DRAFT

**UNITED CITY OF YORKVILLE
PUBLIC SAFETY MEETING
Thursday, January 3, 2019 6:00pm
City Hall Conference Room**

In Attendance:

Vice-Chairman Seaver Tarulis Alderman Chris Funkhouser
Alderman Joe Plocher

Absent: Alderman Carlo Colosimo

Other City Officials in Attendance:

Assistant City Administrator Erin Willrett
Police Chief Rich Hart

Others in Attendance:

Rita Vargas-Ohana Healing Hands Dan Wunderlich-Ohana Healing Hands
Bryan Furr-4 You Massage Kelly Furr-4 Your Massage
Shelley Carlson-SNC Wholistic Wellness

The meeting was called to order at 6:00pm by Vice-Chairman Seaver Tarulis and a quorum was established.

Citizen Comments:

Mr. Bryan Furr, licensed massage therapist, said he received a letter from the city regarding massage establishment sole proprietorships and said that sole proprietorships should be carved out. He said he brings business into the city and does not wish to be grouped with other businesses or questionable activities. He participates in many civic activities in the community, donates money and volunteers.

Ms. Rita Vargas, licensed massage therapist at Ohana Healing Hands, said she is aware that officials are sent into massage business to spot check. She has been a therapist in Yorkville for 4 years with no issues, belongs to civic organizations and volunteers. She also has to pay fees that other businesses do not. She said licenses and renewals are necessary, fees have to be paid, and background checks had to be done through the State and then through the city.

Mr. Wunderlich said they just re-signed their lease last week and they have to pay those costs no matter what the city decides.

Ms. Shelley Carlson, licensed massage therapist and nutritionist, said renewal costs are very expensive in comparison to their profit margin. They also having continuing education costs.

New Business:

(item moved forward on agenda)

3. PS 2019-03 Massage Establishments - Review of Licensing Requirements

Ms. Willrett said staff looked at what was previously approved in January 2018 compared to what the business complied with and the current language. It was found that sole proprietorships do not meet all the requirements of today and Ms. Willrett listed those. Staff made several recommendations for the committee to consider. She also listed the fees charged to the business owner, but she said fee changes can be discussed. The fees cover background checks, fingerprinting, administration fees and licensing. An ordinance will be drafted and taken to the January 22nd meeting.

Afer the committee finished their discussion, Ms. Carlson expressed her concern about not being allowed to asked questions or make statements. The committee said the Public Comment portion is set aside for citizens to express their concerns. Ms. Carlson said the massage business is their income and they are invested in the community. She said the \$500 annual fee is not affordable, other businesses are not charged this same fee and the city is taking away their livelihood. She added that she was grandfathered and no one explained how the fee money was spent.

1. PS 2019-01 Police Reports for September-November 2018

Chief Hart said these are routine reports with nothing out of the ordinary.

2. PS 2019-02 Adjudication Reports for October-December 2018

Police Chief Hart said the reports were very normal for these months. He said Newark has been part of the city's adjudication system for about a year with only a couple citations and it was not a burden. Committee members said they appreciated the report updates. Some of the reports may not have been sent due to changes in the group email lists and Chief Hart said the reports should start arriving on a regular basis.

4. PS 2019-04 Liquor Code Amendments – Brewery and Microbrewery/Brewpub

In anticipation of city growth and new business, staff is recommending a change to the liquor ordinance language defining microbrewery and brewpubs which will match the state liquor code. Currently the ordinance language states “barrels per year” and staff recommends changing that to “gallons per year”. Like the State, the city will allow 155,000 gallons per year for sale. Staff is also recommending to add a class “brewery” to be allowed to sell 930,000 gallons of beer per year to match the State. A suggested fee is \$1,750 per year. This goes to Public Hearing on January 9th. It will then move to the City Council consent agenda and there will be two separate ordinances.

5. PS 2019-05 Purchasing Decisions

The Purchasing Manager was unable to attend the meeting and provide the information requested. This item will be brought back to the next Public Safety meeting. The matter will also go to the Administration committee.

