New Business: (Out of sequence)

3. PS 2025-12 Truck Enforcement Program - Discussion

Chief Jensen said Officer Davis approached him about starting a truck enforcement program. The city had a program years ago and it dissolved in 2009. It requires special training and Officer Davis would like to start it up again.

Officer Davis said he has been with the department for 12 years and has a strong mechanical background. He said truck enforcement involves many aspects such as looking under the trucks, at the equipment and tires and more. He has taken a class about trucks, nomenclature, scales, weight restrictions on axles or tandems, etc. He added that he has made 50 stops for trucks with no tarps which are required as of January 1st for trucks hauling any type of soil, aggregate, etc. and has written many warnings to educate the drivers. Deputy Chief Carlyle said “chatter” among the drivers has resulted in them putting tarps on their loads to be in compliance. Officer Davis would like to purchase portable scales but the new price is about \$25,000. He found unused scales at the Channahon PD who gave them to Yorkville. He said he would like to work on budgeting for 2-4 more scales. Officer Davis said they have a contract with Lenny's Gas n Wash in Plano and can take overweight trucks there. He cited some examples of the stops that have been made. His goal is safety, education and compliance.

Officer Davis has focused on Corneils Rd. after complaints were received. Chief Jensen said truckers don't want to pay for truck Google which gives truck routes since there is a cost. Alderman Hyett asked if signs could be posted stating no trucks through town similar to what Plainfield did. Chief Jensen said since it is unlikely since it is a state route, though a petition

could be presented to IDOT. In terms of wear and tear, Alderman Funkhouser said one truck through town equals 9,000 cars.

Officer Davis was thanked for taking the initiative for this matter. Chief Jensen said they are working with city staff to see if truck fines can be put into a truck fund to purchase equipment for this endeavor.

Old Business: (out of sequence)

An update of the downtown traffic and speeds was provided. Chief Jensen summarized the actions taken so far and said info regarding this operation is posted on Facebook. The Chief posed the question as to what the acceptable percentage of violators is in the downtown area, since 100% compliance would be difficult to reach.

Sgt. Stroup gave the third follow-up. He said they placed automatic speed monitors in the downtown area for a month without enforcement. He reported the number of cars going both south and northbound and their speeds. He said the goal is to have only 5% of the cars with speed violations. He said stats were broken down hour by hour in an effort to make officer time there more efficient. They also discussed flexing some hours to have officers present during high speed times. Deputy Chief Carlyle added that speeds are up in the morning and afternoon.

Chief Jensen said the department goal this year is to identify and solve problems and this traffic enforcement is part of that goal. He said each officer has their own tolerance level as to when they might stop a vehicle for speeding. Aldermen said they receive favorable calls from citizens about the enforcement in the downtown and the community supports the actions.

For the next steps, Sgt. Stroup will analyze the data hour by hour and make the efforts more efficient. It will be IDOT's decision about moving the 30mph speed sign downtown which could assist in the speed enforcement. This will be brought back in November for further evaluation.

(back to regular agenda order)

Minutes for Correction/Approval: March 6, 2025 and April 10, 2025--Special

Both sets of minutes were approved.

New Business:

1. PS 2025-10 Monthly Report Review for February – May 2025

February: Chief Jensen reported on overtime hours, staffing, initiatives including the blood drive, Throwback Thursdays includes photos of years ago, several scams using AI, donations received, donations of pizza, training, crashes, directed patrols, citations and Nybers data. Alderman Soling asked if written warnings are recorded. They are recorded, therefore future stops would reflect the original stop.

March: The Chief reported on overtime, scam alerts, Facebook posts, donations, crashes, downtown details, citations and warnings.

April: There was a major case that resulted in a large amount of overtime. A new officer was hired after a record number of applicants. Also reported was training, crashes and citations.

May: The Chief reported overtime, training, crashes, directed patrols, increased citations, fewer criminal cases, missing juvenile and call volume.

Chief Jensen also noted the staff has a daily requirement of 3 traffic contacts per day.

2. PS 2025-11 Adjudication Reports for March – June 2025

Chief Jensen said the reports reflect several vehicle impounds and expired registrations. In addition, there were cases for illegal possession of cannabis and tobacco, illegal parking, commercial parking violations, dog incident, disorderly conduct, theft and operating non-highway vehicle on city roadway. The committee also discussed work trucks parking on city streets.

