**UNITED CITY OF YORKVILLE

651 Prairie Pointe Drive, Yorkville, IL**

**In Attendance:**

Alderman Seaver Tarulis  
Alderman Chris Funkhouser  
Alderman Craig Soling

Absent: Alderman Dan Transier

**Other City Officials in Attendance:**

Police Chief Jim Jensen

**Others in Attendance:** None

The meeting was called to order at 6:00pm by Vice-Chairman Seaver Tarulis.

**Citizen Comments:** None

**Minutes for Correction/Approval:** September 7, 2023

The minutes were approved as presented.

**New Business:**

***1. PS 2023-17 Monthly Report Review for August 2023 – September 2023***

For both months, Chief Jensen reported on the number of employees, community policing, initiatives, community participation and training hours. Directed patrols, accidents, criminal cases and total calls for service were also reviewed. In addition, he said officers were in 5 schools at the school year start. A new crossing guard is stationed at the high school and the department is saving \$30,000 since it is now a school function. Alderman Tarulis asked about the process when a driver ignores a crossing guard and Chief Jensen explained. The Chief also shared information about a recent major arrest and crisis calls. He said that a social worker works with the department 8 hours a week on domestic calls. He hopes for a grant to increase those hours.

***2. PS 2023-18 Adjudication Reports for September 2023 – October 2023***

There were violations for cannabis, curfew, expired registrations and water usage. Alderman Soling asked about an alleged noise complaint at a nearby car place which the Chief briefly addressed.

### ***3. PS 2023-19 Pre-Order of Police Vehicles for the FY25 Budget***

Chief Jensen commented that there is money in the current budget for one car and two cars are budgeted in FY25. He also said the officers like the feature of a single cage in the back seat. A van was originally desired, however, a retired ambulance may be purchased instead to save money and it would be shared with the Parks Department. Normally the PD goes with the state bid and after discussions with Sutton Ford, there are no vehicles available at this time and a 5-6% increase is possible. Morrow Brothers (located in Greenfield) currently has vehicles, the price will stay the same and is \$4,400 less than the anticipated Sutton increased price. The Chief would like to purchase from Morrow Brothers, ordering them now with delivery after May 1. Morrow does the outfitting while Sutton does not.

Alderman Funkhouser asked if the same vehicle color package would be used and if “ghosting” would be used. The cars will have the same colors and Chief Jensen noted that the officers like the black and white. He said the ghosting is beneficial at night. In relation to the “ghosting” markings, Alderman Funkhouser said the public perception is that the PD is bad and not there to protect. Vice-Chair Tarulis commented that Alderman Funkhouser's statement warrants a future discussion.

In summary, the Chief would like to purchase squads from Morrow Brothers and it would require a Council majority vote to be placed on a list to pre-order 3 vehicles. Possession cannot be taken until May of 2024.

### ***4. PS 2023-20 Taser Lease Agreement – Discussion***

The current taser lease agreement expires May 14, 2024. The Department currently has eight X2's. The X2's are no longer being supported and Chief wishes to move to an X10 model which is the newest version and officers will require updated training. He wishes to lease 8 of the X10's which is \$34,000 over a 5 year-period and he will apply for a grant. The training is an added cost and he would like 2 officers to be trained. He said he would keep the X2's as well which would give 18 total tasers with the new ones. Chief Jensen said paramedics remove the taser probes which can be considered as evidence. He said tasers are the most effective non-lethal method they have. This item moves forward to City Council.

### ***5. PS 2023-21 Meeting Schedule for 2024***

All committee members concurred with the proposed 2024 meeting schedule. This moves forward to City Council.

**Old Business:** None

### **Additional Business:**

Chief Jensen wrote a grant last year for funding to purchase a training simulator for de-escalation of mental health calls. The grant was written for the “Virtra” system. He went to a conference that presented a real-life scenario on a computer screen, giving a 300 degree view and is state of the art. Chief Jensen wrote the grant so that all Kendall County PD's would have access to this training. He was informed last week that a grant of \$241,000 was awarded. A 30' x 30' fixed space is needed because the cost to move the equipment is \$5,000. Several spaces are being

considered. An IGA will be needed with all other agencies who use the equipment and the Chief wants 24/7 access to use it. A press release will be issued and a media day will be held. Alderman Funkhouser said this is one of the biggest grants ever received.

