**UNITED CITY OF YORKVILLE  
PUBLIC SAFETY MEETING  
Thursday, January 6, 2022 6:00pm  
City Hall Council Chambers  
800 Game Farm Road, Yorkville, IL**

**Note:** This meeting was held in accordance with Public Act 101-0640 and Gubernatorial Disaster Proclamation issued by Governor Pritzker pursuant to the powers vested in the Governor under the Illinois Emergency Management Agency Act. Due to the ongoing Covid-19 pandemic, The United City of Yorkville is encouraging social distancing by allowing remote attendance at the Public Safety Committee meeting.

**In Attendance:**

Chairman Dan Transier  
Alderman Craig Soling  
Alderman Matt Marek/electronic attendance

Absent: Alderman Seaver Tarulis

**Other City Officials in Attendance:**

City Administrator Bart Olson/electronic attendance  
Police Chief Jim Jensen  
Deputy Chief Ray Mikolasek  
Alderman Chris Funkhouser/electronic attendance

**Others in Attendance:** None

The meeting was called to order at 6:00pm by Chairman Dan Transier and he announced those who were present.

**Citizen Comments:** None

**Minutes for Correction/Approval:** November 18, 2021

The minutes were approved as presented.

Chairman Transier asked to amend the agenda by moving Old Business--Body Cameras, prior to the New Business items.

**Old Business:** (out of sequence)

***1. PS 2021-25 Body Cameras***

Chief Jensen recapped discussions from the last meeting regarding body cameras and possible funding grants. He was also trying to obtain answers for questions the committee had at that meeting.

Deputy Mikolasek provided an updated quote for 33 cameras vs. 25, which would provide a camera for each sworn officer. Each camera would have their own charger and a license is needed for each body camera as well as the in-car camera. Since the last meeting, the prices have increased for some of the equipment.

Mr. Mikolasek also discussed the amount of time staff spends on burning CD and DVD's for court. Several hours are spent for this process each year and there are additional costs for the equipment. Chairman Transier said most departments are going to on-line evidence sharing.

The Deputy Chief also shared information regarding the capabilities of flagging body camera footage for questionable incidents, FOIA requests for camera footage and redaction of information. He also answered some questions from the last meeting including equipment impact-resistance, fogging, water resistance, etc. Damaged cameras would be replaced at no charge. Off-site storage would be needed for video back-up, but cloud storage is limitless.

Deputy Chief Mikolasek's recommendation was the leasing option with a cloud-based solution for judicial sharing and he also recommended that all equipment be from the same vendor. The lease cost is \$147,970. He said Oswego PD is doing the same leasing program.

Chief Jensen offered a few additional comments. He said there is currently \$50,000 in the budget that can be used for this equipment. He also recommended the lease program and he hopes to implement it very soon. He said the first year cost would be about \$39,000 with a certain amount each year thereafter for a total of \$147,970. He said the department prefers WatchGuard since it interfaces with the car units.

Alderman Soling asked how long it would be to receive an upgrade. After the third year, all new cameras will be received with upgraded technology. If the lease is signed again after 5 years, new cameras would be received again.

Chairman Transier said he is familiar with Watchguard, saying it is user-friendly and is the way of the future for evidence. This item will move forward to the Council for discussion and a vote.

### **New Business:**

#### ***1. PS 2022-01 Monthly Report Review for October and November 2021***

Chief Jensen reported on the October overtime hours, crashes, Part I and II crimes, training and calls for service. He noted gas costs have increased.

In November, he reported on the same categories and also mentioned some community relations events and department promotions. He said gas costs increased \$2,200 over November 2021, but there was a decrease in gallons.

***2. PS 2022-02 Adjudication Reports for November and December 2021***

The Chief said many of the cases involved impounded vehicles, garbage complaints, cannabis violations and dog citations. This is informational.

***3. PS 2022-03 2022 Annual Department Goals***

Chief Jensen said the department wants to identify goals beyond the usual goals, for making the city better and safer. They will hold each other accountable for actions, focus on interacting with the public--making decisions with excellence and measure for success. They will look at complaints against the department and investigate them. They will fully analyze all “use of force” incidents and ask the question “did we do the right thing?” Social media outlets will be monitored daily to determine correctness of information being shared. Another area of focus will be resolving situations that have become stressful for officers. The department will be cognizant of the kind of legacy they wish to leave as a department and as individuals.

