New Business:

1. PS 2022-18 Monthly Report Review for April 2022 - May 2022

For April, Chief Jensen reported on the number of officers and also said 2 hires are pending. He also discussed the summer intern program, saying the intern did a great job for the department. There was also a prescription take-back program, 444 training hours, 39 vehicle accidents and the new city hall police area is progressing. Several violations occurred at Rt. 47 and Rt. 71 resulting in warnings and citations and directed patrols were conducted at Rt. 47, 71 and 34 with several hours spent there. A message board was placed in targeted complaint areas to display speeds. Several warnings were given for the month. Sex offender cases and calls for service were up for the month. He said there should be a decrease in the Part I and II crimes for 2022. Crisis intervention calls

were averaging 12 per month, with 8 in April. Vehicle maintenance costs decreased, however, the gas costs increased.

For May, Chief Jensen reported one of the initiatives being May designated as Autism Awareness Month with many registrations. Police relied on the health department to conduct interviews of child victims of sex offenders and officers also being trained to do the interviews. Two department members graduated with degrees. He reported on the number of stops and hours spent at Rts. 34, 47 and 71. The portable speed signs were placed in areas of complaints and traffic enforcement resulted in an increase in warnings. He discussed an aggravated battery and a resulting serious injury that occurred. There was also a reduction in the Part I and II crimes. Mental health calls also decreased and overall calls for service were up. Mileage and gas costs are both increased for the month compared to 2021, while the maintenance costs were down due to having newer vehicles. New vehicles are expected hopefully in July.

2. PS 2022-19 Adjudication Report for May and June 2022

There was an increased number of complaints about parking in Yorkville Marketplace handicapped spots so police have stepped up monitoring there. A dumpster stored in the roadway on Honeysuckle resulted in continuous complaints. Other violations included dogs at large, impounded vehicles, possession of tobacco by a minor, sale of liquor to minors and weed violations.

Chairman Transier asked if the citations for cannabis and tobacco for middle school kids were entered into LEADS. They are all ordinance tickets and not entered into LEADS, said Chief Jensen.

3. PS 2022-20 Illinois Law Enforcement Accreditation Program (ILEAP) Accreditation (Discussion Item Only)

Chief Jensen said at the end of July, the department will begin the Illinois accreditation process which provides the framework for addressing high risk situations. He said this is best practice for the department and he said there are many benefits for this program. He said the department is already following standards in relation to the police reform act and the accreditation process will verify. As new standards are issued, they are included in the general operating procedures. Yorkville will seek the Tier II accreditation that has 181 compliance standards which the department must put into policy and then prove they are adhering to the standards.

He said the department policies are currently written based on national accreditation, however, national accreditation is very expensive to attain. Also, the current police facility would not be eligible for national accreditation based on certain standards needed.

He said there are 48 towns in Illinois with state accreditation and only 22 states have state programs. The annual cost is \$800 which is budgeted. At the end of 4 years, an inspection is done to verify the standards are being met. An additional cost is for a power DMS module relating to state accreditation. For future costs, he will look at an IMRF

grant to help fund this. He hopes to achieve the state accreditation in 1.5 to 2 years, though 3 years are allowed.

Alderman Tarulis asked about one of the standards relating to the United Nations. Chief Jensen replied that people from other countries who reside here, have certain rights based on their country of origin.

Old Business: None

Additional Business

Alderman Marek asked if any speeding inquiries have been received about Whispering Meadows, specifically Alan Dale and Sumac, where there are signs posted. Chief Jensen will research and reply to Alderman Marek.

Alderman Soling said he was approached about a 4-way stop at Pleasure and Hillcrest. He said that is the township, but asked if the city could reach out to them. High school kids use this area and have been disregarding the 2-way stop sign. People have almost been hit, cars go into yards and cars have hit trees. Some residents have placed re-bar in their yards to keep cars out. The Chief will contact the township official and he said the township will place signs without doing a study.

There was no further business and the meeting was adjourned at 6:32pm.

Facebook Post (June 1, 2022): Today we witnessed the true example of community and teamwork. One of our officers assisted an elderly motorist who was having a diabetic episode. Bristol Kendall EMS was dispatched to the scene and evaluated the individual. The driver was quickly assessed, and EMS determined that this individual needed a meal to resolve this issue. The officer went to one of the nearest restaurants, Roadhouse Rt. 47. The staff at Roadhouse quickly prepared a meal for this individual and refused any payment. 13 Year Sentence for Sexual Assault

Kendall County State's Attorney Eric Weis announced that Graham Moss, (dob: 1/22/86, 804 Morgan Street) of Yorkville, Illinois was sentenced to 13 years in the Illinois Department of Corrections by the Honorable Robert Pilmer for Criminal Sexual Assault and Aggravated Criminal Sexual Abuse.

An investigation began back in June of 2021, when the 15-year-old victim agreed to babysit for the Moss' 6-year-old son while Moss and his wife went out for the evening. When Moss and his wife returned, the victim was allowed to sleep overnight in a spare bedroom in the residence. In the early morning hours, Moss entered the spare bedroom where the victim was asleep. The victim woke up to Moss using his hand to touch her genitals and breasts. Moss then got on top of her and began having sexual intercourse with her while using his hand to hold her down. When he was finished, Moss got up and left the room. The victim almost immediately notified others what had happened, resulting in a quick police response. Subsequent DNA testing confirmed what the victim had stated was done to her by Moss.

Moss entered a guilty plea to Criminal Sexual Assault and Aggravated Criminal Sexual Abuse. He was sentenced to 10 years imprisonment for Criminal Sexual Assault and 3 years Imprisonment for Aggravated Criminal Sexual Abuse. Those two sentences will run consecutive to each other (back to back). As a result of this conviction, the defendant will have to register as a Sex Offender for the rest of his life.

Weis praised the work of the Yorkville Police Department for quickly responding to and thoroughly investigating this crime. He also thanked the Children's Advocacy Center for assisting in the interview of the victim. Finally, Weis commended First Assistant Mark Shifka for securing the guilty plea and sentence.

Weis stated, "This defendant preyed upon a vulnerable child who placed her trust in him. Thankfully this young victim had the strength and courage to immediately stand up and face her attacker to make sure that justice was done."

Moss was represented by Attorney John-Paul Ivec.

Facebook Post (7/23/22): Report #22-1276

On July 22, 2022, at approximately 4:21 P.M., the Yorkville Police Department and surrounding police agencies responded to the Raging Waves Waterpark, 4000 block of North Bridge Street regarding an individual who was in possession of a firearm inside the business. It was reported that an individual had the firearm concealed on his body at this business, a location where a firearm was prohibited. This individual then made threats with the firearm to another male who he knew. Upon police arrival, Tyronn L. Jones Jr. (25 years of age), 12000 block of South State Street, Chicago, IL was immediately taken into custody by police without incident. The firearm mentioned in this incident, a handgun, was recovered by police. Jones was charged with Aggravated Assault (misdemeanor) and Violating the Concealed Carry Act (misdemeanor). Jones

was also subsequently trespassed from the property. Jones was transported to the Kendall County Jail for booking procedures. The Yorkville Police Department would like to thank the Kendall County Sheriff's Department, Montgomery Police Department, Oswego Police Department, Plano Police Department, Kendall County Cooperative Police Assistance Team (CPAT) and the Raging Waves Staff for their immediate assistance.
