GENERAL CONSOLIDATED ELECTION. )

**VERIFIED OBJECTOR'S PETITION**

NOW COMES Sammy Hall, hereinafter referred to as the "Objector," and respectfully represents that Objector resides at 1567 Coral Drive, Yorkville, IL 60560, in the 4th Ward of the City of Yorkville, State of Illinois; that Objector is a duly qualified, registered, and legal voter at said address; that Objector's interest in filing the following objections is that of a citizen desirous of ensuring that the laws governing the filing of nomination papers for Alderperson of Ward 4 of the City of Yorkville in the State of Illinois are properly complied with and that only qualified candidates have their names appear on the ballot as candidates for the said office. Therefore, your Objector makes the following objections to the nomination papers of Lowell Hyett as a candidate for election to the office of Alderperson of Ward 4 of the City of Yorkville, State of Illinois, and files the same herewith, and states that the said nomination papers are insufficient in law and in fact for the following reasons:

**1. Failure to Accurately Identify the Office Being Sought**

The nomination papers submitted by the Candidate inaccurately list the office being sought as "Alderman of the 4th Ward." The Illinois Election Code (10 ILCS 5/10-4) explicitly requires that nomination petitions include a uniform and accurate heading identifying the office being sought. "Alderman" is not a legally recognized office title for this election, as the correct and inclusive title is "Alderperson." This fundamental defect misrepresents the office and undermines the integrity of the petition.

Verified Objector's Petition of   
The Nominating Papers of Lowell (Rusty) Hyett  
Page 1 of 6

#### Case Law:

- **Wiesner v. Brennan:** Establishes that failing to accurately name the office being sought is a fatal defect that invalidates nomination petitions. Misrepresentation misleads voters and compromises the integrity of the electoral process.

#### 2. Misleading Representation to Petition Signers

By failing to accurately identify the office title, the Candidate's petition misleads potential signers. If a signer sought to research the office of "Alderman," they would find no such position on official documents or election materials. This misrepresentation deprives signers of their ability to make an informed decision, thereby invalidating the petition.

#### 3. Violation of Inclusivity Standards

The use of the outdated term "Alderman" contradicts the intentional name change to "Aldersperson," which reflects Yorkville's commitment to inclusivity and equity. This error could discourage individuals who do not identify as male from aspiring to participate in the electoral process, contrary to the purpose of the title change.

#### 4. Invalidity of Signatures

The Candidate's failure to properly identify the office in the petition renders the signatures collected invalid. The omission of an accurate title prevents signers from legally supporting the Candidate for a recognized office, thereby invalidating the entire nomination petition.

#### 5. Signature Threshold Miscalculation

Mr. Hyett's candidacy also fails to meet the proper legal requirements for the signature threshold:

- **Wrong Election Year Used:** The Illinois Election Code (10 ILCS 5/10-3.1) mandates that the signature requirement must be based on the most recent election for the specific office being sought. The correct election year for the specific Ward 4 seat is **2021**, during which **158 total votes** were cast. Using this figure, the required number of signatures is no less than **8 signatures (5%)**.
- **Inflated Voter Count for 2023:** Even if the 2023 election data were relevant—which it is not—Mr. Hyett incorrectly calculated the signature threshold using **603 votes**, as stated in his objection against me. Research and verified evidence from the Kendall County's official **Integra Election Reporting Console** and the official **KendallCountyIL.gov website** confirm that the actual number of votes cast in the 2023 election for Ward 4 was **556 votes**, not 603.

- **Violation of Election Code and Case Law Precedent:**

- **Corbin v. Schroeder:** The Illinois Supreme Court invalidated petitions due to reliance on incorrect election data, emphasizing the importance of strict adherence to statutory requirements.
  - **Pilz v. McHenry County Electoral Board:** Reinforces that reliance on incorrect or inflated data invalidates petitions.
  - **Tully v. Edgar:** Confirms the necessity of adhering to statutory requirements to ensure electoral fairness.
- 

## **6. Objection to His Challenge Against My Petition**

Mr. Hyett's objection to my petition should be dismissed because he was never a valid candidate for this office. His entire nomination petition is invalid due to the improper naming of the office, the inflated voter count from 2023, and reliance on the wrong election year. Without standing as a valid candidate, he has no legal basis to challenge another candidate's petition.