6. PS 2019-06 Police Department Staffing

Chief Hart prepared a staffing memo in response to an inquiry from Alderman Colosimo. Four additional officers have recently been sworn in and will start soon, bringing the staff to 34. He added that the police facility is designed for 20 officers. After the 3-month police academy training they will be assigned to a rotation of FTO's for hands on training. The Chief said it's common to expect a 50% 'washout' rate. Alderman Funkhouser asked how the department will get back to full service and have an officer in the schools, along with policing. This will be considered during the budget process. This information goes to the Administration Committee also.

Old Business

1. PS 2018-16 Liquor Code Amendment – Employment of Minors

This was discussed in the October Public Safety meeting and addressed delivery service for alcohol. The delivery person must be 21 years of age, sales logs must be kept, signatures must be obtained, payments cannot be accepted by the driver and orders cannot be placed at the delivery location. The committee recommended approval and this moves to the Council consent agenda.

2. PS 2018-18 Code Amendment – Licensing Requirements for Resale Dealers

This item was also discussed in October and staff has revised language. Ms. Willrett said the 35% figure was left in and “which generates more than \$1 million of merchandise” was added. Currency and coins are not included in the ordinance. This moves to the regular agenda for the next Council meeting.

Additional Business

Some vandalism occurred to Christmas decorations. Chief Hart asked that the email information sources should contact the police even if no report is made and that some households may have taken images with doorbell cameras. He said the cost for the home systems is about \$200-\$300 and some crimes have been solved with them.

(Out of sequence)

Minutes for Correction/Approval: October 4, 2018

The minutes were approved unanimously. At the last meeting, Alderman Funkhouser asked for police stats on a monthly basis, rather than quarterly, and Chief Hart will provide.

There was no further business and the meeting was adjourned at 6:36pm.

Dear Chief Hart,

On Saturday night, February 9th, I was involved in a traffic mishap that resulted in my car needing a tow. We contacted the Yorkville Police Department and Officer Ryan Goldsmith responded.

I wanted to write and let you know what an outstanding officer you have in Officer Goldsmith. He was very kind and understanding. As a 94 year old, his first concern was my well being and he made sure I stayed warm while waiting for the tow truck. Thankfully the only thing hurt was my ego! He handled all the interaction with the towing company on my behalf – which was a tremendous help.

We truly appreciated his help in our time of need and ask that you pass on our gratitude for his kindness.

Sincerely,

John Shumaker

Dear Chief Hart,

I am writing in reference to one of your officers, Ofc Chris Kuehlem. As I am sure you are aware, Ofc Kuehlem responded to the active shooter at the Henry Pratt Company in Aurora on February 15, 2019. As such, he became part of my Rescue Task Force team as officers arriving were hurriedly patched together to begin securing the scene of the shooting. It should be noted that at the time of Ofc Kuehlem's arrival, the active shooter had not yet been secured and the scene was still very much a hot zone. Ofc Kuehlem seamlessly became part of a multi-agency squad, and performed flawlessly, although he had never trained with our particular group. Despite the dangerous situation, Ofc Kuehlem never once hesitated to step forward, and without regard for his own safety, assisted in the safe rescue of a number of civilian employees of the business. His actions no doubt prevented further injury and loss of life. When the time came for our team to make entry into the business, with the intent of pursuing and securing the armed threat, Ofc Kuehlem again didn't hesitate for an instant. While we never came under direct fire, I have no doubt Ofc Kuehlem would not have wavered from his duty had this been the case.

In closing, please allow me to thank you and your department for the bravery and professionalism of not only Ofc Kuehlem, but the other officers of your department that responded, as well.

With highest regard,

A child's drawing on white paper. In the center is a simple blue outline of a teddy bear, facing forward with its arms and legs spread. The bear's head is filled with blue scribbles. Surrounding the bear are numerous green dots and small, teardrop-shaped marks, some of which are connected by thin lines, creating a pattern that resembles grass or a forest floor. To the right of the bear, there is a handwritten note in blue ink.

We Are Aurora Strong

On February 15th, the Aurora Police Department responded to an incident that we never thought would happen in our city. The preparedness and training by our first responders was never more evident than on that day. Lives were saved as a result of the heroism and selflessness of our police officers and firefighters as well as the coordinated efforts of many agencies.

