DRAFT

**UNITED CITY OF YORKVILLE
ECONOMIC DEVELOPMENT COMMITTEE
Tuesday, May 4, 2021, 6:00pm
City Council Chambers**

Note: In accordance with Public Act 101-0640 and Gubernatorial Disaster Proclamation issued by Governor Pritzker pursuant to the powers vested in the Governor under the Illinois Emergency Management Agency Act, remote attendance was allowed for this meeting to encourage social distancing due to the current Covid-19 pandemic.

In Attendance:

Committee Members

Chairman Jackie Milschewski/remote

Alderman Ken Koch/remote

Alderman Jason Peterson/remote

Absent: Alderman Joel Frieders

Other City Officials

City Administrator Bart Olson/in-person

Assistant City Administrator Erin Willrett/remote

Community Development Director Krysti Barksdale-Noble/remote

Senior Planner Jason Engberg/remote

Code Official Pete Ratosh/remote

Other Guests

Matt Asselmeier, Kendall County/remote (6:07pm)

The meeting was called to order at 6:00pm by Chairman Jackie Milschewski.

Citizen Comments None

Minutes for Correction/Approval March 2, 2021

The minutes were approved as presented.

New Business

1. EDC 2021-22 Building Permit Report for February and March 2021

Mr. Ratosh reported 19 single-family detached and 10 single-family attached homes were added in February. There were a total of 60 permits for the month.

2. EDC 2021-23 Building Inspection Report for February and March 2021

In February there were 379 inspections, most of which are single family.

3. EDC 2021-24 Property Maintenance Report for February and March 2021

Complaints for February were resolved prior to the Hearing. The same was true for March with the exception of the tree issue at the sawmill. After the Hearing, the tree was ultimately removed, but the fine remained.

4. EDC 2021-25 Comprehensive Plan – Future Land Use Review

Mr. Engberg said the Kendall Co. Land Plan Ordinance Committee met in March and invited city staff to discuss future land use in the county. This concerned south Eldamain Rd. and west Highpoint Rd. Much of it is unincorporated, but all agriculture at this time. They discussed what might change in the area soon and if the Comp Plan should be revised to reflect the changes. Each participant stated what land use they now have designated in their Comp Plan. Kendall Co. has mixed use business on Eldamain and they want the city to change from estate residential along with other changes. Mr. Engberg brought this to EDC to begin a discussion. He said most Comp Plans have a 10-year horizon and a new plan would likely occur in 2024, perhaps when the bridge is done.

Mr. Engberg said Metra is also doing a study and will likely pick the Wrigley spot for a station, though Eldamain is a possibility. Ms. Noble said the city is not receiving input from the landowners in the area except for one north of Eldamain who said landowners should have an opportunity to speak regarding any proposed Comp Plan changes. She suggested that before the city agrees to amend the Comp Plan, the county should also speak with the landowners.

The committee members agreed that all Aldermen should have a chance to provide input on this discussion, so it will move forward to the full Council.

Old Business: None

Additional Business:

Ms. Milschewski said she received two complaints about grass not being mowed at the townhomes near her residence and she believes there may be new owners. Mr. Ratos will look into this.

There was no further business and the meeting adjourned at 6:15pm.

Minutes respectfully submitted by Marlys Young/remote

Phone 630-553-0843 • FAX 630-553-0889
Monthly Report – for July 2021 EDC Meeting of the United City of Yorkville

June 2021 Activity

General Updates:

- While on special assignment, I did stay connected with the State of Illinois (DCEO), and the Small Business Administration (SBA); to collect information for the business community on loans, grants and other programs of assistance.

New Development:

- Kendall Marketplace: **Signature Fitness**.... Business is open.
- **Kendall Marketplace: Shopping Center**.... Working with a potential tenant for the former ATT store space in the center. I will provide more information as it becomes available.
- **Silver Fox** is preparing to open its 4 Season Patio dining/bar space. The area is called “**Lushees Lounge**” and will feature adult slushee style cocktails, as well as the full Silver Fox menu.
- **Juicehead Smoothie Bar** is open at 211 S. Bridge Street (former Mongo 211 space), in Yorkville’s downtown. This is a new concept of Minor Threat Restaurant Group.
- **Hair Creations Salon** has moved from their location on Countryside Parkway (in the Parkview Christian High School) to Fountain Village Center at the northwest corner of Route 47 & Route 71. They are adding new services as they have a larger space.
- **Anytime Fitness** has expanded in their current location in the center at 68 Schoolhouse Road (Route 47 & Route 126). They have added 2,000 square ft (went from 4,000 to 6,000 square ft). Their group training program has grown tremendously this year and they needed more space to accommodate their clients. They have also added a large functional training space for group training, and extended the free weight area and added new equipment there.
- **The Srcap Cabana Studio** is relocating from the multi-tenant building in Yorkville Business Center to the center at 96 East Schoolhouse Road (Route 47 & Route 126). They will occupy the eastern most part of the building. Once this is complete, this center will be 100% occupied.
- Working with a number of additional potential new businesses who are conducting research and due diligence, on various building and sites in Yorkville. More information will be provided, as it becomes available.

Respectfully submitted,

Lynn Dubajic

July & August 2021 Activity

General Updates:

- Continued to stay connected with the State of Illinois (DCEO), and the Small Business Administration (SBA); to collect information for the business community on loans, grants and other programs of assistance.
- Working with Kendall County as they begin to roll out their Business Support Grants on September 22nd. The first group they will work on are not-for-profits. Maximum grant is \$25,000. I believe that we have many businesses that will apply.

