Subject: Purchase of a 2021 Ford Interceptor SUV in FY2021 Update

Summary

Staff is seeking support to purchase one 2021 Ford Interceptor SUV vehicle in the amount not to exceed \$61,000 as included in the FY2021 budget.

Background

On March 24th, the City Council approved a resolution (2020-11) to purchase two 2020 Ford Interceptor SUV vehicles in the FY21 budget in the amount not to exceed \$150,000. Due to the COVID-19 pandemic, staff postponed these purchases temporarily. On July 28th, Council authorized staff to purchase one of the two approved police SUVs. This vehicle will be delivered this week. After staff analyzed the FY21 budget and COVID-19 related expenses, the staff has confirmed that funds are available to purchase the remaining vehicle that was approved on March 24th.

While patrol sedans are currently available, both Ford and Chevrolet are discontinuing the manufacturing of sedans. Because of this, we are requesting to move our fleet to SUV type vehicles, which will allow us to continue the practice of re-using equipment when older vehicles are rotated out of the fleet.

Purchasing an SUV for patrol a patrol vehicle offers many advantages for the department. The winter months are harsh and having an all-wheel-drive vehicle will allow for safer roadway travel during inclement weather. Added interior room in the vehicles provide staff comfort as well as storing the necessary equipment (i.e., rifles, shotguns, ballistic shields, helmet, etc.).

Currently, Morrow Brothers Ford in Greenfield, Illinois, holds the state bid for the purchase of police fleet SUV vehicles. See the attached vehicle specifications and pricing form (Exhibit A) for vehicle equipment and pricing. Below is a breakdown of the cost of a new patrol SUV which includes additional equipment and installation.

Morrow Brothers Vehicle Base Cost	\$34,820 (with registration)
<u>Other Vendors Additional Equipment Costs</u>	<u>\$26,180 (including installation)</u>
Total Squad Cost not to exceed	\$61,000 per vehicle

***Included in the vehicle cost, as noted above, is interior lighting. Morrow Brothers Ford has begun to offer specific interior lighting packages that are installed in the vehicle upon delivery. We have

compared the cost of purchasing and installing through a third party and have found that it is more cost-efficient to include these items in the initial vehicle purchase.

Staff has worked with Morrow Brothers Ford in Greenfield, Illinois, and they have confirmed that the pricing will remain the same. Due to the lead time in receiving this vehicle, estimated 16 - 20 weeks, the City will not take ownership or be invoiced until after the new calendar year. Any remaining funds will be allocated to a second vehicle to be purchased in Spring 2021.

Recommendation

Staff recommends the support to purchase one 2021 Ford Interceptor SUV vehicle in the amount not to exceed \$61,000 as included in the approved FY2021 budget.