We will never forget the support we received on that fateful day, and it is comforting to know that when the time comes, we can count on other first responders to deploy to our city and stand ready to fight on the front lines with us. We are forever grateful.

Memorandum

To: Public Safety Committee
From: Lisa Pickering, City Clerk
CC: Bart Olson, City Administrator
Date: June 26, 2019
Subject: Liquor Code Amendment – Outdoor Service for Banquet Halls

Summary

Consideration of an amendment to the liquor code allowing banquet halls to offer outdoor liquor service.

Background

We have received a liquor application for the banquet hall being constructed at 171 Saravanos Drive. The liquor application is requesting the banquet hall license class and would also like to offer outdoor liquor service as well. The liquor code currently does not allow for a banquet hall to offer outdoor liquor service. Staff is proposing to amend the banquet hall license class to include outdoor liquor service.

A red-lined version of city code is provided to show the proposed change to the current liquor code along with a draft ordinance.

Recommendation

Staff recommends approval of the attached ordinance.

3-3-4: CLASSES OF LICENSES:

BH – Banquet hall. Authorizes the licensee to sell alcoholic liquors for consumption on the premises ~~only~~, of any banquet hall, as well as an outdoor beer garden or patio area. Outdoor service is subject to the regulations listed in section 3-3-4-5.

**AN ORDINANCE OF THE UNITED CITY OF YORKVILLE, KENDALL COUNTY, ILLINOIS,
AMENDING THE YORKVILLE CITY CODE LIQUOR CONTROL
REGARDING BANQUET HALL LIQUOR LICENSES**

WHEREAS, the United City of Yorkville, Kendall County, Illinois (the “City”) is a duly organized and validly existing non-home rule municipality created in accordance with the Constitution of the State of Illinois of 1970 and the laws of the State; and,

WHEREAS, pursuant to section 5/4-1 of the Liquor Control Act of 1934, as amended, (235 ILCS 5/1-1 et seq.) the corporate authorities have the power to determine the number, kind and classification of liquor licenses and the regulations for the sale of alcoholic beverages; and in addition pursuant to its powers to protect the public’s health, welfare and safety this Ordinance is hereby adopted.

NOW, THEREFORE, BE IT ORDAINED by the Mayor and City Council of the United City of Yorkville, Kendall County, Illinois, as follows:

Section 1. That Title 3, Chapter 3, Section 3-3-4A4, “BH – Banquet Hall”, of the Yorkville City Code, as amended, be and is hereby amended to read as follows:

Memorandum

To: Public Safety Committee
From: Erin Willrett, Assistant City Administrator
CC: Bart Olson, City Administrator
Date:
Subject: Liquor License Fee Amendment – Change in Application Fee

Summary

Propose to update Liquor License Code to include a change in manager fee from \$350 to \$100.

Background

The liquor license application fees were last updated in January 2018. When working through the license renewals for 2019, staff noticed that Section 3-3-3- Application for License and Renewal states:

“If the liquor control commissioner determines that the renewal application contains information that is in any way changed from the original application for license, in which case a new investigation of the license is necessary, a fee of three hundred and fifty dollars (\$350.00) shall be charged to the licensee to cover the costs of such investigation, in addition to the yearly license fee.”

Historically, when there is a change of manager for liquor establishments a background check occurs, and a new liquor form is filled out. A charge to update that information has been \$100.00. Staff believes that amount is adequate to cover all costs of the application update. Staff would propose the language be changed to:

“If the liquor control commissioner determines that the renewal application contains information that is in any way changed from the original application for license, in which case a new investigation of the license is necessary, a fee of ~~three hundred and fifty~~ one hundred dollars (~~\$350~~100.00) shall be charged to the licensee to cover the costs of such investigation, in addition to the yearly license fee.”

Recommendation

Staff recommends the change for a new investigation for a change in license to be amended to \$100.00.