(#3 discussed earlier)

4. PS 2025-13 Illinois Enforcement Accreditation Program (ILEAP) Update – Discussion

Chief Jensen said the department has received accreditation from the Illinois Chiefs Association. He said they could get national accreditation, however, it would cost about \$10,000 yearly and require a full-time staff person. Illinois accreditation is highly recognized and a representative from the state will present an award at the July 22nd City Council meeting. In order to earn this achievement, 200 standards had to be complied with and all policies were reviewed. Yorkville and Oswego are the only agencies in Kendall County that have earned accreditation, and Oswego's is national.

Additional Business:

Alderman Hyett inquired about the patrol boundaries on Cannonball Trail. Yorkville has jurisdiction to approximately the cemetery and then again at Cannonball Trail and Bristol Ridge. Mr. Hyett said a couple residents who have hidden driveways in this area, asked if flashing arrows could be placed on the curve and/or “hidden driveway” signs be installed. Nearby trees also block the view. It is believed that the specific area in question is a county road. Chief Jensen said he could also do a speed study in this area. The county highway department will be contacted. The committee also briefly discussed a new proposed entrance for Wrigley near this area.

Alderman Soling said he has been receiving calls from Heartland Circle about kids and their scooters. Chief Jensen shared an email he sent to a resident on this date who had a similar complaint. He said Illinois law is unclear about the scooters and mini bikes (referred to as non-highway vehicles). Chief replied to the resident, saying there are 3 categories of these vehicles and all are governed by a different set of rules. The Chief detailed the various rules to the resident. Alderman Funkhouser said there is a lack of courtesy and yielding the right-of-way with these vehicles. Chief Jensen said they tried to be proactive this spring and went to HOA's to ask for their help due to all the complaints received. However, due to a lack of involvement by the residents, the offenders could not be identified. A drone has also been used to catch offenders.

There was no further business and the meeting was adjourned at 7:36pm.

TRAFFIC COMPLAINT / ENFORCEMENT INFORMATION

As of **November 2025**, the Yorkville Police Department had received traffic concerns for various locations in town. These concerns were established through both citizen concerns and areas of concern for the department. All citizen concerns were tracked for potential issues. In some cases to verify that the concerns needed to be further addressed, (5) five years of crash data was researched. In addition, these locations were further researched by utilizing the department's speed signs. These speed signs were able to collect traffic data related to traffic counts, speed data, and various times of day of violations. In addition, the department also relied upon its partnership with EEI.

At the conclusion of that investigation, Jamar Clinton was taken into custody and charged with Aggravated Battery to a Police Officer, Intimidation, Criminal Damage to Property, Aggravated Assault (x2), and Assault.

On November 12th, 2025, Detective Ketchmark secured an arrest warrant against Michelle Hird for Financial Exploitation of an Elderly Person (x2), and Theft (x6). This investigation began in April of 2025, after a local nursery home reported that the victim, an elderly male, finances were not being paid by Hird. After an investigation, it was determined that Hird over \$10,000 from the elderly male. As of this monthly report, Hird has not been taken into custody.

Prior to and on November 19th, 2025, Intelligence Center Officer (ICO) Goldsmith conducted a pro-active online investigation for adults looking to engage in sexual activities with minors. During that conversation, Baker and ICO Goldsmith engaged in sexual conversations and agreed to meet in Yorkville on November 19th, 2025. Baker traveled to Yorkville in an attempt to engage in sexual acts with a 16-year-old and was taken into custody without issue. Baker was charged with Traveling to Meet a Minor, Grooming, and Indecent Solicitation of a Child (all felonies).

On November 11th, 2025, Detective Johnson secured an arrest warrant against Vinshawna Brown for Violation of Murderer and Violent Offender Against Youth Registration Act and Failure to Register as a Violent Offender Against Youth (both felonies). This investigation began after it was discovered that Brown, who previously registered at an address in Yorkville, was no longer living at the address and had not been there for a substantial time. Brown never registered with a different agency or disclosed that she had moved from Yorkville to the Yorkville Police Department. As of this monthly report, Brown has not been taken into custody.