New Development:

- **Kendall Marketplace: Kendall Meat Co....** Local entrepreneur Yonas Hagos is preparing to open a butcher shop with specialty meats. Information on opening date will be forthcoming.
- **The Ice Cream Place** – SW corner of Cannonball & Route 34. Now open! Yorkville resident Areli Perez is proud to welcome all to her delightful establishment.
- **Creative Mind Events Crafts & More** – SW corner of Cannonball & Route 34. Yorkville resident LaToya Gunn is preparing to open later this fall. She will offer giftware, custom gift baskets, crafting classes and event planning services. This is the business that prompted the addition of liquor sales in gift baskets category.
- **Yorkville Crossing: A/K/A Menard's Center.** There is due diligence being performed on the lot directly south of Culver's. This is at the NE corner of Route 47 & Countryside Parkway. Information will be forthcoming soon.
- **JC Licht Paint & Interior Design Products & Services** - Final preparation for this retailer to operate will begin shortly at the SW corner of Route 34 & Route 47. They will occupy approximately 2,800 square feet which was the former Verizon space, near Walgreens. JC Licht has approximately 47 locations in the Chicagoland. They sell paint, but also offer custom window treatments, and wall coverings.
- **Gerber Collison & Glass** has purchased the property at 1203B N Bridge Street, which is the former Chignoli Auto and former Millennium Motors building. Gerber plans on constructing a 10,000+ square foot building "addition" in front of the existing building, and open sometime in 2022. Gerber Collison has been in business since 1937, and has over 500 locations throughout the USA.
- **The Salon Social** is a new hair salon owned by Yorkville resident Katie Ash. This establishment will be located at 223 S. Bridge Street (former Harmony Aesthetics). Katie is moving her business from Plainfield and plans to open in Yorkville around December 1, 2021.
- **State Rep David Welter** is opening an office in Yorkville at 10 Saravanos Drive (the former West Suburban Bank building). Since Illinois is going through redistricting, much of Yorkville will be located District 75. State Rep Welter is planning to host an open house in the near future.
- Working with a number of additional potential new businesses who are conducting research and due diligence, on various building and sites in Yorkville. More information will be provided, as it becomes available.

Monthly Report – for October 2021 EDC Meeting of the United City of Yorkville

September 2021 Activity

General Updates:

- Continued to stay connected with the State of Illinois (DCEO), and the Small Business Administration (SBA); to collect information for the business community on loans, grants and other programs of assistance.
- Working with Yorkville Not-For-Profits as Kendall County has rolled out their Business Support Grants on September 22nd and must be submitted by October 27, 2021. Maximum grant is \$25,000. Many Yorkville Not-For-Profits will apply.
- Completed the annual review of “Mayor Employers” in Yorkville. Personally, connected with over 70 business owners, and managers to complete this review.

New Development:

- **Kendall Marketplace: Kendall Meat Co....** Local entrepreneur Yonas Hagos is preparing to open a butcher shop with specialty meats. Information on opening date will be forthcoming. **Building permits have been applied for, to complete remodel.**
- **Creative Mind Events Crafts & More** – SW corner of Cannonball & Route 34. Yorkville resident LaToya Gunn is preparing to open later this fall. She will offer giftware, custom gift baskets, crafting classes and event planning services. This is the business that prompted the addition of liquor sales in gift baskets category. **Business is now OPEN.**
- **Yorkville Crossing: A/K/A Menard’s Center.** There is due diligence being performed on the lot directly south of Culver’s. This is at the NE corner of Route 47 & Countryside Parkway. Information will be forthcoming soon. **Due diligence continues.**
- **JC Licht Paint & Interior Design Products & Services** - Final preparation for this retailer to operate will begin shortly at the SW corner of Route 34 & Route 47. They will occupy approximately 2,800 square feet which was the former Verizon space, near Walgreens. JC Licht has approximately 47 locations in the Chicagoland. They sell paint, but also offer custom window treatments, and wall coverings. **Business is now OPEN.**
- **Gerber Collison & Glass** has purchased the property at 1203B N Bridge Street, which is the former Chignoli Auto and former Millennium Motors building. Gerber plans on constructing a 10,000+ square foot building “addition” in front of the existing building, and open sometime in 2022. Gerber Collison has been in business since 1937, and has over 500 locations throughout the USA. **Business is preparing to apply for permits.**
- **The Salon Social** is a new hair salon owned by Yorkville resident Katie Ash. This establishment will be located at 223 S. Bridge Street (former Harmony Aesthetics). Katie is moving her business from Plainfield and plans to open in Yorkville around December 1, 2021. **Business owner is preparing for relocation.**
- **State Rep David Welter** is opening an office in Yorkville at 10 Saravanos Drive (the former West Suburban Bank building). Memorandum

To: Economic Development Committee
From: Jori Behland, City Clerk
CC: Bart Olson, City Administrator
Date: September 29, 2021
Subject: Economic Development Committee Meeting Schedule for 2022

Summary

Proposed 2022 meeting schedule for the Economic Development Committee.

Meeting Schedule for 2022

Listed below are the proposed meeting dates for the Economic Development Committee meeting for 2022. The proposed schedule has the committee continuing to meet on the first Tuesday of the month at 6:00 p.m.

