massage therapist. The committee and staff incorrectly described the \$500 fee as a one-time fee with a smaller reoccurring annual fee. The correct information is that the first application fee and first year fee is \$500 in full plus \$50 per licensee and the annual reoccurring fee is the same charge:

Business with 4 licensed therapists:

First year fee is  $\$500 + (\$50 \times 4) = \$700$

Second year fee is  $\$500 + (\$50 \times 4) = \$700$

Etc.

Business with 1 licensed therapist:

First year fee is  $\$500 + (\$50 \times 1) = \$550$

Second year fee is  $\$500 + (\$50 \times 1) = \$550$

Etc.

# Memorandum

To: Public Safety Committee  
From: Erin Willrett, Assistant City Administrator  
CC: Bart Olson, City Administrator  
Lisa Pickering, Deputy City Clerk  
Date: January 3, 2019  
Subject: Liquor License Ordinance Amendment –  
Microbrewery/brewpub revisions and the addition of Brewery

---

## **Summary**

Review of proposal to amend the Liquor Code to include a new class, Brewery and amend the definition of Class M – Microbrewery/brewpub.

## **Background**

In 2010 the City Council amended the Liquor Code to include a new classification of liquor license, Class M – Microbreweries/Brewpubs. Staff continues to look to the future of economic development that is coming to the area and is now proposing to add an additional liquor classification, Class L – Brewery. In creating the new classification, staff is proposing to amend the definition of liquor class of “Microbrewery/Brewpub” to allow no more than 155,000 gallons of beer per year for sale to mirror the maximum production amount allowed by State Statute for liquor license classification purposes. The proposed new Class L license – Brewery will also reflect the production amount allowed by State Statute and the proposed license fee remains the same as the current Microbrewery/brewpub license fee. The Liquor Code amendments are proposed to be the following:

### **Title 3 Chapter 3 Section 3-3-4 CLASSES OF LICENSES:**

#### **CURRENT LANGUAGE – Class M – Microbrewery/brewpub.**

A restaurant-brewery that brews beer primarily for sale in a restaurant and is dispensed directly from the brewery's storage tanks.

a. Authorizes the licensee to manufacture beer products on the licensed premises and to make sales at retail of alcoholic liquor, including, but not limited to, the manufactured beer products for both on premises and off premises consumption. All sales must be in a hand capped, sealed container with a total maximum production of fifteen thousand (15,000) barrels per calendar year (465,000 gallons) inclusive of on premises and off premises sales. One U.S. barrel is equivalent to thirty one (31) gallons. Microbrewery/brewpub operations will be ancillary to a restaurant or eating establishment, and the brewing component of the facility shall not be more than twenty five percent (25%) of the total floor area.

#### **AMENDED LANGUAGE - Class M - Microbrewery/brewpub.**

A restaurant that manufactures only at the designated licensed premises less than 155,000 gallons of beer per year for sale primarily in the restaurant on the premises for either on premise or off premise consumption. Sales may also be made to importing distributors, distributors and to non-licensees for use and consumption. The microbrewery/brewpub operations will be ancillary to a restaurant or eating establishment, and the brewing component of the facility shall not be more than twenty-five percent (25%) of the total floor area.

### **NEW - Class L - Brewery.**

The manufacturing and retail sale of less than 930,000 gallons of beer per year for consumption on and off the premises, the retail sale on the premises of beer and wine products not manufactured on the premises and the sale to importing distributors, distributors and to other retail liquor licensees. A brewery shall also be licensed as a Class 1 Brewer by the Illinois Liquor Control Commission. A brewery may include a tavern or restaurant as an ancillary use in compliance with the ordinances of the City and any condition imposed upon its liquor license. The area of the retail sales area shall not be more than twenty-five percent (25%) of the total floor area of the premises.

