Thursday, June 12

Blackberry Oaks Golf Course (2245 Kennedy Rd, Bristol)

The United City of Yorkville and Yorkville Education Foundation have joined together to provide a day of networking, food, and prizes as you golf for a cause in the FORE! (Friends of Recreation and Education) Yorkville Golf Outing! Your support goes directly to programs that help special needs students within District 115 and the residents within the Yorkville Community!

Your Support Matters

Our community relies on the business, families, and friends that attend each year! Your continued support allows us to serve our community with outstanding educational opportunities, family programs, and recreational activities. Funds raised during this golf outing benefit students with a wide range of academic abilities. The FORE! Golf Outing showcases the innovative educational programs that exist within the community and the students who benefit from them.
