Minutes for Correction/Approval: January 7, 2021

The minutes were approved as presented.

New Business:

1. PS 2021-05 Monthly Report Review for December 2020 and January 2021

Chief Jensen said he has distributed the annual report with 2020 highlights to the Council members. He then highlighted the two monthly reports and said the Part I crimes have sharply increased partly due to the unemployment fraud reports. He also discussed overtime hours, events, retirements/promotions/new hires, training, number of car crashes and calls for service. Part II crimes were slightly lower for December. He said crisis intervention calls are being tracked. No further discussion.

2. PS 2021-06 Adjudication Reports for January and February 2021

There were several cannabis violations for smoking while driving and for underage use. Chief Jensen said there were also two Building and Zoning issues. No further discussion.

3. PS 2021-07 Approval of FY 22 Vehicle Purchases

Ms. Parker said the Police Department reviews their fleet needs each year and \$150,000 per year is budgeted for new vehicles. Two new Explorers are proposed to be ordered this year at a total cost of \$122,000 and a 16-18 week turnaround. They will be equipped the same as the squad cars and the Chief said light bar equipment is reused at least two times when possible. This purchase is recommended and this item moves forward to the City Council meeting on March 9th. Mr. Olson added that a revenue surplus is expected in 2021 and he recommended purchasing additional items including two more police vehicles. The committee was in favor of these recommendations.

4. PS 2021-08 Surplus Request for Disposal of Police Vehicles

Ms. Parker said a 2013 Impala with a resale value of \$5,000 is ready for disposal. This will be brought forward to the March 9th City Council agenda.

5. PS 2021-09 Liquor Code Amendment – New License Class – Movie Theater

Mr. Olson said City Clerk Pickering drafted a memo for a new liquor license class and code amendment in response to an NCG Theater request to sell liquor at the theater. They had proposed this a few years ago as well. Ms. Pickering said the amendment would allow beer, wine and liquor sales. Chief Jensen said he considered the enforcement angle and reached out to other PD's who reported no criminal issues. No glass bottles will be allowed and contents of a can must be poured into plastic cups. Alderman Transier inquired about the hours of service. Mr. Jankovic said sales will begin when the business opens, but would probably not include morning service due to minimal demand. Mr. Olson recommended approval and to make it effective immediately. Alderman Frieders suggested waiving the \$850 fee in 2021 due to the pandemic losses for the theater. This moves to the March 23rd Council agenda with committee approval.

Old Business: None

Additional Business

Alderman Milschewski said there are no curbs/gutters in the older sections of town and people park in the parkway and on the sidewalks causing a muddy mess. Chief Jensen will speak with Peter Ratos for a solution.

There was no further business and the meeting was adjourned at 6:32pm on a motion by Alderman Milschewski and unanimous voice vote.

COMMUNITY POLICING INITIATIVES

Today, Officer Davis completed a Citizen At Risk registration with our friend Hannah. Thank you for letting us share this moment, and for being a part of and believing in this program.

[#community](#)

This morning one of our Officers was helping children cross the street to one of our elementary schools. Little did the Officer know the kind of heartfelt thank you he would get. We appreciate this card more than you will ever know. [#community](#)[#yorkville](#)

Today, while out on a walk with his owner Bill, Huckleberry decided to work on his K9 training and sniff the exterior of Officer Swanson's squad car for hidden treats (donuts). He unfortunately didn't find any this time. Huckleberry was still excited to show off his skills! Bill said his 9 month old German Shepherd is in obedience training but Huckleberry wishes he could be a police K9 one day. Drop a picture of your future police K9's in the comments!

This evening Officer Jordon got to make some new friends while on patrol. These kids were inquisitive and asked many questions about the flashlights Officers need to carry.