- January 4, 2022
- February 1, 2022
- March 1, 2022
- April 5, 2022
- May 3, 2022
- June 7, 2022
- July 5, 2022
- August 2, 2022
- September 6, 2022
- October 4, 2022
- November 1, 2022
- December 6, 2022

Recommendation

Staff recommends review of the proposed meeting dates and time so that a meeting schedule can be finalized for 2022.

Agenda Item Summary Memo

Title: Village of Oswego Boundary Agreement Extension

Meeting and Date: Economic Development Committee – October 5, 2021

Synopsis: Update and extension of existing boundary.

Council Action Previously Taken:

Date of Action: _____ Action Taken: _____

Item Number: _____

Type of Vote Required: Majority

Council Action Requested: Approval

Submitted by: Jason Engberg Community Development
Name Department

Agenda Item Notes:

See attached memo.

Memorandum

To: Economic Development Committee
From: Jason Engberg, Senior Planner
CC: Krysti J. Barksdale-Noble, Community Development Director
Bart Olson, City Administrator
Date: September 23, 2021
Subject: Village of Oswego Boundary Agreement – Update and Extension

Summary

Per the 2016 Comprehensive Plan Update, a short-term goal of the City is to pursue new and extend existing boundary agreements with neighboring communities in an effort to promote and implement effective growth management practices. The proposed boundary agreement extension with the Village of Oswego, which expired on September 1, 2021, would now expire in the year 2041 and is the fourth of several existing agreements that are up for renewal. The City previously approved boundary agreement extensions with the municipalities of Sugar Grove in 2016, Plano in 2019, and Plainfield in 2020.

Background

Illinois statute allows municipalities with adopted official plans (comprehensive plans) to enter into a boundary agreement when unincorporated territory is within 1½ miles of the boundaries of two or more corporate authorities. The United City of Yorkville has current boundary agreements with Montgomery, Plano, Plainfield and Sugar Grove (refer to attached map).

Other municipalities currently overlapping 1½ mile jurisdiction with Yorkville with whom the City does not have boundary agreements with include Millbrook and Newark. Municipalities that are beyond the contiguous 1½ mile jurisdiction with Yorkville, but likely to encroach this jurisdiction based on their current future planning areas, include Joliet, Lisbon, Millington and Plattville.

The intent of the boundary agreement is to delineate a line which shall mark the boundaries of the respective jurisdiction and agree not to annex any unincorporated land which lies within the jurisdiction of the other municipality as established by such line. Further, Illinois statute requires boundary agreements to:

- Consider the natural flow of storm water drainage of the area;
- Include the entire area of a single tract having common ownership within one jurisdiction, when practical.
- Not exceed a term of 20 years, however, following the expiration of the term it may be extended, renewed, or revised as the parties agree.

Advantages and Disadvantages

Boundary agreements create the opportunity for meaningful future land planning and establish proposed locations of different types of land uses. In addition, boundary agreements can specify infrastructure needs and responsibilities between corporate authorities so that development within the area between each municipality is orderly and efficient. However, there are other advantages and disadvantages to be considered.

ADVANTAGES

Developers or property owners do not have the ability to pit communities against each other to obtain concessions

Allows for better land use and infrastructure planning in the area

Reduces the negative aspects of competing with neighbor for territory

It is a proactive planning measure and building regional cooperation

DISADVANTAGES

The terms of the agreement may last up to 20 years which is a timeframe where many changes may take place locally and regionally

Eliminates unincorporated owners' choice on which community to annex into

Some concessions may need to be given in order to 'compromise' with a neighboring community

Existing Village of Oswego Boundary Agreement

The original boundary agreement between the United City of Yorkville and the Village of Oswego, was executed on September 1, 2001 (agreement recorded in January 2002 and ordinance recorded in March 2003). It established the many considerations for future development for the unincorporated area between the two communities.

The previously agreed upon boundary between Yorkville and Oswego can be seen in the map to the right. The boundary starts at Galena Road east of Grande Reserve and then heads south to U.S. Route 34. It jogs around an existing unincorporated residential subdivision and the line continues along the Fox River and then envelops Saw Wee Kee Park to the east in Oswego's territory which is under the jurisdiction of the Oswegoland Park District. The line then continues south down Route 71 and then east to Minkler Road and annexed Oswego territory. It follows Minkler Road south and then, along parcel boundaries, goes southeast towards Grove Road. The rest of the boundary line goes due south down Grove Road and ends at Van Dyke Road which is consistent with the City's agreement with Plainfield.

This approximately sixteen and a half (16.5) mile boundary consists of a variety of land uses along its sides. There are mostly agricultural uses on the south portion of the boundary with a mix of unincorporated residential subdivisions heading north towards the river. The northern portion of the boundary line is mostly residential subdivisions within Yorkville or Oswego.

A majority of the unincorporated land is identified as having a future land use designation of "Agricultural Zone (AZ)" and "Estate/Conservation Residential (ECR)" in Yorkville's 2016 Comprehensive Plan Update.

