## City Survey Final Analysis

Author:

United City of Yorkville

06/04/2013

## Summary

An analysis of the results from the City Services Survey in 2013.

## Background

The City Council first authorized a survey on City Services in February 2012. Due to the success of last year's survey, the Council authorized staff to administer the survey for 2013. The survey was open to all City residents on surveymonkey.com from March through May. The survey was password protected. Passwords were sent to each utility billing account and residence through utility bills and direct mail. Random groups of residents were also direct mailed to increase survey participation rate.

We sent utility bills and direct mails to 5,501 households and businesses and received 479 responses (all from residential addresses). This is an 8.7% response rate, which is low but among current trends in web-only surveys. The total number of respondents dropped from 530 last year, but our total response rate is up slightly from 8.3% last year. We did have 4 people take the survey by phone, and 4 people call for supplemental passwords (more than one person in the household took the survey).

## Findings

### **Question 2 – Please rate your satisfaction with each City service**

<b>City Service</b>	<b>2012 Average</b>	<b>2013 Average</b>	<b>Satisfaction Improvement</b>	<b>% Satisfaction Increase</b>
Quality of police services	1.95	1.90	0.05	2.56%

Maintenance of streets, sidewalks, and infrastructure	3.38	3.51	-0.13	-3.85%

The ranking of City services from most satisfied to least satisfied was:

(1 very satisfied, 2 satisfied, 3 neutral, 4 dissatisfied, 5 very dissatisfied)

**Question 2 – Please rate your satisfaction with each City service**

a. The most common response (mode) for each City service was:

City Service	Most Common Response 2012	Most Common Response 2013	% in this category 2012	% responses in this category 2013
Quality of police services	Satisfied	Satisfied	44.87%	48.93%
Response time of police services	Satisfied	Satisfied	32.95%	33.19%
Quantity of parks provided	Satisfied	Satisfied	44.64%	45.79%
Quality of parks	Satisfied	Satisfied	49.22%	55.36%
Quality of refuse, recycling, & yardwaste collection services	Satisfied	Satisfied	47.56%	54.53%
Quality of wastewater services	Satisfied	Satisfied	50.98%	56.47%
Quality of special events offered	Satisfied	Satisfied	42.75%	46.24%
Quality of customer service (any department)	Satisfied	Satisfied	42.38%	46.00%
Quality of stormwater management system	Satisfied	Satisfied	47.64%	52.15%
Quality of flood prevention	Satisfied	Satisfied	46.26%	51.20%
Quality of water services	Satisfied	Satisfied	49.41%	53.81%
Quality of recreation programming offered	Satisfied	Satisfied	37.38%	38.10%
Quality of customer service during building inspections*	N/A	N/A	45.49%	46.24%
City communication with public (not from elected officials)	Neutral	Neutral	39.38%	38.61%
Quantity of recreation classes offered*	Satisfied	Satisfied	33.07%	33.77%
Quality of property maintenance services (weeds, unsafe buildings, etc.)*	Neutral	Satisfied	34.05%	34.05%
Communication with your elected officials	Neutral	Neutral	37.21%	39.09%
Flow of traffic / congestion management*	Dissatisfied	Dissatisfied	29.75%	32.97%
Maintenance of streets, sidewalks, and infrastructure	Dissatisfied	Dissatisfied	29.71%	29.25%

\*Represents a differentiation in the median score, with the median value being Neutral

Based on these results we can see there has not been a great deal of change in respondents' opinions from last year to this year. We did see a large enough increase in "Quality of property maintenance services" to have its most common response jump from neutral in 2012 to satisfied in 2013, however this does not tell the whole story as the median score is still neutral. Overall we did see an increase in the rating scores from last year in most of our categories, with the highest increase being the quantity of parks provided at a 6.25% increase. However, 6 categories did see a drop in respondents' satisfaction levels. The two most significant decreases were both related to recreation, which seems to reflect the decision on the REC Center.

**Question 2 – Please rate your satisfaction with each City service.**

Staff analyzed the comments associated with Question 2, and came up with the following analysis:

<b>Comments:</b>	<b># of Comments in 2012</b>	<b># of Comments in 2013</b>
Specific complaint about a service we are providing	38	30
More services per tax dollar	60	27
Taxes or fees are too high for the level of service	34	19
Displeasure with the City's choice to not purchase the Rec Center	0	6
Requests for a reduced emphasis on recreation classes and programming	0	5
Comments related to the construction on RT 47	0	3
Requests to eliminate health insurance for elected officials	0	3
Citation of a lack of customer service/communication from City Hall and elected officials	0	3
Positive comments related to communication from their elected officials	0	2
Snow plow issues	0	2
Requests for a park district	0	1
Requests for Yorkville to no longer host special events	0	1
Complaint related to the Rec Center transitioning process	0	1
Request for reduced staffing at YBFD	0	1
Request to eliminate the garbage subsidy for seniors	0	1
Request to reduce our number of police officers	0	1
Thanking those who raised funds for the bike paths	0	1
Input for elected officials	12	0
Cited recreation classes were too expensive	5	0
Compliments on existing services	4	0
Input on whether to keep the REC Center	3	0

**Question 3 – Which three of the items listed below do you think should receive the most emphasis from City leaders over the next two years (Choose the three most important)**

