In Attendance:

Chairman Dan Transier
Alderman Seaver Tarulis

Alderman Chris Funkhouser

Absent: Alderman Craig Soling

Other City Officials in Attendance:

Police Chief Jim Jensen

Deputy Chief Ray Mikolasek

Others in Attendance: None

The meeting was called to order at 6:01pm by Chairman Dan Transier.

Citizen Comments: None

Minutes for Correction/Approval: September 5, 2024

The minutes were approved as presented.

New Business:

1. PS 2024-15 Monthly Report Review for August and September 2024

Chief Jensen presented details of the activities from both monthly reports. Those activities included training hours, overtime hours, crash statistics, directed patrols, citations/warnings, crime statistics, overall calls for service, background checks and others. He also said a new officer had been hired. The officers received "EVOC" training (Emergency Vehicle Operator Course) as a result of a visit from the insurance company which suggested all officers and CSO's should be trained in emergency vehicle driving. Two officers are certified and can offer the training to other PD's. He also reported on school statistics regarding the SRO. The Chief said that the department focus in 2025 is to solve specific problems. His department has also been looking at a speed reduction on Countryside Parkway and portable speed signs have been used in problem areas. These reports are informational.

2. PS 2024-16 Adjudication Reports for September and October 2024

Tickets were issued for dirt bike complaints and a nuisance citation was issued for a business in September. There were also vehicle tows, expired registrations and junked vehicles. Citations were issued for semi truck parking violations and no other violations have been noted since. Informational.

3. PS 2024-17 Resolution Authorizing the Purchase of Two Ford Interceptor Sports Utility Vehicles from Morrow Brothers Ford, Inc., in an Amount Not to Exceed \$154,452

Chief Jensen said Sutton Ford in Matteson, Illinois has the state bid, however, the police department has been working with Morrow Brothers since they are less expensive. Sutton Ford

orders have to be in by September. This would obligate the department to purchase those vehicles and the Chief said he cannot authorize those funds yet. In addition, Sutton has not fulfilled other orders. Also, Yorkville can be added to the Morrow list and removed with no penalty. The total squad car cost is \$77,226 which includes all equipment except the radio. Two new vehicles will be requested in next year's budget. Chief Jensen asked for committee approval and to move it forward to the full Council.

4. PS 2024-18 Resolution Approving an Intergovernmental Agreement Between Yorkville Community Unit School District 115 and the United City of Yorkville (School Resource Officer)

Chief Jensen said the school district was approached this year about the costs of a School Resource Officer such as salary, insurance, coverage at football games, etc., which the city now absorbs. He said the SRO is headquartered at the high school, however, they will go to any Yorkville school within the city limits. He spoke with the high school superintendent about drafting an agreement with the city. In the agreement, the city is asking the school to cover all overtime costs incurred by the SRO or other officers. Also, basic SRO training will be paid by the city, however, other training for SRO's will be requested to be paid at 50% by the school. The committee discussed other scenarios of overtime being paid. If another SRO is added, salary reimbursement will be requested. Chief Jensen also spelled out other components of the agreement which would be valid for 4 years. He requested a recommendation to move this forward to the regular agenda of the City Council. He said the school board is expected to sign this agreement by December 16th.

5. PS 2024-19 Illinois Law Enforcement Accreditation Program (ILEAP) Update - Discussion

Deputy Chief Ray Mikolasek gave an overview of this accreditation program through the state. The department is looking at minimizing risks which affects insurance policies. The department has been working on this program for 2 years and it is nearly finished. There are 2 choices/ tiers for the accreditation process--Tier 1 has 69 standards and Tier 2 has 181 standards. Tier 2 was chosen and it covers Administration, Operations, Personnel and Training. Many of the standards have already been completed and policies were created for others.