Existing Yorkville/Oswego Boundary Line

Other than identifying the boundary line for future development, the existing agreement outlines a number of other details including:

- **Self-Determination Areas** – As seen in the attached map, there are several existing residential subdivisions that the agreement states may be annexed into either municipality without objection from the other municipality.
- **Third Party Annexations** – If a third party attempts to annex land which would change the boundary of the agreement, then each municipality may consider the request and, if not opposed, must amend the agreement.
- **Annexation of Roadways** – If the boundary line is located on a roadway then it shall be located on the center line of that roadway. Additionally, this section covers roads already annexed into the municipalities and the jurisdiction each community has over these roadways.
- **Roads and Streets** – This section covers improvements to Mill Street and other roads which cross the boundary line.
- **Facilities Planning Area Modifications** – Neither municipality may object to each other's facility planning areas regardless of the boundary line.
- **Land Planning** – Both municipalities will direct their planning staffs to meet and confer about land use and development in the area to promote favorable outcomes for both parties.
- **Wells and Water** – Both municipalities agree to discuss issues regarding regional water supply.
- **Duration on Agreement** – Details the 20-year period of the agreement.
- **Other Administrative Regulations** – The agreement includes administrative requirements including but not limited to representatives, enforcement, required notices, reservation of rights, severability, and recording of the agreement.

Proposed New Oswego Boundary Agreement

The proposed updated boundary agreement between the City of Yorkville and the Village of Oswego would be extended for another twenty (20) year term, until 2041, and continue most of the same provisions of the existing agreement. After meeting with staff from Oswego, the following revisions are being proposed and are broken down into minor and major amendments:

Minor Amendments

Section 2 – New Exhibit A and Exhibit B which creates a new map (attached) and legal description for the boundary.

Section 9 – This section is being removed as the Mill Street upgrade is within Grande Reserve and is already a planned improvement. Also, the 39 foot back of curb to back of curb and 80 foot right of way has been applied to approved improvement plans. The intersection improvements to Mill Road as part of the Grande Reserve development will begin construction this year.

Section 10 – Part D states Oswego has an application to create a FPA and staff is waiting on a response from Oswego to verify if it has been established. If so, this part may be removed as it would be obsolete.

Section 14 – This section has been modified to include the Oswego/Yorkville/Montgomery joint Feasibility Study to Receive Lake Michigan Water Via the Dupage Water Commission. It states both communities' intentions to work on regional sources for water.

Section 18 – The duration of the agreement has been updated to December 1, 2041.

Section 23 – The notices have been amended to remove “personal delivery” and replace with certified mail.

Major Amendments

Section 2 – The new boundary line as seen on the attached map, has been altered to extend the boundary south along the river and envelop the existing Hideaway Lakes campground onto Oswego's side of the boundary. This was a direct request from Oswego to move the campground onto their side of the boundary.

There has been language added to the proposed boundary agreement in section 3(c) which addresses any potential nuisance issues that may arise if the campground is annexed into Oswego since it is in close proximity to existing Yorkville and unincorporated residential neighborhoods.

Proposed Yorkville/Oswego Boundary Line

The provisions state in the event the Yorkville Police Department is called to the property for any reason, Oswego shall reimburse Yorkville for all costs Yorkville incurs for such response. Additionally, Oswego shall respond to all noise complaints whether received by Yorkville and forwarded to Oswego or received directly by Oswego promptly.

Section 4 – The self-determination zones have been removed from the agreement. This was a Yorkville staff recommendation. Oswego staff has informed Yorkville staff that Oswego would like to keep these zones within the agreement.

Staff Comments & Recommendation

Staff has collaborated with Oswego staff to bring forth this updated boundary agreement for review. Overall, **staff recommends adoption** of a new Village of Oswego Boundary Agreement extension. Staff believes the solid long-term planning benefits of having a boundary agreement with a neighboring community outweighs any potential negative effects. **Staff also recommends approval** of all the minor amendments listed in this memorandum and outlined on the attached draft agreement.

In terms of the major amendments listed in this memorandum, **staff does not recommend approval** of keeping the self-determination areas in the agreement. The main purpose and benefit of having an agreement between neighbors is to avoid a situation where a developer or property owner(s) can pit two communities against one another for their gain. It also helps with long term planning of local and regional development when each community knows where their planning boundary is located. By not knowing where these areas will be annexed, it creates uncertainty in planning for development, utilities, and other infrastructure.

Per the Illinois Statutes, both corporate authorities are required to provide a public notice of the proposed boundary agreement for no less than 15 days at the location where notices are posted for any village board or city council meetings as well as publication within the local newspaper. At this time, staff anticipates publishing a notice in the **October 22nd** edition of the Beacon News for a public hearing at the **November 9th** City Council meeting. Staff is looking forward to getting the EDC's feedback on this matter and answering any questions at Tuesday night's meeting.

**INTERGOVERNMENTAL JURISDICTIONAL
BOUNDARY LINE AGREEMENT BETWEEN THE
VILLAGE OF OSWEGO AND THE UNITED CITY OF YORKVILLE**

This Agreement made and entered into this _____ day of _____ A.D. 2021 by and between the VILLAGE OF OSWEGO, ~~Kendall County~~Kendall and Will Counties, Illinois, an Illinois municipal corporation (hereinafter sometimes referred to as "OSWEGO"), and the UNITED CITY OF YORKVILLE, Kendall County, Illinois, an Illinois municipal corporation (hereinafter sometimes referred to as "YORKVILLE"), both of said parties are hereinafter sometimes referred to collectively as "the Municipalities" and individually as "Municipality".

