**UNITED CITY OF YORKVILLE
PUBLIC SAFETY MEETING
Thursday, March 7, 2024 6:00pm
East Conference Room #337
651 Prairie Pointe Drive, Yorkville, IL**

In Attendance:

Chairman Dan Transier
Alderman Craig Soling

Alderman Chris Funkhouser via Zoom
Alderman Seaver Tarulis

Other City Officials in Attendance:

Police Chief Jim Jensen

Sgt. Sam Stroup

Others in Attendance:

Mike Krempski

Molly Krempski

The meeting was called to order at 6:00pm by Chairman Dan Transier.

Citizen Comments:

Ms. Krempski said they began coming to these meetings due to the drag shows, but are now turning their attention to what she termed a public safety issue or “government corruption”. She gave a summary of what she felt are issues in the city in the last few months. She has spoken with City Administrator Bart Olson and also made attempts to reach the Mayor who later responded.

Ms. Krempski said she believed the Mayor was breaking the law after observing him at the 2022 and 2023 Hometown Days and said she had videos and emails to prove this. She alleged the Mayor was distributing liquor, not as Mayor, but as a private citizen and that liquor ordinance violations had occurred. A permit had been issued allowing for the consumption on city property, but she said the issue is with the distribution rather than the consumption of liquor. She has spoken to the Illinois Liquor Control Commission about this. She wishes to initiate an investigation and said it is not to embarrass anyone, but to have the laws upheld and for a safer community. She said more laws will not help, but the current laws need to be enforced.

Minutes for Correction/Approval: January 4, 2024

The minutes were approved as presented.

New Business:

Chairman Transier asked to move item #3 forward on the agenda.

3. PS 2024-06 Traffic Complaint, Investigation and Reporting Process - Discussion

Chief Jensen said Traffic Sergeant Sam Stroup has been following up on traffic complaints and researching crashes to reduce the number. The Sergeant has created a program to analyze the issues. He uses the CSO's to observe and document in gathering data and uses message boards and speed limit signs to determine if there is an actual problem in a given location. He said partnerships are a part of this program and he works with Public Works and EEI to look at data

collected. He has created a courtesy letter that is sent to vehicle owners to inform them of a violation and no negative feedback has been received. He said citizens appreciate follow-up about issues they have identified. Sgt. Stroup compiles a monthly report for an overview of the activities and they will be sent to Aldermen if a problem has been identified in their Ward. Chief Jensen added that the department will draft a plan to reduce crashes throughout the city since problem areas have been determined.

1. PS 2024-04 Monthly Report Review for December 2023 and January 2024

Chief Jensen reported on training hours, directed patrols, overtime, frequent postings about weather conditions, blood drive, increase in responses to 911 hang-ups on cell phones, number of citations/warnings and he said Nybers report numbers are down. He also noted that Deputy Chief Ray Mikolasek is the new President of the Kendall Chiefs Association. No further action.

2. PS 2024-05 Adjudication Reports for January and February 2024

There was a recent noise ordinance violation at Pinz and tickets/warnings have been issued. Other violations include disorderly conduct, tampering with system, dangerous animal, tobacco/liquor stings, unsafe conditions and tickets for no parking during snowfall events.

4. PS 2024-07 2023 Annual Report Review and Discussion

Chief Jensen presented the annual report which includes the mission/value statements and the department will also be forming a Strategic Plan. He then reviewed stats for the various areas of policing. He also noted the number of FOIA requests are up 41 for the year and all Records personnel are trained to fulfill these requests. The Chief said that a goal for the Strategic Plan will be the response to mental health calls and to determine if a social worker is needed. He reported on the drone used by the PD and said 16 employees are trained operators. Alderman Soling noted that he received many compliments about the officers being professional and very courteous.

TRAFFIC COMPLAINT / ENFORCEMENT INFORMATION

In **February 2024**, the Yorkville Police Department had received traffic concerns for various locations in town. These concerns were established through both citizen concerns and areas of concern for the department. All citizen concerns were tracked for potential issues. In some cases, to verify that the concerns needed to be further addressed, (5) five years of crash data was researched. In addition, these locations were further researched by utilizing the department's speed signs. These speed signs were able to collect traffic data related to traffic counts, speed data, and various times of day of violations. In addition, the department also relied upon its partnership with EEL.

DETECTIVE SQUAD

On 02/01/2024, the Investigations Unit conducted compliance checks on the remaining half of business that sell alcohol with the city limits. During that compliance check, two violators were cited at two different businesses. Each violator was an adult and was issued a local ordinance citation for the violation. This compliance check was organized and completed by Student Resource Officer Goldsmith and utilized an undercover area resident who assisted the Police Department.

On 02/16/2024, Detective Johnson was able to secure a felony arrest warrant for Dontrell Nelson for retail theft. This warrant stemmed from an investigation that began in December of 2023 and concluded that Dontrell Nelson had stolen merchandise from a local business prior to the report being made. At this time, Dontrell Nelson's warrant is still active.

Also, on 02/16/2024, Detective Ketchmark was able to secure a felony arrest warrant for Cari Arrieta for retail theft. This warrant stemmed from an investigation that began in January of 2024 and concluded that Cari Arrieta had stolen merchandise from a local business prior to the report being made. At this time, Cari Arrieta's warrant is still active.

CRIME REPORTING

The Police Department volume of law enforcement activity during the reporting period is demonstrated by category in the table below. The data includes activity reported to the State of Illinois monthly through the National Incident-Based Reporting System (NIBRS) as well as all other criminal and quasi-criminal activity that is not required to be reported to the State. For comparison purposes, the statistical reporting from the same reporting period one year ago is included. NOTE: This data is insufficient for use in establishing trends, assessing workload distribution or any other statistical analysis. Further data, delving beyond this report, is essential in determining accurate and meaningful insight beyond this report.