An initial assessment was recently done and the reviewers were impressed with the progress so far. An on-line review will be done in January and assessors will come in February. He informed the committee what will occur when the assessors come to the PD. After the on-site visit, the assessors will submit a report to the ILEAP Committee Chairman and then to the ILEAP Council. If accreditation is granted, it is for 4 years and an awards ceremony would be held at a City Council meeting. Alderman Tarulis commended the work that has been done. Alderman Funkhouser suggested someone should shadow the process and train for the renewal process. A future position for an Accreditation Manager is being considered for 2027 since it is not usual that a sworn officer undertakes this type of project. This is informational.

6. PS 2024-20 Meeting Schedule for 2025

The committee was OK with the schedule as presented.

Old Business: None

Additional Business:

Alderman Tarulis said a constituent asked why stop signs are not erected on bike paths and what the law says. Chief Jensen said in order for the PD to enforce stop signs, they must be on a public roadway and must be a specific size. Some bike trails are public property while others may be controlled by HOA's, IDOT or private. The Chief will consult with City Attorney Orr and will email his findings to committee members.

Alderman Funkhouser asked about downtown traffic. The Chief said the PD is focusing their efforts on the downtown area. Sgt. Stroup is putting together a plan and will coordinate efforts with the county and state police to address the speed problem. They will run specific enforcement details to help, however, it is believed the enforcement would slow traffic only temporarily. Any reduction of the legal speed limit downtown would need IDOT approval. It was noted that Plainfield has raised medians which could help diminish speed. The Chief will forward results of Sgt. Stroup's report and will also add this topic as an agenda item each month.

There was no further business and the meeting was adjourned at 7:19pm.

Respectfully submitted by Marlys Young, Minute Taker

Community Information

Facebook Post (10/4/24): Attention Y115 Community: Please see the important message from Yorkville CUSD 115 and the Yorkville Police Department regarding the nationwide "Swatting" trend impacting schools.

Administrative Center • 800 Game Farm Road • Yorkville, Illinois 60990 • 630.553.4362 • y115.org

Dear Yorkville Families,

[\(Spanish Version\)](#)

Recently, schools across the country and surrounding districts have experienced a troubling trend known as "swatting," where false threats are made to disrupt the safety and normal operations of schools. We want to assure you that the Yorkville Police Department and District 115 are fully aware of this trend and are working together to closely monitor any potential threats.

What is swatting: The action or practice of making a prank call to emergency services in an attempt to bring about the dispatch of a large number of armed police officers to a particular address.

The district would like to emphasize that all threats against our schools are taken seriously and investigated thoroughly. We encourage parents and students to remain vigilant and report any suspicious activity or concerns to school officials or local authorities immediately.

We also ask that you speak with your children about the importance of not spreading rumors, reporting any threats they hear, and trusting that the district and local law enforcement have their safety as a top priority. Together, we can help maintain a safe and supportive learning environment for all.

Thank you for your continued partnership and support.

Sincerely,

Dr. Matt Zediker
Superintendent of Schools

Chief James Jensen

Estimadas familias de Yorkville,

Recientemente, las escuelas de todo el país y los distritos circundantes han experimentado una tendencia preocupante conocida como "swatting", en la que se realizan amenazas falsas para alterar la seguridad y el funcionamiento normal de las escuelas. Queremos asegurarnos que el Departamento de Policía de Yorkville y el Distrito 115 son plenamente conscientes de esta tendencia y están trabajando juntos para monitorear de cerca cualquier amenaza potencial.

que es swatting: La acción o práctica de hacer una llamada de broma a los servicios de emergencia en un intento de lograr el envío de un gran número de policías armados a una dirección particular.

El distrito quisiera enfatizar que todas las amenazas contra nuestras escuelas se toman en serio y se investigan a fondo. Alentamos a los padres y estudiantes a permanecer atentos e informar inmediatamente cualquier actividad sospechosa o inquietud a los funcionarios escolares o a las autoridades locales.

También le pedimos que hable con sus hijos sobre la importancia de no difundir rumores, informar cualquier amenaza que escuchen y confiar en que las autoridades locales y del distrito tienen su seguridad como máxima prioridad. Juntos, podemos ayudar a mantener un entorno de aprendizaje seguro y de apoyo para todos.

