NOTICE

FACILITY TOUR

Tuesday, March 26, 2024

12:00 p.m. - Montgomery Public Works Facility 991 Knell Rd, Montgomery, IL 60538

The Yorkville City Council members will be touring the Montgomery Public Works Facility located at 991 Knell Rd, Montgomery, IL 60538 at 12:00 p.m. on Tuesday, March 26, 2024. This will not be a public meeting with minutes, and elected officials will be separated or not able to speak to each other contemporaneously per the Open Meetings Act. We anticipate taking notes on elected officials' questions during the tour and will include those in a future City Council meeting packet for historical record-keeping purposes.

Members of the public and press may attend the tour by contacting Bart Olson, City Administrator, at bolson@yorkville.il.us. We request all tour inquiries be sent in as soon as possible, for logistics purposes. Transportation to and from the tour site must be coordinated yourself.