On November 13th, 2025, Detective Sergeant Nelson secured additional charges against Mark Hellenthal, who was previously arrested in April of 2025 for Murder for Hire, for Violation of Order of Protection. Summary

This memorandum proposes the addition of a Shared Service Social Worker position between the Kendall County Sheriff's Office and the Yorkville Police Department to enhance our ability to respond to mental health-related calls, crisis situations, and complex social service needs. This position would provide specialized expertise and support beyond traditional law enforcement, ensuring more effective, compassionate, and comprehensive service to the community.

Shared Service Partnership with Kendall County Sheriff's Office

This position is proposed as a shared service between the Yorkville Police Department and the Kendall County Sheriff's Office. The Social Worker would be an employee of the United City of Yorkville and assigned to support both agencies. Yorkville would administer all employment-related matters, including salary and benefits, and would invoice the Kendall County Sheriff's Office on a quarterly basis for reimbursement of its portion of the costs. The anticipated shared cost is approximately \$65,000 per agency, which would fully cover salary and insurance expenses. This structure allows both agencies to expand access to professional social work services in a fiscally responsible manner while maximizing regional collaboration and service continuity.

Background

Over recent years, the department has experienced a steady increase in calls involving mental health crises, substance abuse, homelessness, domestic conflict, and juvenile/family-related issues. These situations often require significant time, coordination, and follow-up—areas where a trained social worker can provide essential expertise and long-term support.

This position is not intended as a co-responder role; emergent calls will continue to be handled by the Association for Individual Development (AID) and their Mobile Crisis Response Team. Instead, the department's social worker would focus on post-incident follow-up, case management, and coordination of ongoing services for individuals and families.

In 2024, the department completed its second year partnering with a part-time social worker, which allowed us to provide residents with tailored resources beyond traditional police services. In the first six months, the social worker managed 27 cases, served 38 clients directly, and completed 54 follow-ups. These cases included mental health crises, suicidal behavior, domestic violence, elder assistance, veterans support, homelessness, substance abuse, and crime victim advocacy. Since the program's inception, 184 clients have been assisted across 125 cases, demonstrating both the scope of need and the program's effectiveness in providing targeted, compassionate intervention.

High-priority incidents, particularly mental health crises, require ongoing follow-up. Current part-time resources must prioritize these calls, leaving other critical community needs unaddressed. Between 2021 and early 2025, the department responded to over 1,600 domestic violence incidents and nearly 200 juvenile runaway reports—most without professional social work support.

This shared service position would expand the department's capacity to respond to complex cases, reduce repeat calls, and provide continuity of care. Timely intervention and ongoing case management

would strengthen public safety, improve officer efficiency, and generate long-term cost savings through prevention and community stabilization.

Currently, officers handle many of these situations despite limited social service training, even with Crisis Intervention Team (CIT) certification and de-escalation skills. A dedicated social worker would provide specialized expertise, allowing officers to focus on law enforcement while ensuring sustainable, community-centered outcomes.

Investing in this position represents a practical, fiscally responsible approach to enhancing public safety, improving community well-being, and addressing growing social and mental health demands.

Proposed Role and Responsibilities

The Social Worker position within the Yorkville Police Department would:

- Coordinate referrals to community mental health providers, housing resources, substance abuse programs, and family support agencies, leveraging partnerships with the Kendall County Health Department and AID.
- Assist officers in handling sensitive cases involving juveniles, domestic disputes, or at-risk individuals.
- Reduce repeat calls for service by connecting individuals to ongoing support and mental health services.
- Improve officer wellness by alleviating the emotional and operational burden associated with repeated crisis situations.
- Enhance community trust and outreach, aligning with the department's core values of service, compassion, and collaboration.

Adding a Social Worker marks a significant step forward in Yorkville's commitment to proactive, compassionate public safety. As calls for service become increasingly complex, having a trained social services professional on staff ensures our response extends beyond enforcement to include lasting support, problem-solving, and care for the individuals and families we serve. This position strengthens community outcomes, supports our officers, and represents a sustainable, cost-effective investment in the well-being of Yorkville residents.

