# APPLICATION FOR SPECIAL USE

## INTENT AND PURPOSE

The purpose of the zoning code is based upon the authority of the City to divide its land into districts by use, bulk, and structures, in a substantially uniform manner. It is recognized that while some uses are permitted under the zoning code to keep uniformity, a case-by-case analysis must be conducted for certain permitted uses to discover the impact of those uses on neighboring land. In these cases a special use must be granted.

This packet explains the process to successfully submit and complete an Application for Special Use. It includes a detailed description of the process, outlines required submittal materials, and contains the application for special use.

For a complete explanation of what is legally required throughout the Special Use process, please refer to "Title 10, Chapter 8, Section 5: Special Uses" of the Yorkville, Illinois Unified Development Ordinance.

## APPLICATION PROCEDURE

### STEP

# 1

#### APPLICATION SUBMITTAL

### SUBMIT APPLICATION, FEES, AND PLANS TO THE COMMUNITY DEVELOPMENT DEPT.

The following must be submitted:

- ☐ One (1) original signed and notarized application.
- ☐ Legal description of the property in Microsoft Word.
- ☐ Three (3) copies each of the exhibits, proposed drawings, location map, and site plan. All exhibits and plans must be an appropriate size for all details and descriptions to be legible.
- ☐ Appropriate application and filing fee. Checks may be written to the United City of Yorkville.
- ☐ Signed Applicant Deposit Account/Acknowledgment of Financial Responsibility form.
- ☐ One (1) electronic copy (PDF) of all materials submitted including application and exhibits.

Within one (1) week of submittal, the Community Development Department will determine if the application is complete or if additional information is needed. An incomplete submittal could delay the scheduling of the project.

The petitioner is responsible for payment of recording fees and public hearing costs, including written transcripts of the public hearing and outside consultant costs (i.e. legal review, land planner, zoning coordinator, environmental, etc.). The petitioner will be required to establish a deposit account with the City to cover these fees.

Once a submitted and complete application is received, Community Development staff will provide a tentative schedule of meetings as well as all needed documents for the process.

### STEP

# 2

## STEP 3

### ECONOMIC DEVELOPMENT COMMITTEE

#### MEETS ON THE 1ST TUESDAY OF THE MONTH

The petitioner must present the proposed plan to the Economic Development Committee. The committee consists of four alderman who will provide feedback to the petitioner regarding their request. It also allows the City Council members to review the request prior to its arrival at City Council.

## STEP 4

### PLANNING & ZONING COMMISSION

#### MEETS ON THE 2ND WEDNESDAY OF THE MONTH

The petitioner will attend and present their request at a public hearing conducted by the Planning and Zoning Commission. The Planning and Zoning Commission will conduct a public hearing on the request, take public comments, discuss the request, and make a recommendation to City Council. No special use shall be recommended by the Planning and Zoning Commission unless it follows the standards set forth in City's Zoning Ordinance.

The petitioner is responsible for sending certified public hearing notices to adjacent property owners within five hundred (500) feet of the subject property no less than fifteen (15) days and no more than thirty (30) days prior to the public hearing date. The public hearing notice will be drafted by the City as well as published in a local newspaper. Additionally, a public hearing notice sign must be placed on the property no less than fifteen (15) days prior to the public hearing.

A certified affidavit must be filed by the petitioner with the Community Development Department containing the names, addresses and permanent parcel numbers of all parties that were notified. The Certified Mailing Affidavit form is attached to this document.

Meeting Date

Updated Materials Submitted for Meeting

Public Notice Mailing Window

This is a sample of what a schedule may look like after submission. The Step 1 Submission must be completed before the Plan Council Meeting can be scheduled. This timeline represents an ideal schedule. Throughout the review process, there may be requests or changes to the submission requested by the committees which may delay the meeting schedule. As illustrated, there is a small amount of time between meeting dates and the deadline for updated materials to be submitted for review. Depending on the complexity and nature of the request, this timeline may be extended to give the petitioner and staff enough time to review requested updates to the submission.

