**RULES OF PROCEDURE TO BE ADOPTED BY THE UNITED CITY OF YORKVILLE,  
KENDALL COUNTY, ILLINOIS, ELECTORAL BOARD FOR THE HEARING  
AND PASSING UPON OF  
OBJECTIONS TO THE NOMINATION PAPERS OF CANDIDATES**

1. Appearance by an objector or by a candidate at the hearing on objections may be in person or by counsel. All parties appearing before the Board must file a completed Appearance form. On the Appearance form each party must provide the Board with telephone numbers and other contact information at which that party can be reached. These rules also apply to cases before the Board involving objections to referendum petitions, proponents and opponents to the petitions.
2. On the day set for the hearing of objections, both the objector and the candidate are required to be present in person or by counsel and to be ready for the initial hearing of their case.
3. The Board will grant no continuances or resetting of initial hearings on objections except for good cause shown. The Board may schedule proceedings in a case to extend beyond the initial day set for hearing.
4. If a candidate fails to appear for the hearing, a decision in the nature of a default judgment may be entered and the objections contained in the objector's petition shall be confessed against the candidate only upon a determination by the Board that the objector's petition sets forth valid grounds for the removal of the candidate's name from the ballot. If an objector fails to appear for the hearing, the Board may, in its sole discretion, default the objector and dismiss the objection. The Board has the sole discretion as to grant or deny a motion to withdraw an objection or objections. The Board may, in its sole discretion, require a preliminary showing of proof on the validity of any objection or may order a partial check of some portion of the allegations of an objection.
5. Preliminary motions and objections to an objector's petition in the nature of a motion to strike the objections may be heard first. If sufficient objections to an objector's petition are sustained, the objector's petition shall be overruled and the validity of the petitions held valid. If objections to a portion of an objector's petition are sustained, that part of the objector's petition shall be overruled.
6. The permanent registration records of the jurisdiction or jurisdictions involved shall be received as evidence with respect to all objections to which the material contained in such records is relevant. Relevant issues include, but are not limited to, whether the signer is a registered voter; whether the signer is a qualified elector, if required; whether the signature is that of a registered voter whose signature purports to appear on the petition; whether the signer or the candidate are residents of the City ward involved; and whether the signer is registered to vote at the address shown beside the signature on the petition in question. The Board may make appropriate provisions when an election authority has computerized its registration records, or otherwise created electronically-stored registration records.

When ordered by the Electoral Board, petitions and objections shall be compared with those registration records by the Office of the Kendall County Clerk's Election Department. The objector and the candidate each shall have the right to have designated and duly authorized representatives present at such comparison during their good conduct. The comparison shall commence at the time specified by the Electoral Board through its agent and the failure of the candidate, objector or their duly authorized representatives to timely appear for said comparison shall neither delay nor in any way affect the validity of the comparison. Notice to the parties will be given at the telephone numbers listed on their Appearance forms and notice may be given as late as 9:00 p.m. the evening before.

7. Representatives of the objector or candidate may object to the findings of the election authority's representative, which objection shall be noted by the election authority's representative. In no case shall a review of the result of the examination of an individual record or the presentation of additional evidence as to that record be permitted when no objection was made to the finding at the time of the comparison. It is the responsibility of the candidate or objector or their representatives to insure that any objection is recorded and preserved.

8. Within the parameters of the law, the Electoral Board will only consider written objections and the written specifications of such objections to the original petitions, as set forth in the objector's petition. The objector's petition may not be amended. No answer or response to the objector's petition need be filed.

9. All arguments of counsel and evidence must be confined to the points raised by the objections and specifications, if any, to the objector's petition, and by the objector's petition and specifications with respect to the nomination papers. The parties shall be limited to 15 minutes each for the presentation of their case, unless the Board extends the period of presentation.

10. If the objections to the nomination papers, or sufficient part thereof, are sustained, the nomination papers will be held invalid, and the Board will state its findings in a decision in writing, noting the objections which it has sustained. A decision may be executed by members of the Board in counterparts. If the objections, or a sufficient part thereof, are overruled, the nomination papers will be held valid, and the Board will state its findings in a written decision. In the event that the Board is sitting with only two members, and the two members do not agree as to the validity of any objection, that objection shall not be sustained.

11. After the Electoral Board convenes on the date and at the time set, it will be in session continuously until all objections have been considered and disposed of, and, if necessary, in the sole discretion of the Board, its session will be extended or recessed from time to time. One member of the Board may attend sessions by audio or video conferencing, when the other two members are physically present at the session.
