(WHEREUPON, the following
 proceedings were in had public
 hearing:)

CHAIRMAN OLSON: There is one public hearing scheduled for tonight's meeting. The purpose of this hearing is to invite testimony from members of the public regarding the proposed request that is being considered before this Commission tonight.

Public testimony from persons

present who wish to speak may be for or may be against the request or to ask questions of the petitioner regarding the request being heard.

Those persons wishing to testify tonight are asked to speak clearly, one at a time, state your name and who you represent. You are also asked to sign up at the podium. There should be a sign-in sheet there.

If you plan to speak at tonight's meeting right now, would you please stand up, raise your hand and repeat after me?

(Witness thereupon duly sworn.)

CHAIRMAN OLSON: You may be seated.

The way this goes is the petitioner is going to

do a presentation, we will have anyone who wishes to speak in favor of the request speak, we will have anyone who wishes to speak in opposition of the request, and then we will wrap up the public hearing portion and move on to discussion.

So may I please have a motion to open the discussion on PZC 2022-19, zoning request?

MR. VINYARD: So moved.

MR. WILLIAMS: Second.

CHAIRMAN OLSON: Roll call vote on the motion, please.

MS. YOUNG: Vinyard.

MR. VINYARD: Yes.

MS. YOUNG: Williams.

MR. WILLIAMS: Yes.

MS. YOUNG: Millen.

MR. MILLEN: Yes.

MS. YOUNG: And Olson.

CHAIRMAN OLSON: Yes.

All right. PZC 2022-19, Jordan

Gash, on behalf of Restore Church, Incorporated,

petitioner, has filed an application with the

United City of Yorkville, Kendall County,

Illinois, requesting rezoning classification of three parcels totaling approximately 34 acres located at 8710 Route 71 in Yorkville, Illinois.

The real property, situated east of Illinois State Route 71 and Illinois State Route 126 intersection on the northeast corner of Wing Road and Illinois State Route 71, is part of the previously approved Windmill Farms annexation agreement.

The petitioner is seeking to rezone from the Planned Unit Development zoning designation to the B-3 General Business District to continue to operate the existing religious institution land use and accommodate future commercial development.

Do you wish to make a presentation on your own behalf? You can if you want, but you don't have to.

MR. GASH: Yeah, I think it is pretty well spelled out.

CHAIRMAN OLSON: Okay. Then, Krysti, would you like to please present on PZC 2022-19?

MS. NOBLE: Sure. As the notice stated, the three parcels are approximately 33 to

34 acres in an area in the Windmill Farms development, which is a defunct development that did not happen, and we've been here before with other parcels wanting to come in, remove themselves from the applications of that land plan.

This particular property owner has three of those parcels on the south side of 71. They have a religious land use in place. There was an existing structure there that they utilized for a church. Over time they did a detention area and parking area.

They are looking now to expand the church to about 10,000 square feet additional and additional parking as well. With those physical changes to the site, rather than just rehab an existing building, it triggered the need to amend the annexation agreement and rezone the property.

So the underlying zoning of the property currently is a B-3 and R-2 -- or R-4, I'm sorry, underlying zoning, and so they are requesting to go strictly B-3, which would allow a religious land institution as well as any

future commercial or office use that they want to pursue.

If you do move forward with this rezoning, it would require us to amend our Comprehensive Plan because the Comprehensive Plan had a holding classification of estate conservation residential, and we did that similarly to the Bricolage property a few months ago.

In your packet you can see some of the site plan changes that they are proposing for the site. There is no nearby utility, public utilities, available, such as water, sewer to the area. The petitioner has been utilizing the existing well and septic system for the on-site needs of the church, and propose once utilities are available about 250 feet from the subject property, they will be required to connect. Vehicle access and parking is adequate to the site.

The findings and facts are in your packet, which the petitioner has provided written responses. Would you like those entered into the record? Which are now entered into the record.

1 And Staff is supportive of the proposed rezoning. 2 CHAIRMAN OLSON: Okay. Is there anyone 3 who wishes to speak in favor of the request? (No response.) 4 5 CHAIRMAN OLSON: Is there anyone who 6 wishes to speak in opposition of the request? 7 (No response.) CHAIRMAN OLSON: All right. Seeing as 8 9 there are none, do you have any questions for 10 Krysti right now? 11 (No response.) CHAIRMAN OLSON: Okay. Since all public 12 testimony regarding these petitions have been --13 petition has been taken, may I have a motion 14 15 please to close the taking of public testimony 16 and this public hearing? 17 MR. VINYARD: So moved. 18 MR. WILLIAMS: Second. 19 CHAIRMAN OLSON: Roll call vote on the 20 motion, please. 21 MS. YOUNG: Yes. Williams. 22 MR. WILLIAMS: Yes. 23 MS. YOUNG: Millen. 24 MR. MILLEN: Yes.

#### PLANNING & ZONING COMMISSION

City Council Chambers 800 Game Farm Road, Yorkville, IL Wednesday, November 9, 2022 7:00pm

**NOTE:** In accordance with Public Act 101-0640 and Gubernatorial Disaster Proclamation issued by Governor Pritzker pursuant to the powers vested in the Governor under the Illinois Emergency Management Agency Act, the City of Yorkville is allowing remote attendance at this meeting. Social distancing is being encouraged due to the current Covid-19 pandemic.

#### **Meeting Called to Order**

Chairman Jeff Olson called the meeting to order at 7:10pm, roll was called and a quorum was established.

#### **Roll Call**

Deborah Horaz-yes/electronic attendance Rusty Hyett-yes/electronic attendance Greg Millen-yes/in-person Jeff Olson-yes/in-person Richard Vinyard-yes/in-person

Absent: Danny Williams

### **City Staff**

Krysti Barksdale-Noble, Community Development Director/in-person Jason Engberg, Senior Planner/in-person

#### **Other Guests**

Lynn Dubajic Kellogg, City Consultant/in-person Chris Vitosh, Vitosh Reporting Service/electronic attendance Mr. Ronak Patel, Cork Keg & Liquor/in-person Greg Groat, Correct Digital Displays/in-person Donald Smith/electronic attendance Matt Asselmeier/electronic attendance

#### Previous Meeting Minutes October 12, 2022

The minutes were approved as presented on a motion and second by Commissioners Vinyard and Millen, respectively.

