Memorandum

To: City Council
From: Erin Willrett, Assistant City Administrator
CC: Bart Olson, City Administrator
Date: October 12, 2021
Subject: New Vehicle Purchases – Community Development Department

Summary

Consideration of a vote to authorize the purchase of two (2) 2021 Ram 1500 Classic Tradesman Crew Cab 4x4 for a total purchase amount of \$76,959.20. This is an emergency purchase because of the delay of the state bid to begin contract orders and also the lag on delivery for most vehicles nation-wide.

Background

City Council last discussed vehicle purchases at the April 21st meeting, during the FY 22 budget discussion. Community Development is in need of a replacement vehicle for their current fleet and a new vehicle for the new position of Jr. Code Inspector. Existing truck stocks at dealerships are dwindling. Staff was able to find these in-stock vehicles at a local dealership (River Front, North Aurora). The vote to approve this purchase will allow us to start the delivery process. The detailed quote is attached for your review. At this time, a budget amendment is not needed because there are adequate funds in the vehicle equipment line to cover this purchase. The FY22 budget included a Public Works bucket truck that we now know will not be delivered until FY23, so there are surplus funds in that line to cover the requested vehicles without a need for an amendment.

Recommendation

Staff recommends the purchase of 2 Ram 1500 Classic Tradesman Crew Cab 4x4 for a total purchase amount of \$76,959.20.