---

### **Relief Sought**

Your Objector respectfully requests that the Municipal Officers Electoral Board:

1. Immediately invalidate the nomination papers of Lowell Hyett in their entirety for failing to comply with the Illinois Election Code and misleading potential petition signers.
2. Dismiss any objection filed by Lowell Hyett against the Objector's nomination papers on the grounds that the Candidate is not a valid candidate for the office of Alderperson and therefore lacks standing to object.

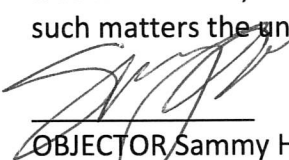

### **WHEREFORE,**

Your Objector prays that the purported nomination papers of Lowell Hyett for election to the office of Alderperson of Ward 4 of the City of Yorkville in the State of Illinois be declared by this Honorable Electoral Board to be insufficient and not in compliance with the laws of the State of Illinois and that the Candidate's name be stricken and that this Honorable Electoral Board enter its decision declaring that the name of Lowell Hyett for election to the office of Alderperson of the City of Yorkville in the State of Illinois **NOT BE PRINTED** on the OFFICIAL BALLOT for the Consolidated Election to be held on April 1, 2025.

Sec. 10-3.1. Petitions for nomination of nonpartisan candidates for offices to be filled at an election provided in Article 2A of this Code shall be in conformity with any requirements as to contents and number of signatures specified in the statute creating the political subdivision or providing the applicable form of government thereof. Petitions for nomination of nonpartisan candidates for municipal offices where the statute creating the municipality or providing the form of government thereof, or the ordinance so providing, pursuant to Article VII of the Constitution, requires election to such office on a nonpartisan basis and does not permit political party nominations (including without limitation Articles 4 and 5 of the Municipal Code) shall be in conformity with any requirements as to contents and number of signatures specified in such statute or ordinance.

The provisions of this Article 10 relating to independent candidate petition requirements shall apply to nonpartisan petitions to the extent they are not inconsistent with the requirements of such other statutes or ordinances.

If signature requirements for petitions for nomination of nonpartisan candidates are not specified in the statute creating the political subdivision or the signature requirements cannot be determined under Article 10, the signature requirements for the nonpartisan candidates shall be at least 0.5% of the total number of registered voters of the political subdivision for which the nomination is made or a minimum of 25, whichever is greater.

### **1. Wiesner v. Brennan (2016 IL App (2d) 160115)**

*Issue:* The candidate's nomination papers misidentified the office being sought.

*Excerpt:* "The failure to accurately name the office being sought is a fatal defect that invalidates nomination petitions."

[Justia Law](#)

*Relevance:* This case underscores the necessity of correctly identifying the office in nomination papers. Misnaming the office, as in your opponent's use of "Alderman" instead of "Aldersperson," is a significant error that can invalidate the petition.

### **2. Corbin v. Schroeder (2021 IL 127052)**

*Issue:* The candidate relied on incorrect election data to meet signature requirements.

*Excerpt:* "Reliance on incorrect election data fundamentally undermines the integrity of the nomination process and warrants invalidation of the petition."

[Justia Law](#)

*Relevance:* This case highlights the importance of using accurate and relevant election data when calculating signature thresholds. Your opponent's use of incorrect voter counts from the wrong election year mirrors the procedural errors identified in this case.

### **3. Pilz v. McHenry County Electoral Board (2015 IL App (2d) 150360)**

*Issue:* The candidate failed to comply with statutory requirements in nomination papers.

*Excerpt:* "Substantial compliance is insufficient when fundamental errors, such as misnaming the office, occur."

*Relevance:* This case reinforces that strict adherence to statutory requirements is mandatory. Misnaming the office and using incorrect data are fundamental errors that cannot be overlooked.

### **4. Tully v. Edgar (171 Ill. 2d 297 (1996))**

*Issue:* The necessity of adhering to procedural and statutory requirements in elections.

*Excerpt:* "Ensuring that procedural and statutory requirements in elections are met is essential to maintain the integrity and fairness of the process."

*Relevance:* This case emphasizes the critical importance of following all procedural and statutory requirements to uphold the integrity of the electoral process.

### RECEIPT FOR NOTICE OF OBLIGATION

I hereby acknowledge receipt of Form D-5 Notice of Obligation.

