APPLICATION FOR PLANNED UNIT DEVELOPMENT

INTENT AND PURPOSE

Planned Unit Developments (PUD) are unique and differ substantially from conventional subdivisions. Therefore they require administrative processing as "special uses". PUD's are a complex type of special use, potentially consisting of various land uses and design elements, requiring the establishment of more specific procedures, standards and exceptions from the strict application of the zoning district regulations. Under this procedure, well-planned residential, industrial/manufacturing, commercial and other types of land uses, individually or in combination, may be developed with design flexibility allowing for full utilization of the topographical and environmental characteristics of the site.

This packet explains the process to successfully submit and complete an Application for Planned Unit Development. It includes a detailed description of the process, outlines required submittal materials, and contains the application.

For a complete explanation of what is legally required throughout the PUD process, please refer to "Title 10, Chapter 8, Section 8: Planned Unit Developments" of the Yorkville, Illinois Unified Development Ordinance.

APPLICATION PROCEDURE

STEP

1

PRE-APPLICATION CONFERENCE

The petitioner must contact the City Administrator or designee to arrange a pre-application conference. The pre-application conference is an informal discussion of the proposed PUD plan. City staff shall review and provide input on the proposal's compatibility with the goals and policies of the City. The staff will also decide whether the existing zoning and land use in the general area of the PUD is appropriate. No commitments will be made, nor will any statements or opinions made by the staff be considered binding.

STEP

2

APPLICATION SUBMITTAL

SUBMIT APPLICATION, FEES, AND PLANS TO THE COMMUNITY DEVELOPMENT DEPT.

The following must be submitted:

- One (1) original signed and notarized application.
- Legal description of the property in Microsoft Word.
- Three (3) copies each of the exhibits, proposed drawings, location map, and site plan. All exhibits and plans must be an appropriate size for all details and descriptions to be legible.
- Appropriate application and filing fee. Checks may be written to the United City of Yorkville.
- Signed Applicant Deposit Account/Acknowledgment of Financial Responsibility form.
- One (1) electronic copy (PDF) of all materials submitted including application and exhibits.

Within one (1) week of submittal, the Community Development Department will determine if the application is complete or if additional information is needed. An incomplete submittal could delay the scheduling of the project.

The petitioner is responsible for payment of recording fees and public hearing costs, including written transcripts of the public hearing and outside consultant costs (i.e. legal review, land planner, zoning coordinator, environmental, etc.). The petitioner will be required to establish a deposit account with the City to cover these fees.

Once a submitted and complete application is received, Community Development staff will provide a tentative schedule of meetings as well as all needed documents for the process.

Meeting Date

Updated Materials Submitted for Meeting

Public Notice Mailing Window

This is a sample of what a schedule may look like after submission. The Step 1 and Step 2 Submission must be completed before the Plan Council Meeting can be scheduled. This timeline represents an ideal schedule. Throughout the review process, there may be requests or changes to the submission requested by the committees which may delay the meeting schedule. As illustrated, there is a small amount of time between meeting dates and the deadline for updated materials to be submitted for review. Depending on the complexity and nature of the request, this timeline may be extended to give the petitioner and staff enough time to review requested updates to the submission.

It is the policy of the United City of Yorkville to require any petitioner seeking approval on a project or entitlement request to establish a Petitioner Deposit Account Fund to cover all actual expenses occurred as a result of processing such applications and requests. Typical requests requiring the establishment of a Petitioner Deposit Account Fund include, but are not limited to, plan review of development approvals/engineering permits. Deposit account funds may also be used to cover costs for services related to legal fees, engineering and other plan reviews, processing of other governmental applications, recording fees and other outside coordination and consulting fees. Each fund account is established with an initial deposit based upon the estimated cost for services provided in the **INVOICE & WORKSHEET PETITION APPLICATION**. This initial deposit is drawn against to pay for these services related to the project or request. Periodically throughout the project review/approval process, the Financially Responsible Party will receive an invoice reflecting the charges made against the account. At any time the balance of the fund account fall below ten percent (10%) of the original deposit amount, the Financially Responsible Party will receive an invoice requesting additional funds equal to one-hundred percent (100%) of the initial deposit if subsequent reviews/fees related to the project are required.
