Facebook Post (3/6/24): We had the privilege of having coffee with these ladies today. Thank you so much for the coffee and the wonderful conversation.

Facebook Post (3/13/24): It's not every day we have the opportunity to recognize SEVEN officers for life saving efforts!

We are very proud of Sergeant Hayes, Officers Kuehlem, Opp and Heiser, as well as Detective Johnson and School Resource Officer Goldsmith for their collective life-saving efforts on February 22nd. These officers worked together to search a large area, locate, and provide emergency medical attention to a missing person who was injured. Based upon statements from the medical professionals that examined the citizen, the actions of these officers undoubtedly saved the person's life. Incredible job to all of you.

We also recognized Officer Lobdell for his actions on September 26th. Officer Lobdell responded to the parking lot of an area business for the report of an unconscious person not breathing. Officer Lobdell performed life saving measures while waiting for assistance to arrive. Officer Lobdell's actions and quick thinking certainly contributed to the individuals survival and recovery. We are proud to have you on our team Officer Lobdell!

Facebook Post (3/16/24): We wish everyone a Happy St. Patrick's Day weekend 🍀. If you are celebrating and drinking, please have a designated driver. We wish you all a safe weekend.

Facebook Post (3/16/24): Yorkville PD along with fire agencies are on the scene at a structure fire in the 200 block of W. Beecher. The fire is contained. There will be emergency vehicles in the area for the time being.

Facebook Post (3/28/24): There will be increased police presence on the 1100 block of North Bridge Street due to an ongoing investigation. This is not an active event and there is no threat to the public, units will be in the area completing investigative duties.

Facebook Post (3/30/24): Our thoughts and prayers are with the family and friends of DeKalb County Sheriff's Deputy Christina Musil who was killed in the line of duty in a crash Thursday night.

We had an amazing time and were privileged to have some athletes on hand. We would like to thank [Go For It Special Recreation Association](#) for hosting us and their amazing hospitality. The Bristol Kendall Fire Department helped make this possible by providing the holding tank and ensuring our safety. A big thank you to the Yorkville Jewel Osco for their food donation. Lastly, thank you to our supporters! In total \$4,515 was raised for Special Olympics Illinois.

Facebook Post (3/14/24): Last evening, Officer Davis had the privilege to help the girls from Girl Scout Troop 2321 earn their detective badges as they worked to solve a murder mystery. With their help, the Cookie Connoisseurs gang was brought to justice.

Facebook Post (3/20/24): Calling all Students!!! Scholarship Opportunity!!!

Facebook Post (3/26/24): The Yorkville Police Department is excited to announce that the VirTra V-300 police training simulator obtained through a Department of Justice De-Escalation Safety Grant has arrived. This system will be fully installed and operational by the end of the week. The Yorkville Police Department would like to thank our law enforcement and school district partners to include the Kendall County Sheriff's Office, Plano Police Department, Montgomery Police Department, Oswego Police Department and the Yorkville School District #115. Real life events are rarely simple, which is why each training scenarios was designed to be complex. Through extensive branching options, each scenario can unfold based on the decisions made by the trainee while inside the simulator. This ability allows a team's resilience and accuracy to be tested repeatedly with consistent training throughout. These scenarios are designed to teach critical concepts, such as: officer presence, communication skills, verbal and non-verbal cues, de-escalation, less-lethal use of force, duty to intervene, emotionally disturbed persons and more. Check out the video below that showcases our new system!

TRAFFIC COMPLAINT / ENFORCEMENT INFORMATION

In **March 2024**, the Yorkville Police Department had received traffic concerns for various locations in town. These concerns were established through both citizen concerns and areas of concern for the department. All citizen concerns were tracked for potential issues. In some cases to verify that the concerns needed to be further addressed, (5) five years of crash data was researched. In addition, these locations were further researched by utilizing the department's speed signs. These speed signs were able to collect traffic data related to traffic counts, speed data, and various times of day of violations. In addition, the department also relied upon its partnership with EEI.

On 03/07/2024, Detective Johnson was able to secure an arrest warrant for Felony Retail Theft and Burglary against Felicia Ozun. This arrest warrant stemmed from an investigation that began in December of 2023. Through the investigation, Detective Johnson was able to determine that Ozun had stolen over \$8,000.00 worth of merchandise from a local business. Ozun was accompanied by another person, but charges against that person were not approved. Ozun was later taken into custody by another agency in another state.

SRO Goldsmith had a busy month inside the Yorkville School District and charged eight different juveniles with various crimes. He was also featured in an article regarding how vital SROs are for school districts in the area. His photo, along with some students, was on the front page of a local newspaper!