WITNESSETH:

WHEREAS, section 11-12-9 of the Illinois Municipal Code (Illinois Compiled Statutes, Chapter 65, Section 5/11-12-9), authorizes corporate authorities of municipalities to agree upon boundaries for the exercise of their representative jurisdictions within unincorporated territory that lies within one and one-half miles of the corporate limits of such municipalities; and

WHEREAS, Section 10, Article VII, of the Constitution of the State of Illinois of 1970 authorizes units of local government, including municipalities, to contract to exercise, combine, or transfer any power or function in any manner not prohibited by law or ordinance; and

WHEREAS, the Illinois Intergovernmental Cooperation Act, (Illinois Compiled Statutes, Chapter 5, Section 220/1 et seq.), authorizes municipalities to exercise jointly with any public agency of the State, including other units of local government, any power, privilege, or authority which may be exercised by a unit of local government individually, and to enter into contracts for the performance of governmental services, activities, and undertakings; and

WHEREAS, OSWEGO and YORK.VILLE have adopted official comprehensive plans controlling the development of unincorporated territory; and

WHEREAS, developments under way or in various stages of planning are creating growth opportunities in and near the unincorporated territory surrounding YORKVILLE and OSWEGO; and

WHEREAS, OSWEGO and YORKVILLE have determined that current plans and opportunities for development will be accompanied by significantly higher demands for governmental services, police services, utility services, transportation services, and other municipal services and financial commitments to meet the necessities of development; and

WHEREAS, prior to entering into this Agreement, OSWEGO and YORKVILLE have considered the ownership of property, natural flow of storm water and other relevant factors concerning the unincorporated territory; and

WHEREAS, OSWEGO and YORKVILLE have determined that the territory lying between their present municipal boundaries is a rapidly developing area in which problems related to utility service, open space preservation, flood control, population density, ecological and economic impact, and multipurpose developments are ever increasing both in number and complexity; and

WHEREAS, OSWEGO and YORKVILLE and their respective citizens are vitally affected by such concerns, and any attempt to solve them and provide for the welfare, prosperity, and employment of the inhabitants of the municipalities will be benefitted by the mutual action and intergovernmental cooperation with respect thereto; and

WHEREAS, OSWEGO and YORKVILLE have determined that there exists a need and desire to provide for logical municipal boundaries and areas of municipal authority between their respective communities in order to plan effectively for the growth and potential development between their communities and the conservation of the available resources for all of their respective citizens; and

WHEREAS, OSWEGO and YORKVILLE, after due investigation and consideration, have decided to enter into an agreement providing for the establishing of a boundary for their respective jurisdictions in the unincorporated territory lying between and near their boundaries; and

WHEREAS, OSWEGO and YORKVILLE have determined that the observance of the Boundary Line in future annexations by the two municipalities will serve the best interest of the two communities; and

WHEREAS, OSWEGO and YORKVILLE have determined that in some instances it will be desirable and necessary for the power and authority conferred on one municipality to be exercised by another; and

WHEREAS, OSWEGO and YORKVILLE have authorized the execution of this Agreement as an exercise of their respective statutory authority, and as an exercise of their intergovernmental cooperation authority under the Constitution and laws of the State of Illinois.

NOW, THEREFORE, in consideration of the mutual promises contained herein and in the further consideration of the recitals hereinabove set forth, it is hereby agreed between OSWEGO and YORKVILLE pursuant to their constitutional, statutory, and other authority as follows:

1. **INCORPORATION OF PREAMBLE**

OSWEGO and YORKVILLE acknowledge that the statements made above in the recitals are true and correct and that such recitals are incorporated into this Agreement as if fully set forth in this Section 1.

2. **BOUNDARY LINE**

OSWEGO and YORKVILLE agree that in the unincorporated area lying between and near the two municipalities, the Boundary Line for annexation, governmental planning, subdivision control, facilities planning, zoning, official map, ordinances, and other municipal purposes shall be as is depicted on the map attached hereto as **EXHIBIT A** and as legally described in **EXHIBIT B** which are incorporated herein and made a part of the Agreement. The line depicted on Exhibit "A" and described on Exhibit "B" will be referred to as the "Boundary Line". In the event of any conflict between **EXHIBIT A** and/or **EXHIBIT B** and/or the terms of this Agreement, the order for the controlling authority shall be as follows: (1) the terms of this Agreement; and (2) the legal description of the Boundary Line attached as **EXHIBIT B**; and (3) the Boundary Map attached as **EXHIBIT A**.

3. **JURISDICTION**

Commented [KB1]: A revised map for "Exhibit A" will be prepared by the City of Yorkville

Commented [KB2]: City of Yorkville's engineering consultant, EEI, will prepared revised legal description.

(a) With respect to property located within the area assigned to OSWEGO (as depicted on **EXHIBIT A**), YORKVILLE agrees that it shall not annex any unincorporated territory within such area nor shall it exercise or attempt to exercise or enforce any zoning ordinance, planning control, subdivision control, official map, or other municipal authority or ordinances, except as may be hereinafter provided in this Agreement.

(b) With respect to property located within the area assigned to YORKVILLE (as depicted on **EXHIBIT A**), OSWEGO agrees that it shall not annex any unincorporated territory within such area nor shall it exercise or attempt to exercise or enforce any zoning ordinance, planning control, subdivision control, official map, or other municipal authority or ordinances, except as may be hereinafter provided in this Agreement.