Facebook Post (3/6/24): We had the privilege of having coffee with these ladies today. Thank you so much for the coffee and the wonderful conversation.

Facebook Post (3/13/24): It's not every day we have the opportunity to recognize SEVEN officers for life saving efforts!

We are very proud of Sergeant Hayes, Officers Kuehlem, Opp and Heiser, as well as Detective Johnson and School Resource Officer Goldsmith for their collective life-saving efforts on February 22nd. These officers worked together to search a large area, locate, and provide emergency medical attention to a missing person who was injured. Based upon statements from the medical professionals that examined the citizen, the actions of these officers undoubtedly saved the person's life. Incredible job to all of you.

We also recognized Officer Lobdell for his actions on September 26th. Officer Lobdell responded to the parking lot of an area business for the report of an unconscious person not breathing. Officer Lobdell performed life saving measures while waiting for assistance to arrive. Officer Lobdell's actions and quick thinking certainly contributed to the individuals survival and recovery. We are proud to have you on our team Officer Lobdell!

Facebook Post (3/16/24): We wish everyone a Happy St. Patrick's Day weekend 🍀. If you are celebrating and drinking, please have a designated driver. We wish you all a safe weekend.

Facebook Post (3/16/24): Yorkville PD along with fire agencies are on the scene at a structure fire in the 200 block of W. Beecher. The fire is contained. There will be emergency vehicles in the area for the time being.

Facebook Post (3/28/24): There will be increased police presence on the 1100 block of North Bridge Street due to an ongoing investigation. This is not an active event and there is no threat to the public, units will be in the area completing investigative duties.

Facebook Post (3/30/24): Our thoughts and prayers are with the family and friends of DeKalb County Sheriff's Deputy Christina Musil who was killed in the line of duty in a crash Thursday night.

Facebook Post (3/2/24): Today we participated in one of our favorite events of the year, the Polar Plunge. This event benefits [Special Olympics Illinois](#). We had an amazing time and were privileged to have some athletes on hand. We would like to thank [Go For It Special Recreation Association](#) for hosting us and their amazing hospitality. The Bristol Kendall Fire Department helped make this possible by providing the holding tank and ensuring our safety. A big thank you to the Yorkville Jewel Osco for their food donation. Lastly, thank you to our supporters! In total \$4,515 was raised for Special Olympics Illinois.

Facebook Post (3/14/24): Last evening, Officer Davis had the privilege to help the girls from Girl Scout Troop 2321 earn their detective badges as they worked to solve a murder mystery. With their help, the Cookie Connoisseurs gang was brought to justice.

Facebook Post (3/20/24): Calling all Students!!! Scholarship Opportunity!!!

Facebook Post (3/26/24): The Yorkville Police Department is excited to announce that the VirTra V-300 police training simulator obtained through a Department of Justice De-Escalation Safety Grant has arrived. This system will be fully installed and operational by the end of the week. The Yorkville Police Department would like to thank our law enforcement and school district partners to include the Kendall County Sheriff's Office, Plano Police Department, Montgomery Police Department, Oswego Police Department and the Yorkville School District #115. Real life events are rarely simple, which is why each training scenarios was designed to be complex. Through extensive branching options, each scenario can unfold based on the decisions made by the trainee while inside the simulator. This ability allows a team's resilience and accuracy to be tested repeatedly with consistent training throughout. These scenarios are designed to teach critical concepts, such as: officer presence, communication skills, verbal and non-verbal cues, de-escalation, less-lethal use of force, duty to intervene, emotionally disturbed persons and more. Check out the video below that showcases our new system!

TRAFFIC COMPLAINT / ENFORCEMENT INFORMATION

In **March 2024**, the Yorkville Police Department had received traffic concerns for various locations in town. These concerns were established through both citizen concerns and areas of concern for the department. All citizen concerns were tracked for potential issues. In some cases to verify that the concerns needed to be further addressed, (5) five years of crash data was researched. In addition, these locations were further researched by utilizing the department's speed signs. These speed signs were able to collect traffic data related to traffic counts, speed data, and various times of day of violations. In addition, the department also relied upon its partnership with EEI.

DETECTIVE SQUAD

On 03/07/2024, Detective Johnson was able to secure an arrest warrant for Felony Retail Theft and Burglary against Felicia Ozun. This arrest warrant stemmed from an investigation that began in December of 2023. Through the investigation, Detective Johnson was able to determine that Ozun had stolen over \$8,000.00 worth of merchandise from a local business. Ozun was accompanied by another person, but charges against that person were not approved. Ozun was later taken into custody by another agency in another state.

SRO Goldsmith had a busy month inside the Yorkville School District and charged eight different juveniles with various crimes. He was also featured in an article regarding how vital SROs are for school districts in the area. His photo, along with some students, was on the front page of a local newspaper!

CRIME REPORTING

The Police Department volume of law enforcement activity during the reporting period is demonstrated by category in the table below. The data includes activity reported to the State of Illinois monthly through the National Incident-Based Reporting System (NIBRS) as well as all other criminal and quasi-criminal activity that is not required to be reported to the State. For comparison purposes, the statistical reporting from the same reporting period one year ago is included. NOTE: This data is insufficient for use in establishing trends, assessing workload distribution or any other statistical analysis. Further data, delving beyond this report, is essential in determining accurate and meaningful insight beyond this report.

In 2023, Yorkville Police Department changed its reporting of crime data from the traditional Summary Reporting System (SRS) of Part I & II Crimes to the National Incident Based Reporting System (NIBRS). Crime reporting will now be reported in the NIBRS format; therefore, crime reporting will now look different than in previous years.