Roll call: Horaz-yes, Hyett-yes, Millen-yes, Olson-yes, Vinyard-yes. Carried 5-0.

#### <u>Citizen's Comments</u> None

#### **Public Hearing**

Chairman Olson explained the Public Hearing procedure and swore in those who would present testimony. The Public Hearing was opened at 7:13pm on a motion and second by Commissioners Vinyard and Millen, respectively.

Roll call: Hyett-yes, Millen-yes, Olson-yes, Vinyard-yes, Horaz-yes. Carried 5-0.

The Public Hearing description was read by Chairman Olson:

1. **PZC 2022-18** Greg Groat, Correct Digital Displays, Inc., petitioner, has filed an application with the United City of Yorkville, Kendall County, Illinois, requesting sign variance approval to permit a building mounted sign to be larger than the maximum permitted sign area, wider than the maximum permitted sign width, and to allow the sign to be closer than one (1) foot from a vertical or horizontal edge of the wall to which the sign is affixed. The real property is generally located northeast of the North Bridge Street (Route 47) and East Main Street intersection.

(see Court Reporter's full transcript)
(The Petitioner requested the standards be entered into the public record)

There was no further testimony and a motion was made and seconded at about 7:25pm by Mr. Vinyard and Mr. Millen, respectively, to close the Hearing. Roll call: Millen-yes, Olson-yes, Vinyard-yes, Horaz-yes, Hyett-yes. Carried 5-0.

#### Unfinished Business None

#### **New Business**

1. PZC 2022-19 (see full description above)

Chairman Olson read the standards for granting the variance. There was no further discussion and Mr. Vinyard moved, seconded by Mr. Millen, to approve PZC 2022-19. The motion was read by Mr. Vinyard as follows: In consideration of testimony presented during a Public Hearing on November 9, 2022 and approval of the findings of fact, the Planning and Zoning Commission recommends approval of a request to vary the sign regulations contained in Section 10-20-9-A-1 of the United City of Yorkville Zoning Ordinance to permit a building mounted sign to be erected which exceeds the maximum sign area, maximum sign width, and be located closer than one foot from a horizontal and vertical edge of the wall to which it is affixed at the property commonly known as 302 N. Bridge Street as stated in a staff memorandum dated November 2, 2022.

Roll call: Olson-yes, Vinyard-yes, Horaz-yes, Hyett-yes, Millen-yes. Carried 5-0.

2. **PZC 2022-21** Donald Smith, petitioner, is requesting a variance to encroach into the required front yard in the County's R-3 One Family Residential Zoning District. The petitioner is seeking to construct a garage addition onto the front of his house which would encroach the fifty foot (50') required front yard setback by twenty feet (20') resulting in a thirty foot (30') front yard. The real property is located at 505 E. Spring Street which is generally located at the northeast corner of the McHugh Road and E. Spring Street intersection.

Mr. Engberg presented the information for this petition and said it is a 1.5 mile review near Wackerlin Subdivision. The county received a variance request for a front-yard setback which is currently 50 feet. The petitioner wishes to add an extension on the garage on the front of his house and convert an old garage into livable space. This would leave a 30 foot setback. It is close to the Yorkville planning boundary and a nearby house is zoned R-2 and already in the city. Under the R-2 zoning in the city code, the front yard setback is 30 feet. He feels the petitioner will eventually be incorporated in the city. Mr. Smith is improving the property rather than doing a major improvement.

Mr. Vinyard moved and Mr. Millen seconded to approve a motion of approval for PZC 2022-21 Donald Smith. Mr. Vinyard read the motion as follows: In consideration of the proposed mile and half review of Kendall County Petition 2022-21 for a variance request to encroach the required front yard setback by twenty feet within the Kendall County R-3 Zoning District at the property commonly known as 505 E. Spring Street, the Planning and Zoning Commission recommends the City Council to not object to the request. Roll call: Vinyard-yes, Horaz-yes, Hyett-yes, Millen-yes, Olson-yes. Carried 5-0.

#### Additional Business None

#### Adjournment

There was no further business and the meeting was adjourned at 7:34pm on a motion and second by Commissioners Vinyard and Horaz, respectively. Unanimous voice vote approval..

Respectfully submitted by, Marlys Young, Minute Taker/electronic attendance

(WHEREUPON, the following
 proceedings were in had public
 hearing:)

CHAIRMAN OLSON: There is one public hearing scheduled for tonight's Planning and Zoning Commission meeting. The purpose of this hearing is to invite testimony from members of the public regarding the proposed request that is being considered before this Commission tonight.

Public testimony from persons

present who wish to speak may be for or may be against the request or to ask questions of the petitioner regarding the request being heard.

Those persons wishing to testify are asked to speak clearly, one at a time, and state your name and who you represent. You are also asked to sign in at the podium, which I saw somebody already did.

If you plan to speak during tonight's public hearing as a petitioner or as a member of the public, please stand now, raise your right hand, and repeat after me.

(Witness thereupon duly sworn.)

CHAIRMAN OLSON: All right. Anybody in

Zoomland that is going to be speaking tonight?

If there is, I would ask that you do the same thing on your own. Thank you.

(No response.)

CHAIRMAN OLSON: The order for receiving testimony during the public hearing portion tonight will be as follows: There will be the petitioner presentation, then we will have people who wish to speak in favor of the proposal and then those who wish to speak in opposition of the proposal.

And with that out of the way, may I please have a motion to open the public hearing on PZC 2022-18, sign variance?