**Additional Business**

There was no further business and the meeting was adjourned at 7:03pm

## COMMUNITY POLICING INITIATIVES

### Community Events

**Shop w/ a Cop:** Last evening we hosted our third annual Shop with a Cop event. It was special to say the least. Due to the generosity of so many amazing people we were able to celebrate and have a Christmas gathering with twenty-seven (27) children. Our Officers had the chance to have pizza and cookies with these families and make connections that will hopefully last a lifetime. To finish off the evening we had a special guest..... SANTA. Santa was able to make an early visit as the Toys were ready and wrapped!

We wanted to say a special thank you to so many people that made last night so magical. We would like to thank the following for their generosity to help sponsor this event; Yorkville Kiwanis, Restore Church, Country Financial (Yorkville), Target (Yorkville), Rosatis Pizza (Yorkville) and the men and women of the Yorkville Police Department. The photos you will see were captured by Becky Mokolke Photography. The photos are amazing! Last but not least we would like to thank SANTA. WE BELIEVE.

## Community Information

We want to take a moment to acknowledge one of our officers who just achieved an amazing accomplishment. Officer Ryan Goldsmith is in the middle of his third school year as a School Resource Officer at Yorkville High School. Over the past two years he has also been working toward his master's degree in Public Administration. Today Ryan accomplished one of his goals and received his diploma from Aurora University. We are proud of you Ryan! Officer Goldsmith is pictured below with his wife Kelly.

Last evening Officer Tyler Lobdell had his public swearing in at the City Council meeting. Pictured below is Mayor Purcell swearing in Officer Lobdell. Officer Lobdell was joined by his wife, daughter and extended family.

This afternoon Officer Kevin Warren graduated from the Police Training Institute at the University of Illinois. He is now in the beginning of his 17-week field training program. If you see him, please welcome Officer Warren to our community. We wish him a safe and rewarding career in Yorkville!

## Lost Dogs

**Posted (12/25/21):** This friendly guy was found near Circle Center Grade School. He's safe and sound at the Kendall County Animal Shelter. Please spread the word, let's get him home for Christmas night. Thanks!

## Facebook Posts

**Traffic Crash (Posted 12/2/21):** The roadway has been cleared. Thanks for your patience and have a great day. Yorkville PD is on the scene of a property damage traffic crash in the area of Route 47 and Appletree Ct. Traffic will be slowed for approximately 20 minutes until vehicles can be removed.

**School Threats (Posted 12/2/21):** After the conclusion of school this afternoon (Dec. 2nd, 2021) Yorkville CUSD 115 administrators and the Yorkville Police Department were made aware of a specific threat that had been made by a student to do harm on the Yorkville High School campus. An investigation immediately began.

The Yorkville Police Department located the student and conducted an investigation. The student was subsequently charged with felony disorderly conduct. The student was taken into custody and transported to the Juvenile Justice Center in St. Charles, IL.

This is believed to be an isolated incident and there is no longer a known threat. However, the Yorkville Police Department and Y115 Security Teams will have a visible presence at YHS tomorrow. We would like to thank the concerned individuals who came forward and reported this incident.

This release prepared jointly by Yorkville Police Department and Yorkville CUSD 115.

**Yorkville Intermediate School (Posted 12/8/21):** Last night SRO Goldsmith visited with students at Yorkville Intermediate School's after school program, and participated in great conversation, ornament making, and dodgeball. The excitement that these students displayed "filled his bucket" with joy!

**Weather Watch (Posted 12/15/21):** Damaging winds are expected between 6PM this evening and 9AM Thursday with peak winds from 8PM to 3AM. Highest damage threat generally north of I-80.

According to the National Weather Service Kendall County is in the ban of 60mph winds. Be prepared for power outages as strong winds can knock out power.

While driving keep your distance from high profile vehicles. Please be sure to tie down your outside items (i.e. grills, furniture, etc.)

Continue to monitor weather reports throughout the day for any updates.

**Community (Posted 12/19/21):** Officer Opp got a visit from Yorkville Boy Scout Troop 350. The Yorkville Police Department would like to say thank you for the popcorn.

