

A partnership benefitting the Yorkville

# COMMUNITY

Enjoy a day of networking, food and prizes when you golf for a cause. Your support goes directly to programs that help students and residents within the District 115 and Yorkville community. **Register your team now!**

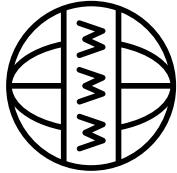

Yorkville Parks and Recreation Department brings programs, leagues, special events, and parks facilities to the Yorkville Community. It brings quality and innovative programs and park facilities that enhance the community and the residents they serve.

Yorkville Educational Foundation, the nonprofit fundraising partner of Yorkville CUSD 115, identifies and funds opportunities outside of District 115’s tax-supported budget. The Foundation has invested more than \$150,000 in grants and other funding opportunities since 2017.

## ♥ Your Support Matters

**Last year, your support empowered us to raise more than \$10,000 for one-of-a-kind projects for District 115 student and staff.**

Thanks to your generosity, the District 115 Early Childhood Center was able to have an end-of-year celebration which was attended by an author and illustrator of the book on display at the Yorkville StoryWalk! Additionally, all of our littlest learners receive an at-home library.

You also helped us fund a sensory-support library and an adaptive library at two schools! Thank you for making this a success.