Gracias por su continua colaboración y apoyo.

Atentamente,

Dr. Matt Zediker
Superintendente de Escuelas

Jefe James Jensen

Facebook Post (10/4/24): The Yorkville Police Department is looking for assistance with identifying the below suspect, who burglarized several businesses located in the 1900 block of S. Bridge Street on 10/03/2024. It is possible that the male approached the businesses on foot from the Sunflower Estates subdivision. If you recognize this person, please contact the Yorkville Police Department non-emergency telephone number 630-553-4340. If you wish to provide information, but remain anonymous, please contact Kendall County Crimestoppers at 630-553-5999. Any assistance is greatly appreciated!

Facebook Post (10/6/24): Police Activity - 1900 Block of Rena Lane. The Yorkville Police Department is currently in the 1900 Block of Rena Lane conducting an investigation. There are no threats to the community.

Update - Yorkville Police has cleared the scene.

Facebook Post (10/18/24): On Thursday, October 17, 2024, staff at the Yorkville Christian High School and the Yorkville Police Department were made aware of a threat of violence made by a student. The student, who is a juvenile male, was quickly identified and located at his home. That student will not be returning to Yorkville Christian High School. Currently, we have not discovered any evidence of efforts to carry out this threat. This investigation is ongoing, and we will be working with the Kendall County State's Attorney's Office to identify the proper criminal charges.

Facebook Post (10/21/24): 5:00pm Update: The gas leak has been stopped, the roadway is now open.

2:50 Update: Nicor is working to repair the gas leak. This is estimated to take one or two hours. During that time police and fire will remain on the scene and the roadway will be closed.

1:40pm Update: Nicor has arrived on scene. Based upon wind direction, Bristol Kendall Fire is asking that residents who live in odd numbered houses on Greenfield Turn, between Sunny Dell Court and Country Hills Drive do the following:

- Remain inside
- Close doors and windows
- Do not start anything that may be a source of ignition (vehicle, furnace, stove, etc)
- Don't smoke

Greenfield Turn is currently blocked from Country Hills Drive to Meadowlark Lane.

Initial Message: Yorkville Police Department and Bristol Kendall Fire are on the scene of a natural gas leak on the 600 block of Greenfield Turn in the Country Hills subdivision. Streets are likely to be blocked while this is resolved. Please avoid that area until further notice. We'll post more information as it becomes available.

Facebook Post (10/24/24): East Spring Street from Teri Lane to Wacker Drive is currently blocked due to a structure fire. There is a large fire and police presence so please avoid that area. Update: Roadway is open

Facebook Post (10/25/24):

Facebook Post (10/28/24): TRAFFIC ALERT: Com-Ed has Game Farm Road by pleasure shut down due to lines down. Traffic is being diverted from Game Farm to Somonauk to Rt. 47. Expect long delays during YHS dismissal. Buses have also been rerouted. Unfortunately, we do not have a time frame for the roadway closure. As things change, we will update Facebook.

UPDATE

Game Farm is now open. Crews are still working in the area; however, the roadway is open and traffic is able to pass. Thank you for your patience.

Facebook Post (10/30/24): Trick-or-Treat Hours: October 31st from 4:00 PM - 7:00 PM
Always keep safety in mind when trick-or-treating: travel in groups to make memories with friends, carry flashlights in case it gets dark, and always look both ways before crossing the street. Let's make this Halloween a safe and memorable one for everyone!

Facebook Post (10/31/24): The Yorkville Police responded to the 400 block of Shadow Wood Dr for a structure fire at 0140 hours. No injuries occurred from this fire. Bristol Kendall Fire remains on scene doing an investigation and for safety. Please avoid the area.

Facebook Post (10/10/24): Good evening Yorkville!

While out on patrol, our night shift was able to enjoy the Northern Lights this evening, did you have the opportunity to view them yourselves?