MR. VINYARD: So moved.

MR. MILLEN: Second.

 $\label{eq:chairman olson: Roll call vote on the motion, please.}$ 

MS. YOUNG: Yes. Hyett. Hyett.

MR. HYETT: Yes.

MS. YOUNG: Thank you. Millen.

MR. MILLEN: Yes.

MS. YOUNG: Olson.

CHAIRMAN OLSON: Yes.

MS. YOUNG: Vinyard.

MR. VINYARD: Yes.

MS. YOUNG: And Horaz.

MS. HORAZ: Yes.

MS. YOUNG: Thank you.

CHAIRMAN OLSON: All right. The public hearing up for discussion tonight is PZC 2022-18, Greg Groat, Correct Digital Displays,
Incorporated, petitioner, has filed an application with the United City of Yorkville, Kendall County, Illinois, requesting sign variance approval to permit a building mounted sign to be larger than the maximum permitted sign area, wider than the maximum permitted sign width, and to allow the sign to be closer than one foot from a vertical or horizontal edge of the wall to where -- to which the sign is affixed.

The real property is generally located northeast of the North Bridge Street, Route 47, and East Main Street intersection.

All right. Is the petitioner present or, Jason, are you doing the presentation? What are we doing?

 $$\operatorname{MR}.$$  ENGBERG: Greg can start, then I can fill in.

CHAIRMAN OLSON: Do you have anything to say, sir?

MR. GROAT: Yeah, I'd be happy to, I just am not exactly sure how you would like to proceed as far as --

CHAIRMAN OLSON: Pretend I don't know anything about it.

GREG GROAT,

having been first duly sworn, testified from the podium as follows:

MR. GROAT: Okay. So I was with the company for about two months when I started and spoke to the customer, and at that point I really had no frame of reference on permitting or how that process went, so ignorance is kind of my plea on that situation. I've gotten well versed over the last year and almost a half probably through a lot of learning, so it was a good lesson to have learned.

I think I stated in the material that you have that to move the sign where it was proposed to move would have made it less visible

going northbound on 47, almost impossible to see.

Understanding what the ordinance is now, hindsight being 20/20, I would have probably most definitely taken the correct precautions to make it follow the code, but I think, as many people have stated, as you see the sign now, the size of the sign, although it is large, doesn't seem preposterously large to how it's affixed on the building.

I think if it was to be moved, there would be really no other place to put the sign on the building that would really make sense, especially with that frontage and how -- the speed of vehicles going by, it would really kind of be a futile effort.

So with that being said, I do apologize, as I have before, for the oversight, it was not intentional, but I was hoping that the variance could be granted so he could keep the sign where it's at.

Really the ordinance that really hit me more was the vestibule being ten feet away from the building, whereas if it was four feet or closer to the building the entire front of the

building could have been used and it wouldn't have been an issue, so, you know, understanding that now, hindsight being 20/20, it would have been different, but -- so that's why we are requesting a variance.

CHAIRMAN OLSON: Thank you. Jason, do you have anything to add?

MR. ENGBERG: So I can either do that here or outside the public hearing. If you want me to do that here, I can.

So I can just give Staff's summary of what happened. So, yes, back in the spring Code Enforcement was out and saw the sign being changed at OMG Liquor up on Bridge Street, so, for the most part, they stopped, said, hey, you know, I don't think we've got a permit for this, we need you to come in and apply for a permit. Like was stated, it was just one of those things that happened.

So we reviewed the permit, but it was denied. It was too large per our ordinance, too wide for the wall to which it was affixed, and it was closer than one foot to the edge.

If you guys remember, about a few

years ago, we actually did a text amendment for this exact reason, it was actually a sign over on Commercial up there, that we were trying to add some proportionality clauses into the text of our zoning ordinance.

The OMG Liquor sign was originally approved prior, so it measured the whole frontage, it wasn't measuring any depth or architectural features on the building, so it was permitted in 2015.

So now that it changed, when they submitted the permit we had to deny it because that vestibule sticks out nine to ten feet, that creates a new wall, so while not drastically larger than the OMG sign, the way the text reads now in the code, it would not permit it, so they are requesting a variance to make it larger.

The maximum permitted is at the -on that wall is 20.9 square feet, they are asking
for 36 and a half; the side width, the proposed
is ten feet, the maximum should be 7.8 feet; and
it's about three -- three to nine inches from the
edge, so they are asking for that as well.

There was questions from EDC about

how we address this in the UDO, so we're working on that project still to update our codes. We have been discussing is this working for us. I know we made the text amendment, but as we're moving forward, what does the city want, what are the ideals.

I believe, as it stands now, at least in the draft, we are going to remove that one foot from the edge, because there are a lot of unique signs and things like that, can be brought up to the edge and still look nice and still, you know, give us the aesthetic look we are looking for, but, you know, still keeping with the widths, that's still in the UDO, so this would still -- even if the UDO passed, this would still require a variance request, which is what they are doing, so while the UDO might have -- if it passed the way it is drafted right now, it might be a little more lenient, but this would still not be a permitted sign, so like I said, they are requesting a variance for those special things so they can keep it where it's at. You know, we can answer any other questions in terms of the standard in the memorandum.

MS. NOBLE: Enter into the record.

MR. ENGBERG: Oh, yes. The standards for a variance, the answers on the application, we would like to have those entered into the public record.

CHAIRMAN OLSON: All right. So can you help me remember what solution we came to for Greg's sign back in the day? Because I remember we hemmed and hawed and then Krysti lowered -- came down from the heavens like an angel and offered a solution.

MR. ENGBERG: So our solution, that was an appeal of how our -- that was not a specific sign variance request, that was an appeal of the appeal process for how Krysti and I determined how the code was interpreted, right, so we had a little broader language previously, so we couldn't -- the way we had always measured signs and measured walls was one way, but it was determined that it's broad and vague, so we decided to let them keep the sign up. They won the appeal, but we would go back and change the text within the ordinance so it wouldn't be allowed in the future.