Date: 11/14/24

Signature of Candidate: Lowell (Rusty) Hyett

Printed Name: Lowell (Rusty) Hyett

**RULES OF PROCEDURE TO BE ADOPTED BY THE UNITED CITY OF YORKVILLE,  
KENDALL COUNTY, ILLINOIS, ELECTORAL BOARD FOR THE HEARING  
AND PASSING UPON OF  
OBJECTIONS TO THE NOMINATION PAPERS OF CANDIDATES**

1. Appearance by an objector or by a candidate at the hearing on objections may be in person or by counsel. All parties appearing before the Board must file a completed Appearance form. On the Appearance form each party must provide the Board with telephone numbers and other contact information at which that party can be reached. These rules also apply to cases before the Board involving objections to referendum petitions, proponents and opponents to the petitions.
2. On the day set for the hearing of objections, both the objector and the candidate are required to be present in person or by counsel and to be ready for the initial hearing of their case.
3. The Board will grant no continuances or resetting of initial hearings on objections except for good cause shown. The Board may schedule proceedings in a case to extend beyond the initial day set for hearing.
4. If a candidate fails to appear for the hearing, a decision in the nature of a default judgment may be entered and the objections contained in the objector's petition shall be confessed against the candidate only upon a determination by the Board that the objector's petition sets forth valid grounds for the removal of the candidate's name from the ballot. If an objector fails to appear for the hearing, the Board may, in its sole discretion, default the objector and dismiss the objection. The Board has the sole discretion as to grant or deny a motion to withdraw an objection or objections. The Board may, in its sole discretion, require a preliminary showing of proof on the validity of any objection or may order a partial check of some portion of the allegations of an objection.
5. Preliminary motions and objections to an objector's petition in the nature of a motion to strike the objections may be heard first. If sufficient objections to an objector's petition are sustained, the objector's petition shall be overruled and the validity of the petitions held valid. If objections to a portion of an objector's petition are sustained, that part of the objector's petition shall be overruled.
6. The permanent registration records of the jurisdiction or jurisdictions involved shall be received as evidence with respect to all objections to which the material contained in such records is relevant. Relevant issues include, but are not limited to, whether the signer is a registered voter; whether the signer is a qualified elector, if required; whether the signature is that of a registered voter whose signature purports to appear on the petition; whether the signer or the candidate are residents of the City ward involved; and whether the signer is registered to vote at the address shown beside the signature on the petition in question. The Board may make appropriate provisions when an election authority has computerized its registration records, or otherwise created electronically-stored registration records.

When ordered by the Electoral Board, petitions and objections shall be compared with those registration records by the Office of the Kendall County Clerk's Election Department. The objector and the candidate each shall have the right to have designated and duly authorized representatives present at such comparison during their good conduct. The comparison shall commence at the time specified by the Electoral Board through its agent and the failure of the candidate, objector or their duly authorized representatives to timely appear for said comparison shall neither delay nor in any way affect the validity of the comparison. Notice to the parties will be given at the telephone numbers listed on their Appearance forms and notice may be given as late as 9:00 p.m. the evening before.

7. Representatives of the objector or candidate may object to the findings of the election authority's representative, which objection shall be noted by the election authority's representative. In no case shall a review of the result of the examination of an individual record or the presentation of additional evidence as to that record be permitted when no objection was made to the finding at the time of the comparison. It is the responsibility of the candidate or objector or their representatives to insure that any objection is recorded and preserved.

8. Within the parameters of the law, the Electoral Board will only consider written objections and the written specifications of such objections to the original petitions, as set forth in the objector's petition. The objector's petition may not be amended. No answer or response to the objector's petition need be filed.

9. All arguments of counsel and evidence must be confined to the points raised by the objections and specifications, if any, to the objector's petition, and by the objector's petition and specifications with respect to the nomination papers. The parties shall be limited to 15 minutes each for the presentation of their case, unless the Board extends the period of presentation.

10. If the objections to the nomination papers, or sufficient part thereof, are sustained, the nomination papers will be held invalid, and the Board will state its findings in a decision in writing, noting the objections which it has sustained. A decision may be executed by members of the Board in counterparts. If the objections, or a sufficient part thereof, are overruled, the nomination papers will be held valid, and the Board will state its findings in a written decision. In the event that the Board is sitting with only two members, and the two members do not agree as to the validity of any objection, that objection shall not be sustained.

11. After the Electoral Board convenes on the date and at the time set, it will be in session continuously until all objections have been considered and disposed of, and, if necessary, in the sole discretion of the Board, its session will be extended or recessed from time to time. One member of the Board may attend sessions by audio or video conferencing, when the other two members are physically present at the session.