Facebook Post (10/11/24): This week, we would like to highlight Police Chaplain Janelle Miller from Restore Church in Yorkville. Chaplain Miller has been with Restore Church for 9 years and has served as part of the Kendall County Association of Chiefs of Police Chaplains Program for the past 6 months. She attended seminary at Charis Bible Academy in Chicago and knew early on that she wanted to become a police chaplain.

When asked why this role is so important to her, Miller shared that her passion for serving began in 2020 while watching TV coverage of the riots. She felt a strong calling to support both Police Officers and the community, believing she could make a meaningful difference and assist those in need.

For Chaplain Miller, the most rewarding part of her work is the people—she enjoys working with incredible individuals and helping them and their families. Her compassion for serving her community drives her every day, and she wants the public to understand the importance of this program.

We are incredibly grateful for your service, Chaplain Miller! Thank you for everything you do for our communities. If you would like to reach out to Chaplain Miller, you can contact her via email at Janelleaj9@gmail.com.

Facebook Post (10/11/24): A big thank you to Yorkville's own Mars Wrigley for donating candy for us to hand out at Biz Boo (Saturday, 10/19) and on Halloween. We're lucky to have such good partnerships in our community!

Facebook Post (10/18/24): Don't forget to come visit the Yorkville PD tent at Biz Boo tomorrow morning from 10 am to 2 pm. We'll be in the NCG Cinemas Parking lot at 1505 N. Bridge Street!

Facebook Post (10/21/24): Our thoughts are with the friends and family of Illinois State Police Trooper Corey S. Thompsen. Trooper Thompsen was killed in an on-duty traffic crash on Friday, 10/18/24 in Champaign County. The Yorkville Police Department extends its sincere condolences to the Illinois State Police and all those that knew Trooper Thompsen.

Facebook Post (10/22/24): Chaplain Steve Saunders, from Plano Methodist Church, has served as a Chaplain for the Kendall County Association of Chiefs of Police since its inception. He answered his call to ministry in 2005 and has been with Plano Methodist Church for the past eight years. As a loving and faithful husband and father to three adult sons, and grandfather to two grandchildren, Chaplain Saunders is deeply committed to serving the community. He finds great fulfillment in having a positive impact on people's lives, especially those in need of guidance and support. When asked about the most rewarding part of being a Chaplain, Saunders simply said, "serving people." His passion for helping others is evident in everything he does. Thank you, Chaplain Saunders, for your dedication and service.

If you would like to connect with Chaplain Saunders, feel free to email him at pastor@planomethodist.org.

Facebook Post (10/28/24): This week, we're highlighting Police Chaplain Joe Holman, who has been with the Kendall County Association of Chiefs of Police Chaplains Program since its inception. Chaplain Holman serves as a full-time pastor at Warehouse Church in Aurora, where he's been making a difference since 2008. Chaplain Holman's dedication to his role as a Police Chaplain stems from his love for helping people and the joy of working with so many incredible individuals in our communities and law enforcement. He recognizes that people sometimes feel overwhelmed and need support, and he finds deep fulfillment in being there for them during those difficult moments.

When asked about the most rewarding aspect of his chaplaincy, Holman shared that it's simply helping people. He especially enjoys riding along with officers, getting to know them personally, and being a supportive presence in their lives. His message to the public is clear: he is here to listen, support, and provide guidance to anyone in need.

Thank you, Chaplain Holman, for your compassionate service to our communities and law enforcement. If you'd like to reach out to him, please contact him at jholman@icpc4cops.org.

Facebook Post (10/31/24): The Yorkville Police Department would like to CONGRATULATE Sergeant Sam Stroup for attaining his Masters Degree in Public Administration from Aurora University. WAY TO GO SAM. Your hard work and dedication paid off. We are very proud of you.