MS. NOBLE: Right. So they are legally non-conforming.

MR. ENGBERG: Correct.

CHAIRMAN OLSON: So there is standards that you the owner have to meet in order for us to grant a variance, and they are very specific, so as much as we would want to do something because we want to help business owners and we want -- we don't want any signs to have to be replaced, we don't want to waste anybody's money, you might not meet all these variance requirements.

Help my memory, is this something that we have the final say on or is it going to City Council?

MR. ENGBERG: This is not. So this will be a recommendation to City Council. If Planning and Zoning Commission recommends approval, they need a simple majority at City Council. If you guys recommend against a variance, they would need a super majority vote at City Council.

CHAIRMAN OLSON: So to make sure that's clear, right, we can say yes or no tonight. Our saying yes or no just determines how many votes

the City Council needs in order to pass it, all right?

So we'll talk about it, we'll vote it, but this is not the final say-so on it, you've got to come back to the City Council meeting where they will vote and then that will be actually who determines what's going on.

Okay. Any of you folks in Zoomland, Rich, Greg, have any questions for Jason right now?

MR. VINYARD: I have one question. What percentage of the -- what percentage of the area is taken up by the sign?

I know we discussed this because with Greg's building, when you look at -- it is measured in linear, there are three separate sections that encompass that linear, so I don't remember, did we come up with a percentage of that area?

MS. NOBLE: Yes. Go ahead, Jason.

MR. ENGBERG: Just do the math real quick. So it looks like there is 50 feet of frontage, so it probably takes up 36 square feet, yeah, so something around there, because, again,

it was originally approved, you get two square foot of sign for every one linear foot.

Typically, let's say it was a frontage, they would be allowed 100 square feet of signage on that facade. They do have some smaller sized ones, but it would be size-wise, just like why the OMG sign was allowed, it would be well under the total size.

CHAIRMAN OLSON: All right. Is there anyone present in here or Zoomland who wishes to speak in favor of the request?

(No response.)

CHAIRMAN OLSON: Is there anyone that wishes to speak in opposition of the request?

(No response.)

CHAIRMAN OLSON: All right. Seeing as there are none -- Oh. Go ahead, Greg.

MR. MILLEN: We want to go on the record. I think we put up that sign up fast for the variance, you know, so we went through the process, and then that's when we were here before for the sign, if you remember that.

MS. NOBLE: Okay.

MR. MILLEN: Also, she's left, I just

want to bring this up, she lives right across the street from this establishment.

CHAIRMAN OLSON: Sue you mean?

MR. MILLEN: Yeah.

CHAIRMAN OLSON: Yeah.

MR. MILLEN: And she said oh, the sign is already up, I don't think it's offensive or -- I think that's a good indication. I think the sign also -- as two-time Chamber president, business owners, now 20, 30 years, I don't think it's that out-of-line either, but again, again, that's my opinion as a business owner and -- as far as that perspective, from business, and be fair.

CHAIRMAN OLSON: That is a good perspective. Okay. Thank you, Greg. Since all public testimony regarding this petition has been taken, may I have a motion, please, to close the taking of testimony at this public hearing?

MR. VINYARD: So moved.

MR. MILLEN: Second.

CHAIRMAN OLSON: Roll call vote on the motion, please.

MS. YOUNG: Yes. Millen.

## Memorandum

To: Economic Development Committee From: Jason Engberg, Senior Planner CC: Bart Olson, City Administrator

Krysti J. Barksdale-Noble, Community Development Director

Date: November 30, 2022

Subject: PZC 2022-22 Bowman Subdivision (Final Plat)

#### **Summary:**

The petitioner, Tom Bowman, is seeking final plat approval to subdivide an approximately 2-acre vacant parcel into 2 single-family lots at the southwest corner of E Van Emmon Street and Timber Oak Lane. The property is currently zoned R-1 Single-Family Suburban Residential District and the new parcels will meet all bulk regulations for that district. Due to the unique landscaping, topography, and floodplain of the property, the petitioner will be planning on building smaller footprint dwellings on the lots that will preserve a majority of the existing natural environment.

#### **Property Background:**

The subject property is located at the southwest corner of E Van Emmon Street and Timber Oak Lane (Formerly Benjamin Street) and is directly north of the former Kendallwood Estates Development which is now titled Timber Ridge Estates.

#### **Bowman Subdivision Location Map**

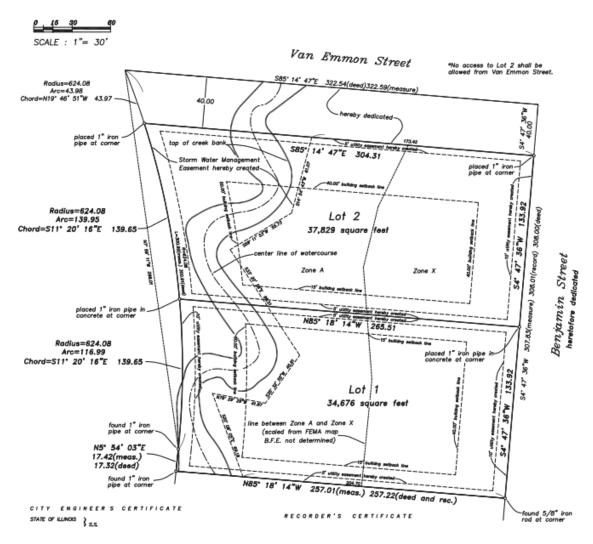

United City of Yorkville, Illinois October 26, 2022

This parcel was originally part of the River Oaks Development Agreement (Ord. 2010-27) which contained a conceptual plan to be a multi-use building containing offices, personal services, and loft apartments. The Agreement also rezoned the property from R-1 One Family Residence District to B-2 General Business District. A term of 5 years for development was established at the time the agreement was adopted in 2010 which means it expired in 2015. Since the agreement expired, the parcel is now subject to all current zoning regulations and is no longer required to follow the conceptual plan. However, the B-2 District zoning remained in place and the previous property owners requested to rezone it back to the R-1 District in 2019. This was approved (Ord. 2019-38) and the property is now zoned R-1 Single-Family Suburban Residential District.