In another matter, committee members accompanied Chief Jensen to the second floor of city hall for a tour of the open space near the PD administrative offices. The purpose was to discuss a potential information center for major incidents within the county. He is considering converting the space into a real-time information center, funded with a private donation along with a possible grant he would write. He met with all Chiefs of Police recently and all were very receptive. He discussed other advantages of such a system including intelligence-gathering and for use during special events. Staffing ideas were briefly discussed. He would like to see the center opened by February or March and he will provide an update in January

There was no further business and the meeting was adjourned at 7:39pm.

## DETECTIVE SQUAD

From October 10<sup>th</sup> through October 12<sup>th</sup>, Detectives Ketchmark and Johnson, along with other members of the department, attended the Illinois Homicide Investigators Association Conference in Itasca, Illinois. Detectives Ketchmark and Johnson both attended seminars to better assist them in future death investigations.

From October 16<sup>th</sup> through October 19<sup>th</sup>, Detective Sergeant Nelson attended the FBI LEEDA Command Leadership Institute training held in Oswego, Illinois. This training provided Detective Sergeant Nelson with valuable leadership training that can be implemented here at the Yorkville Police Department.

On October 31<sup>st</sup>, Detectives met with each of the registered sex offenders on Halloween, and passed out hanging placards, that reminded them that they are not allowed to participate in Trick-or-treating events. No issues were reported with any of the registered sex offenders living in the City of Yorkville during Trick-or-treating.

The data includes activity reported to the State of Illinois monthly through the National Incident-Based Reporting System (NIBRS) as well as all other criminal and quasi-criminal activity that is not required to be reported to the State. For comparison purposes, the statistical reporting from the same reporting period one year ago is included. NOTE: This data is insufficient for use in establishing trends, assessing workload

distribution or any other statistical analysis. Further data, delving beyond this report, is essential in determining accurate and meaningful insight beyond this report.

## Facebook Posts

**Facebook Post (11/6/23):** Today we would like to recognize 12-year-old Vincent for his great work this morning. At approximately 6:34am Police and Fire were dispatched to a chicken coop that caught on fire ( the source is believed to be a heat lamp). Vincent noticed the fire and alerted his grandfather to the fire next door. His grandfather helped put the flames out as the fire reached a detached garage. Thank you, Vincent, your actions helped preserve property and potential harm. All residents and chickens are safe. Pictured with Vincent are Mayor John Purcell, Officer Lobdell and Officer Davis.

**Facebook Post (11/11/23):** We would like to take the time to thank all Veterans for their service to this Country. At the YPD we are blessed to serve with the following Veterans.

**Facebook Post (11/13/23):** Good afternoon and Happy Monday everyone! Yorkville Police Department is just checking in, hoping all had a great weekend, and a start of an amazing week!

**Facebook Post (11/17/23):** On Friday November 17th, 2023 Yorkville Police arrested Radu A. Mogos for possession and distribution of child pornography. The release can be viewed at the link below. Prior to receiving the investigative tip from the National Center for Missing and Exploited Children Mogos was in training as a community service officer with the Yorkville Police Department. Once our agency was alerted of the allegations Mogos was removed from service and resigned his position from Yorkville P.D. Mogos was employed less than 6 weeks during which he was under the constant supervision of a field training officer. Once the investigative process confirmed the allegations, the case was turned over to the Kendall County State's Attorney for

approval of charges. An arrest warrant was then issued for Mogos at which point he was taken into custody by our agency and transported to the Kendall County Jail.

It is important to the Yorkville Police Department to be transparent in our duties and actions. While Mr. Mogos was employed for a short time with the Yorkville Police Department, we had no knowledge of his personal off-duty online activities until reported to us by the National Center for Missing and Exploited Children. The men and women of the Yorkville Police Department hold ourselves to a higher standard of performance and expectations and must hold ourselves accountable when an individual's actions are illegal and affect the integrity of our organization. Yorkville Police Department cannot and will not condone inappropriate or unlawful action by its employees.