TRAFFIC COMPLAINT / ENFORCEMENT INFORMATION

In **January through October 2024**, the Yorkville Police Department had received traffic concerns for various locations in town. These concerns were established through both citizen concerns and areas of concern for the department. All citizen concerns were tracked for potential issues. In some cases to verify that the concerns needed to be further addressed, (5) five years of crash data was researched. In addition, these locations were further researched by utilizing the department's speed signs. These speed signs were able to collect traffic data related to traffic counts, speed data, and various times of day of violations. In addition, the department also relied upon its partnership with EEL.

DETECTIVE SQUAD

On 10/18/2024, Detective Ketchmark was able to secure an arrest warrant for Angelique Payne for Retail Theft. That incident, which originally occurred in September at a local business, was investigated and Payne was determined to be the suspect.

On 10/30/2024, the Investigation's Unit conducted half of the city's alcohol compliance checks. This operation was overseen by SRO Goldsmith. For this operation, a underage citizen assisted SRO Goldsmith by entering businesses in town that serve alcoholic beverages. The underage agent would attempt to purchase alcohol and, if successful, notify SRO Goldsmith. During the first half of the operation, one business sold to the minor and the person that sold the alcohol, was cited under local ordinance.

CRIME REPORTING

The Police Department volume of law enforcement activity during the reporting period is demonstrated by category in the table below. The data includes activity reported to the State of Illinois monthly through the National Incident-Based Reporting System (NIBRS) as well as all other criminal and quasi-criminal activity that is not required to be reported to the State. For comparison purposes, the statistical reporting from the same reporting period one year ago is included. **NOTE:** This data is insufficient for use in establishing trends, assessing workload distribution or any other statistical analysis. Further data, delving beyond this report, is essential in determining accurate and meaningful insight beyond this report.

COMMUNITY POLICING INITIATIVES

Community Information

Facebook Post (11/15/24): * Traffic Alert *****

Officers are on scene of a personal injury traffic crash on the 1900 block of Banbury Ave. (intersection of Kingsmill St.). There is no ongoing threat to the area residents, however, a police presence will be in the area as the incident is investigated.

Facebook Post (11/15/24): This week, we proudly spotlight Kendall County Association of Chiefs of Police Chaplain Doug Wright.

Chaplain Wright has been a valued member of the Chaplain program for the past six months but brings two decades of dedication and service with Restore Church in Yorkville. Known for his selflessness and compassion, Chaplain Wright consistently puts others before himself.

As a long-time service member, he recognized the need to support veterans and law enforcement, inspiring him to join the Police Chaplain program. His desire to serve and help others is at the core of everything he does.

When asked what message he wanted to share, Chaplain Wright expressed, his love of helping others and being a role model for his kids. There's no better way to lead by example than offering support and care to those in need.

Thank you, Chaplain Wright, for your service and dedication to our community. You are deeply appreciated!

If you would like to connect with Chaplain Wright, he can be reached at flywright92@gmail.com.

Facebook Post (11/15/24): On Friday November 15th, 2024 at approximately 7:51am the Yorkville Police Department responded to the 1900 block of Banbury Avenue following a motor vehicle versus pedestrian incident. Preliminary investigations indicate that a resident was working on a vehicle in the driveway of their home when the vehicle began rolling backward, trapping the adult male underneath. The individual was pronounced deceased at the scene.

Initial findings suggest the incident was accidental, though the investigation remains ongoing to determine all circumstances involved. Should any additional details be discovered we will release in future communication.

Our thoughts are with the family, friends, and community members affected by this tragic incident. Losing a loved one so suddenly and in such a heartbreaking way is an unimaginable loss. We hope for strength and comfort for those affected by this loss.

Facebook Post (11/22/24): YPD has responded to a two-vehicle head on crash on Kennedy Road East of Bristol Ridge Road. Kennedy is shut down at Bristol Ridge and Freedom Drive. Please use an alternate route. Updates will be provided as they become available.

UPDATE

Kennedy Road is back open. Thank you for your patience. Regarding the traffic crash, very minor injuries reported.