The following is a list of items from most emphasis to least emphasis

<b>Which three of the items listed below do you think should receive the most emphasis from City leaders over the next two years? (Choose the three most important)</b>			
<b>Answer Options</b>	<b>2012 Response Percent</b>	<b>2013 Response Percent</b>	<b>Percent Change</b>
Maintenance of streets, sidewalks, and infrastructure	78.2%	80.6%	2.4%
Flow of traffic / congestion management	60.7%	60.5%	-0.2%
Quality of police services	24.6%	23.5%	-1.1%
Quality of property maintenance services (weeds, unsafe buildings, etc.)	23.0%	19.4%	-3.6%
Communication with your elected officials	15.9%	17.5%	1.6%
City communication with public (not from elected officials)	15.5%	14.3%	-1.2%
Quality of water services	16.3%	12.3%	-4.0%
Quality of recreation programming offered	6.9%	10.8%	3.9%
Quantity of recreation classes offered	5.6%	10.6%	5.0%
Quality of refuse, recycling, and yardwaste collection services	9.5%	6.3%	-3.2%
Quality of parks	6.3%	6.0%	-0.3%
Quantity of parks provided	4.8%	4.5%	-0.3%
Quality of stormwater management system	4.2%	4.1%	-0.1%
Quality of special events offered	N/A	4.1%	N/A
Quality of customer service (any department)	6.3%	3.5%	-2.8%
Quality of wastewater services	3.0%	3.5%	0.5%
Quantity of special events offered	4.6%	3.2%	-1.4%
Quality of flood prevention	3.8%	2.8%	-1.0%
Quality of customer service during building inspections	0.6%	0.4%	-0.2%

From analysis this chart, one can see there has not been a significant change among the various areas which the Council should focus on for this coming year. 13 of the categories saw a percent change decline while the other 5 saw an increase from the previous year. The largest decrease was in the quality of water services, which fell by 4%. The largest increase was in the quantity of recreation classes offered, which increased by 5%. Overall the top three choices remained the same from last year.

**Question 4 – Rank these City Council goals in order from most important to least important.**

The following is the sorted rankings of the six options, from most important to least important:

<b>Answer Options</b>	<b>2012 Average</b>	<b>2013 Average</b>	<b>Percent Change</b>
Attract commercial development	2.06	2.03	1.46%
Attract manufacturing and light industrial development	2.75	2.71	1.45%
Work on completion of unfinished subdivisions	3.12	3.17	-1.60%
Keep citizens informed on City government activities	3.52	3.65	-3.69%
Attract attainable housing for people at every stage of life	4.29	4.18	2.56%
Expand cultural activities	4.98	4.96	0.40%

(1 most important of this group.....6 least important of this group)

**Question 5 - Approximately 10 cents of each property tax dollar you pay goes to the City. The City’s portion of property tax pays for the following services: Police, Public Works (street maintenance, snow plowing), Building, Zoning, Planning, Finance, Administration, and Parks and Recreation. The remaining 90 cents goes to the Library, County, Township, School District, Community College, Fire Protection, and Forest Preservation. Please rate your satisfaction with each item: value you receive for your tax dollars, image of the city, quality of services, quality of life in the city.**

The most common response for all four categories was “satisfied.” This question is one that will be best judged over time. Based on the responses from last year, one can clearly see an increase in the level of satisfaction in each category. There also was a level of increase in the percent of responses which were neutral and decrease in the number of dissatisfied responses in every category except for the “value you receive for City tax dollars and fees” which saw an increase in the percent of dissatisfied responses and a decrease in the number of neutral.

Another way to look at the results is to combine the counts for satisfied and very satisfied into “satisfaction” and dissatisfied and very dissatisfied into “dissatisfaction”. Cumulative percentage breakdowns are as follows:

Answer Options	2012 Satisfaction	2013 Satisfaction	Percent Change
Value you receive for City tax dollars and fees	38.7%	45.3%	6.6%
Image of the City	45.7%	47.3%	1.6%
Quality of City services	58.5%	62.3%	3.8%
Quality of life in the City	62.0%	65.4%	3.4%

Answer Options	2012 Neutral	2013 Neutral	Percent Change
Value you receive for City tax dollars and fees	35.7%	20.9%	-14.8%
Image of the City	24.5%	27.0%	2.5%
Quality of City services	13.1%	24.2%	11.1%
Quality of life in the City	12.3%	19.8%	7.5%

Answer Options	2012 Dissatisfaction	2013 Dissatisfaction	Percent Change
Value you receive for City tax dollars and fees	25.2%	33.1%	7.9%
Image of the City	29.3%	24.8%	-4.5%
Quality of City services	28.0%	13.3%	-14.7%
Quality of life in the City	25.4%	14.2%	-11.2%

**Question 5 - Approximately 10 cents of each property tax dollar you pay goes to the City. The City's portion of property tax pays for the following services: Police, Public Works (street maintenance, snow plowing), Building, Zoning, Planning, Finance, Administration, and Parks and Recreation. The remaining 90 cents goes to the Library, County, Township, School District, Community College, Fire Protection, and Forest Preservation. Please rate your satisfaction with each item: value you receive for your tax dollars, image of the city, quality of services, quality of life in the city.**

Staff analyzed the comments associated with Question 5, and came up with the following analysis:

<b>Comments:</b>	<b># of Comments in 2012</b>	<b># of Comments in 2013</b>
Specific complaint about a service we are providing	10	26
Taxes or fees are too high for the level of service	36	14
Suggestions or input related to how development should occur in Yorkville	0	8
More services per tax dollar	28	7
Input for elected officials	9	4
Questioning the current vision and direction of the City	0	4
Compliment on existing services.	1	3
Request to slow development or keep small town characteristics	3	0
Complaints regarding the school system	3	0
Request not to purchase the REC Center	1	0

**Question 6 - What do you consider to be the major assets and advantages of living in Yorkville? (check all that apply)**

The following is the list of assets and advantages, ranked by most frequently mentioned to least frequently mentioned:

<b>What do you consider to be the major assets and advantages of living in Yorkville? (check all that apply)</b>			
<b>Answer Options</b>	<b>2012 Response Percent</b>	<b>2013 Response Percent</b>	<b>Percent Change</b>
Location	53.5%	56.0%	2.5%
Friendliness of residents	57.9%	54.8%	-3.1%
Residential Neighborhoods	53.9%	51.6%	-2.3%
Schools	37.0%	43.1%	6.1%
Housing Quality	28.9%	28.7%	-0.2%
Housing Costs	24.8%	28.7%	3.9%
Shopping	19.2%	17.2%	-2.0%
Recreational amenities	19.2%	12.8%	-6.4%
Transportation	2.7%	3.0%	0.3%

By looking at the phrasing of the question, we can gain some interesting insights to the responses. The question asks what are the major assets and advantages – out of the nine choices, only 3 received a mark above 50%. Even though people cite location as the biggest advantage to living in Yorkville, they are not enamored by the transportation services. That could be due to the road system maintenance. Also, comparing last year’s numbers to this year’s, two categories changed by over five percent. Schools saw an increase of 6.1% and Recreational Amenities saw a decrease of 6.4%. The decline in recreational amenities is most likely tied to the closure of the Rec Center. While no other changes from last year’s responses were over five percent, it is important to note that Location moved from being the third most cited asset in 2012 to the number one most cited asset in 2013.

**Question 7 – Please rate your satisfaction for each police service.**

The list of police services from most satisfied to least satisfied is:

<b>Please rate your satisfaction for each police service.</b>			
<b>Answer Options</b>	<b>2012 Average</b>	<b>2013 Average</b>	<b>Percent Change</b>
How quickly police respond	2.11	2.09	0.9%
Visibility of police in your neighborhood	2.31	2.24	3.0%
Enforce traffic laws on major streets	2.27	2.25	0.9%
Efforts to prevent major crime	2.29	2.26	1.3%
Quality of non-enforcement services	2.34	2.33	0.4%
Visibility of police in retail areas	2.44	2.42	0.8%
Enforce traffic laws in your neighborhood	2.57	2.59	-0.8%

(1 very satisfied, 2 satisfied, 3 neutral, 4 dissatisfied, 5 very dissatisfied)

All seven categories were rated between satisfied and neutral, even though police services in question 2 had scores that averaged between very satisfied and satisfied. The difference between the two average ratings in both questions is not much. I consider this movement in opinion to be nothing more than a change in the alternative options – meaning police services in general tend to look much more satisfactory when they are compared to street maintenance and park activities.

Of particular note for staff is that residents regard our traffic enforcement on major streets to be much better than neighborhood streets. Obviously, there are far fewer major streets than neighborhood streets and residents tend to be much more concerned with speeding in their own neighborhoods.

There also was not a significant change from last year to this year in the various categories. The largest change was that respondents now feel more satisfied with the visibility of police in their neighborhood. This caused it to move up two spots from the 2012 survey.

**Question 8 – Which three public safety items listed below do you think should receive the most emphasis from City leaders over the next two years? (Choose the three most important)**

The following is a list of public safety items listed by percent of response:

<b>Which three of the public safety items listed below do you think should receive the most emphasis from City leaders over the next two years? (Choose the three most important)</b>			
<b>Answer Options</b>	<b>2012 Response Percent</b>	<b>2013 Response Percent</b>	<b>Percent Change</b>
Efforts to prevent major crime	73.5%	74.3%	0.8%
Visibility of police in your neighborhood	54.8%	55.1%	0.3%
Visibility of police in retail areas	43.5%	38.6%	-4.9%
Enforce traffic laws on major streets	31.4%	36.2%	4.8%
How quickly police respond	34.1%	31.9%	-2.2%
Enforce traffic laws in your neighborhood	27.5%	27.2%	-0.3%
Quality of non-enforcement services	16.4%	14.5%	-1.9%

In analyzing the results from this question, we can clearly see individuals are concerned with an overwhelming emphasis on efforts to prevent major crime as well as a strong police presence in the neighborhood and retail areas as well as, these are the same areas cited by residents in the previous year. This would incline one to believe the issue lies in the level of staffing or patrol of certain areas, as the concern for crime prevention is related to the visibility of the police in particular areas. When comparing to last year, there was only one switch in ranking and that was that respondents now feel the enforcement on major streets is more important than how quickly police respond.

**Question 9- Please read each statement and rate your level of agreement or disagreement.**

The following two questions asked are related to the general feelings of safety and community:

**2013 City Services Survey Responses**

Please read each statement below and rate your level of agreement or disagreement:						
Answer Options	Strongly Agree	Agree	Neutral	Disagree	Strongly disagree	Rating Average
Yorkville is a good place to raise kids.	125	253	70	10	3	1.94
Yorkville is safer than surrounding communities.	93	223	116	25	4	2.18

(1 strongly agree, 2 agree, 3 neutral, 4 disagree, 5 strongly disagree)

**2012 City Services Survey Responses**

Please read each statement below and rate your level of agreement or disagreement:						
Answer Options	Strongly Agree	Agree	Neutral	Disagree	Strongly disagree	Rating Average
Yorkville is a good place to raise kids.	147	257	80	16	3	1.95
Yorkville is safer than surrounding communities.	107	243	131	20	5	2.16

(1 strongly agree, 2 agree, 3 neutral, 4 disagree, 5 strongly disagree)

Based on the response, individuals have a feeling Yorkville is safer than surrounding communities and is a good place to raise kids. There are very few individuals who disagree and an even smaller number of people who strongly disagree with either statement. Also, last year's averages were 1.95 for Yorkville being a good place to raise kids and 2.16 for Yorkville being safer than surrounding communities, meaning there was almost no change in the rating average.