**AN ORDINANCE OF THE UNITED CITY OF YORKVILLE, KENDALL COUNTY, ILLINOIS,
AMENDING THE YORKVILLE CITY CODE LIQUOR CONTROL**

WHEREAS, the United City of Yorkville, Kendall County, Illinois (the “City”) is a duly organized and validly existing non-home rule municipality created in accordance with the Constitution of the State of Illinois of 1970 and the laws of the State; and,

WHEREAS, pursuant to section 5/4-1 of the Liquor Control Act of 1934, as amended, (235 ILCS 5/1-1 et seq.) the corporate authorities have the power to determine the regulations for the application for a liquor license.

NOW, THEREFORE, BE IT ORDAINED by the Mayor and City Council of the United City of Yorkville, Kendall County, Illinois, as follows:

Section 1. That Title 3, Chapter 3 of the Yorkville City Code is hereby amended by deleting Section 3-3-3, in the entirety and replacing it with the following:

“The Local Liquor Control Commissioner shall grant liquor licenses in accordance with the provisions of the laws of the State of Illinois and provisions of this chapter. Any person desiring a license under this chapter shall make application to the Local Liquor Control Commissioner to be filed with the City Clerk who shall provide a blank form for that purpose in such form as may be designated by the Local Liquor Control Commissioner. The application shall be sworn to by the applicant, if an individual, and by at least two (2) members of any partnership applying for such license. Applications by corporations shall be subscribed and sworn to by the president and attested by the secretary thereof. All nonrenewal applications shall include a nonrefundable license application fee of three hundred fifty dollars (\$350.00) to cover application handling and the costs to conduct background investigations of the applicants. All applications shall set forth such facts as may be necessary to show that the applicant is entitled to a license under the laws of the State and this chapter, including a description of the premises to be used by the licensee under the license.

Each licensee shall make application for renewal of his or her license to the Liquor Control Commissioner not less than thirty (30) days prior to the end of the licensing period. If a renewal applicant is not timely in his renewal application, additional fees will be assessed. Any renewal applicant submitting an application

for renewal less than thirty (30) days but not less than seven (7) days prior to the end of the licensing period will be assessed an additional fee of one hundred dollars (\$100.00). Any renewal applicant submitting an application for renewal less than seven (7) days prior to the end of the licensing period will be assessed an additional fee of seven hundred fifty dollars (\$750.00). The annual license fee for the license must accompany the renewal application. If the Liquor Control Commissioner determines that the renewal application contains information that is in any way changed from the original application for license, in which case a new investigation of the license is necessary, a fee of one hundred dollars (\$100.00) shall be charged to the licensee to cover the costs of such investigation, in addition to the yearly license fee.

If, after investigation, it is determined that the applicant is not entitled to a renewal license, the yearly license fee shall be returned. The charge for the investigation is nonrefundable.

A renewal license shall be issued provided the licensee is entitled to receive a license and provided that the premises for which renewal license is sought are suitable for such purposes; provided further that the renewal privilege herein provided for shall not be construed as a vested right which shall in any case prevent the Corporate Authorities from decreasing the number of licenses to be issued within the City.

In the event that the City shall reduce the number of licenses below that number issued in the prior year and the number of applicants do not decrease such as to be equal to or less than the number of available licenses, the Liquor Control Commissioner, in determining which licenses to renew such that the number of licenses issued is equal to the number of available licenses, may consider the date of application, years holding prior licenses, adequate service to areas in City, record of violations or any other reasonable basis.”

Section 2. This Ordinance shall be in full force and effect upon its passage, approval, and publication as provided by law.

Memorandum

From: Erin Willrett Assistant City Administrator
CC: Bart Olson, City Administrator

Date: January 3, 2019
Subject: Code Amendment – Resale Dealers

Summary

Consideration of an amendment to city code regarding the licensing requirements for resale dealers.

Background

Staff was recently contacted by a business who wanted to know if a resale dealer's license was required if the business wanted to start a trade-in program for used electronic devices such as cell phones and also a trade-in program for gift cards.

When reviewing the licensing requirements for resale dealers, the code as written only requires a business to be licensed if the business derives more than "thirty-five percent (35%) of its gross receipts from the sale, consignment for sale, pledge or trade of any goods, wares or merchandise which have previously been owned by a consumer". Chief Hart reviewed the request and the current code and has recommended this section be amended to require a resale dealer's license for any business that is going to allow trade-ins of electronic equipment and gift cards.