Facebook Post (11/25/24): Over the past two months, we've had the privilege of highlighting the dedicated men and women who serve as Kendall County Law Enforcement Chaplains. Today, we are proud to spotlight and honor our final Chaplain, Pastor Jordan Gash.

Pastor Gash has been a part of the Kendall County Chaplains program since its inception and has faithfully served at Restore Church in Yorkville for the past 20 years. Known for his tireless commitment, Pastor Gash is a familiar face throughout Yorkville and Kendall County, actively engaging in a wide variety of community initiatives.

When asked why he chose to serve as a Police Chaplain, Pastor Gash explained, "I wanted to be a voice in our community for not only law enforcement but for our communities in general. It is my highest honor to serve, help, and encourage law enforcement and community members through difficult times."

For Pastor Gash, the most rewarding aspect of his role is being present during the hardest moments and making a meaningful difference in people's lives. Deeply grateful to live and serve in Kendall County, he shared, "It is an honor to serve."

If you would like to connect with Pastor Gash or learn more about his work and Restore Church, he can be reached at chaplain@ci.montgomery.il.us.

Facebook Post (11/13/24): We are thrilled to honor three remarkable individuals from our Yorkville Police Department team. Officer Kevin Warren and Officer Alex Wrobel were honored with the Distinguished Service Award last night before the city council for their exceptional efforts in responding to a burglary in progress on September 23, 2024. Their swift actions led to the successful apprehension of a suspect who was actively burglarizing a business in town. Their collaborative teamwork resulted in taking the suspect into custody without any complications. Congratulations, Kevin and Alex!

We also recognized Sergeant Sam Stroup for completing his master's degree in Public Administration from Aurora University. Despite the demanding nature of graduate studies, Sgt. Stroup managed to balance his academic responsibilities with supervising his shift of officers and fulfilling his personal commitments. We are incredibly proud of you, Sam. It's no small achievement, well done!

Please join us in extending our heartfelt congratulations to these three individuals for their well-deserved honor and their unwavering dedication to making our community a safer and better place.

Facebook Post (11/25/24): Congratulations to Avery who was the winner of a school raffle for a ride to school in a Police car. Avery enjoyed door to door service to Grande Reserve school in Ofc Shepherd's squad car this morning. A great start to the Holiday week.

Facebook Post (11/25/24): We skipped the meal and went straight to dessert with our friends from [Heritage Woods of Yorkville](#). Thank you for the good conversation and sharing some pie with us! Everyone at YPD is wishing you a very happy Thanksgiving week!

Facebook Post (11/26/24): We have enjoyed our Thanksgiving week so far. Today we had the opportunity to spend time with our friends at [Cedarhurst of Yorkville](#). It was a great time-sharing holiday memories and a few slices of pie. Pie was good enough, but Detective Ketchmark finished off the day surprising us with his piano skills!

Facebook Post (11/27/24): It was a pleasure to watch Officer Jack Wade take the oath of office in front of city council last night. He was supported by friends and family for the big night. Officer Wade will bring our staffing to full authorized staff of 34 sworn officers. Officer Wade is a graduate of Illinois State University with a bachelor's degree in business administration. He will be attending the Macon County Law Enforcement Academy in January and will be rejoining us after completion of the 16-week academy where he will begin field training. Welcome to YPD Jack! We are grateful to have you!

Facebook Post (11/28/24): HAPPY THANKSGIVING FROM THE YPD DAY SHIFT!! We hope everyone has a safe holiday. ***special thank you to Eli for making our day***

TRAFFIC COMPLAINT / ENFORCEMENT INFORMATION

In **January through November 2024**, the Yorkville Police Department had received traffic concerns for various locations in town. These concerns were established through both citizen concerns and areas of concern for the department. All citizen concerns were tracked for potential issues. In some cases to verify that the concerns needed to be further addressed, (5) five years of crash data was researched. In addition, these locations were further researched by utilizing the department's speed signs. These speed signs were able to collect traffic data related to traffic counts, speed data, and various times of day of violations. In addition, the department also relied upon its partnership with EEI.