### **Title 3 Chapter 3 Section 3-3-5 LICENSE FEES AND TERMS:**

**NEW – L Brewery \$1,750.00**

Coinciding with the above amendment and addition, staff is recommending a text amendment to the Zoning Ordinance regarding Microbreweries/Brewpubs and Breweries. Those amendments will be brought before the Planning and Zoning Commission in a Public Hearing and subsequent recommendation to the City Council on January 9, 2019. The text amendment to the Zoning Ordinance includes the following:

1. Amend the Permitted and Special Uses Table in Section 10-06-03 to identify “**Brewery**” as a permitted use in the M-1 Limited Manufacturing and M-2 General Manufacturing districts and a special use in the B-1 Local Business, B-2 Retail Commerce Business, B-3 General Business, B-4 Service business districts.
2. Amend Title 10-2-3 of the Zoning Ordinance to include the following definitions:  
**Brewery:** An establishment that engages in the manufacture of beer as such terms are defined in the Liquor Control Act of 1934, as amended, and has obtained a liquor license from the City.
3. Amend Section 10-2-3: Definitions to read as follows:  
**Microbrewery or Brewpub:** A restaurant-brewery that brews beer primarily for sale in the restaurant and/or bar and is dispensed directly from the brewery's storage tanks. Total production capacity shall not exceed one hundred and fifty-five thousand (155,000) gallons per calendar year. One U.S. barrel is equivalent to thirty-one (31) gallons.
4. Amend Section 10-6-1-G: Microbrewery to read as follows:  
Microbreweries/brewpubs, where if off premises consumption is allowed, all sales must be in a hand capped, sealed container with a total maximum production of one hundred fifty-five thousand (155,000) gallons per calendar year inclusive of on premises and off premises sales. Microbrewery/brewpub operations will be ancillary to a restaurant or eating establishment, and the brewing component of the facility shall be no more than twenty-five percent (25%) of the total floor area.

### **Recommendation**

Staff is recommending the approval of the amendments to the Liquor Control Ordinance.

## **Summary**

Discussion of the purchasing decisions regarding police department fleet maintenance.

## **Background**

On November 1, 2018, Alderman Funkhouser requested a discussion surrounding the purchasing decisions of the City at the November 20, 2018, Administration Committee meeting. During this meeting, I explained the process of review for the current purchasing policies and procedures. This review consisted of seeking other quotes to analyze the current pricing the police department is currently receiving.

On November 19, 2018, 30 packets (Exhibit B) were sent to surrounding auto repair shops (Exhibit A) requesting pricing information. A total of ten (10) auto repair shops have responded that are interested in the City's fleet maintenance.

## **Recommendation**

Staff is currently analyzing the responses provided by the auto repair shops. Staff will schedule meetings to evaluate which vendor would best suit the City's needs based on pricing, reference checks, and capacity. Updates will be given at the respective committees at the next meeting.

RE: Fleet Maintenance Pricing

Dear Business Owner:

The United City of Yorkville is requesting proposals for the repair and servicing of, but not limited to, the United City of Yorkville Police Department Fleet. While it is the intent of this contract to be full service, the following are not authorized: body work, painting, or service/parts for City employee owned vehicles.

All services will be performed in accordance with best industry practices and all parts installed will be genuine, original manufacturer, or equal. If any used, rebuilt, or reconditioned parts are supplied, the invoice shall clearly state this fact. Vendor will return or provide inspection of all replaced parts. Service/parts guarantees, and warranties shall be stated therein.

The Police Department has a fleet of twenty-two (22) gas operated vehicles. Approximately eighteen (18) of these vehicles are pursuit vehicles which operate 24 hours per day, seven days per week. These vehicles are driven approximately 36,000 miles per year. It is essential that they be serviced on a priority basis to insure minimum time out of service. The remainder of the fleet which includes other administration and undercover vehicles are driven an average of 12,000 miles or less per year and would need less service calls per year.

The current fleet of Police vehicles is as follows:

Quantity	Year	Model
1	2003	GMC Yukon
1	2011	Ford Crown Victoria
1	2013	Chevrolet Impala
2	2013	Chevrolet Tahoe
2	2014	Chevrolet Caprice
1	2015	Chevrolet Impala
2	2015	Chevrolet Tahoe
12	2016	Chevrolet Impala

The City requests reports advising of the following data:

- Frequency of service intervals by miles and period.
- Track and provide report of past and present history of service by vehicle and user department.
- Upon completion provide invoice with each vehicle serviced and/or repaired.