A red-lined version of city code is attached along with a draft ordinance amending this section of city code.

Update

This item was brought before the Public Safety Committee at the October 4, 2018 meeting. Discussion took place regarding the specifics of the definition of "resale dealer". Staff has updated the draft ordinance to include language in the definition as follows "...thirty five percent (35%) of its gross receipts from the sale, consignment for sale, pledge or trade of any goods, wares or merchandise which have previously been owned by a consumer, including, but not limited to, furniture, appliances, clothing, automobile accessories, books or metals, whether in bulk or manufactured state. Any individual, firm, corporation or partnership engaged in the business of operating a business for profit which buys, sells, possesses on consignment for sale or trades jewelry, stamps, gift cards, coins, audio-video equipment, electronic equipment of any type or any precious metals which may have been previously owned by a consumer; and which generates more than 1 million dollars in gross sales receipts of any and all merchandise."

Recommendation

Staff recommends approval of the attached ordinance.

OF THE UNITED CITY OF YORKVILLE, KENDALL COUNTY, ILLINOIS**

PUBLIC SAFETY COMMITTEE REPORT

**Ordinance Amending Title 3, Chapter 13 of the Code of Ordinances (Licensing
Requirements for Resale Dealers)**

(PS 2018-18)

Mayor Golinski entertained a motion to approve an ordinance amending title 3, chapter 13 of the code of ordinances (licensing requirements for resale dealers) and authorize the Mayor and City Clerk to execute. So moved by Alderman Colosimo; seconded by Alderman Frieders.

Alderman Colosimo asked how does a 35% benchmark affect Yorkville and what specific establishments will be affected. City Administrator Olson stated there are a few business that are currently licensed and this will not affect the regulations on any of those businesses. This ordinance affects businesses that either take in 35% of their sales in trade in electronics or businesses that have over one million dollars of revenue and take in any trade in electronics. Alderman Funkhouser asked if this is singling out any particular businesses. City Administrator Olson stated it affects any business that takes in any trade in material that is intended for resale. Alderman Funkhouser and City Attorney Orr discussed the legal ramifications. Alderman Colosimo wanted to know if anyone has reached out to Target to discuss this issue. City Administrator Olson believes the City has made contact with Target. Alderman Colosimo asked for clarification of the ordinance, and City Administrator Olson explained and stated that these were the recommendations that came out of the Public Safety Committee. Alderman Plocher, City Administrator Olson, and Alderman Frieders discussed this ordinance further. Alderman Milschewski asked if this was directed toward pawn shops and now the City is going to say that Target is going to be subjected to these guidelines. City Administrator Olson stated yes. Target has been made aware of this. Alderman Funkhouser stated if the City doesn't approve this amendment then Target and any other business in this class can still proceed to sell the items they are just not required to register. City Administrator Olson said that is correct. Alderman Funkhouser stated that is the only thing on the table is whether they register and there is oversight through the Police Department or not. City Administrator Olson said yes. Alderman Funkhouser asked how big of an issue is it for the City to not have it on the register. Police Chief Hart stated significant, for this would be the way to track the stolen items. There was more discussion on this ordinance among City Administrator Olson, Police Chief Hart, and Alderman Funkhouser. Alderman Frieders recognizes the benefit of the ordinance to stop the selling of stolen merchandise. Alderman Funkhouser clarified points of the ordinance. Alderman Frieders asked if Aurora had a similar ordinance and City Administrator Olson said yes but he didn't know the specifics. Alderman Milschewski asked if Target will use the same type of computer program that pawn shops use for registering used trade in merchandise. City Administrator Olson stated yes. Alderman Colosimo is not wanting to upset Target and said that Target has its own security measures in place. He is not ready to sign off on this ordinance at this time.

Alderman Colosimo made a motion to table this to send it back to committee; seconded by Alderman Koch.