(c) With regard to that certain property bounded by the Fox River on the north and west and by Illinois Railway on the south and east commonly known as Hideaway Lakes, the parties agree that notwithstanding that this property has been assigned to Oswego, in the event the Yorkville Police Department is called to the property for any reason, Oswego shall reimburse Yorkville for all costs Yorkville incurs for such response. The parties further agree that Oswego shall respond to all noise complaints whether received by Yorkville and forwarded to Oswego or received directly by Oswego.

Formatted: Highlight

4.. **SUBDIVISION CONTROLS**

In the event that either municipality's subdivision control authority cannot be exercised within its designated area because the municipality is not located within one and one-half miles of a proposed subdivision, and if the other municipality is located within one and one-half miles of that subdivision, then, in those events, the municipality located within one and one-half miles of a proposed subdivision hereby transfers its subdivision control authority to the other municipality pursuant to Section, Article VII, of the Constitution of the State of Illinois of 1970. In the event that

any court of law shall find that the transfer of subdivision control power between units of local government is prohibited or not permitted by law, then, if either municipality cannot exercise its subdivision control within its designated area because it is not located within one and one-half miles of a proposed subdivision, and if the other municipality is located within one and one-half miles of the subdivision, then the latter municipality shall exercise subdivision control notwithstanding the boundaries established by this Agreement.

5.. **THIRD PARTY ANNEXATIONS**

Upon a third party's attempt to effectuate a voluntary or involuntary annexation to have territory annexed which annexation would have the effect of changing the boundaries established under this Agreement, each municipality may consider such annexation and not oppose such annexation, only where a mutual agreement between the parties hereto, in the form of a written amendment to this Agreement as provided in Section 15 is reached. Where a mutual written agreement is not reached, Oswego and Yorkville shall actively oppose any attempt to effectuate any voluntary or involuntary annexation by any third party.

6. **STATUTORY OBJECTION**

This Agreement shall not be construed so as to limit or adversely affect the right of either municipality to file a statutory objection to proposed rezonings, special use permits or other land use proposals that have been presented to the corporate authorities of Kendall County, so long as the property for which the proposed rezoning, special use or other land use proposal is located in the area assigned to that objecting municipality by the terms of this Agreement.

In the event that either municipality's authority to assert a statutory objection to proposed rezonings, special use permits, or other land use proposals cannot be exercised within its designated area because the municipality is not located within one and one-half miles of the subject property, and if the other municipality is located within one and one-half miles of said property, then the municipality located within one and one-half miles of said property hereby transfers its authority

to the other municipality. Both municipalities shall reasonably cooperate in any subsequent actions which are necessary to complete this transfer of authority. In the event this transfer of authority is determined to be invalid, then the putative transferor municipality shall cooperate with the transferee municipality to file such objection on behalf of the transferee municipality.

7.. **ANNEXATION OF ROADWAYS**

(a) If the Boundary Line depicted on **EXHIBIT A** and described on **EXHIBIT B** is located on a roadway, the Boundary Line shall be deemed, except as otherwise provided herein, to be located on the center line of the roadway if the roadway is not located within the corporate limits of either municipality as of the date of this Agreement. For territory that has been annexed by either municipality prior to the date of this Agreement, the roadway shall be deemed to be located within the municipality to which the roadway has been annexed either by ordinance or by operation of state law (Illinois Compiled Statutes, CH. 65, Section 5/7-1-1). For unincorporated territory that is located on either side of the Boundary Line and that will be annexed to the designated municipality in the future, the roadway shall be deemed to be located within the municipality that first annexes its respective territory adjacent to the roadway. The Boundary Line set by this Agreement shall be deemed to have been amended accordingly without further action by either municipality.

(b) Each municipality agrees that with respect to any roadways that are or are deemed to be located within that municipality's territory pursuant to this Agreement, that municipality shall, to the extent it has jurisdiction to do so, authorize the reasonable use of the right-of-way of such roadway, and grant non-exclusive easements for the installation by the other municipality of water, sanitary sewer and utility service facilities, storm sewer mains and appurtenant public improvements. Each municipality agrees that it may assign its non-exclusive easement rights to any other unit of local government that may provide water, sanitary sewer, or storm sewer service to territory within the easement grantee's territory designated under this Agreement.

(c) Each municipality requires that prior to authorizing the reasonable use of roadway right-of-way described in Section 8(b) above the entity performing the proposed work shall be bonded and insured in accordance with the authorizing municipalities' applicable requirements, ordinances and/or regulations and shall name the authorizing municipality as an additional insured on its public liability insurance policy.

(d) The parties recognize the practical problems of providing required municipal services for roadways that are located on the Boundary Line. To that end, the parties agree that further cooperative agreements shall be developed to provide road maintenance, police and other municipal services, including capital improvements, to roadways that are located on the Boundary Line.

(e) Acquisition of right-of-way which is adjacent and adjoining the Boundary Line roadway for roadway and utility purposes to widen the Boundary Line roadway shall not be considered an encroachment on the respective assigned territories.

8.. **FACILITIES PLANNING AREA MODIFICATIONS**

(a) YORKVILLE shall not object to or otherwise contest a request to amend OSWEGO's Facilities Planning Area to add territory to OSWEGO's Facility Planning Area (or the Fox Metro FPA for the benefit of Oswego), including territory currently within YORKVILLE's Facilities Planning Area which is on OSWEGO's side of the Boundary Line.

