MANAGEMENT LETTER

FOR THE FISCAL YEAR ENDED

The Honorable City Mayor
Members of the City Council

In planning and performing our audit of the financial statements of the United City of Yorkville (City), Illinois, for the year ended April 30, 2022, we considered its internal control structure in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control structure.

PRIOR RECOMMENDATIONS

1. GASB STATEMENT NO. 87 LEASES

Comment

In June 2017, the Governmental Accounting Standards Board (GASB) issued Statement No. 87, *Leases*, which provides guidance regarding the information needs of financial statement users by improving accounting and financial reporting for leases by governments. It establishes a single model for lease accounting based on the foundational principle that leases are financings of the right to use an underlying asset. Under this Statement, a lessee is required to recognize a lease liability and an intangible right-to-use lease asset, and a lessor is required to recognize a lease receivable and a deferred inflow of resources, thereby enhancing the relevance and consistency of information about governments' leasing activities. In accordance with GASB Statement No. 95, *Postponement of the Effective Dates of Certain Authoritative Guidance*, which was issued as temporary relieve to governments and other stakeholders in light of the COVID-19 pandemic, GASB Statement No. 87, *Leases* is applicable to the City's financial statements for the year ended April 30, 2023.

Recommendation

Lauterbach & Amen, LLP will work directly with the City to review the new lease criteria in conjunction with the City's current leases to determine the appropriate financial reporting for these activities under GASB Statement No. 87.

Management's Response

Management acknowledges the comment and will work with Lauterbach & Amen, LLP to implement when required.

PRIOR RECOMMENDATIONS - Continued

1. FUNDS WITH DEFICIT FUND BALANCE

Comment

Previously and during the current year-end audit procedures, we noted funds with deficit fund balance. See the following deficit fund balances at April 30, 2022 and April 30, 2021:

Fund	4/30/2022	4/30/2021
Sunflower Special Service Area	\$ -	16,200
Countryside TIF	1,182,815	1,141,784
Downtown TIF	1,639,928	1,237,549
Downtown TIF II	6,625	73,799

Recommendation

We recommended the City investigate the causes of the various deficits and adopt appropriate future funding measures.

Status

This comment has not been implemented and will be repeated in the future.

Management Response

Management is aware of the negative equity position of the Countryside TIF, Downtown and Downtown II TIF Funds, and believes that over time the development within the TIF districts will yield sufficient property tax increment to meet debt service requirements and eliminate the fund's negative equity.