#### **Proposed Request:**

The proposed Final Plat of Subdivision – Bowman Subdivision was prepared by Norman J. Toberman and Associates, date last revised November 28, 2022, illustrates the proposed 2 single-family lots, as seen below:

Originally, the petitioner was seeking to subdivide this parcel into 3 lots but was unable to do so since the northern property line extends to the center of E Van Emmon Street. The City's Standards for Specifications require that any property line within the public right-of-way must be dedicated to the City up final plat. The petitioner was also originally seeking a variance for the lot width of one of the parcels since it would be less than the required one-hundred-foot (100') maximum. Since the petitioner is now only creating two (2) lots, the variance is no longer required.

#### **Staff Comments:**

The proposed Final Plat of Bowman Subdivision has been reviewed by City staff and the City's engineering consultant, Engineering Enterprises Inc. (EEI), for compliance with the Subdivision Control Ordinance's Standards for Specification. The revised plans are still under review by EEI as the petitioner addressed many of the comments made from the November 10<sup>th</sup> Plan Council and also reduced the total number of parcels from three (3) to two (2). Prior to approval, the petitioner will need to meet all requirements and recommendations from staff and EEI.

Staff supports the approval of the final plat. The parcels meet all of the required bulk regulations for a R-1 District zoned property and all setbacks are illustrated on the final plat. Additionally, staff has discussed all standard zoning requirements with the petitioner and have furnished them with the building permit fees for the potential residential dwellings.

#### **Proposed Motion:**

In consideration of the proposed Final Plat of Subdivision for Bowman Subdivision, the Planning and Zoning Commission recommends approval of the plat to the City Council as prepared by Norman J. Toberman and Associates date last revised November 28, 2022 subject to all future comments made by Engineering Enterprise Incorporated and further subject to {insert any additional conditions of the Planning and Zoning Commission}...

#### FINANCIALLY RESPONSIBLE PARTY:

to the address provided when the account was established.

I acknowledge and understand that as the Financially Responsible Party, expenses may exceed the estimated initial deposit and, when requested by the United City of Yorkville, I will provide additional funds to maintain the required account balance. Further, the sale or other disposition of the property does not relieve the individual or Company/Corporation of their obligation to maintain a positive balance in the fund account, unless the United City of Yorkville approves a Change of Responsible Party and transfer of funds. Should the account go into deficit, all City work may stop until the requested replenishment deposit is received.

## UNITED CITY OF YORKVILLE PLAN COUNCIL

Thursday, November 10, 2022 9:00am Yorkville City Hall, Council Chambers 800 Game Farm Road, Yorkville, Il

**Note**: In accordance with Public Act 101-0640 and Gubernatorial Disaster Proclamation issued by Governor Pritzker pursuant to the powers vested in the Governor under the Illinois Emergency Management Act, remote attendance was allowed for this meeting to encourage social distancing due to the current Covid-19 pandemic.

#### **IN ATTENDANCE:**

Krysti Barksdale Noble, Community Development Director, City of Yorkville/electronic attendance Jason Engberg, Senior Planner, City of Yorkville/in-person attendance Brad Sanderson, Engineer for City of Yorkville/EEI/electronic attendance Tom Bowman, T.A. Bowman Constructors/TBK Properties/in-person attendance Jake Victor, Northpointe Development/electronic attendance Mike Belke, T.A. Bowman Constructors/electronic attendance Dave Toberman/electronic attendance

Mr. Engberg called the meeting to order at 9:00am.

## 1. Minutes for Approval: July 14, 2022 The minutes were approved as presented

The minutes were approved as presented.

## 2. PZC 2022-22 Bowman Subdivision – Final Plat of Subdivision, Variance Request All meeting attendees introduced themselves.

Mr. Engberg began the discussion and said Mr. Bowman is dividing his property into 3 parcels. Measurements had been provided and Mr. Bowman was also asked to show the rear setback line.

<u>Bulk Regulations and Building Height</u>: Mr. Engberg said in the R-1 district, the maximum height is 30 feet or a maximum of 2.5 stories, but a variance may be requested. Mr. Bowman said the property is severely sloped and they will use a 2.5 story walkout on the street side. The unit on lot 3 is on a corner and they would do a walkout to stay under 3 stories. Sidewalks are required from the developer.

Lot Size: The minimum lot size is 1,800 square feet.

<u>Lot Coverage</u>: Maximum is 50% and the developer is planning on a small footprint, while saving landscaping/vegetation.

<u>Lot Width</u>: The width is 100 feet and 97 feet is the maximum resulting in a 3% reduction in the lot width and request for a variance. This will be decided at a Public Hearing at PZC and the final plat will

go to City Council. Mr. Bowman added that there is a 30 foot tall retaining wall on the south edge that is 97 foot and that wall is more than 3 foot away from lot line essentially giving 100 feet. That point will be brought up at EDC and PZC.

<u>Plat Requirement:</u> More info is needed on the plat of subdivision.

<u>Building Permit Fees:</u> A fee sheet had been given to Mr. Bowman and Ms. Noble noted a correction that there is no county road fee. She said surrounding communities would have to adopt before the fee is put into place.

<u>Landscaping:</u> Ms. Noble said the submittal must be done before a building permit is issued. It must address parkway trees and she explained other tree requirements Mr. Bowman noted the property is already heavily wooded.

