

#### **INTENT AND PURPOSE**

The purpose of this application is to allow unincorporated land that is contiguous and adjacent to the Yorkville corporate limits to annex into the City. All newly annexed land is automatically zoned to the most restrictive classification under the city's zoning ordinance (R-1 Single-Family Suburban Residence District). Therefore, all voluntary annexation petitions which are seeking a different zoning classification will have to adhere to the rezoning process outlined in "Title 10, Chapter 8, Section 12: Map Amendments."

This packet explains the process to successfully submit and complete an Application for Annexation. It includes a detailed description of the process, outlines required submittal materials, and contains the application.

For a complete explanation of what is legally required throughout the process, please refer to "Title 10, Chapter 8, Section 13 Annexations" of the Yorkville, Illinois Unified Development Ordinance.

#### APPLICATION PROCEDURE

STEP

APPLICATION

**SUBMITTAL** 

#### SUBMIT APPLICATION, FEES, AND PLANS TO THE COMMUNITY DEVELOPMENT DEPT.

The following must be submitted:

- ☐ One (1) original signed and notarized application.
- ☐ Legal description of the property in Microsoft Word.
- Three (3) copies each of the exhibits, proposed drawings, location map, and site plan. All exhibits and plans must be an appropriate size for all details and descriptions to be legible.
- ☐ Appropriate application and filing fee. Checks may be written to the United City of Yorkville.
- ☐ Signed Applicant Deposit Account/Acknowledgment of Financial Responsibility form.
- ☐ One (1) electronic copy (PDF) of all materials submitted including application and exhibits.

Within one (1) week of submittal, the Community Development Department will determine if the application is complete or if additional information is needed. An incomplete submittal could delay the scheduling of the project.

The petitioner is responsible for payment of recording fees and public hearing costs, including written transcripts of the public hearing and outside consultant costs (i.e. legal review, land planner, zoning coordinator, environmental, etc.). The petitioner will be required to establish a deposit account with the City to cover these fees.

Once a submitted and complete application is received, Community Development staff will provide a tentative schedule of meetings as well as all needed documents for the process.

STEP 2

PLAN COUNCIL

#### **MEETS ON THE 2ND & 4TH THURSDAY OF THE MONTH**

#### This step is dependent on the complexity of requests and may be skipped at the discretion of staff.

The petitioner must present the proposed request to the Plan Council. The members of the Council include the Community Development Director, City Engineer, the Building Department Official, the Public Works Director, the Director of Parks and Recreation, a Fire Department Representative, and a Police Department Representative. This meeting is held to provide the petitioner with guidance from all City staff departments to ensure the petitioner is aware of all requirements and regulations for their development. Upon recommendation by the Plan Council, the petitioner will move forward to the Economic Development Committee.

**STEP** 

3

ECONOMIC DEVELOPMENT COMMITTEE

#### MEETS ON THE 1ST TUESDAY OF THE MONTH

The petitioner must present the proposed plan to the Economic Development Committee. The committee consists of four alderman who will provide feedback to the petitioner regarding their request. This feedback allows the petitioner to gather comments and concerns prior to full City Council considerations. It also allows the City Council members to review the request prior to its arrival at City Council.

STEP 4 city

**PUBLIC** 

**HEARING** 

#### MEETS ON THE 2ND & 4TH TUESDAY OF THE MONTH

If there is **not** a request for rezoning or variances as part of an Annexation Agreement, then the request does not require a public heariing and the petitioner will proceed directly to Step 5.

If there is a **request for rezoning or variances as part of an Annexation Agreement**, a public hearing conducted by the City Council is required. The public hearing notice will be drafted by the City as well as published in a local newspaper. Additionally, a public hearing notice sign must be placed on the property no less than fifteen (15) days prior to the public hearing. The City Council will hold a public hearing on the request, take public comments, and discuss the request.

STEP 5

CITY

#### MEETS ON THE 2ND & 4TH TUESDAY OF THE MONTH

The petitioner will attend the City Council meeting where the annexation request will be reviewed. Depending on the complexity of the request this meeting may be held at the same meeting of the public hearing. If approved, City staff will have a drafted ordinance to be signed by the Council and must be recorded with the County Clerk before any further steps may be taken by the petitioner.