(b) OSWEGO shall not object to or otherwise contest a request to amend the YORKVILLE Facilities Planning Area to add territory to YORKVILLE's Facility Planning Area (or any Sanitary District's FPA for the benefit of Yorkville), including territory currently within OSWEGO's Facilities Planning Area which is on YORKVILLE's side of the Boundary Line.

(c) If the Illinois Environmental Protection Agency (IEPA) eliminates FPAs for designating service areas for sewer providers at some point after the approval of this Agreement, each party agrees not to provide sewer or water service to any person or entity on the other party's side of

the Boundary Line and over which the other party has jurisdiction, without the written consent of the other party.

(d) It is recognized that Oswego currently has an application on file to create an FPA. A portion of the territory described in such FPA application is on the Yorkville side of the Boundary Line. If such FPA is approved, Oswego shall not object to the transfer of such portion of the territory to the Yorkville and/or any FPA upon a written request by either Yorkville or any Sanitary District. Oswego may, in its discretion, eliminate that territory from its FPA.

Commented [KB3]: Oswego to confirm if this application for FPA has been filed and created. If so, this provision can be removed or revised.

9.. **WAIVER OF ANNEXATION CHALLENGES**

Each municipality waives any right to challenge or otherwise contest the validity of any annexation the other municipality has effected, is effecting, or will effect in the future for territory located within the other municipality's designated areas as depicted in **EXHIBIT A**. The parties further agree not to make any requests, formal or informal, to any third party for that third party to challenge the validity of the other municipality's past, current or future annexations within the other municipality's designated area.

10. **LAND PLANNING**

The parties agree to direct their respective professional planning staffs to meet and confer about land use and development so as to promote and control economic and land development that favors both parties. Nothing in this paragraph shall require both parties to agree to any specific type of land use or development within that are as depicted on **EXHIBIT A**, but the parties are to use their best efforts to keep each other informed of land use and development plans in that area.

11. **CONTRIBUTIONS TO OTHER DISTRICTS**

Both Oswego and Yorkville shall be fair and equitable in assessing fees for the benefit of other taxing districts being mindful of the spirit of intergovernmental cooperation. Fees paid for the applicable taxing districts affected by this Agreement shall be as set by Resolution adopted by the

municipal Board or Council for the subject real property in which the parcel of real property being developed is located.

12. **WELLS AND WATER**

The Illinois State Water Survey has predicted that the existing eight (8) wells Oswego currently utilizes from a deep sandstone aquifer will be depleted in the future due to increased demand. Similarly, the United City of Yorkville is facing the same challenges with its current five (5) deep well water supply resource. Therefore, the Village of Oswego and the United City of Yorkville entered into a joint Feasibility Study to Receive Lake Michigan Water Via the DuPage Water Commission (“study”) in September 2018 to determine a regional plan to access a reliable non-well water supply that will meet the increased demand generated by future population and development anticipated in both municipalities. It is anticipated all future water sourcing from both municipalities will come from Lake Michigan. |

13. **OPEN SPACE**

The Village of Oswego and the United City of Yorkville recognize the need to preserve open space for the enjoyment of their citizens and agree to cooperate with each other and other agencies including the Kendall County Forest Preserve, any Park District, State or Federal agency to set aside open space in areas along the boundary where feasible. This, however, does not obligate either municipality to change their comprehensive/development plans or any current or future annexation/development agreements.

14. **EFFECT OF AGREEMENT ON OTHER MUNICIPALITIES**

This Agreement shall be binding upon and shall apply only to the legal relationship between OSWEGO and YORKVILLE. Nothing herein shall be used or construed to affect, support, bind, or invalidate the boundary claims of either OSWEGO and YORKVILLE insofar as such shall affect any municipality which is not a party to this Agreement.

15. **AMENDMENT OF AGREEMENT**

Commented [KB4]: Section 14. Wells and Water should be updated to reflect the current Regional Sub Water Feasibility Study for Lake Michigan Water via the DuPage Water Commission with Yorkville/Oswego/Montgomery.

Neither OSWEGO nor YORKVILLE shall either directly or indirectly seek any amendments or modification to this Agreement or to have this Agreement declared null, void or invalid, and this Agreement shall remain in full force and effect until amended or modified by the mutual written agreement of the corporate authorities of both municipalities.

16. **DURATION OF AGREEMENT**

This Agreement shall be in full force and effect until ~~September~~ December 1, 2041 .

The term of this Agreement may be extended, renewed or revised by the mutual written agreement of the corporate authorities of both municipalities.

17. **REPRESENTATIONS BY THE PARTIES**

The parties represent, warrant, and agree to and with each other that each is a duly organized and existing municipal corporation under Illinois Law, has taken all necessary corporate and legal action to authorize the execution, delivery, and performance on their part of this Agreement, and the performance hereto by each will not be in contravention of any resolutions, ordinances, laws, contracts, or agreements to which it is a party or to which it is subject. The parties shall deliver to each other certified copies of all resolutions or ordinances authorizing the execution and performance of this Agreement.

18. **FAILURE TO ENFORCE**

The failure of any party hereto to enforce any of the provisions of this Agreement, or the waiver thereof in any instance, shall not be construed as a general waiver thereof in any instance, shall not be construed as a general waiver or relinquishment on its part of any such provision, but the same shall, nevertheless, be and remain in full force and effect.