Subject: Intergovernmental Agreement Change – School Resource Officer (SRO)

Summary

Due to recent changes in Illinois law regarding School Resource Officers (SROs), a modification to the existing Intergovernmental Agreement (IGA) between Yorkville Community School District 115 and the United City of Yorkville is being recommended.

Background

Recent amendments to Illinois statutes governing School Resource Officers necessitate a minor revision to the currently approved Intergovernmental Agreement (IGA) between the United City of Yorkville and Yorkville Community School District 115. While the statutory change does not take effect until July 1, 2026, we are recommending that discussions begin now, and that the corresponding amendment be implemented as soon as practicable.

I have met with School District Superintendent Matt Zediker and shared the proposed amendment (Exhibit A), which has already been reviewed and approved by the City Attorney. The proposed change will also undergo review by School District administration and the District's legal counsel prior to being brought forward for City Council consideration. The intent of this discussion is to ensure awareness and alignment regarding an upcoming change to the agreement.

**INTERGOVERNMENTAL AGREEMENT BETWEEN
YORKVILLE COMMUNITY UNIT SCHOOL DISTRICT 115 AND
THE UNITED CITY OF YORKVILLE
PROVIDING FOR A SCHOOL RESOURCE OFFICER**

This INTERGOVERNMENTAL AGREEMENT (the “SRO Agreement”) is dated as of [REDACTED], 2024, by and between the BOARD OF EDUCATION OF YORKVILLE COMMUNITY UNIT SCHOOL DISTRICT #115, an Illinois Public School District (hereinafter referred to as “District 115”), and the UNITED CITY OF YORKVILLE, an Illinois municipal corporation (hereafter referred to as the “City”).

WITNESSETH:

WHEREAS, the provisions of Article VII, Section 10 of the 1970 Illinois Constitution, and the provisions of the Intergovernmental Cooperation Act (5 ILCS 220/1 *et seq.*) authorized and encourage intergovernmental cooperation; and

WHEREAS, District 115 operates twelve (12) schools situated within the corporate limits of the City of Yorkville, Illinois; and

WHEREAS, District 115 desires, on a contractual basis, to have a school resource officer detailed to District 115, within the City limits of Yorkville; and

WHEREAS, the City is willing to provide such officer in exchange for the consideration specified in this Agreement and pursuant to the terms and conditions outlined herein; and

WHEREAS, a School Resource Officer is a career law enforcement officer, with sworn authority, deployed in community-oriented policing, and assigned by the City to work in collaboration with District 115 and community-based organizations; and

WHEREAS, District 115 and the City recognize that the exchange of information between them is essential to providing a safe, healthy, and violence-free school environment for all students; and

WHEREAS, District 115 and the City previously entered into an intergovernmental agreement to establish a school resource officer program where a member of the Yorkville Police Department serve as a school resource officer at a designated school(s) within District 115; and

WHEREAS, District 115 and the City determined that it is in their collective best interest to enter into a new intergovernmental agreement to address certain changes to state law and other recommended modifications to terms of the prior agreement.

NOW, THEREFORE, in consideration of the promises, covenants, terms, and conditions set forth in this Agreement, District 115 and the City hereby agree as follows:

1. **School Resource Officer Program**: District 115 and the United City of Yorkville hereby create a School Resource Officer Program (the “Program”) to facilitate a positive collaborative relationship between local law enforcement, school administration, educators, service agencies, community-based organizations, parents and students residing with the District 15 community. Additional requirements for the School Resource Officer program pursuant to this Agreement are set forth in the attached **Exhibit A**. The goal of the Program is to maintain a safe, secure environment, free of violence and fear, which will allow the educational process to occur in a natural uninhibited manner. The Program shall direct increased and focused attention to the prevention of juvenile crime through the positive, proactive involvement of law enforcement personnel, specially trained to work with high school and middle school students and school personnel with respect to the prevention of substance abuse, gang activity, violence and other forms of socially unacceptable behavior that threaten a positive educational environment.

The City shall provide one School Resource Officer (SRO) for the District who will primarily be stationed at the Yorkville High School. It is understood that the SRO can float between all District schools located within the City of Yorkville depending on the need as determined by the School Resource Officer.

