Facebook Post (1/6/24): As of 4:56 am the [Yorkville Police Department](#) and [United City of Yorkville](#) have declared the snow ordinance in effect. With over two inches of snow fall it is required that vehicles be moved off city streets to assist our snowplows clearing the roadway. Failure to remove vehicles from the city streets could lead to enforcement action being taken. We would appreciate your compliance in removing your vehicle from our streets. The snow ban will be in effect until 24 hours after the snow is done falling.

Facebook Post (1/6/24): Eastbound Galena Road at Cannonball Trail is temporarily shut down due to a crash. Please avoid the area. 

Facebook Post (1/8/24): With the winter weather quickly approaching, the Yorkville Police Department would like to remind all residents of our parking after two inches of snow fall ordinance. This ordinance places a parking ban on all city streets once two inches of fresh snow has accumulated and will remain in effect until twenty-four hours after the snow fall has stopped. By doing your part, you will help the Public Works Department have time to clear the roads and allow for safer travel. Failure to comply with this ordinance may result in a city ordinance citation which carries a fine of fifty dollars. We are encouraging everyone to utilize the Yorkville Police Department's Facebook page for updates on inclement weather as well as parking bans. The Yorkville Police Department would like to thank everyone for their attention and assistance with this matter.

Facebook Post (1/9/24): As of 7:00am we have received 2' of snowfall with more expected! The Yorkville Police Department wants to remind the public that per Yorkville city ordinance 6-2-3G, parking on city streets is prohibited after a snowfall of more than 2 inches for 24 hours after the snowfall has ended. Violations carry a \$50 fine. We are looking at several more rounds of snow today and in the coming days. Please help our city snow plows by moving your vehicles off the roadway. Thank you and be safe traveling!

Facebook Post (1/11/24): We wanted to share the latest information on the expected winter weather approaching. Friday into Friday night looks to potentially carry significant snowfall and high winds. Please avoid any unnecessary travel. If you must be out, please drive slow and allow for plenty of following distance. We ask again that you please remove any parked vehicles from the road to help our city plows clear the streets. If snow is not your thing, don't worry, we have bitter cold to look forward to next week! Thank you and have a safe weekend.

Facebook Post (1/30/24): We are proud of our men and women every day, but every once in a while you get a letter that causes us to take pause....Thank you to one of our citizens for these kind words. Officer Soebbing, we are proud of you!

"Hello Officer Roman,

I would love to forward this email to your Chief.

Last weekend you rescued me at the Target parking lot.

My keys were locked in the car. The key fob was frozen and low on the battery.

You were determined to get that key fob out of my locked car. It's a Jeep. They are difficult to break into.

It was way below freezing. I think 9 degrees. It took a long time, but you got it!!!!

I was so impressed by your kindness and genuine care for my benefit.

If that wasn't enough.....

The Fob would not start the car because the battery in it was dead.

You gave me instructions about how to start my car while I stood there wearing my down jacket. By this time I knew you must have been completely frozen. I asked you if you needed to warm up in your car. Like I said; you were determined to solve my problems!!!

You said you were fine. I know you were freezing!!! This whole ordeal took way over 30 minutes, maybe an hour.

God puts angels in the weirdest places. You and a Target employee named Kyle gave me a true feeling of gratitude for those angels who do not even realize how much they make a difference. You did not know that my day was terrible. The key incident was merely frosting on the cake. " In spite of that I drove away knowing that there are genuine good people who actually want to help others.

Thanks, You are one of the Angels!

Facebook Post (1/31/24): January is Human Trafficking Prevention Month. This is our last post for the month but that doesn't mean you can't help the prevention of Human Trafficking.

TRAFFIC COMPLAINT / ENFORCEMENT INFORMATION

In **January 2024**, the Yorkville Police Department had received traffic concerns for various locations in town. These concerns were established through both citizen concerns and areas of concern for the department. All citizen concerns were tracked for potential issues. In some cases to verify that the concerns needed to be further addressed, (5) five years of crash data was researched. In addition, these locations were further researched by utilizing the department's speed signs. These speed signs were able to collect traffic data related to traffic counts, speed data, and various times of day of violations. In addition, the department also relied upon its partnership with EEI.

The data includes activity reported to the State of Illinois monthly through the National Incident-Based Reporting System (NIBRS) as well as all other criminal and quasi-criminal activity that is not required to be reported to the State. For comparison purposes, the statistical reporting from the same reporting period one year ago is included. NOTE: This data is insufficient for use in establishing trends, assessing workload distribution or any other statistical analysis. Further data, delving beyond this report, is essential in determining accurate and meaningful insight beyond this report.

In 2023, Yorkville Police Department changed its reporting of crime data from the traditional Summary Reporting System (SRS) of Part I & II Crimes to the National Incident Based Reporting System (NIBRS). Crime reporting will now be reported in the NIBRS format; therefore, crime reporting will now look different than in previous years.