The City also requires that the personnel shall be professional technicians and have the experience and capability to provide all required services. The facility shall have the capability of providing all required services. Requirements shall also include garaging the City's vehicles within the garage during non-business hours.

If you qualify under these terms and are interested in servicing the United City of Yorkville's Police Department Fleet. Please complete the attachments of the letter and return to the City no later than Monday, November 19, 2018 at 3:00 p.m.

# Memorandum

To: City Council  
From: Bart Olson, City Administrator  
CC:  
Date: December 27, 2018  
Subject: Police Staffing

---

## **Summary**

An overview of a variety of issues related to police staffing.

## **Background**

This item was requested by both Alderman Funkhouser and Alderman Colosimo. A budget-based discussion of police staffing issues is expected to occur at the January Administration Committee meeting, and Alderman Colosimo requested a more in-depth discussion occur at the January Public Safety Committee meeting.

Chief Hart has drafted a memo about police staffing levels and population, in addition to a chart about other jurisdiction staffing levels. This information is also set to be updated and discussed as part of the FY 20 budget proposal, expected in January or February 2019.

Alderman Funkhouser was more interested in overtime costs and distribution. We've attached information on total overtime accrued for the last two calendar years (partial 2018) for all employees. These charts do not tally overtime accrued that is banked as comp-time; that information will be available at a later date as it requires more work. Detailed reports of overtime/comp-time accrued for each employee with hourly wages were not available at time of Public Safety packet creation, but may be available at the meeting or for the January Administration Committee packet. Averaging all the overtime and regular hours worked by sworn officers in the past couple years, the average hourly wage for a normal hour worked comes to \$38 per hour and the average hourly wage for an overtime hour worked comes to \$61 per hour. These grab numbers can be used to extrapolate on the numbers in the overtime distribution charts included in the packet.

Chief Hart will be present at the meeting to go over the materials and to give you a verbal update on current personnel recruitment efforts.

## **Recommendation**

This is an informational item.

The current staffing for The Yorkville Police department is set at 30 full-time officers, including myself. Our population is currently just over 19,000 residents (1.57 Officers per 1000 residents), but we will probably be around 20,000 within the next two years. Our current staffing levels have been the same since 2008 when our population was just over 15,000 residents (2 officers per 1000 residents). The two previous Chief's of Police (Chief Graff and Chief Martin) worked hard to maintain 2 officers per 1000 residents. 2 officers per 1000 residents has always been an accepted and recommended staffing level for a city our size in the Midwest for a full service department. Currently we are not a full service police department, we do not have the specialized units that we use to have such as Community Policing, Traffic unit, Traffic Accident Reconstruction, Middle School Liaison Officer, or K-9s.

My goal has always been to return to a staffing level of 2 officers per 1000 residents, but I fully understand that we are restrained by our budget. Prior to the economic downturn we started the process to build a new police department. We were almost to the point of beginning the project when it was halted because of the economic downturn. If we start hiring more police officers we will again face overcrowding issues with our current police facility, which is already overcrowded. Our current facility was designed for a maximum of 20 officers. We are also short staffed on 3 full-time civilians (office supervisor, records clerk, and support services) as they were either laid-off or never replaced since 2010.

The FBI Table 71 from 2017 lists the Midwest average as 2.1 officers per 1000 overall, and 1.7 officers per 1000 average for a town our size in the Midwest (see attached). Listed below is our current staffing levels of 30 officers compared to what it would take to get to 2 officers per 1000 residents.

Another item. I know we talk about this in PSC, but I want to take into the overall and detailed man-hours per officer, including extended shifts, overtime, overtime offerings, call offs, planned retirements, leaves, and hiring planning/timeline.

I'd like to have an in depth analysis in the cost of time for man power including breakdowns of over time etc and staffing rates.

I'd like this in Admin as it is more financially based and future planning and budgeting.

Thanks.

Discuss the positive benefits of in town and local vs out of town / out of county.

Discuss financial impacts and additional costs of sending staff out of town for basic services or equipment and services when the same services are offered locally.

Discuss the cost analysis of paying more locally vs paying less non-local but factoring in time of personnel time for travel and pulling staff away from their primary duties.

I'd like to have our purchasing manager at the next meeting. Also, I think it would be beneficial to have staff research Oswego and their policy and history of purchasing practices regarding their local purchasing.