#### Other Discussion:

Mr. Sanderson said their surveyor can be contacted to obtain the necessary certificates. The right-of-way requirements along Van Emmon were discussed and Mr. Bowman asked for some clarification on the measurements and uses of the right-of-way. Mr. Bowman noted that the measurement explanations will radically change their plans. Mr. Bowman and the surveyor will discuss this prior to moving this plan forward to other city committees. Mr. Engberg noted that Mr. Bowman can either re-subdivide or rezone the property to R-2 instead of doing the variance process. A Public Hearing will still be required. Due to a poor Zoom connection, Mr. Bowman and Mr. Sanderson will meet separately and a decision will be made on a variance or rezoning.

Mr. Bowman briefly touched on the sanitary system and said they were planning on connecting to the manhole on Van Emmon and noted that a grinder pump will need to be in the manhole due to grades and nearby culverts. Mr. Sanderson asked that a sketch be sent to him.

Mr. Engberg said the subdivision to the south, Kendallwood Estates, has been re-named Timber Ridge Estates. Consequently, all street names have been changed as well.

A summary will be provided by Mr. Engberg after the meeting.

#### 3. PZC 2022-23 Northpointe Development – Rezoning and Variance Request

This is a rezoning and variance request. Mr. Engberg said staff has received the application with site plan, elevations, trip generations etc. There are 45 condo units and the developer is seeking to rezone from B-3 to R-4 and seeking a variance to increase maximum density in the R-4 district from 8 to 13 dwelling units per acre.

<u>Bulk Regulations:</u> Staff requested setbacks be shown on the site plan. Ms. Noble said that the entrance must face a public road which is either Rt. 34 or Sycamore and she recommended the front entrance be on Sycamore.

<u>Building Height:</u> In R-4 zoning, the height limit is 3 story/40 feet for dwelling units. Staff asked that the overall height of the building be noted on the documents.

<u>Lot Coverage</u>: In R-4 zoning, lot coverage is 70% and staff said the plan looked fine, but they asked the developer to include an impervious cover table.

<u>Density:</u> The petitioner is requesting a variance for density. They currently have 8 dwelling units per acre which is about 27 units, but are requesting 45 units or 13 dwelling units per acre. Mr. Engberg noted this is similar to St. Anthony's Place approved in 2016 and staff has no objection at this time. He noted the city is doing a Unified Development Ordinance project which may modify the regulations.

<u>Land Use:</u> The Comp Plan calls for neighborhood retail. The developer is looking for more dense residential so it conflicts with the Plan. However, an October public meeting and community project indicates a need for senior living with amenities nearby. This location is a very good spot that aligns with the meeting views.

<u>Parking</u>: The plan shows 93 spaces which meets the requirements of 2 per unit. Mr. Engberg said this could be considered elderly housing depending on the age requirements or restrictions. He said elderly housing is not defined in the code at the moment. He noted that Fox Hill residents will likely question the amount of traffic to be generated.

<u>Signage</u>: The maximum monument sign size is 32 sq. ft. If a larger sign is desired, the sign variance process may be used, but Mr. Victor noted the sign will meet the code.

<u>Appearance Code</u>: The elevations submitted are fine, but the amount of masonry and siding will require calculations to show the developer meets the code.

<u>Stormwater Detention</u>: No detention is shown on the site plan, however, Mr. Sanderson said the detention to the southeast is adequate for this site.

Refuse Container: The zoning code requires screening on all 4 sides with opaque fence on the 3<sup>rd</sup> side.

#### Comments from Ms. Barksdale-Noble:

Regarding circulation, all the aisle widths and stall lengths need to be shown.

<u>Building Elevations</u>: Staff may ask for material samples or for detail to be shown on the architectural elevations.

Lighting: A photometric plan and landscape plan will be needed.

<u>Economic Incentive Request:</u> If the developer is seeking a city rental assistance program, the developer will contact Ms. Noble.

This moves forward to EDC in December and a public meeting will also be held in December. It will not go to Public Hearing until June or July. Information about this project will also be placed on the city website.

There was no further business and the meeting adjourned at 9:47am.

Minutes respectfully transcribed by Marlys Young, Minute Taker/in-person attendance

#### Ordinance No. 2010- 27

AN ORDINANCE OF THE UNITED CITY OF YORKVILLE, KENDALL COUNTY, ILLINOIS, REAPPROVING A DEVELOPMENT AGREEMENT WITH AND APPROVING A REZONING TO B-2 GENERAL BUSINESS DISTRICT FOR RIVER OAKS PROPERTY DEVELOPMENT, LLC

**WHEREAS**, the United City of Yorkville (the "City") is a duly organized and validly existing non-home-rule municipality created in accordance with Article VII, Section 7 of the Constitution of the State of Illinois of 1970; and,

**WHEREAS**, River Oaks Property Development, LLC is the developer (the "*Developer*") of property located near and adjacent to 344 Van Emmon Road, Yorkville, Illinois, consisting of approximately 3.473 acres (the "*Subject Property*"); and,

WHEREAS, the City originally approved a Development Agreement with the Developer on February 22, 2005, by Ordinance No. 2005-16, however, the Developer never executed the Development Agreement; and,

WHEREAS, the Developer now desires to execute the Development Agreement and provide all necessary documentation to move forward with the development of the Subject Property; and,

WHEREAS, as part of the Development Agreement, the Developer seeks a rezoning of the Subject Property from R-1 One Family Residence District to B-2 General Business District; and,

WHEREAS, the Plan Commission of the City held a public hearing on the rezoning of the Subject Property on January 12, 2005, made the necessary findings pursuant to the City Code of Ordinances, and recommended the rezoning of the Subject Property to B-2 General Business District; and,

WHEREAS, the Mayor and City Council (the "Corporate Authorities") have determined it is in the best interests of the City and the health, safety, morals, and welfare of its residents that the City reapprove the Development Agreement with a new date of June 8, 2010, and rezone the Subject Property to B-2 General Business District.