## DORMANT APPLICATIONS

The Community Development Director shall determine if an application meets or fails to meet the submission requirements. If the Director determines that the application is incomplete it will become dormant under these circumstances:

- The applicant has been notified of such deficiencies and has not responded or provided a time line for completing the application within ninety (90) days from the time of notification.
- The applicant has not responded in writing to a request for information or documentation from the initial planning and zoning commission review within six (6) months from the date of that request.
- The applicant has not responded to a request for legal or engineering deposit replenishment for city incurred costs and fees within ninety (90) days from the date of the request.

If the Community Development Director has sent the required notice and the applicant has not withdrawn their application or brought it into compliance, then the director shall terminate the application. After termination, the application shall not be reconsidered except after the filing of a completely new application.

Withdrawal or termination of an application shall not affect the applicant's responsibility for payment of any costs and fees, or any other outstanding debt owed to the city. The balance of any funds deposited with the city that is not needed to pay for costs and fees shall be returned to the applicant. (Ord. 2011-34, 7-26-2011 and Section 10-8-2: General Application Requirements)

## PROTEST TO APPLICATIONS

In the event of written protest against any proposed Special Use, signed and acknowledged by the owners of twenty (20) percent of the frontage adjacent thereto, or across an alley, or directly opposite therefrom, such Special Use shall not be granted except by the favorable vote of two-thirds ( $\frac{2}{3}$ ) of all members of the City Council. In such cases of written protest, a copy of the written protest shall be served by the protestor(s) on the applicant for the proposed Special Use and a copy upon applicant's Attorney, if any, by certified mail at the address of such applicant and attorney shown in the application for the proposed Special Use.

# APPLICANT DEPOSIT ACCOUNT/ ACKNOWLEDGMENT OF FINANCIAL RESPONSIBILITY

PROJECT NUMBER:	FUND ACCOUNT NUMBER:	PROPERTY ADDRESS:
-----------------	-------------------------	-------------------

## PETITIONER DEPOSIT ACCOUNT FUND:

It is the policy of the United City of Yorkville to require any petitioner seeking approval on a project or entitlement request to establish a Petitioner Deposit Account Fund to cover all actual expenses occurred as a result of processing such applications and requests. Typical requests requiring the establishment of a Petitioner Deposit Account Fund include, but are not limited to, plan review of development approvals/engineering permits. Deposit account funds may also be used to cover costs for services related to legal fees, engineering and other plan reviews, processing of other governmental applications, recording fees and other outside coordination and consulting fees. Each fund account is established with an initial deposit based upon the estimated cost for services provided in the **INVOICE & WORKSHEET PETITION APPLICATION**. This initial deposit is drawn against to pay for these services related to the project or request. Periodically throughout the project review/approval process, the Financially Responsible Party will receive an invoice reflecting the charges made against the account. At any time the balance of the fund account fall below ten percent (10%) of the original deposit amount, the Financially Responsible Party will receive an invoice requesting additional funds equal to one-hundred percent (100%) of the initial deposit if subsequent reviews/fees related to the project are required. In the event that a deposit account is not immediately replenished, review by the administrative staff, consultants, boards and commissions may be suspended until the account is fully replenished. If additional funds remain in the deposit account at the completion of the project, the city will refund the balance to the Financially Responsible Party. A written request must be submitted by the Financially Responsible Party to the city by the 15th of the month in order for the refund check to be processed and distributed by the 15th of the following month. All refund checks will be made payable to the Financially Responsible Party and mailed to the address provided when the account was established.

## FINANCIALLY RESPONSIBLE PARTY:

I acknowledge and understand that as the Financially Responsible Party, expenses may exceed the estimated initial deposit and, when requested by the United City of Yorkville, I will provide additional funds to maintain the required account balance. Further, the sale or other disposition of the property does not relieve the individual or Company/Corporation of their obligation to maintain a positive balance in the fund account, unless the United City of Yorkville approves a Change of Responsible Party and transfer of funds. Should the account go into deficit, all City work may stop until the requested replenishment deposit is received.