**Community Post Cedarhurst (Posted 12/24/21):** Officer Meyer had the privilege of visiting with our Cedarhurst residents today. He was schooled on bingo by the professionals! Better luck next time Officer Meyer! We enjoyed our time and wish everyone a safe and happy holiday!

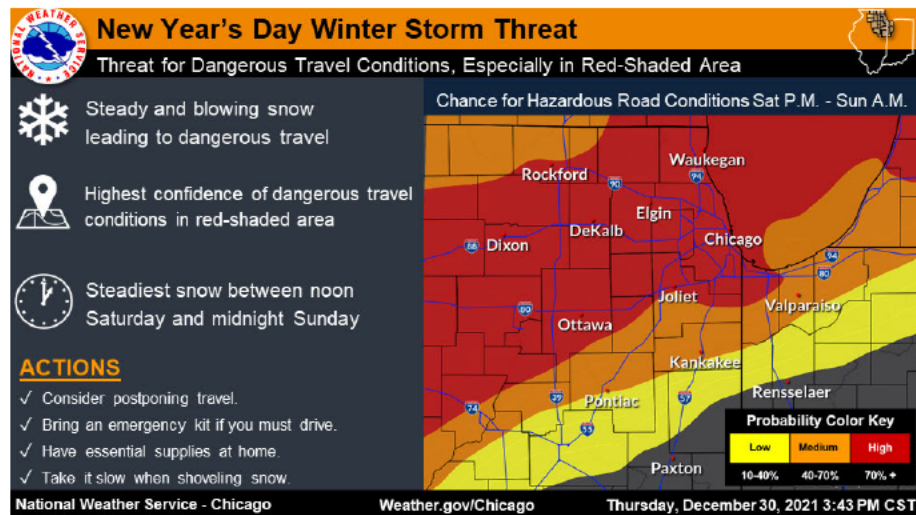

**Community Post American Legion (Posted 12/24/21):** THANK YOU to the Yorkville American Legion Post 489 for thinking of our officers serving this holiday weekend. We will be well fed before Santa arrives!

**Merry Christmas (Posted 12/24/21):** Our night shift had a special visitor, Santa. Santa wanted to make sure that his naughty and nice list matched ours. We also completed a safety inspection of his sleigh. This was mainly so the officers had a chance to meet Rudolph and his reindeer. Santa said there are still a few excited children that need to put out cookies and milk before he can start delivering in Yorkville. See you soon Santa. Merry Christmas from YPD.

**Weather Post (Posted 12/30/21):** We wanted to give advance notice of a winter storm approaching our area on January 1st. There is high confidence that our area could see some very hazardous conditions. Due to the potential of several inches of snowfall, drifting snow and reduced visibility we ask that you please prepare. We would ask that our community please assist by making room for their vehicles in the garage or driveway to clear the streets for our plows. We anticipate with these predictions that the snow ban will be put in effect quickly that day. We also ask that if you can avoid unnecessary travel please do. If you do travel, please prepare your vehicle for the weather. We wish everyone a safe and happy new year. We will be posting updates as the storm approaches.

## DETECTIVE SQUAD

### DETECTIVE SQUAD HIGHLIGHTS

On 13 December 2021, the Detective Squad secured an arrest warrant for Graham A. Moss of Yorkville for two counts Criminal Sexual Assault and six counts of aggravated criminal sexual abuse. The charges are the result of an investigation which began in June 2021 when a complaint was received that Moss had sexual contact with a minor staying overnight in his home. Moss was taken into custody on 14 December 2021 by the Kendall County Criminal Intelligence Team.

Also, in December, Detective Ketchmark received 24 hours of training regarding Internet Crimes Against Children. This training will greatly enhance the department's ability in investigation internet crimes involving children.

Finally, the entire Detective Squad participated in the annual Shop w/ a Cop event.

### **Criminal Trespass to Residence Press Release 1/8/22:**

On Saturday, January 8th, 2022 at approximately 12:17am, Yorkville Police were dispatched to an address in the 100 block of East Schoolhouse Road (Rt. 126) regarding the report of a burglary and criminal trespass to residence. Officers were able to gather the following information upon their arrival. Forced entry was made to a residence while the victim was inside. Three unknown males entered the residence and upon being confronted by the victim, the three male subjects fled. Nothing was taken from the residence and the victim was not harmed. It is believed that the subjects concealed their faces and were all wearing dark clothing. The three subjects are believed to have run south of the residence to a parked vehicle on Colonial Parkway. Yorkville Police are continuing to investigate this incident and ask any possible witnesses or those in the area with exterior cameras to contact us at 630-553-4343.