#### **NECESSARY NOTIFICATIONS**

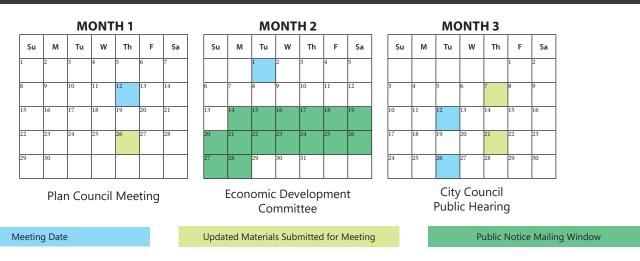

The entities listed below must be notified in writing, by certified or registered mail, of the proposed annexations at least ten (10) days prior to the action taken at City Council. Notices must be delivered to the individual board members at their respective home addresses:

- 1	- 1	Irrictooc	ot the	a tira	nroto	action	dictrict

Township Highway Commissioner,	Township Trustees	s, Township Supervisor,	and Township	Clerk,	if land to	be	annexed
includes any highway under towns	hip jurisdiction						

#### **SAMPLE MEETING SCHEDULE**

This is a sample of what a schedule may look like after submission. The Step 1 Submission must be completed before the Plan Council Meeting can be scheduled. This timeline represents an ideal schedule. Throughout the review process, there may be requests or changes to the submission requested by the committees which may delay the meeting schedule. As illustrated, there is a small amount of time between meeting dates and the deadline for updated materials to be submitted for review. Depending on the complexity and nature of the request, this timeline may be extended to give the petitioner and staff enough time to review requested updates to the submission.

#### **DORMANT APPLICATIONS**

The Community Development Director shall determine if an application meets or fails to meet the submission requirements. If the Director determines that the application is incomplete it will become dormant under these circumstances:

- The applicant has been notified of such deficiencies and has not responded or provided a time line for completing the application within ninety (90) days from the time of notification.
- The applicant has not responded in writing to a request for information or documentation from the initial planning and zoning commission review within six (6) months from the date of that request.
- The applicant has not responded to a request for legal or engineering deposit replenishment for city incurred costs and fees within ninety (90) days from the date of the request.

If the Community Development Director has sent the required notice and the applicant has not withdrawn their application or brought it into compliance, then the director shall terminate the application. After termination, the application shall not be reconsidered except after the filing of a completely new application.

Withdrawal or termination of an application shall not affect the applicant's responsibility for payment of any costs and fees, or any other outstanding debt owed to the city. The balance of any funds deposited with the city that is not needed to pay for costs and fees shall be returned to the applicant. (Ord. 2011-34, 7-26-2011 and Section 10-8-2: General Application Requirements)

PROJECT NUMBER:	FUND ACCOUNT NUMBER:	PROPERTY ADDRESS:				
PETITIONER DEPOSIT ACCOUNT FUND:  It is the policy of the United City of Yorkville to require any petitioner seeking approval on a project or entitlement request to establish a Petitioner Deposit Account Fund to cover all actual expenses occurred as a result of processing such applications and requests. Typical requests requiring the establishment of a Petitioner Deposit Account Fund include, but are not limited to, plan review of development approvals/engineering permits. Deposit account funds may also be used to cover costs for services related to legal fees, engineering and other plan reviews, processing of other governmental applications, recording fees and other outside coordination and consulting fees. Each fund account is established with an initial deposit based upon the estimated cost for services provided in the INVOICE & WORKSHEET PETITION APPLICATION. This initial deposit is drawn against to pay for these services related to the project or request. Periodically throughout the project review/approval process, the Financially Responsible Party will receive an invoice reflecting the charges made against the account. At any time the balance of the fund account fall below ten percent (10%) of the original deposit amount, the Financially Responsible Party will receive an invoice requesting additional funds equal to one-hundred percent (100%) of the initial deposit if subsequent reviews/fees related to the project are required. In the event that a deposit account is not immediately replenished, review by the administrative staff, consultants, boards and commissions may be suspended until the account is fully replenished. If additional funds remain in the deposit account at the completion of the project, the city will refund the balance to the Financially Responsible Party. A written request must be submitted by the Financially Responsible Party to the city by the 15th of the month in order for the refund check to be processed and distributed by the 15th of the following month. All refund checks will be mad

FINANCIALLY RESPONSIBLE PARTY:  I acknowledge and understand that as the Financially Responsible Party, expenses may exceed the estimated initial deposit and, when requested by the United City of Yorkville, I will provide additional funds to maintain the required account balance. Further, the sale or other disposition of the property does not relieve the individual or Company/Corporation of their obligation to maintain a positive balance in the fund account, unless the United City of Yorkville approves a Change of Responsible Party and transfer of funds. Should the account go into deficit, all City work may stop until the requested replenishment deposit is received.