**NOW, THEREFORE, BE IT ORDAINED** by the Mayor and City Council of the United City of Yorkville, Kendall County, Illinois, as follows:

- **Section 1.** The above recitals are incorporated and made a part of this Ordinance.
- **Section 2.** The Corporate Authorities hereby reapprove the Development Agreement, as attached, with a new date of June 8, 2010, and approve the rezoning of the Subject Property from R-1 One Family Residence District to B-2 General Business District; and, the Mayor and City Clerk are hereby authorized to execute and deliver said Development Agreement.
- **Section 3.** This Ordinance shall be in full force and effect upon its passage, approval, and publication as provided by law.

Passed by the City Council of the Uniday of, A.D. 2	ited City of Yorkville, Kendall County, Illinois this010.

## DEVELOPMENT AGREEMENT FOR

#### RIVER OAKS PROPERTY DEVELOPMENT, LLC

Prepared by & Return to: John Justin Wyeth City Attorney United City of Yorkville 800 Game Farm Road Yorkville, IL 60560 630.553.4350

#### **DEVELOPMENT AGREEMENT**

This Development Agreement, he	reinafter referred as to "Agreement", is made
and entered into this day of	, 2005, by and between, <i>RIVER</i>
OAKS PROPERTY DEVELOPMENT,	LLC, hereinafter referred to as
"OWNER/DEVELOPER", and the United	ed City of Yorkville, Illinois, a Municipal
Corporation, hereinafter referred to as "C	CITY". The OWNER/DEVELOPER and the
CITY may hereinafter be referred to as the	

#### **WITNESSETH**

WHEREAS, the OWNER/DEVELOPER is an Illinois Limited Liability Corporation and the Owner of certain real property, hereinafter referred to as "Property", located in the CITY and legally described as set forth in Exhibit "A" attached hereto and incorporated by references as if more fully set forth; and

WHEREAS, the Property is generally located near and adjacent to 344 Van Emmon Road across the street from the baseball field and is currently unimproved and heavily wooded property. The Property is currently zoned R-1 One Family Residence District and consists of approximately 3.473 acres; and

WHEREAS, the OWNER/DEVELOPER seeks rezoning to B-2 General Business District; and

WHEREAS, the CITY has determined that the terms and conditions set forth herein will serve a public use and will promote the health, safety, prosperity, security, and general welfare of the inhabitants and taxpayers of the CITY; and

WHEREAS, the OWNER/DEVELOPER has informed the CITY that it intends develop the property as Office and Specialty Retail uses as generally permitted by the City's B-2 zoning, but as modified and restricted per this agreement; and

WHEREAS, the OWNER/DEVELOPER, its vendors, grantees, assigns, successors, trustees, and all others holding any interest now or in the future, agree and enter into this contract, which shall operate as a covenant running with the land and be binding upon any developer and its representatives, and future owners of the land;

NOW, THEREFORE, the CITY and the OWNER/DEVELOPER, in consideration of the mutual covenants and agreements contained herein, do mutually agree as follows:

#### **ARTICLE I**

#### GENERAL COMPLIANCE WITH ORDINANCES

OWNER/DEVELOPER hereby agrees to comply with all CITY ordinances, and this Agreement shall alter said ordinances only as specifically set forth herein. Where the ordinances of the CITY conflict with the provisions herein, this Agreement shall control.

#### **ARTICLE II**

#### PROPERTY DEVELOPMENT

The Development of the Property shall be generally pursuant to the Conceptual Plans attached hereto and incorporated herein as Exhibit "B".

That the development of the subject real property described in the attached Exhibit "A" shall be subject to approval of all Ordinances of the CITY; Site Plan approval, engineering consultant approval by CITY staff or outside review engineering as elected by the CITY and Site Plan approval by the City Council in conformance with the United City of Yorkville Zoning Ordinance Subdivision Control Ordinance, City Reimbursement of Consultants and of Review Fees Ordinances, Municipal Building Fee, Weather Warning Siren Fee, City Land-Cash Ordinance, and City Development Fee Ordinance, payable at the time of Site Plan approval, which have been voluntarily contracted to between the parties and agreed to by OWNER/DEVELOPER.

OWNER/DEVELOPER agree that the Final Site Plan shall comply with all requirements as set out in the United City of Yorkville Zoning Ordinance and Subdivision Control Ordinance at the time of execution of this Agreement, unless provided for differently in this Agreement. No change in the United City of Yorkville Zoning Ordinance, Subdivision Control Ordinance, City Reimbursement of Consultants and of Review Fees Ordinance, and City Development Fee, which have been enacted subsequent to the execution of this Agreement shall alter the lot sizes, setbacks, performance standards, or other standards or requirements for this Development except as provided for in those Ordinances in effect at the time of execution of this Agreement. OWNER/DEVELOPER, however, will be bound by changes in building codes, building material changes and the like that may be enacted by the CITY, so long as the same are applied in a nondiscriminatory manner throughout the CITY. The City agrees that should the United City of Yorkville revise, alter or otherwise modify the parking requirements contained in its Zoning Ordinance to provide for a reduction from the standard as of the date of this Agreement, the City will allow the OWNER/DEVELOPER to comply with reduced standard.

<u>Utilities and Public Improvements</u>. That On-Site infrastructure construction and engineering shall be governed by the standards contained in the Yorkville Subdivision Control Ordinance and other applicable Ordinances unless specifically addressed in the

following, in which case this Agreement shall control. Roadway right-of-ways, widths of streets, and roadway construction standards shall comply with the requirements as set out on the approved Site Plan.