**Question 10- Please rate your satisfaction for each public works service.**

The following is a list of public works items and the overall level of satisfaction ranked from most satisfied to least satisfied:

Answer Options	2012 Average	2013 Average	Percent Change
Snow removal on major streets	2.10	1.93	8.1%
Mowing and trimming along major streets	2.28	2.19	3.9%
Cleanliness of streets and other public areas	2.24	2.25	-0.4%
Snow removal on neighborhood streets	2.53	2.26	10.7%
Maintenance of street signs	2.31	2.33	-0.9%
Maintenance of City street lighting	2.35	2.43	-3.4%
Maintenance of City sidewalks	2.89	2.97	-2.8%
Maintenance of neighborhood streets (entrances to subdivisions, streets in front of your house)	3.07	3.16	-2.9%
Maintenance of major City streets (i.e. Game Farm Road, Fox Road, Van Emmon Road)	3.28	3.48	-6.1%

(1 very satisfied, 2 satisfied, 3 neutral, 4 dissatisfied, 5 very dissatisfied)

From a comparison standpoint, only 3 of the 9 answer options have improved in rating from last year to this year. The three which saw improvement were snow removal on major streets, mowing and trimming along major streets, and snow removal on neighborhood streets. Both answer options related to snow removal increased drastically, showing the department has indeed improved in this area. On the opposite end of the spectrum, there was a decline in the general satisfaction levels of the other six options. The largest decline was maintenance of major City streets. This should not be a total surprise as the City is well aware of their current road situation and has made road maintenance and reconstruction a priority moving forward.

The overall consensus appears to be satisfactory ratings with the city's snow removal, lighting, cleanliness and mowing. However, there are neutral opinions in relation to the maintenance of the neighborhood and city streets as well as sidewalks. This can be attributed to a high level of unsatisfied responses on these questions. One can see the number of dissatisfied and very dissatisfied actually outweighs the number satisfied for the maintenance of major city streets.

**Question 10- Please rate your satisfaction for each public works service.**

Further analysis of the comments provides additional insight:

<b>Comments:</b>	<b># of Comments in 2012</b>	<b># of Comments in 2013</b>
Roads which needed improvement and better overall maintenance of streets	32	15
Request for street signs to be added or replaced or better lighting in a neighborhood	5	10
Compliment on existing services	4	7
Issues with the snow removal process	17	5
Concerns regarding mowing and upkeep of abandoned lots and the removal of weeds intersections	6	4
Requests for more sidewalks	5	4
Taxes or fees are too high for the level of service	1	4
Displeasure with the the current trash and recycling provider	0	2
Need for more bike paths	0	1
Suggestion for more trees near Riemenschneider Park	1	0

**Question 11- Which three of the public works items listed below do you think should receive the most emphasis from City leaders over the next two years? (Choose the three most important).**

The following is a list of public works items, ranked by most frequently mentioned to least frequently mentioned:

Answer Options	2012 Response Percent	2013 Response Percent	Percent Change
Maintenance of major City streets (i.e. Game Farm Road, Fox Road, Van Emmon Road)	74.8%	82.9%	8.1%
Maintenance of neighborhood streets (entrances to subdivisions, streets in front of your house)	63.8%	63.4%	-0.4%
Maintenance of City sidewalks	32.4%	34.6%	2.2%
Snow removal on neighborhood streets	31.6%	22.6%	-9.0%
Cleanliness of streets and other public areas	29.2%	28.3%	-0.9%
Snow removal on major streets	24.3%	17.1%	-7.2%
Maintenance of City street lighting	17.9%	21.9%	4.0%
Mowing and trimming along major streets	10.3%	9.0%	-1.3%
Maintenance of street signs	5.4%	5.3%	-0.1%

By looking at the response to this question, only two areas generated a large response of over 50%. Both of these services are directly related and it further suggests respondents are not satisfied with the maintenance of major streets and neighborhood streets. This can be directly related to the responses generated in questions 6 and 9, where transportation was not highly rated and the majority of comments were related to addressing certain roads.

Also, looking from last year to this year, one can see a large increase in the the level of emphasis that respondents feel should be placed on maintenance of major City streets. This category saw an 8% increase. Also looking at the numbers from last year, it is clear to see that snow removal on both major and neighborhood streets fell substantially. This follows the trend found in question 10 that residents have become more satisfied with our snow removal process than they were in 2012. However, this may be attributed to a winter which did not feature large amounts of snowfall.

**Question 12- Which of the following are/were your primary sources of information about City issues, services, and events? (check all that apply)**

The following is a list of media outlets, ranked by most frequently used to least frequently used:

Answer Options	2012 Response Percent	2013 Response Percent	Percent Change
Kendall County Record	73.8%	71.8%	-2.0%
City newsletter	31.7%	47.0%	15.3%
Utility bill inserts	43.1%	46.2%	3.1%
Yorkville Patch	24.0%	39.4%	15.4%
Website (includes audio / video files of City meetings)	22.2%	27.1%	4.9%
Beacon News	24.0%	22.8%	-1.2%
WSPY Radio	13.9%	12.0%	-1.9%
City facebook page	1.6%	10.3%	8.7%
Contact with elected officials	11.1%	7.2%	-3.9%
Other	5.4%	2.8%	-2.6%
City twitter account	0.2%	2.4%	2.2%
Govt Access TV (FVTV)	2.4%	1.5%	-0.9%

The response generated shows the citizens use a variety of mediums to stay informed, however it appears the most effective avenues are the Kendall County Record, City Newsletter, and the utility bill inserts. Analysis of the comments offers some clarity into other sources by which news is discovered:

Comments:	# of Comments in 2012	# of Comments in 2013
Word of mouth	18	5
Reiteration of above response	0	4
Unaware they could contact Aldermen	0	3
No form of communication and offered suggestions on current City practices, such as mailings and FVTV	0	3
Council meetings	7	2
Request to reinstate the newsletter	9	2
“Yorkville Preview”	0	2
Unaware of the city website, facebook or twitter pages	4	0
Local church or community center	3	0
Flyers	1	0
Recommended creating a community board similar to the one found in North Aurora	1	0

When comparing this year’s data to the 2012 data, one can see that a few communication outlets made significant increases. The City Newsletter, which was reinstated this past year through the

Recreation Center Catalogue, and the Yorkville Patch both increased by over 15%. The City Facebook and Twitter page also saw significant increases in usage, due to the efforts of staff to continually inform citizens of this form of communication. This is important because it shows that residents are utilizing the City's social media outlets and the number of residents using social media is increasing.

**Question 13- If you do not use any of the communication outlets described in the prior questions, what would be the best avenue to inform you of City issues, news, and events?**

Staff analyzed the 31 comments offered by the respondents. A breakdown of those comments is as follows:

- a. 11 comments claimed they would prefer to be contacted through mailings, preferably in the form of a newsletter
- b. 9 comments requested communication through e-mail via a weekly or monthly news blast which residents could opt into or out of as they wished.
- c. 4 comments stated they were not sure if there was any other way to be communicated with other than those already described
- d. 4 comments restated an option listed in the previous question
- e. 1 comment called for the elected officials to hold neighborhood meetings in order to disseminate information
- f. 1 comment claimed Council meetings are the only way in which they are communicated
- g. 1 comment stated the only way they will receive information is through word of mouth

This was a new question introduced in 2013, therefore there is not any data to compare it against from last year's survey.

**Question 14- Please rate your satisfaction with each item below:**

The following is a list of the quality of certain avenues used to keep constituents informed, ranked from highest satisfaction to lowest:

Answer Options	2012 Average	2013 Average	Percent Change
Quality of City newsletter	2.56	2.46	3.9%
Efforts to keep you informed about issues	2.79	2.53	9.3%
Quality of website	2.58	2.56	0.8%
Quality of City facebook page	2.95	2.68	9.2%
Quality of City twitter account	2.96	2.88	2.7%
Quality of government access TV station	3.01	2.97	1.3%

(1 very satisfied, 2 satisfied, 3 neutral, 4 dissatisfied, 5 very dissatisfied)

The city newsletter was a very effective way of reaching the population and of keeping individuals informed. Last year we suggested that the lack of knowledge of the City Facebook and Twitter could attribute to their neutral ratings. The increase in satisfaction may represent that more individuals are now aware of these outlets and that they are satisfied with its ability to keep them informed. Also, the increase in use of our social media could directly relate to the 9% increase in satisfaction with our efforts to keep citizens informed on City Hall issues. Also, with each major storm, flood, or major event the number of likes on our page increases significantly. So, we can expect an increase in the use of our facebook and twitter accounts over time as our updates are shared during these events.

Along with this there was also an area for comments and these were analyzed to produce the following information:

Comments:	# of Comments in 2012	# of Comments in 2013
Were not aware of these forms of communication	10	12
Requests for increased updates to the website	3	6
Do not agree with the use of facebook and twitter	10	4
Displeasure with the audio levels on FVTV and the lack of availability on satellite TV	0	4
Suggestions on how to improve our communication	0	2
Suggestion for an online method of payment for utilities	1	1
Reiteration of above response	0	1
Requests to reinstate the newsletter	30	0
Suggestion for an annual newsletter	1	0

**Question 15- Please rate your satisfaction with how each event is run:**

The following is an average rating of the satisfaction with the way these events are run, based on responses and ranked from highest satisfaction to lowest:

Answer Options	2012 Rating Average	2013 Rating Average	Percent Change
Music Under the Stars	2.24	2.07	7.6%
Hometown Days	2.16	2.13	1.4%
Holiday Under the Stars	2.29	2.19	4.4%
5k runs (Tax Dodge, Chili Chase, etc.)	2.46	2.33	5.3%
Outdoor Movies	N/A	2.33	N/A
Ribs on the River	N/A	2.40	N/A
National Night Out	2.55	2.44	4.3%
Halloween Egg Hunt	N/A	2.46	N/A
Easter Express	N/A	2.48	N/A

(1 very satisfied, 2 satisfied, 3 neutral, 4 dissatisfied, 5 very dissatisfied)

Based on these comments and the ratings, we can draw the conclusion that residents are typically satisfied with these events. From last year to this year, respondents have improved their overall rating of each of these events and each one rates as satisfied. However, a number of these events received a high number of N/A's, most likely due to a lack of attendance at these events by the individual respondents. In addition, it is important to note that there was a 200% increase in participation at all City sponsored special events.

Staff also analyzed comments associated with Question 15 and came up with the following:

Comments:	# of Comments in 2012	# of Comments in 2013
Unaware of these events or did not attend	18	24
Against any event that used tax payer dollars	0	7
Suggestions on how to improve Hometown Days	10	7
Supportive of all of these events as positive community influences	5	7
Suggestions to improve one of the events	0	4
Suggestions on how to increase attendance at these events	0	3
Suggestions for new events	0	2
Against any event that ran a deficit	14	0
Concerns on the City's level of involvement in environmental events	6	0
Okay with events if they run on a balanced budget	5	0
Suggestion to have Music Under the Stars sponsored by a corporate entity	1	0

**Question 16- Please rank the events, from your most favorite to least favorite.**

The following is the order in which responders ranked these events and it is accompanied by the overall average rating for each event.

