Community Information

Facebook Post (10/4/24): Attention Y115 Community: Please see the important message from Yorkville CUSD 115 and the Yorkville Police Department regarding the nationwide "Swatting" trend impacting schools.

Administrative Center • 800 Game Farm Road • Yorkville, Illinois 60990 • 630.553.4362 • y115.org

Dear Yorkville Families,

[\(Spanish Version\)](#)

Recently, schools across the country and surrounding districts have experienced a troubling trend known as "swatting," where false threats are made to disrupt the safety and normal operations of schools. We want to assure you that the Yorkville Police Department and District 115 are fully aware of this trend and are working together to closely monitor any potential threats.

What is swatting: The action or practice of making a prank call to emergency services in an attempt to bring about the dispatch of a large number of armed police officers to a particular address.

The district would like to emphasize that all threats against our schools are taken seriously and investigated thoroughly. We encourage parents and students to remain vigilant and report any suspicious activity or concerns to school officials or local authorities immediately.

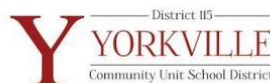

We also ask that you speak with your children about the importance of not spreading rumors, reporting any threats they hear, and trusting that the district and local law enforcement have their safety as a top priority. Together, we can help maintain a safe and supportive learning environment for all.

Thank you for your continued partnership and support.

Sincerely,

Dr. Matt Zediker
Superintendent of Schools

Estimadas familias de Yorkville,

Recientemente, las escuelas de todo el país y los distritos circundantes han experimentado una tendencia preocupante conocida como "swatting", en la que se realizan amenazas falsas para alterar la seguridad y el funcionamiento normal de las escuelas. Queremos asegurarnos que el Departamento de Policía de Yorkville y el Distrito 115 son plenamente conscientes de esta tendencia y están trabajando juntos para monitorear de cerca cualquier amenaza potencial.

que es swatting: La acción o práctica de hacer una llamada de broma a los servicios de emergencia en un intento de lograr el envío de un gran número de policías armados a una dirección particular.

El distrito quisiera enfatizar que todas las amenazas contra nuestras escuelas se toman en serio y se investigan a fondo. Alentamos a los padres y estudiantes a permanecer atentos e informar inmediatamente cualquier actividad sospechosa o inquietud a los funcionarios escolares o a las autoridades locales.

También le pedimos que hable con sus hijos sobre la importancia de no difundir rumores, informar cualquier amenaza que escuchen y confiar en que las autoridades locales y del distrito tienen su seguridad como máxima prioridad. Juntos, podemos ayudar a mantener un entorno de aprendizaje seguro y de apoyo para todos.

Gracias por su continua colaboración y apoyo.

Atentamente,

Dr. Matt Zediker
Superintendente de Escuelas

Facebook Post (10/10/24): Good evening Yorkville!

While out on patrol, our night shift was able to enjoy the Northern Lights this evening, did you have the opportunity to view them yourselves?

Facebook Post (10/11/24): This week, we would like to highlight Police Chaplain Janelle Miller from Restore Church in Yorkville. Chaplain Miller has been with Restore Church for 9 years and has served as part of the Kendall County Association of Chiefs of Police Chaplains Program for the past 6 months. She attended seminary at Charis Bible Academy in Chicago and knew early on that she wanted to become a police chaplain.

When asked why this role is so important to her, Miller shared that her passion for serving began in 2020 while watching TV coverage of the riots. She felt a strong calling to support both Police Officers and the community, believing she could make a meaningful difference and assist those in need.

For Chaplain Miller, the most rewarding part of her work is the people—she enjoys working with incredible individuals and helping them and their families. Her compassion for serving her community drives her every day, and she wants the public to understand the importance of this program.

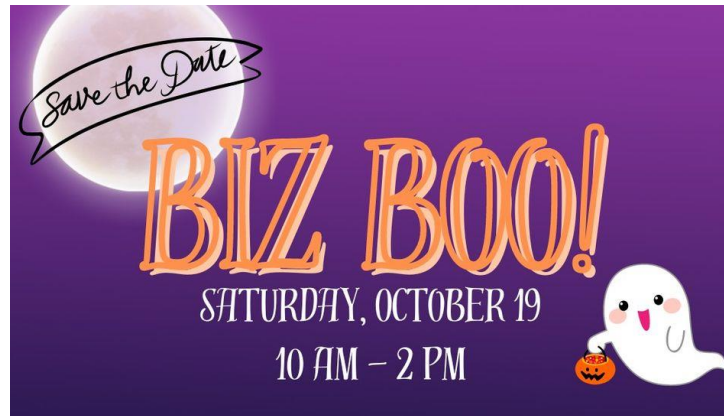

We are incredibly grateful for your service, Chaplain Miller! Thank you for everything you do for our communities. If you would like to reach out to Chaplain Miller, you can contact her via email at Janelleaj9@gmail.com.