DETECTIVE SQUAD

DETECTIVE SQUAD HIGHLIGHTS

As a School Resource Officer, Ryan Goldsmith is tasked with a variety of responsibilities. These include, but are not limited to, assisting faculty with maintaining a safe, productive environment to learn and teach, investigating criminal offenses that occur on school property and building a strong relationship with students. As the sole member of the police department currently assigned specifically to the schools, Officer Goldsmith represents the entire police department to every student in the school district. As a veteran of fifteen years with the Yorkville Police Department, Officer Goldsmith has a wealth of knowledge from his many years of service. In March 2021, Officer Goldsmith used that knowledge as a guest speaker in eight driver's education classes at the Yorkville High School. When meeting with these classes, Officer Goldsmith discussed a variety of topics such as seat belt usage, drinking and driving, Scott's Law, and what to do when pulled over. As a police officer who has seen the awful results of serious traffic crashes, Officer Goldsmith was able to present the student's with a point of view they may not receive otherwise.

Meanwhile, the other detectives are currently investigating several in depth and lengthy financial crimes in addition to several theft, sexual abuse / assault, burglary and fraud cases.

Thank you to Officer Soebbing for coordinating the blood drive today. We appreciate all the donors for taking the time out of their day. Good to see many friends here!

Officer Mertes was able to help one of our local High School students who dropped their keys down a drain. Thanks to Officer Mertes' creativity the keys were recovered!

Today was a special day for Yorkville PD, as we participated in the Polar Plunge. This year was different as we weren't able to celebrate with our local Special Olympics athletes due to the COVID 19 pandemic. Team YPD had a total of 17 plungers and as of now over \$3,200 has been raised for Special Olympics Illinois. There is still time to donate. Most importantly we want to recognize why we do the plunge. Pictured we have Sergeant Hayes with a picture of Dominic, Officer Swanson with a picture of Kellen and Officer Soebbing with a picture of Peyton. These kids along with all the Special Olympics athletes inspire us! Thank you to Yorkville True Value Grand Rental Station for your generosity. The dunk tank was a hit! Our officers had a blast! Stay tuned for our next Special Olympics fundraiser!

COMMUNITY POSTS – Facebook

A new traffic pattern at the Autumn Creek Elementary School was developed and implemented April 14th. This was a collaborative effort between the Yorkville School District, Yorkville Police Department and parents of Autumn Creek to address traffic issues and concerns during parent drop off.

Our agency would like to congratulate Community Service Officer Aktabowski on accepting a police officer position out of state. Thank You Carter and best of luck!

OFFICER RECOGNITION: This evening American Legion Post 489 recognized a couple of our officers for their outstanding work.

Officer Cory Shepherd is a Marine Corps Veteran. In March Officer Shepherd responded to a residence for a subject not breathing. Upon assessing the scene, he learned the subject had an opiate overdose. By administering Narcan the subject began breathing and made a recovery. Officer Shepherd's efforts were truly heroic.

Officer Roman Soebbing is a U.S. Navy veteran. Officer Soebbing coordinated the Polar Plunge for our agency which raised over \$3200 for Special Olympics Illinois in March. Additionally, he coordinated a blood drive held at the library. Officer Soebbing is the definition of a public servant always giving back to his community.

A special thank you to our new friends for dropping off some snacks for our officers!

DETECTIVE SQUAD

DETECTIVE SQUAD HIGHLIGHTS

During the month of April, the Detective Squad completed a variety of investigations in which charges are pending. These investigations include Unlawful Use of Credit Card, Possession of Lost Credit Card and Violation of the Sex Offender Registration Act. Warrants are to be issued for the suspect's in those cases. A vehicle that was stolen from the 100 block of Fox Street on 4 April was recovered in Rockford, Illinois on 24 April. Although the vehicle was not occupied at the time of recovery, the suspect has been identified and the case is being actively investigated. Other cases currently under investigation include, but are not limited to, Possession of Child Pornography, Criminal Sexual Abuse, Criminal Sexual Assault, Unlawful Dissemination of Private Sexual Images and two very complex Financial Exploitation of the Elderly cases. Additionally, detectives performed three random sex offender checks with no violations being found. In addition to all of their "usual" responsibilities on duty, every member of the Detective Squad was also focused on preparing for the sergeant's promotional exam while off duty. The

sergeant's promotional exam, which requires immense commitment and preparation, did not distract any member of the squad from their current cases and responsibilities.

THANK YOU, Girl Scout Troop 1119. These generous young ladies provided cookies for the Police Department. We hope you enjoyed meeting the officers!