Motion approved by a roll call vote. Ayes-8 Nays-0

6. PS 2019-06 Police Department Staffing

Chief Hart prepared a staffing memo in response to an inquiry from Alderman Colosimo. Four additional officers have recently been sworn in and will start soon, bringing the staff to 34. He added that the police facility is designed for 20 officers. After the 3-month police academy training they will be assigned to a rotation of FTO's for hands on training. The Chief said it's common to expect a 50% 'washout' rate. Alderman Funkhouser asked how the department will get back to full service and have an officer in the schools, along with policing. This will be considered during the budget process. This information goes to the Administration Committee also.

Old Business

1. PS 2018-16 Liquor Code Amendment – Employment of Minors

This was discussed in the October Public Safety meeting and addressed delivery service for alcohol. The delivery person must be 21 years of age, sales logs must be kept, signatures must be obtained, payments cannot be accepted by the driver and orders cannot be placed at the delivery location. The committee recommended approval and this moves to the Council consent agenda.

2. PS 2018-18 Code Amendment – Licensing Requirements for Resale Dealers

This item was also discussed in October and staff has revised language. Ms. Willrett said the 35% figure was left in and “which generates more than \$1 million of merchandise” was added. Currency and coins are not included in the ordinance. This moves to the regular agenda for the next Council meeting.

Additional Business

Some vandalism occurred to Christmas decorations. Chief Hart asked that the email information sources should contact the police even if no report is made and that some households may have taken images with doorbell cameras. He said the cost for the home systems is about \$200-\$300 and some crimes have been solved with them.

(Out of sequence)

Minutes for Correction/Approval: October 4, 2018

The minutes were approved unanimously. At the last meeting, Alderman Funkhouser asked for police stats on a monthly basis, rather than quarterly, and Chief Hart will provide.

There was no further business and the meeting was adjourned at 6:36pm.

send a written notification about the change when approved. Alderman Plocher said Oswego is already delivering groceries and liquor. The committee agreed they do not think minors should deliver liquor to a residence. Ms. Pickering said some laws have been changed and the State allows the towns to enact laws covering delivery by businesses. She will consult the City Attorney regarding the intent of this ordinance and delivery would be reviewed as a separate item. Chairman Colosimo said Liquor Code Ordinance 3-3-14 should be clarified and a separate section should be added regarding off-site delivery of alcohol by those under 21. This will come back to committee for further discussion.

4. PS 2018-17 Liquor Code Amendment – Waive 100 Foot Church/School Restriction

Chairman Colosimo said this law is antiquated and Chief Hart added that some private schools are now located in business districts. Mr. Funkhouser said he preferred some separation and does not want liquor next to schools/churches. Committee members Colosimo, Plocher and Tarulis supported this amendment, while Alderman Funkhouser did not. This moves to the regular agenda for Public Safety.

5. PS 2018-18 Code Amendment – Licensing Requirements for Resale Dealers

City staff had recently been contacted by a local business inquiring if a resale dealer's license was required for a trade-in program they wished to start for used electronic equipment and gift cards. Chief Hart said licenses should be required to prevent stolen items from being brought to the business. He said thrift shops that do not pay when items are brought in are exempt from licensing. However, Alderman Plocher said Goodwill sometimes hands out 10% off coupons. Regarding licensing requirements, Alderman Colosimo suggested leaving the threshold at 35% of the gross sales and add language as follows: “or doing gross sales in excess of \$1 million per year”. Chief Hart said many crimes have been solved with this ordinance. This item will be brought back to committee for further discussion.

6. PS 2018-19 Code Amendment – Repeal of Licensing Requirements for Bicycles

Chief Hart said the ordinance was repealed at one time and then reinstated. He said there is no time or manpower to handle bicycle licensing and he recommended repeal. This moves to the consent agenda.

7. PS 2018-20 Comcast Fiber Optics Contract – KenCom Connection

Chief Hart said it was originally thought this project would be below the spending limit and not need Council approval. KenCom is switching to the New World system (police reporting system and CAD in squads) in December. The present T-1 line will be turned off December 12th. It was thought the Comcast contract would be for 2 years, however, Comcast was not aware the building was not fiber-optic capable. The 3-year plan must be adopted to get the free hookup for fiber optics. This item must move forward to Council due to time constraints for the necessary hookups by December. The committee was OK with this. This will be on the Mayor's report for the next Council meeting.