2. **Reimbursable Expenses**: The School District agrees to reimburse the City for overtime costs ONLY (at 1.5 times the current hourly rate) for SRO and additional Officer services provided by the City to the School District under this SRO Agreement. Overtime for the SRO is defined as any hour worked beyond the normal eight-hour school day. Overtime for additional officers is defined as any hour worked at the request of the school district for special events (i.e. football games, dances, etc.). The Department will make every effort to assign the SRO to the requested Overtime event(s), however, if the SRO is not available a patrol officer may be assigned to fulfill the request with the approval of the District.

The number of officers assigned to district special events will be determined and agreed upon by both the District and the City. The City shall cover all salary and associated insurance, workers compensation, pension, FICA, and Medicare costs.

On a monthly basis the City will submit a written invoice to the School District with an itemized statement showing the detail description, date and time of the detail and the assigned officer’s name. The District agrees to compensate the City at the then current assigned SRO/Officer Overtime rate.

Professional development and the ability to interact with peers is important for the success of the SRO Program. While the City agrees to pay for training through the Department’s mobile training unit and all training required by law for school resource officers, the district agrees to reimburse the City for all training associated with State and National level conferences at 50% of the costs associated with such training.

3. **Insurance**: The City shall keep in full force and effect at all times during the term of this Agreement general public liability insurance, including contractual liability coverage, workers compensation insurance and such other type of insurance in amounts and with companies of self-insurance pools as are normally maintained in the ordinary course of

business against claims for injuries to persons or damage to property that might arise to the SRO.

4. **Indemnification and Hold Harmless:** To the fullest extent permitted by law District 115 agrees to indemnify and hold harmless the City, its officers, employees, officials, trustees, volunteers, agents and representative, their successors and assigns, in their individual and official capacities, from and against any and all liabilities, loss, claims, demands, liens, damages, penalties, fines, interest, costs and expenses, including without limitation, reasonable attorneys' fees and litigation costs incurred by the City arising out of any activity of District 115 in the performance of this Agreement, or any act or omission of District 115 or of any officer, employee, official, agent, representative contractor, or volunteer of District 115, but only to the extent caused by a negligent or willful and wanton act or omission of District 115.

To the fullest extent permitted by law, the City agrees to indemnify and hold harmless District 115, its officers, employees, officials, agents, representative, or volunteers, or their successors and assigns, in their individual and official capacities from and against any and all liabilities, loss, claims, demands, liens, damages, penalties, fines, interest, costs and expenses, including without limitations, reasonable attorneys' fees and litigation costs incurred by District 115 arising out of any activity of the City in the performance of this Agreement, or any act or omission of the City or of any employee, official, trustee, agent, representative, contractor, or volunteer of the City, but only to the extent caused by a negligent or willful and wanton act or omission of the City.

5. **Effective Date, Term, and Termination:** This Agreement shall become effective on the date it is signed by the duly authorized representatives of both parties and shall continue in full force and effect for a term of four (4) years. 3. The responsibilities of the SRO in the schools consist mainly of the performance of non-enforcement related activities, including community caretaking, educational, and other non-law enforcement activities contemplated in this SRO Agreement. As such, the SRO's BWC will normally remain in an inactivated (buffering) mode unless responding to calls for service or engaged in any law enforcement-related encounter or activity. In areas in which individuals have a reasonable expectation of privacy (e.g., restrooms, locker rooms, and the nurse's office), the SRO's BWC will be activated only when the SRO is responding to a call for service or engaged in a law enforcement-related encounter or activity.
4. If the SRO's BWC is activated on School District property during a school day, the SRO shall provide verbal notice of recording as required by law and City policy and shall notify the applicable school principal, assistant principal or school dean of its activation as soon as practicable.
5. All recordings made by the SRO's BWC shall constitute and be construed as records created and maintained by the City and all recordings resulting therefrom shall be retained and maintained by the City as required by law.
6. BWC camera recordings of the SRO obtained on school grounds shall not be utilized for law enforcement training purposes, except with the express consent of the Superintendent, and shall not be disseminated by the Police Department or City for any non-law enforcement purpose other than to comply with court-issued orders, subpoenas, any State or federal law, and this SRO Agreement. Unless prohibited by law, BWC camera recordings obtained on school grounds via the SRO's body camera shall also be released to the School District at the request of the School District Superintendent.