The Yorkville Police Department is proud to welcome Kendall Watkins as an intern for the next 6 weeks. Kendall is a Yorkville High School graduate and is currently a senior at Illinois State University. We are excited to welcome Kendall in our family as he is able to gain knowledge in the daily operations of our agency!

Today while patrolling outside of the COVID shot clinic, Officer Swanson got to spend some time with Cole. Cole reminded Officer Swanson that they previously played baseball together in the park. We hope you take advantage of the beautiful day and spend some time outside! [#Community](#) [#Yorkville](#)

This evening Mayor Purcell swore in our three newest members of our Yorkville PD family. On April 29th Officer's Cali Caruso, Anthony Nickels and Mariesa Shapiama graduated from the Police Training Institute. They are now in the beginning of their 17 week field training program. If you see them please welcome them to our community. We wish them a safe and rewarding career in Yorkville!

Lost Dogs

Update: the owner has been located.

This K9 was located in the Greenbriar subdivision this evening. Please contact YPD at 630-553-4343 and help us reunite this K9 with their family.

Update: the owner has been located.

We are happy to share a special story with you regarding last night's found dog, Zulu. When being returned to its owner we learned Zulu is a seizure alert dog. The owner, John stated that Zulu is responsible for alerting him if his son has a seizure during the night. The family could not be happier that Zulu was returned because now his family will be able to sleep soundly tonight knowing that Zulu is back on the job. Thank you for letting us share this story John!

Community Information

Today, May 11th, 2021, marks 10 years since 6-year-old Timmothy Pitzen was last seen. To this day, this remains an on-going and active missing persons investigation by Aurora Police's Investigations Division.

Today, the National Center for Missing & Exploited Children has created a new age progression image showing what Timmothy might look like today at 16 years old.

Timmothy was six years old when he disappeared on May 11, 2011, after his mother, Amy Pitzen, unexpectedly picked him up from school. The next day, after no replies to repeated phone calls, Timmothy's father reported his wife and son missing. On May 14, 2011, Amy was found deceased in a motel in Rockford, Illinois and there was no sign of Timmothy. Investigators say Amy committed suicide and left behind a note indicating that Timmothy would be well taken care of. "We hope this new age progression will help someone recognize Timmothy," said Aurora Police Lead Detective John Munn. "Our investigation remains active and we're committed to finding Timmothy."

Anyone who may have information is asked to call The National Center for Missing & Exploited Children at 1-800-THE-LOST (1-800-843-5678) or the Aurora Police Department's Timmothy Pitzen Tip Line at (630) 256-5516.

CRISIS INTERVENTION POST: This afternoon the Yorkville Police Department responded to the area of Rt. 34 & Rt. 47 for a subject who was in distress. This subject confronted and dumped a large pop on a patrons vehicle in the drive-thru of a local restaurant. The subject left the area on foot and was later located in the area of Rt. 47 & Somonauk. Officers initially did not approach the subject, however as they monitored his behavior they witnessed him jump in front of a vehicle traveling Southbound on Rt. 47. This subject was disoriented and confused. Concerned for the subjects safety Officers called for Bristol Kendall Ambulance for an evaluation. The subject was transported to a local hospital without incident.

Subject: **UPDATE** on 2021 Crisis Intervention Team Program

Summary

Yorkville Police Department 2021 Crisis Intervention Team Program

Background

One of our department goals for 2020 was to research and develop a Crisis Intervention Team. Throughout the year we have been researching programs from around the area and around the country, gathering data, developing relationships with team partners and training our staff. We have developed our mission and core focus of our Crisis Intervention Program along with written policies outlining our team's response to those with suspected mental illness, developmental limitations and those in crisis. The Department Crisis Intervention Team program has been fully operational January 1, 2021.

CIT Mission

The Crisis Intervention Team (CIT) is a partnership between the Yorkville Police Department working with mental health consumers and family members. Our collective goal is to champion dignity and compassion for those experiencing mental health crisis and those with developmental limitations. CIT will exist to assist citizens to normalize and understand their physical and emotional reactions to mental health crisis and developmental limitations. CIT officers will be part of a specialized team, which can respond to a crisis at any time and will work with the community to assist in progressing physical and emotional recovery from crisis events.