**Indecent Solicitation of a Child 1/28/22:** On January 26, 2022, at approximately 3:40pm, the Yorkville Police Department and Kendall County Cooperative Police Assistance Team (KCPAT) assisted the Fairbury Police Department and Pontiac Police Department with the arrest of Steven Landrum (26 years of age) of the 1500 block of Cottonwood Trail, Yorkville. He has been charged with three counts of indecent solicitation of a child / criminal sexual abuse, three counts of indecent solicitation of a child via the internet and two counts of solicitation to meet a child. Landrum was extradited by police to Livingston County, Illinois where charges have been filed. Additional local charges are pending at this time. Charges are not proof of guilt. The defendant listed in this release is presumed innocent and is entitled to a fair trial, at which it is the burden of the State to prove guilt beyond a reasonable doubt.

This morning an aspiring Police Officer came by to see Chief Jensen and YPD! This little one melted many hearts as she was sure to give big hugs to our staff. [#futurepoliceofficer](#)

Sergeant Nelson had the pleasure of meeting this officer in training. He said that he has been writing his mom tickets all day!

# Memorandum

To: Public Safety Committee  
From: Shanel Gayle, Purchasing Manager  
Behr Pfizenmaier, Deputy Police Chief  
CC: James Jensen, Police Chief  
Bart Olson, City Administrator  
Date: March 3, 2022  
Subject: Authorization to Purchase and Outfit Three (3) 2022 AWD Ford Explorer Police Interceptors.

---

## Summary

Staff is seeking approval to purchase and outfit three (3) 2022 AWD Ford Explorer Police Interceptors SUV Vehicles in the amount not to exceed \$180,000.

## Background

Staff is requesting approval to order three (3) SUV patrol vehicles utilizing the State of Illinois contract from Morrow Brothers Ford in Greenfield, Illinois. These patrol vehicles will supplement our frontline patrol vehicles. Upon receiving these vehicles, they will replace three units currently in the fleet that have met the replacement evaluation criteria. Due to the lead time in receiving these vehicles, estimated 40 weeks when vehicle is in stock, the City will not take ownership or be invoiced until FY23. Any remaining funds will be carried over for unexpected equipment replacement costs or accumulate over fiscal years to purchase an additional vehicle.

While patrol sedans are currently available, both Ford and Chevrolet are discontinuing the manufacturing of sedans. Because of this we are requesting to move our fleet to SUV type vehicles which will allow us to continue the practice of re-using equipment when older vehicles are rotated out of the fleet.

Purchasing an SUV for patrol a patrol vehicle offers many advantages for the department. The winter months are harsh and having an all-wheel drive vehicle will allow for safer roadway travel during inclement weather. Added interior room in the vehicles will allow for staff comfort as well as storing the necessary equipment (i.e. rifles, shotguns, ballistic shields, helmet, etc.).

Currently, Morrow Brothers Ford in Greenfield, Illinois holds the state bid for the police fleet SUV vehicle purchases. See the attached vehicle specifications and pricing form (Exhibit A) for vehicle equipment and pricing. Below is a breakdown of the cost of a new patrol SUV which includes additional equipment and installation.

Morrow Brothers Vehicle Base Cost	\$104,280 (approximate \$34,760 vehicle cost with registration)
Other Vendors Additional Equipment Costs	\$75,720 (approximate equipment cost)
Total Squad Cost not to exceed	\$180,000

\*\*\*Included in the vehicle cost, as noted above, is interior lighting. Morrow Brothers Ford has begun to offer certain interior lighting packages that are installed in the vehicle upon delivery. We have compared the cost of purchasing and installing through a third party and have found that it is more cost efficient to include these items in the initial vehicle purchase.

### **Recommendation**

Staff recommends the approval to purchase and outfit three (3) 2022 AWD Ford Explorer Police Interceptors SUV Vehicles in the amount not to exceed \$180,000.
