Community Information

Facebook Post (03/04/23): Today Yorkville PD along with family and friends participated in the Polar Plunge for Special Olympics IL. We are happy to report we have raised \$6,175 through these efforts! First, we would like to thank the Brummel family and Go For It Sports Dome for hosting the event. We would also like to thank Bristol Kendall Fire Department, The Knights of Columbus, and Grand Rental Station. We hope you enjoy the photos we captured today.

Facebook Post (03/09/23): The Yorkville Police Department is currently investigating burglaries to motor vehicles which occurred overnight in the Kylan's Ridge neighborhood. There is an individual in police custody and proceeds have been recovered. If you were a victim or have information to report, please contact the Yorkville Police Department at 630-553-4340.

Facebook Post (03/18/23): It was a cold and windy morning, but we made it through. Happy St. Patrick's Day weekend. Thank you to all who braved the elements. Kudos to the Parks and Recreation staff for planning, organizing and running the event. Let the special event season begin. Looking forward to seeing everyone this spring and summer!

Facebook Post (03/19/23): On March 19, 2023 at approximately 4:18p.m the Yorkville Police Department was dispatched to the area of Rt. 47 North of Galena Road for a multi-vehicle crash involving four (4) vehicles. It was reported that there were major injuries in this crash and that multiple vehicles were in a creek submerged.

Upon Officer arrival it was learned that this crash involved four (4) separate vehicles. The driver of Unit 1 vehicle, Jose Montenegro-Garcia (44yoa) of Aurora, Illinois was traveling Northbound on Rt. 47 when he crossed the center line and sideswiped two vehicles. Unit 1 then struck the fourth vehicle (Unit 4) head-on. All four vehicles ended up in the Rob Roy Creek which runs parallel with Rt. 47. The water level in the creek was very low, no vehicles were submerged and there was no entrapment. Involved parties reported attempting to avoid being struck by Unit 1 by veering off the roadway in the direction of the creek. Investigating officers rendered aid and were assisted by Bristol Kendall Ambulance. Four (4) people were transported to Rush Copley Hospital with minor injuries and two additional people were released on scene.

The driver of Unit 1, Jose Montenegro-Garcia, who was transported to the hospital for minor injuries, was subsequently charged with Driving Under the Influence of Alcohol. Upon his release from the hospital, he was transported to the Kendall County Sheriff's Office for booking.

Charges are not proof of guilt. The defendant listed in this release is presumed innocent and is entitled to a fair trial, at which it is the burden of the State to prove guilt beyond a reasonable doubt.

Facebook Post (03/23/23): *SCAM ALERT*****

Senior scams are on the rise. While the one I am going to describe is not a new scam it just occurred to one of our residents and almost cost him \$10,000. Here are the details. Our senior victim received a call from someone who identified himself as his grandson. The caller knew the grandsons name and according to our victim sounded just like his grandson. The caller was crying and was distraught saying that he was involved in a crash in Detroit MI and that he was arrested

and needed \$10,000 to bond out of jail. The caller said he would pay him back and asked that they not call his parents. Because the caller sounded like the grandson and goes to college in MI our victim believed the caller. While the victim was at the bank he received a call from his wife saying that this was a scam and that she had just spoken to their grandson.

