New Business:

3. PS 2021-16 Crisis Intervention Team (C.I.T.) Program Update (out of sequence)

Deputy Chief Pfizenmaier said the C.I.T. Program started this year. It focused on mental health, but also dealt with Alzheimers, developmental disabilities and autism and they

tried to determine how to reach those segments of the population. He said the mental health calls are higher than he expected for the halfway point of the year with 77 cases. There were some voluntary and involuntary committals to mental health facilities and the officers do follow-ups if the family desires. He said 25 individuals are registered with the Citizen At Risk program. The Deputy Chief said that 40 hours of classroom training are required to be a C.I.T. officer. Currently 16 officers have completed this training which is 50% of the force. An officer also must be on the department for 2 years prior to training.

Sgt. Carlyle shared some of the positive incidents officers have encountered. He said officers are using many of the C.I.T. techniques in other calls for service. Follow-up to these types of calls is required and a packet of information is available for the families. Sgt. Carlyle added that he would like to initiate more involvement with kids whose family structure is more challenged.

A special event is being planned for August 14 and will be held at Go For It Sports dome. The Police Department will reach out to special needs families and various activities are being planned. An invitation was extended to Oswego and Kendall County to participate as well. Alderman Milschewski said she was very proud of the department for participating in the C.I.T. project and Chairman Transier added that it is important to start with young kids who are affected. Chief Jensen said his department would like to work with the school district to help relieve anxiety for the special needs kids since they are very schedule-driven.

1. PS 2021-14 Monthly Report Review for February – May 2021

Chief Jensen highlighted the stats and other information for March, April and May. He said Covid had a big impact on the numbers in March and reports were actually down. He said the department is now up 1900 calls. Three new officers began in February and he said the department no longer has part-time police officers due to the intense training required. He said some of the overtime continues to be reimbursed. Chief Jensen briefly discussed canine units saying it is expensive to have them. He also reported on the number of accidents and noted that Rte. 126 and 47 continues to be the site of many crashes. He reported on the Part I and Part II crimes and also noted that identity theft greatly increased. Calls for service and written warnings were also up and he added that very little money actually comes back to the city from tickets that are written. Gas prices have risen, but he said car maintenance has been low.

Chief Jensen then reviewed May more in-depth. He said there was an increase in training in May including “train the trainer”. A new intern who resides in Oswego has also been hired and the previous intern has finished the program. He noted Yorkville's “response to resistance” training is nationally accredited and is also used by other area departments. There were a number of crashes at Rt. 47 and 34 which he hopes to reduce. Officers are doing traffic enforcement and issuing many written warnings. Overall the number of reports taken significantly increased and the calls for service were up year over year from January-May. FYI.

2. PS 2021-15 Adjudication Reports for March – June 2021

Violations included parking on the streets after snow storms, curfew, cannabis and a non-functioning car parked on the street. FYI.

4. PS 2021-17 Selection of Committee Liaisons

Chairman Transier volunteered to serve as School Board liaison.

5. PS 2021-18 Meeting Dates

The Committee agreed to keep the Public Safety meetings every other month on Thursday.

Old Business: None

Additional Business

Chief Jensen said the department has been working with the owners of Raging Waves Waterpark after a disturbance that occurred there. The owners are trying to improve security and the police are increasing their foot patrols there. He said there has been a number of incidents at waterparks around the country. Ms. Milschewski asked if there are cameras in the parking lot, which is not known at this time.

The Chief also reported the department is getting ready for the July 4th parade and also for National Night Out in August.

There was no further business and the meeting was adjourned at 6:58pm

DETECTIVE SQUAD

DETECTIVE SQUAD HIGHLIGHTS

In June 2021, the Detective Squad charged Lori Camper, 53, of Yorkville with 2 counts of Financial Exploitation of an Elderly person and 4 counts of felony Theft as the result of an investigation that began in 2019. Camper is accused of using at least \$14,000 of funds belonging to a person over 80 years of age without their authorization. This investigation required numerous interviews and the subpoena of hundreds of pages of information relevant to the investigation.

Another 2019 case charged in June 2021, was that of Maida Granados, 40, of Montgomery. Granados is charged with non-consensual dissemination of private sexual images. In that case, Granados surreptitiously obtained, and shared, private sexual material without the authorization of the individual/s depicted in the material.

Charges were also obtained against fifty-year-old Clyde J. Vassar of Wheaton unauthorized videotaping, recording, and live video transmission, a felony. The charges stem from a 2020 incident where Vassar is accused of placing a video recording device in the bathroom of a home in Yorkville.

During the month of June, detectives conducted four random checks on registered sex offenders and violent offenders and found all four persons to be in compliance.

Memorandum

To: Public Safety Committee
From: Jori Behland, Deputy Clerk
CC: Bart Olson, City Administrator
Date: August 4, 2021
Subject: Liquor Code Amendment – New License Class for Gift Basket Sales

Summary

Proposed amendment to the liquor code creating a new liquor license class for gift basket sales.

Background

On February 25, 2020, City Council voted to eliminate the gift basket liquor license classification during a package-cleanup of items within the liquor code. At that time, staff proposed eliminating the gift basket liquor license due to not receiving any applications since its creation in 2006.

Staff recently received a request from a business named Creative Mind Events Crafts and More that is opening a storefront at 1443 Cannonball Trail. The business is requesting to sell gift baskets with the option to have beer, wine, and liquor. To accommodate this request, staff proposes adding a new liquor license class allowing the sale of gift baskets with alcohol.

The gift basket liquor license classification was created in 2006, which included wine, beer, and champagne. The only change from the 2006 license classification is that the business owner requested to have the option to include liquor. Staff has discussed and agreed upon adding liquor to the classification. The business owner has reviewed the proposed material and is ok with it.

Proposed Amendments to code

3-3-4(A)(4) Classes of Licenses:

GBS – Gift Basket Sales

- a. Authorizes a licensee to sell beer, wine, and liquor, by a retail dealer which is located in an area zoned as a Business Zoning District (B-1, B-2, B-3, or B-4) and which pays Retailer Occupation Tax (commonly referred to as “Sales Tax”), said alcoholic liquor being sold double packaged as part of another product, generally described as a “gift package or gift basket”. Any alcoholic liquor offered for sale shall not be displayed

separately from the gift package or gift basket, nor shall it be sold separately or delivered separately from the gift package or gift basket. Furthermore, all alcoholic liquor sold under this license classification shall be sold only and strictly for delivery in the gift package or gift basket off premise and shall be consumed off premise. Sale of alcohol, alone, and not as part of a gift basket arrangement is strictly prohibited under this license. All other sections of the United City of Yorkville Liquor Control Ordinance shall apply to this license, including, but not limited to, the hours of sale requirements of section 3-3-

- b. In addition to other application requirements under this Chapter 3, a Class GBS license shall only be issued to applicants who can demonstrate that they are operating a bona fide gift basket business.
- c. The annual fee for the GBS license shall be \$250.
- d. For the purposes of this license classification, “gift basket” shall be defined as a decorative gift container which may be constructed of wood, metal, plastic, woven rope, decorative paper, or a decorative plastic bag or such similar material, said container to hold not only the alcohol but also to hold other decorative or gift items to make up the “gift”.

3-3-5(B)(4) License Fees
GBS – Gift Basket Sales - \$250.00

Recommendation

Staff recommends approval of the attached ordinance.
