# **UNITED CITY OF YORKVILLE PARKS AND RECREATION DEPARTMENT ATHLETIC FIELD & TOURNAMENT RESERVATION POLICY**

## **Athletic Field Policy**

The Athletic Field Reservation policy of the United City of Yorkville has been established to provide a systematic method by which athletic fields (baseball, softball and soccer) may be reserved by the residents of the community. A reservation is not required for athletic field use for occasional play or pick up games. For league play (which includes multiple days, or week play for both games and practices) a permit is required and will guarantee use for the dates and times specified on the permit.

## **Objectives**

- To provide maximum utilization of athletic fields through centralized scheduling
- To provide an impartial distribution of athletic fields to the various community groups who wish to reserve fields
- To plan cooperatively with other community agencies to enhance individual and group recreational needs
- To provide recreational activities which take into consideration the needs of the community
- To provide the best possible maintenance of athletic fields using available manpower and monetary resources

## **Rental Categories**

**Category A** Government and non-profit organizations whose participants are comprised 100% of United City of Yorkville residents

**Category B** Private groups and individuals which are comprised of at least 80% United City of Yorkville residents.

**Category C** Business or corporations which are located within the United City of Yorkville boundaries.

**Category D** Governmental, non-profit organizations, businesses, corporations, and private groups which are located outside the United City of Yorkville boundaries.

## **Athletic Field Use Priorities**

When scheduling reserved use of athletic fields, the following priorities shall be established:

1. United City of Yorkville Park and Recreation sponsored programs
2. Yorkville School District
3. Youth Leagues that have approved cooperative agreements with the City of Yorkville.
  - a. League agreements considered in-house (i.e. primarily Yorkville residents playing games against other Yorkville residents) will be given first priority.
  - b. In the event there are multiple in-house agreements approved by the City, priority for field use shall be given to the agreement with more Yorkville residents as participants. Total field usage between competing in-house agreements shall be proportional to the total amount of Yorkville residents served by each agreement.
  - c. League agreements considered travel (i.e. primarily Yorkville residents playing games against other area leagues, groups, or organizations) will be given second priority.

4. Other athletic programs within the community requesting to reserve an athletic field(s) on a seasonal basis.
5. Private groups or individuals requesting to reserve an athletic field(s) on a single or multiple dates.
6. Other

Athletic fields may be used on a drop-in basis by any group or individual without a reservation on a first come first serve basis. Drop-in use is limited to 2 hours and *does not* include any organized league games. Groups or individuals with an approved reservation or permit and City programs will have priority use.

In case of inclement weather, the United City of Yorkville Park and Recreation Department shall make the final decision regarding playability of all fields.