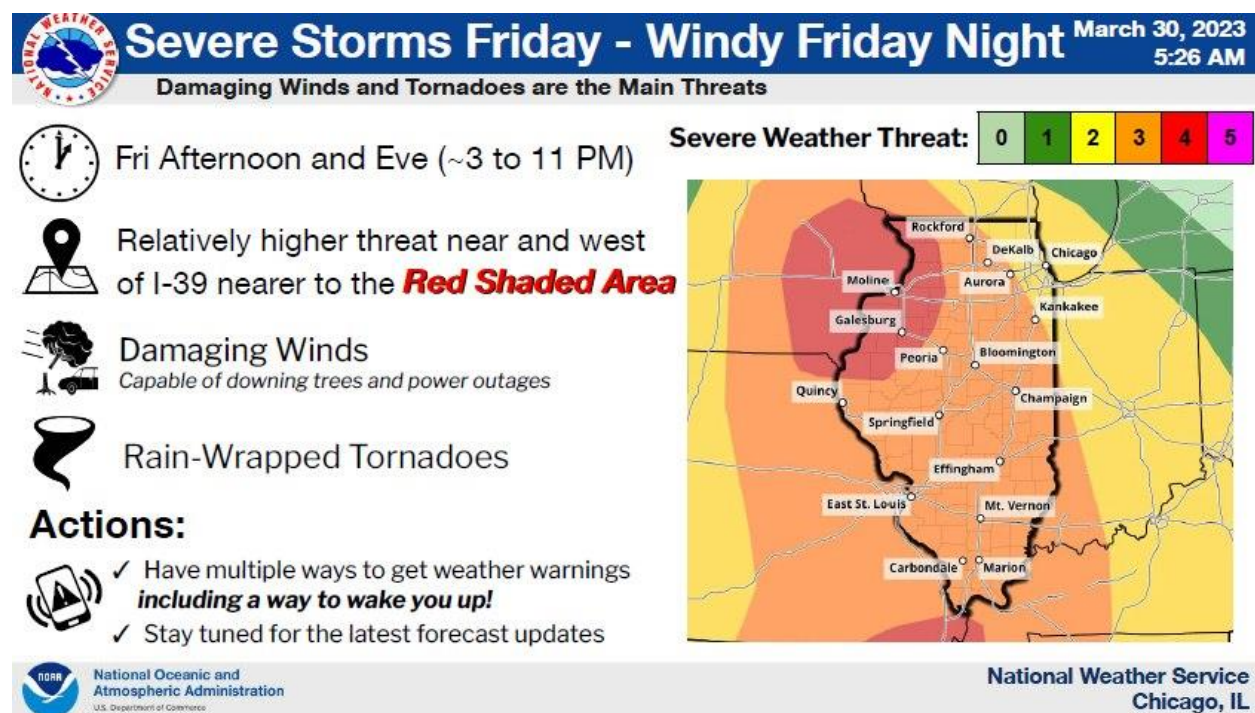

Unfortunately, this type of scam happens more than you think and good hearted people who want to help are victimized. These types of scams play on emotion that is why they work. If you receive a call similar to this or a call where people are asking you to send money, verify first. If you have a difficult time verifying call YPD and let us help

Facebook Post (03/29/23): *SCAM ALERT - Windett Ridge Subdivision*****

Yesterday, an unknown male, claiming to work for Sunrun Solar Company, came to the door of our victim. After a brief conversation with the victim the suspect advised he would be back at the residence around 6:30p.m. Instead, the suspect showed up at 2p.m when no one was home. It was later determined that the phone number and email provided to the victim for Sunrun Solar was fictitious.

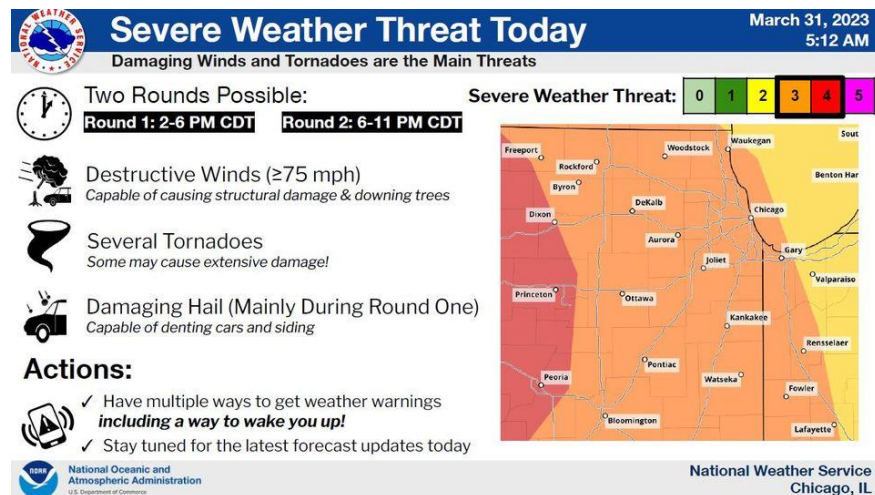

This time of year, solicitors are out in force. While most are registered and are good companies, some are not. REMEMBER: EVERY solicitor must register with our City where a fingerprint background check is completed. Once approved, EVERY solicitor is issued a certificate which shall be carried and DISPLAYED at all times while soliciting. If someone comes to your day selling a product or service, ask them to see their certificate. If they do not have one, refuse to show you one or show you a certificate from another community beware of doing business with them. Please call YPD and let us help. Don't become a victim!

Facebook Post (03/30/23): Looks like severe thunderstorms may hit our area according to the National Weather Service. We will continue to monitor and send out updates.

Facebook Post (03/31/23): *SEVERE WEATHER THREAT TODAY*****

Below is the latest from the National Weather Service regarding the severe weather threat today. If the weather hits please stay safe.