Answer Options	Rating Average
Hometown Days	2.20
Music Under the Stars	3.13
Holiday Under the Stars	3.42
Ribs on the River	4.06
Outdoor Movies	5.26
National Night Out	5.75
5k runs (Tax Dodge, Chili Chase)	6.34
Halloween Egg Hunt	6.79
Easter Express	7.21

These ratings are based on a simple calculation from 1 representing the most favorite and 7 representing the least favorite. It is clearly evident the order in which residents favor certain events over others based on these scores. 5 of these events scored higher than 5, showing they are either not as favored as the others or less attended and if the City is looking to replace an event or eliminate costs associated with special events, these may be the ones to consider.

**Question 17- Are there any types of special events you would like to see the City engage in?**

Staff analyzed the 75 comments provided and were able to breakdown the responses into the following categories:

- a. 23 comments stated their displeasure with the City spending any money on any events or called for the City to stop hosting certain events
- b. 8 comments stated they would be interested in a 4<sup>th</sup> of July event
- c. 6 comments voiced interest in a food/beverage tasting event
- d. 6 comments stated they would like to see an antique car show
- e. 6 comments expressed their interest in more musical events
- f. 4 comments called for more or larger farmers markets
- g. 2 comments expressed their interest in an art show type of event
- h. 2 comments offered suggestions on how to improve current events
- i. 18 comments were unique and were not similar to any others

This was a new question introduced in 2013, therefore there is not any data to compare it against from last year's survey.

**Question 18- Which type of businesses or industry would you most like to see in Yorkville?**

Provided is a pie chart demonstrating the breakdown of responses to this question:

Answer Options	2012 Response Percent	2013 Response Percent	Percent Change
Retail/shopping opportunities	55.6%	56.6%	-1.0%
Light manufacturing areas	24.3%	25.6%	-1.3%
Office Developments	13.8%	10.7%	3.1%
Heavy manufacturing or industrial	6.4%	7.1%	-0.7%

Based on the above chart and the figures from last year’s survey, it is clear there has not been a large shift in the general opinion of the respondents as most of the categories only changed by a minor margin. Also, the comments provide further insight into these broad categories with specifics on what individuals are looking for. Staff analyzed the comments associated with Question 18, and came up with the following analysis:

Comments	# of Comments 2012	# of Comments 2013
Addition of Restaurants	22	26
Addition of any Business	24	16
Addition a miscellaneous industry	0	5
Do not add businesses	8	4
Addition a Grocery Store	3	4
Bring in Manufacturing	0	4
Addition of entertainment, such as Movie Theater	4	2
Addition of more National Brands	0	1
Suggestion on where businesses should locate	3	0
Addition of a car dealership	2	0
Addition of a Currency Exchange	1	0

**Question 19- What specific companies or brands do you want to see open a retail store in Yorkville?**

Staff analyzed the 275 comments yielding 802 suggestions with 171 specific companies associated with this question and was able to derive the following general analysis:

<b>Comment</b>	<b>2012 Comment Total</b>	<b>2013 Comment Total</b>
Dining Facility	313	266
Specialty Store	225	229
Supermarket	202	185
General Purpose	134	104
Service Industries	43	34
Miscellaneous	5	23

These comments provided a good picture of what the residents of Yorkville are looking for. While there was an overall decline in comments compared to the 2012 survey, there are still a number of conclusions which can be reached. These are that residents are looking for family style restaurants, a grocery store, and more clothing stores. They also mentioned a number of places which are not common to the area and would give Yorkville a distinct advantage to draw in shoppers from nearby suburbs. These are places such as Trader Joe's, a major bookstore, and an Arts and Crafts store. Another conclusion is that people are for places which can offer general retail allowing individuals to meet multiple shopping needs in one location. These desires are also similar to the ones expressed in last years' survey.

Further analysis into the specific responses from the previous year provided the following analysis:

<b>Comment</b>	<b>2012 Comment Total</b>	<b>2013 Comment Total</b>

## Question 20- What suggestions do you have to improve the quality of life in Yorkville?

Of the 244 comments, our staff was able to analyze and draw the following summaries related to comments provide. For convenience, these comments have been grouped into sections based on their frequency of mentions and have their own analysis provided:

<b>Comments</b>	<b># of Comments in 2012</b>	<b># of Comments in 2013</b>
Taxes are too high	66	49
Improve the road system	48	34
Request for Economic Development	66	33
Request for more services	17	26
Request to beautify Downtown and Riverfront	29	18
Addition of the Bike Trails and Sidewalks	23	15

The comments above are in the same proportion as last year (there were more survey respondents in 2012). One notable change is the comments on economic development. During the survey last year, the Imperial Investments downtown projects were just starting to open, and we had not yet landed the NCG Movie Theater. Accordingly, the calls for more economic development were cut in half. The most frequently cited comment this year is that taxes are too high, which is the same front runner as last year, but requests for more services increased over last year.