CRIME REPORTING

The Police Department volume of law enforcement activity during the reporting period is demonstrated by category in the table below. The data includes activity reported to the State of Illinois monthly through the National Incident-Based Reporting System (NIBRS) as well as all other criminal and quasi-criminal activity that is not required to be reported to the State. For comparison purposes, the statistical reporting from the same reporting period one year ago is included. **NOTE:** This data is insufficient for use in establishing trends, assessing workload distribution or any other statistical analysis. Further data, delving beyond this report, is essential in determining accurate and meaningful insight beyond this report.

Date: January 2, 2025
Subject: 2025 Annual Department Goal

Summary

Review of the Yorkville Police Department 2025 Annual Department Goal.

Background

Organizational goals are strategic objectives that help define an organization's purpose. There are many advantages to establishing organizational goals:

- They guide staff efforts
- Justify an organizations activity
- Assist in defining performance related standards

The department goal for 2025, as listed in Exhibit A, provides clear direction into the workplace development of department members. Divisional Command Staff will be given full latitude and discretion in working with their supervisory staff to develop and implement action plans geared toward this goal.

YORKVILLE POLICE DEPARTMENT

2025 Department GOAL

2025 Organizational Goal: Be a Problem Solver

The Yorkville Police Department has set a strategic objective for 2025: "**Be a Problem Solver.**" This goal fosters a solution-driven culture, empowering all members of the department to proactively address challenges, improve operations, and strengthen community relationships.

Key Principles of Goal #1

Proactivity

- Anticipate and mitigate potential issues before they escalate.
- Encourage foresight and innovative thinking to prevent recurring challenges.

Resourcefulness

- Leverage available tools and technology efficiently.
- Employ creative strategies to address unique or complex problems.

Collaboration

- Foster teamwork across teams and divisions, enhancing problem-solving capacity through shared insights and expertise.
- Build stronger communication pathways between all levels of the department.

Accountability

- Take ownership of identifying problems and implementing solutions.
 - Ensure individual and team efforts align with department-wide objectives.
-

Implementation and Oversight

Divisional Command Staff will be empowered to work collaboratively with supervisory teams to:

- Develop action plans tailored to achieving the goal.
 - Monitor progress and adapt strategies as needed.
 - Ensure all staff members have the resources and support required for success.
-

Goal Assessment Process

Weekly Command Meetings

Focus Areas

- Discuss and review ongoing problem-solving initiatives.
- Identify barriers and brainstorm creative solutions.
- Reassess current data to determine if problems persist or have been resolved.
- Allocate additional resources or technology as needed.

Monthly Sergeants Meetings

Focus Areas

- Review team strategies, contributions, and outcomes.
 - Share success stories to replicate effective solutions.
 - Identify training or resource gaps to enhance problem-solving capabilities.
-

Key Performance Indicators (KPIs)

To measure progress toward achieving Goal #1, the following metrics will be tracked:

Complaint Analysis

- Crime and traffic-related complaints will be researched and vetted for validity.
- Verified complaints will guide problem-solving priorities.

Shift Supervisor Initiatives

- Supervisors will lead the development and implementation of problem-solving strategies.
- Supervisors will be accountable for their teams' performance in resolving issues.

Effectiveness Tracking

- Initiatives will be monitored, evaluated, and refined for optimal results.
- Data will drive decision-making, ensuring resources are used effectively.

Communication and Updates

- Progress and results will be reviewed regularly and shared through internal channels to maintain transparency and alignment.
-

Desired Outcomes

1. A **solutions-based culture** that proactively addresses community and organizational challenges.
2. Enhanced communication and collaboration across all divisions and teams.
3. Measurable improvements in problem resolution, community satisfaction, and operational efficiency.

The 2025 goal underscores the department's commitment to excellence, accountability, and service to the Yorkville community. Together, we will "Solve the Problem."