All ordinances, regulations, and codes of the CITY, including, without limitation those pertaining to subdivision controls, zoning, storm water management and drainage, building requirements, official plan, and related restrictions, as they presently exist, except as amended, varied, or modified by the terms of this Agreement, shall apply to the Subject Property and its development for a period of five (5) years from the date of this Agreement except to the extent this would affect the United City of Yorkville ISO Insurance Policy in which case said changes would be applicable to OWNER/DEVELOPER 90 days after passage by the City Council, so long as said changes are applied uniformly throughout the City. Any Agreements, repeal, or additional regulations which are subsequently enacted by the CITY shall not be applied to the development of the Subject Property except upon the written consent of DEVELOPER during said five (5) year period. After said five (5) year period, the Subject Property and its development will be subject to all ordinances, regulations, and codes of the CITY in existence on or adopted after the expiration of said five (5) year period, provided, however, that the application of any such ordinance, regulation or code shall not result in a reduction in the number of residential building lots herein approved for the Subject Property, alter or eliminate any of the ordinance variations provided for herein, nor result in any subdivided lot or structure constructed within the Subject Property being classified as non-conforming under any ordinance of the CITY. The foregoing to the contrary notwithstanding, in the event the CITY is required to modify, amend or enact any ordinance or regulation and to apply the same to the Subject Property pursuant to the express and specific mandate of any superior governmental authority, such ordinance or regulation shall apply to the Subject Property and be complied with by OWNER/DEVELOPER, provided, however, that any so called "grandfather" provision contained in such superior governmental mandate which would serve to exempt or delay implementation against the Subject Property shall be given full force and effect.

#### **ARTICLE III**

#### SPECIAL PROVISIONS

ZONING: Since the OWNER/DEVELOPER intends to develop the property as office with specialty real estate and potential loft apartments, all B-1 zoning shall apply, and the following B-2 zoning uses shall apply (but no other B-2 Uses shall be allowed): "All permitted uses in the and B-1 Districts, Art Gallery – art studio sales, Art supply store, Picture frame store, Watch and clock sales and repair, Weaving and mending – custom, interior decorating studio."

No B-2 Special Use shall be allowed, except to the extent that "Apartments, single-family, located in business buildings" are allowed under the B-1 General Business District.

#### ACCESS AGREEMENT OVER DRIVEWAY TO ADJOINING PROPERTY:

OWNER/DEVELOPER shall obtain an agreement for cross access and ingress and egress on, over and across the existing driveway separating the two lots comprising the property. Said agreement shall be approved by City Zoning and Engineering staff and shall then be recorded as a permanent right of use on the property.

#### ACCESS FROM VAN EMMON ROAD

The Project consisting of two platted lots shall share a common entrance from Van Emmon Road, and shall be limited to this single point of access from Van Emmon Road.

#### **BUILDING HEIGHT**

OWNER/DEVELOPER agrees that no building on the property shall exceed 35' (thirty five feet) in height as measured by current building codes. Said measurement shall not include the walk out basement.

#### **ARTICLE IV**

#### **EFFECTIVE DATE**

The effective date of this Agreement shall be the date this Agreement approved and executed by the OWNER/DEVELOPER and CITY.

#### ARTICLE V

#### MISCELLANEOUS PROVISIONS

This Agreement shall be binding upon and inure to the benefit of the A. parties hereto, their successors in interest, assignees, lessees, and upon any successor municipal authorities of the CITY and successor municipalities and shall be enforceable according to its terms and conditions under the laws of the State of Illinois. Except as otherwise expressly provided herein, upon the conveyance or assignment by OWNER/DEVELOPER to new Owner or Developer of its interest in the Property to any successor, assign, or nominee, Owner or Developer, as the case may be, shall be released from any and all further liability or responsibility under this Ordinance or Agreement except to the extent previously undertaken by OWNER/DEVELOPER, or for which OWNER/DEVELOPER has posted security to perform an obligation in which case OWNER/DEVELOPER shall be bound to continue to complete its performance unless a replacement bond or letter of credit is posted by the new Owner or Developer, and accepted by the CITY which shall not be unreasonably withheld. In such event the original OWNER/DEVELOPER shall be released from the underlying obligation to perform. The CITY shall thereafter look only to the successor, assign, or nominee of OWNER/DEVELOPER concerning the performance of such duties and

- obligations of OWNER and such DEVELOPER hereby undertaken.
- B. The various parts, sections, and clauses of this Agreement are hereby declared to be severable. If any part, sentence, paragraph, section, or clause is adjudged unconstitutional or invalid by a Court of competent jurisdiction, the remainder of the Agreement shall not be affected thereby.
- C. All notices provided for herein shall be in writing and shall be deemed effective when personally delivered or three days after such notices have been mailed be certified or registered mail, postage-prepaid, return receipt requested, to the Parties at the addresses given below or at such other address as may be specified by written notice.

Buhrmaster by a Quit Claim Deed recorded on December 23, 1983 as Document 83-5890 for a point of beginning; thence North 82° 54' 15" West 291.36 feet; thence North 07° 05' 45" East 326.86 feet to a point on the center line of Van Emmon Road; thence South 82° 54' 15" East along said center line of Van Emmon Road 161.94 feet; thence South 10° 27' 25" West 202.20 feet; thence South 76° 52' 34" East 130.50 feet to said East line; thence South 01° 11' 52" West along said East line 111.89 feet to the point of beginning in the United City of Yorkville, Kendall County, Illinois.

## Memorandum

To: Planning and Zoning Commission From: Jason Engberg, Senior Planner CC: Bart Olson, City Administrator

Krysti Barksdale-Noble, Community Development Director

Date: December 7, 2022

Subject: Planning and Zoning Commission Meeting Schedule for 2023

#### Summary

Proposed 2023 meeting schedule for the Planning and Zoning Commission.

#### **Meeting Schedule for 2023**

For 2023, if the Planning and Zoning Commission would like to continue meeting the second Wednesday of the month at 7:00 p.m., the proposed meeting dates would be as follows:

- January 11, 2023
- February 8, 2023
- March 8, 2023
- April 12, 2023
- May 10, 2023
- June 14, 2023
- July 12, 2023
- August 9, 2023
- September 13, 2023
- October 11, 2023
- November 8, 2023
- December 13, 2023

#### Recommendation

Staff recommends review of the proposed meeting dates and time so that a meeting schedule can be finalized for 2023.