<b>Comments</b>	<b># of Comments in 2012</b>	<b># of Comments in 2013</b>
Requests for more Recreation Programs	0	15
Form a park district	0	9
Improve the School System	9	9
Improve Council responsiveness to taxpayer needs	18	9
Water quality Concerns	2	5
Call for better police enforcement of codes	18	5
Lack of Communication	5	4
Compliments on services	7	3
Suggestions to improve various special events	3	3
Requests for more environmental sustainability programs	2	3
Disband Health Care for elected officials	2	2

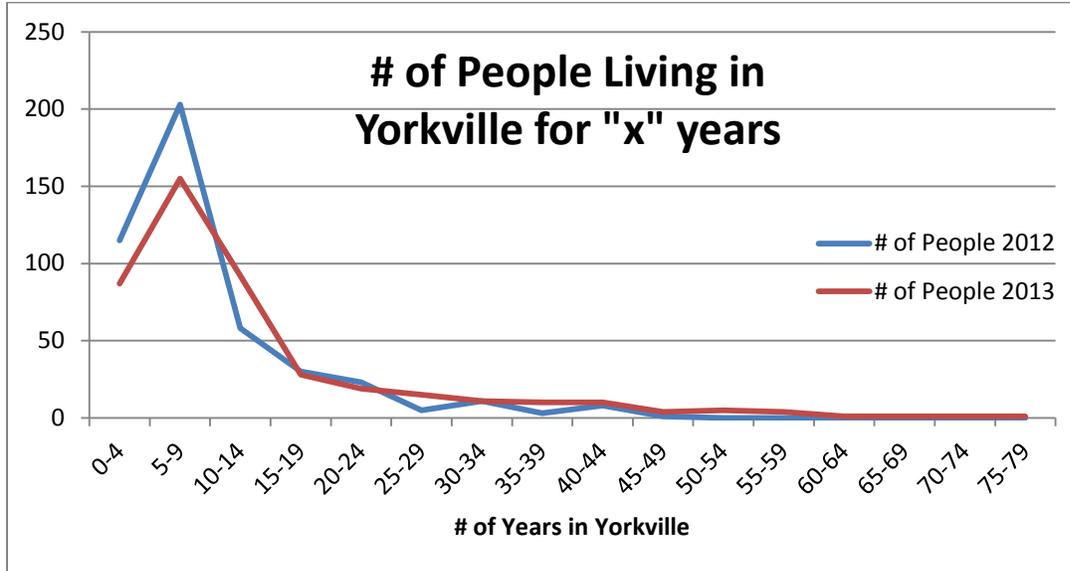

The comments from this year show two new categories which received a decent number of comments and both are related to Parks and Recreation. These comments relate to requests for more recreation programs and for the formation of a park district. Both of these are most likely tied to the City's recent decision to leave Club 47. Other items of note are that there are fewer comments related to Council responsiveness and police enforcement of City codes and ordinances.

The remaining comments were miscellaneous in nature and were either stated in 2012 or 2013 only, however more than person may have mentioned the issue. The following chart outlines the central ideas found in these comments:

<b>Comments</b>	<b># of Comments in 2012</b>	<b># of Comments in 2013</b>
Request to reduce the size of government	0	2
There are too many issues	0	2
Request to no longer use SSA's	0	1
Avoid the formation of a park district	0	1
Open House event with Police and Fire Departments	0	1
Request for more funds to be diverted from the County to the City	0	1
Do not pursue economic development	3	0
Request for more community service opportunities	3	0
Statement to sell the Rec Center	2	0
Request for a modular park	1	0
Call to remove the landfill on Green Farm located on Fox Road	1	0
Statement that the North and South are not actually united	1	0
Request for a Hospital	1	0
Complaint regarding water runoff near Route 47	1	0

**Question 21- How many years have you lived at your current residence?**

The following is a graph showing the number of people who have been living in Yorkville at each time interval compared with the numbers from last year:

From this graph we can conclude the majority of surveyors are in their first ten years at their current residence. In fact, the ratio from our responders to this question is that approximately 62% are within their first ten years of residence in Yorkville (275 of the 444 survey takers). We also can conclude that the demographic breakdown in this category is very similar to the figures from last year, except that we seem to have picked up more long term residents and lost a number of new residents responses.

**Question 22- In which ward do you currently reside?**

The following chart breakdown of which ward the residents who took the survey are located:

Answer Options	2012 Response Percent	2013 Response Percent
Ward 1 (Alderman Koch, Alderman Colosimo)	20.00%	23.30%
Ward 2 (Alderman Milschewski, Alderman Kot)	12.00%	14.00%
Ward 3 (Alderman Munns, Alderman Funkhouser)*	13.70%	13.50%
Ward 4 (Alderman Spears, Alderman Teeling)	21.10%	13.50%
I don't know	33.30%	35.70%

As one can see there is little change in this demographic information from 2012 to 2013, however the most significant change was a 7.5% decrease in respondents from Ward 4.

**Question 23- Which City and State did you live in prior to moving to Yorkville? If you have lived here your entire life, please write "lifelong resident" or similar.**

