COMMUNITY POLICING INITIATIVES

Community Information

Facebook Post (9/1/23): This afternoon at approximately 3:05pm the Yorkville Police Department was dispatched to the 2200 block of Lavender Way regarding a domestic issue. As officer's were investigating this call we were advised that one party was allegedly in possession of a weapon. Multiple police agencies responded to secure the area and out of an abundance of caution, Autumn Creek Elementary School. Officers on scene were able to assure a safe on time dismissal of the school day as well as the safety of those in the neighborhood. Officer's have cleared the scene, there is no threat to the community.

Facebook Post (9/7/23): Our hearts are heavy as Assistant Chief Fairfield passed away. His devotion and public service to this community will be forever appreciated. Please keep the BKFD family and the Fairfield family in your thoughts and prayers.

Facebook Post (9/11/23): Inspection crews will be conducting a physical survey of the Yorkville-Bristol Sanitary District sanitary sewer system in your area. Workers will be accessing manholes to “SMOKE TEST” sewers and locate defects in the system. The smoke is NON-TOXIC, HARMLESS AND CREATES NO FIRE HAZARD.

The smoke should not enter your home unless you have defective plumbing or dried up drain traps. Pour 1 gallon of water down all floor drains and any rarely used sinks/ tubs/ toilets to ensure a water barrier is maintained in the drain traps. The drain trap water barrier is there to prevent sewer gases or odors from entering the building. If the drain trap water barrier is present and smoke does enter your home, the potential exists for sewer gases to also enter your home and you should consult a licensed plumber to fix the problem.

Some sewer lines and manholes may be located in backyards. Whenever these lines require investigation, members of the inspection crews will need access to the sewer lines and manholes. These crews are RJN Group personnel and will be identified with uniforms and badges. Homeowners do not need to be home and FIELD CREWS ARE NOT REQUIRED TO ENTER YOUR BUSINESS OR RESIDENCE.

If smoke enters your home, and the field crew is still on your street, please contact a member of the crew or the RJN Field Crew Leader at (630) 272-5461.

We anticipate the smoke testing will require a few days in your area. Your cooperation is appreciated. The information gained from this study will be used to improve the sewer system in keeping with state and federal regulations. Please call if you have any questions about respiratory concerns or the smoke testing process, RJN staff will be happy to help you.

Facebook Post (9/11/23): “Heroes are ordinary people who make extraordinary choices in challenging moments.” – Susan J. Helms - May we never forget.

Facebook Post (9/20/23): Earlier today the Yorkville Police Department received a report from a community member of a suspicious person walking in the opposite direction of Circle Center Grade School with what appeared to be a BB gun. Officers flooded the area and could not substantiate the report. Out of an abundance of caution Officers and the Yorkville School District Security Team will remain in the area and on campus for the remainder of the day.

Facebook Post (9/20/23): Today at approximately 10:15 a.m., the U.S. Marshall's office, in consultation with the Yorkville Police Department, advised Yorkville School District to place Circle Center Grade School and Yorkville Intermediate School on a soft lockdown to conduct an investigation in the surrounding area. Both schools were placed in a brief soft lockdown for approximately 15 minutes. At no time were students or staff in danger, this was done out of an abundance of caution. Yorkville Police Department personnel were in the area of both schools

during this investigation. For the remainder of the school day Yorkville Police Department personnel and District Security team personnel will be present in the area. While there is no threat to the public or school we felt that our presence would help alleviate any concern people would have. This incident is not related to the previously communicated incident that occurred earlier in the morning.

Facebook Post (9/23/23): Recently, the Yorkville Police Department has been receiving several calls regarding possible fraud. A man identifies himself on the phone as a Kendall County Sheriff's Deputy and advises that you missed Jury Duty or Grand Jury. If you return a phone call, the voicemail states that you have reached the office of this deputy at the Kendall County Sheriff's Office. It has been determined that these phone calls ARE NOT LEGITIMATE. If you receive a call similar to this, do not provide anyone with your personal information. If you have any doubts, contact your local police department with any questions. Thank you.