For the meeting, if staff can research one talking point specifically, it would be good. I'd suggest the Police Department oil change services. Analyze the cost of oil changes factoring in travel, actual cost of services, value of having staff travel to Newark and value of officer's time while unable to provide primary duties.

If you have any questions, please feel free to call.

Bart,

I believe Alderman Funkhouser raised some questions about police operations. I have no issues with the questions and obtaining the information, however, these issues belong in Public Safety not Admin. I would like these issues put on the Public Safety agenda, not Admin.

I have copied Chris on this email.

Subject: Liquor Code Amendment – Employment of Minors

---

## **Summary**

Consideration of an amendment to the liquor code regarding employment of minors.

## **Background**

The current liquor code contains conditions on employment of minors that allows for different ages to be able to serve/sell alcohol based on the type of business. For instance, businesses that sell package alcohol can only permit persons twenty-one years of age and older to sell package alcohol, however; for businesses such as restaurants that are not predominantly in business for the sale of alcohol, it allows for persons age 18 years and older to serve/sell alcohol.

State law allows for persons age 18 years of age and older to serve/sell alcohol, no matter what type of establishment holds the liquor license as long as there is not a local ordinance in place that is more restrictive. The proposed amendment changes the liquor code to allow persons age 18 years and older to be able to serve/sell alcohol in all liquor license categories.

A red-lined version of city code is provided to show the two sections of the liquor code that refer to restrictions on employment of minors.

## **Update**

This was last discussed at the July 2018 Public Safety Committee meeting. Discussion focused around regulations for transport and delivery alcohol. After looking into this further, it is recommended to amend Section 3-3-12, paragraph I in entirety, delete Section 3-3-14, Paragraph F in its entirety and add a NEW Section 3-3-21 Alcohol Delivery Service. This NEW section addresses vehicle transport of alcoholic liquor. The individual making the delivery must be twenty-one (21) or older. Payments cannot be accepted nor can orders be placed at the delivery location. A record shall be kept by the company indicating the purchaser's name, address, driver's license/state id number, time, date and place of delivery and the individual deliverer's identity.

## **Recommendation**

Staff recommends approval of the attached ordinance.

# Memorandum

To: Public Safety Committee  
From: Erin Willrett Assistant City Administrator  
CC: Bart Olson, City Administrator  
Rich Hart, Police Chief  
Date: January 3, 2019  
Subject: Code Amendment – Resale Dealers

---

## **Summary**

Consideration of an amendment to city code regarding the licensing requirements for resale dealers.

## **Background**

Staff was recently contacted by a business who wanted to know if a resale dealer's license was required if the business wanted to start a trade-in program for used electronic devices such as cell phones and also a trade-in program for gift cards.

When reviewing the licensing requirements for resale dealers, the code as written only requires a business to be licensed if the business derives more than "thirty-five percent (35%) of its gross receipts from the sale, consignment for sale, pledge or trade of any goods, wares or merchandise which have previously been owned by a consumer". Chief Hart reviewed the request and the current code and has recommended this section be amended to require a resale dealer's license for any business that is going to allow trade-ins of electronic equipment and gift cards.

A red-lined version of city code is attached along with a draft ordinance amending this section of city code.

## **Update**

This item was brought before the Public Safety Committee at the October 4, 2018 meeting. Discussion took place regarding the specifics of the definition of "resale dealer". Staff has updated the draft ordinance to include language in the definition as follows "...thirty five percent (35%) of its gross receipts from the sale, consignment for sale, pledge or trade of any goods, wares or merchandise which have previously been owned by a consumer, including, but not limited to, furniture, appliances, clothing, automobile accessories, books or metals, whether in bulk or manufactured state. Any individual, firm, corporation or partnership engaged in the business of operating a business for profit which buys, sells, possesses on consignment for sale or trades jewelry, stamps, gift cards, coins, audio-video equipment, electronic equipment of any type or any precious metals which may have been previously owned by a consumer; and which generates more than 1 million dollars in gross sales receipts of any and all merchandise."

## **Recommendation**

Staff recommends approval of the attached ordinance.

## Chapter 13