19. **CAUSES BEYOND CONTROL**

No party to this Agreement shall be liable to another for failure, default or delay in performing any of its obligations hereunder, in case such failure, default or delay in performing any of its obligations specified herein is caused by strikes; by forces of nature; unavoidable accident; fire; acts

Commented [KB5]: Section 18. Duration of Agreement should be revised to September 1, 2041 (20-year extension). Can remove the time. Oswego recommended an auto renewal component for the agreement. However, I am not sure State Statute allows for auto renewals of Boundary Agreements.

of public enemy; or order of court. Should any of the foregoing occur, the parties hereto agree to proceed with diligence to do what is reasonable and necessary so that each party may perform its obligations under this Agreement.

20. **ENFORCEMENT**

Any dispute between the parties to this Agreement or any dispute regarding the interpretation of the terms of this Agreement shall be resolved by an arbitrator selected by the American Arbitration Association. The decision of the arbitrator shall be final and binding on the parties.

(1) Within five (5) business days after the appointment of an arbitrator, the parties shall submit a written memorandum stating their position. Within three (3) business days after receipt of the written memorandum, the parties shall submit a written response. The arbitrator shall then within ten (10) business days thereafter issue its decision.

(2) The party requesting the arbitration shall be solely responsible for the cost of filing the arbitration, with each party paying its own attorney's fees. Upon ruling of the arbitrator, the non-prevailing party shall be responsible for any cost associated with filing the arbitration.

The Circuit Court of the County where the property at issue is situated shall enforce any decision made pursuant to this arbitration provision.

21. **NOTICES**

Any notice required by this Agreement shall be in writing and shall be served by certified mail, return receipt requested, addressed to the municipal clerk or chief administrative officer of the receiving party. Notices shall be deemed served on the fourth day following mailing.

Commented [KB6]: Notices should be arrived to remove the reference to "personal delivery".

22. **RESERVATION OF RIGHTS**

Nothing in this Agreement is intended to confer a benefit or right of enforcement upon any third party. Further, both municipalities specifically reserve all rights, privileges and immunities conferred upon them by law.

23. **AGENCY**

Neither party is an agent of the other party and neither shall incur any costs or expenses on behalf of the other.

24. **COMPLETE AGREEMENT**

This Agreement sets forth the complete understanding between OSWEGO and YORKVILLE relating to the terms hereof and any amendment hereto to be effective must be in writing and duly authorized and signed by both parties.

25. **SEVERABILITY**

If any provision of this Agreement shall be declared invalid for any reason, such invalidation shall not affect other provisions of this Agreement which can be given effect without the invalid provisions and to this end the provisions of this Agreement are to be severable.

26. **REPEALER**

All agreements or parts thereof in conflict with the terms of this Agreement are hereby repealed and of no further force and effect to the extent of such conflict.

27. **PUBLICATION AND RECORDING**

This Agreement shall be construed in accordance with the laws of the State of Illinois and shall be certified as to adoption by the municipal clerk of each municipality, made available in the office of each municipal clerk, published by the representative municipalities and recorded or filed with the Kendall County Recorder and others as their interest may appear.

28. **EFFECTIVE DATE**

This Agreement shall be in full force and effect after its passage, approval and publication as required by law.

IN WITNESS THEREOF, the parties hereto have caused this Agreement to be executed in their respective corporate names by their respective officers hereunto duly authorized and their

respective corporate seals to be hereunto affixed and attested by their respective officers having custody thereof the day and year first above written.

Ordinance No. 2021-_____

**AN ORDINANCE AUTHORIZING A JURISDICTIONAL BOUNDARY
LINE AGREEMENT BETWEEN THE UNITED CITY OF YORKVILLE
AND THE VILLAGE OF OSWEGO**

WHEREAS, the United City of Yorkville (the “City”) is a duly organized and validly existing non home-rule municipality created in accordance with the constitution of the State of Illinois of 1970 and the laws of the State of Illinois; and,

WHEREAS, there is unincorporated territory lying between the City and the Village of Oswego (“Oswego”) that was the subject of a previous Jurisdictional Boundary Line Agreement (“Boundary Agreement”) entered into between the City and Oswego and it is the desire of each to update and extend the terms of that Boundary Agreement for an additional twenty years; and,

WHEREAS, the Section 11-12-9 of the Illinois Municipal Code (65 ILCS 5/11-12-9) provides for the entering into jurisdictional boundary line agreements after notice and hearing; and,

WHEREAS, The City and Oswego have negotiated a new Boundary Agreement to establish a jurisdictional boundary line in order to enable each municipality to plan the orderly growth and development of their communities by the exercise of their planning, annexation, zoning and subdivision authority on its side of the boundary line.

NOW THEREFORE, BE IT ORDAINED, by the Mayor and City Council of the United City of Yorkville, Kendall County, State of Illinois, as follows:

Section 1: That the *JURISDICTIONAL BOUNDARY LINE AGREEMENT BETWEEN VILLAGE OF OSWEGO, KENDALL AND WILL COUNTIES AND THE UNITED CITY OF YORKVILLE, KENDALL COUNTY, ILLINOIS*, between the United City of Yorkville and the Village of Oswego, a copy of which is attached hereto and made a part hereof as Exhibit A, be and the same is hereby approved and the Mayor and City Clerk be and are hereby authorized and directed to execute the Agreement on behalf of the United City of Yorkville.

Section 2: This Ordinance shall be in full force and effect upon its passage and approval according to law.

Passed by the City Council of the United City of Yorkville, Kendall County,
Illinois this ____ day of _____, A.D. 2021.