Facebook Post (10/11/24): A big thank you to Yorkville's own Mars Wrigley for donating candy for us to hand out at Biz Boo (Saturday, 10/19) and on Halloween. We're lucky to have such good partnerships in our community!

Facebook Post (10/18/24): Don't forget to come visit the Yorkville PD tent at Biz Boo tomorrow morning from 10 am to 2 pm. We'll be in the NCG Cinemas Parking lot at 1505 N. Bridge Street!

Facebook Post (10/21/24): Our thoughts are with the friends and family of Illinois State Police Trooper Corey S. Thompsen. Trooper Thompsen was killed in an on-duty traffic crash on Friday, 10/18/24 in Champaign County. The Yorkville Police Department extends its sincere condolences to the Illinois State Police and all those that knew Trooper Thompsen.

Facebook Post (10/22/24): Chaplain Steve Saunders, from Plano Methodist Church, has served as a Chaplain for the Kendall County Association of Chiefs of Police since its inception. He answered his call to ministry in 2005 and has been with Plano Methodist Church for the past eight years. As a loving and faithful husband and father to three adult sons, and grandfather to two grandchildren, Chaplain Saunders is deeply committed to serving the community. He finds great fulfillment in having a positive impact on people's lives, especially those in need of guidance and support. When asked about the most rewarding part of being a Chaplain, Saunders simply said, "serving people." His passion for helping others is evident in everything he does. Thank you, Chaplain Saunders, for your dedication and service.

If you would like to connect with Chaplain Saunders, feel free to email him at pastor@planomethodist.org.

Facebook Post (10/28/24): This week, we're highlighting Police Chaplain Joe Holman, who has been with the Kendall County Association of Chiefs of Police Chaplains Program since its inception. Chaplain Holman serves as a full-time pastor at Warehouse Church in Aurora, where he's been making a difference since 2008. Chaplain Holman's dedication to his role as a Police Chaplain stems from his love for helping people and the joy of working with so many incredible individuals in our communities and law enforcement. He recognizes that people sometimes feel overwhelmed and need support, and he finds deep fulfillment in being there for them during those difficult moments.

When asked about the most rewarding aspect of his chaplaincy, Holman shared that it's simply helping people. He especially enjoys riding along with officers, getting to know them personally, and being a supportive presence in their lives. His message to the public is clear: he is here to listen, support, and provide guidance to anyone in need.

Thank you, Chaplain Holman, for your compassionate service to our communities and law enforcement. If you'd like to reach out to him, please contact him at jholman@icpc4cops.org.

Facebook Post (10/31/24): The Yorkville Police Department would like to CONGRATULATE Sergeant Sam Stroup for attaining his Masters Degree in Public Administration from Aurora University. WAY TO GO SAM. Your hard work and dedication paid off. We are very proud of you.

TRAFFIC COMPLAINT / ENFORCEMENT INFORMATION

In **January through October 2024**, the Yorkville Police Department had received traffic concerns for various locations in town. These concerns were established through both citizen concerns and areas of concern for the department. All citizen concerns were tracked for potential issues. In some cases to verify that the concerns needed to be further addressed, (5) five years of crash data was researched. In addition, these locations were further researched by utilizing the department's speed signs. These speed signs were able to collect traffic data related to traffic counts, speed data, and various times of day of violations. In addition, the department also relied upon its partnership with EEL.

DETECTIVE SQUAD

On 10/18/2024, Detective Ketchmark was able to secure an arrest warrant for Angelique Payne for Retail Theft. That incident, which originally occurred in September at a local business, was investigated and Payne was determined to be the suspect.

On 10/30/2024, the Investigation's Unit conducted half of the city's alcohol compliance checks. This operation was overseen by SRO Goldsmith. For this operation, a underage citizen assisted SRO Goldsmith by entering businesses in town that serve alcoholic beverages. The underage agent would attempt to purchase alcohol and, if successful, notify SRO Goldsmith. During the first half of the operation, one business sold to the minor and the person that sold the alcohol, was cited under local ordinance.