Facebook Post (9/26/23): This morning at approximately 9:45am, the [Yorkville Police Department](#) was dispatched to a business in the 1400 block of N. Bridge St. where an individual was having a medical emergency. Life saving techniques were performed by Police and Fire personnel. The individual was transported to an area hospital for further treatment.

Facebook Post (9/26/23): ***News Release***

On May 12th 2023 at approximately 4:42 P.M., the Yorkville Police Department was contacted by Yorkville School District 115 to report allegations of inappropriate conduct by a male Septran employee. Yorkville CUSD 115 also alerted Septran of the allegations who immediately removed the employee from service for the duration of the investigation. The male was later identified as Ronald G. Krajec Jr. (55yoa, 24000 block W. Greenberg Ct., Naperville, Illinois). It was reported that Krajec had been inappropriately touching students as they boarded the bus.

After an extensive investigation consisting of in-person interviews and review of the camera footage from the bus, it was discovered that between the dates of April 18th and May 11th, 2023, Krajec had inappropriately made physical contact of varying levels with multiple students.

On September 25th, 2023, an arrest warrant was issued for Krajec for two (2) counts of Aggravated Criminal Sexual Abuse (Class 2 Felony) and five (5) counts of Aggravated Battery (Class 3 Felony).

On September 26th, 2023 at 8:31 A.M., Yorkville Police Department arrested Krajec at his residence and transported to the Kendall County Jail. The Yorkville Police Department was assisted in this investigation by the Yorkville CUSD 115, Kendall County State's Attorney's Office, and Septran staff.

Charges are not proof of guilt. The defendant listed in this release is presumed innocent and is entitled to a fair trial, at which it is the burden of the State to prove guilt beyond a reasonable doubt.

This release prepared jointly by Yorkville Police Department and Yorkville CUSD 115.

DETECTIVE SQUAD

On 09/22/2023, the Investigations Unit was able to secure an arrest warrant for Ronald Krajec of Naperville, Illinois, for 2 counts of Aggravated Criminal Sexual Abuse (class 2 felony) and 5 counts of Aggravated Battery (class 3 felony). These charges stemmed from an incident that was reported to the Yorkville Police Department in May of 2023. Krajec, at that time, had been a bus driver for area schools and was accused of engaging in inappropriate touching of children while on his bus. Krajec was removed from employment and an investigation was initiated. During that investigation, video footage from the bus was reviewed and additional victims were identified. Interviews were conducted with all victims and their families. On 09/26/2023, Krajec was taken into custody at his residence and transported to the Kendall County Sheriff's Office.

On 09/21/2023, the Investigations Unit was able to secure an additional arrest warrant for Andrew Pusateri of Elk Grove Village, Illinois, for 3 counts of Aggravated Criminal Sexual Abuse (class 2 felony) and 1 count of Unauthorized Video Recording and Live Video Transmission (class 4 felony). These charges came after an additional victim was identified from the incident that initially occurred in July of 2023. Pusateri was previously charged with Predatory Criminal Sexual Assault and Child Pornography. Pusateri surrendered to the Kendall County Sheriff's Office on 09/23/2023.

CRIME REPORTING

The Police Department volume of law enforcement activity during the reporting period is demonstrated by category in the table below. The data includes activity reported to the State of Illinois monthly through the National Incident-Based Reporting System (NIBRS) as well as all other criminal and quasi-criminal activity that is not required to be reported to the State. For comparison purposes, the statistical reporting from the same reporting period one year ago is included. NOTE: This data is insufficient for use in establishing trends, assessing workload distribution or any other statistical analysis. Further data, delving beyond this report, is essential in determining accurate and meaningful insight beyond this report.

In 2023, Yorkville Police Department changed its reporting of crime data from the traditional Summary Reporting System (SRS) of Part I & II Crimes to the National Incident Based Reporting System (NIBRS). Crime reporting will now be reported in the NIBRS format; therefore, crime reporting will now look different than in previous years.
