Past Programs & Highlights:

There were 275 people in attendance at our Author-Illustrator Showcase that was held on Saturday, March 16 in conjunction with the school districts Fine Art Festival. The school district placed our event flyer on the backside of their festival programs. There was a representative from a publishing company in attendance who will now be working with 2 of the authors featured in our showcase. There were 20 local authors/illustrators featured.

We had several programs over spring break and the library was extremely busy for the week. Books for Bingo was attended by 76 people.

Our Children's Director was at the Bristol Bay STEM night program with a table and activity. She had 350 people visit her that evening. For future school programs, there will be at least 2-3 staff members attending these events.

The Fox River – Hidden Gem series with the Conservation Foundation is very popular this year. The 3rd installment was on soil with 85 people in attendance. The 4th and last installment will be held on Wed, April 24 and the topic will be navigating the Fox River.

Library Operations:

Service on the elevator door sensor has been completed.

The exhaust fan for the upstairs bathrooms has been replaced. The unit is located on the rooftop.

I wrote an RFP for spring cleaning of our landscaping. We received 3 quotes and the winning bid has started work this week and will finish once the weather clears up.

We replaced #4 pump on our #1 boiler. We had sent it out for a rebuild, but it became apparent that it was more cost effective to purchase a new pump instead of rebuilding and rewinding the motor.

There was a contractor bid walk through/meeting for our chiller replacement with 8 potential bidders in attendance.

The bid opening is scheduled for 4/2/24 at 11:00 at City Hall 3rd floor conference room.

We received a quote from a company to replace the broken gutter on the backside of the meeting room, and I have reached out to another company for an additional quote before making a final decision.

Our windows (inside and outside) and gutters and downspouts have been cleaned and unclogged.

We received a fire alarm alert from our monitoring company. It was determined that determined to be a faulty heat detector and module that was replaced and equipment was updated and reset.

Our new copiers have been delivered and will be installed in 2 weeks.

Staff:

Our Director of Youth Services, Jennette Weiss and the entire Youth Services Department Staff have been nominated for Partner of the Year for the Yorkville Educational Foundation's 2024 Fostering Our Future Awards! We are incredibly proud of the partnerships that they have build and continue to foster with the YEF and the Yorkville School District #115. They will be attending a banquet honoring all nominees on 4/3/24. — Update Jennette was honored as Partner of the Year 2024!!!

Re: Letter of Recommendation 2024 Chiller Replacement Yorkville Public Library Yorkville, Illinois

Ms. Augustine and Members of the Board:

On Tuesday April 2, 2024 at 11:00 pm, bids were received at the United City of Yorkville Administrative Office for the 2024 Chiller Replacement at Yorkville Public Library project. The bid release was advertised in local publications more than 10 days prior to the bid opening. Attached for your reference is the bid tabulation sheet.

There were thirteen bidders that submitted bids. The bid was structured to provide a separate bid for each of 3 manufacturer's chillers due to the differences in installation of each one. The lowest bid for each chiller was as follows:

Carrier: Oakbrook Mechanical, \$235,000.00 Daikin: Trico Mechanical, \$236,670.10

JCI/York: Oakbrook Mechanical, \$240,000.00

The lowest bid is by Oakbrook Mechanical of Elmhurst, Illinois utilizing a Carrier chiller in the amount of \$235,000. We have contacted Oakbrook Mechanical to review the scope of the project and are confident that they have included the work indicated on the drawings and in the specifications in their bid. We have worked successfully with Oakbrook Mechanical on similar projects in the past. They are a reputable contractor capable of completing this project.

Sincerely,

20/10 Engineering Group, LLC

To: Board of Trustees

From: Shelley Augustine – Library Director

Date: March 26, 2024

Subject: Non-Resident cards

Section 3050.20 of the Illinois State Administrative Code requires that each public library make an annual decision whether to participate in the state's nonresident fee program or not. If a Library participates, it must also set the fee nonresidents will pay for their card, which must be at least equal to the cost paid by the residents.

Administrative rules [23 III. Adm. Code 3050] determine where non-residents must go to purchase their non-resident card. These same rules also delineate formula options that library boards should use in calculating the library's non-resident fee. Section 3050.60 Non-Resident Fee Formula set by the Illinois State Library.

General Mathematical Formula

- 1) To determine the minimum non-resident fee, a local library should divide the library income from public property tax sources or its equivalent by the local population to determine the cost of service per capita
 - a. 1,870,321 (income) divided by 21,533 (US Census 2020) X 3.03 (Persons per household US Census 2020) = \$263.18

Tax Bill Methods

- Non-Resident Taxpayer: The library tax rate or equivalent, including all special levies, is applied to the non-resident property owner's principal residence assessed valuation on an individual, case by case basis. The most recent property tax bill will be used. The property owner will pay the same amount as would be paid if the property were in the library service area.
 - a. Net taxable value x current tax rate (.00255320) = Cost of non-resident card

It is my recommendation to participate in the non-resident fee program and to adopt the Tax Bill method for determining the cost of a non-resident card.

RESOLUTION 01-24

ANNUAL RESOLUTION AUTHORIZING NON-RESIDENT LIBRARY CARDS

WHEREAS, the Yorkville Public Library (the Library) is a tax-supported public library; and WHEREAS, persons residing within the jurisdictional boundaries of the Library pay taxes to support the Library; and

Section 1: Individuals residing beyond the jurisdictional boundaries of the Library and owning no taxable property within the jurisdictional boundaries of the Library may purchase a non-resident fee card for the price calculated according to the "Tax Bill Method" (see 23 Ad. Code 3050.60(b)).

Section 2: Individuals residing beyond the jurisdictional boundaries of the Library but owning or leasing property that is taxed for library service (as an individual, a partner, the principal stockholder, or other joint owner) within the jurisdictional boundaries of the Library, or serving as a senior administrative officer of a firm, business or other corporation owning taxable property within the jurisdictional boundaries of the Library may obtain a non-resident library card without payment of the non-resident fee upon presentation of the most recent tax bill upon that taxable property or a copy of the commercial lease

of that taxable property. Each non-resident library card issued pursuant to this Section is limited to the exclusive use of the individual whose name appears on its face.

<u>Section 3</u>: The Library shall notify the regional library system of this Resolution within 30 days of the adoption of this Resolution.