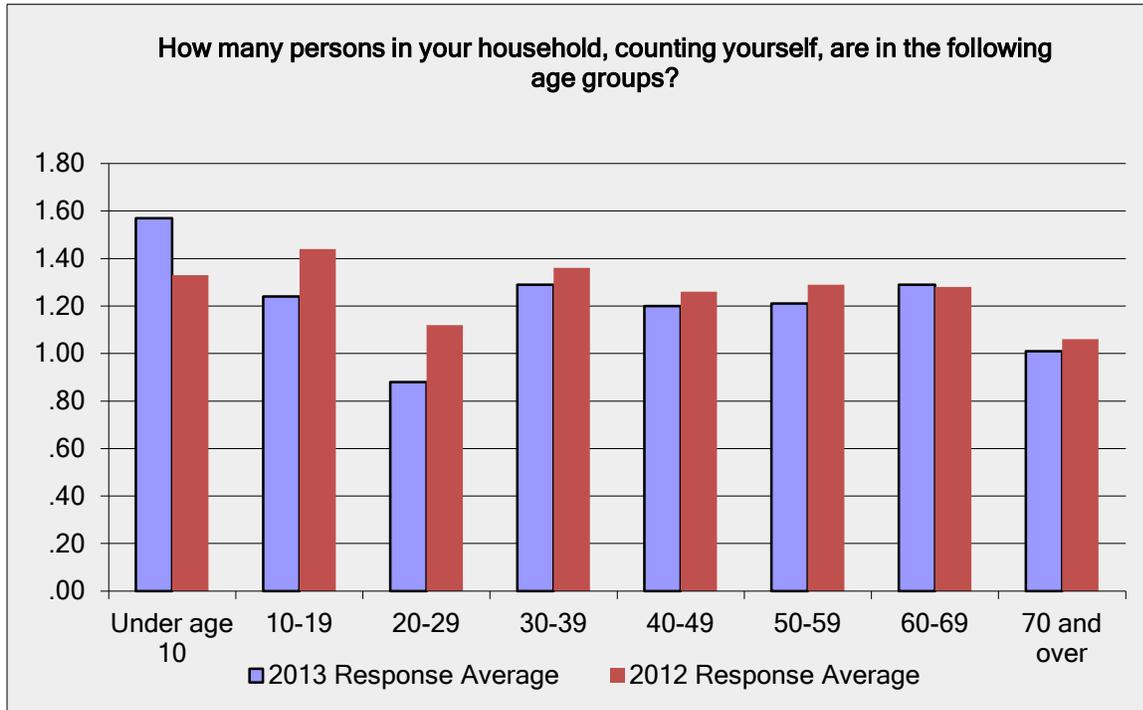

This demographic data generated 429 responses representing 136 different cities. Only 28 survey takers were lifelong residents, which is lower than the total of 40 from last year. The majority of responders lived in Aurora where there are 58 which was the same as last year, Naperville at 34 (45 last year), Oswego at 26 (40 last year), and Montgomery at 15 (23 last year). Of the responders approximately 312 live in Chicago Suburbs, which is 5 fewer when compared to last year's figure of 317. There is also representation from multiple states in the country other than Illinois but none more than one or two people. The states represented are California, Colorado, Connecticut, Florida, Hawaii, Indiana, Iowa, Kansas, Louisiana, Maryland, Michigan, Minnesota, Missouri, Nebraska, New Jersey, New Mexico, Ohio, Oklahoma, Pennsylvania, South Carolina, Texas, Tennessee, Virginia, Washington and Wisconsin. Also, one individual listed France as their prior residence.

**Question 24- Do you own or rent your current residence?**

95% of responders own their own home, which explains the large support for maintenance of the roadways in neighborhoods because the state of the roads in their neighborhood have a direct effect their daily commutes, making it one of the most frequently used services. Also, the percentages this year were the exact same as they were the year before.

**Question 25- How many persons in your household, counting yourself, are in the following age groups?**

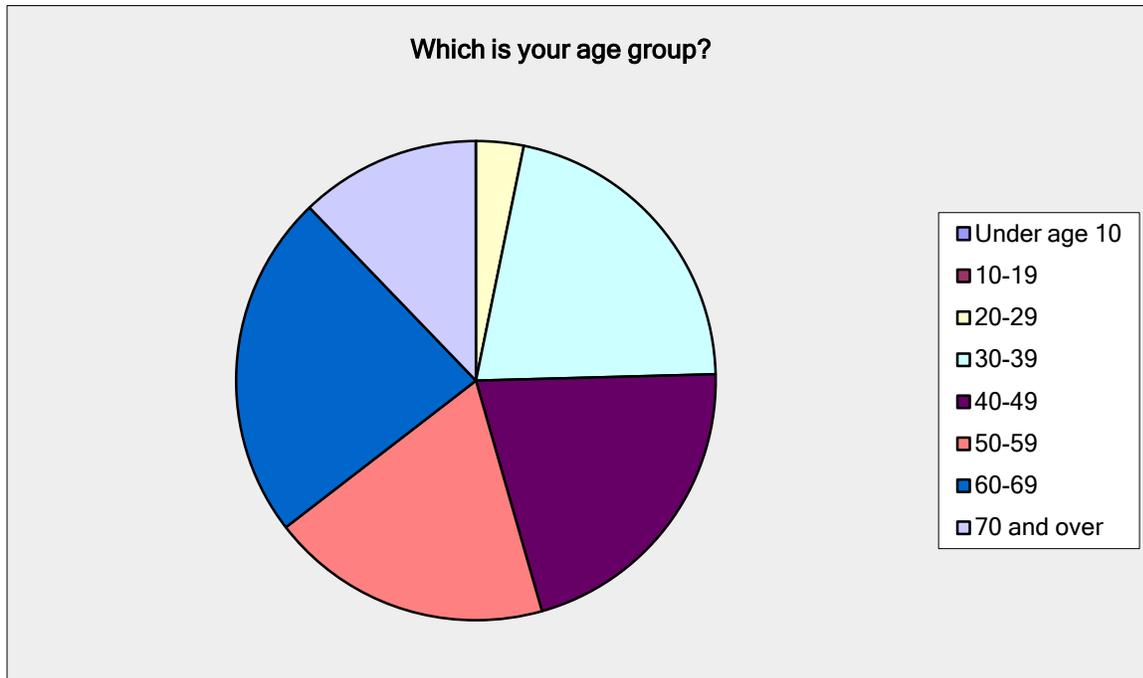

The following is a chart to represent the household demographics of the responders and is based on the average for each age group:

This year's graph shows under age ten as the largest group in each household. When compared to the census data some clear discrepancies arise. 34% of the responses are represented by the age groups of 50+. The groups of 50-59, which represent 10% of the census, 60-69 which represent 6% and 70+ which only represent 5% (for a total of 21%) all show a level of input in the survey which is similar to the other age groups. This will result in a skew in the data. One final item to place in this conclusion is the 442 responders appear to represent almost 1,250 people.

**Question 26- Which is your age group?**

The following shows the representation of the various age groups in this survey:

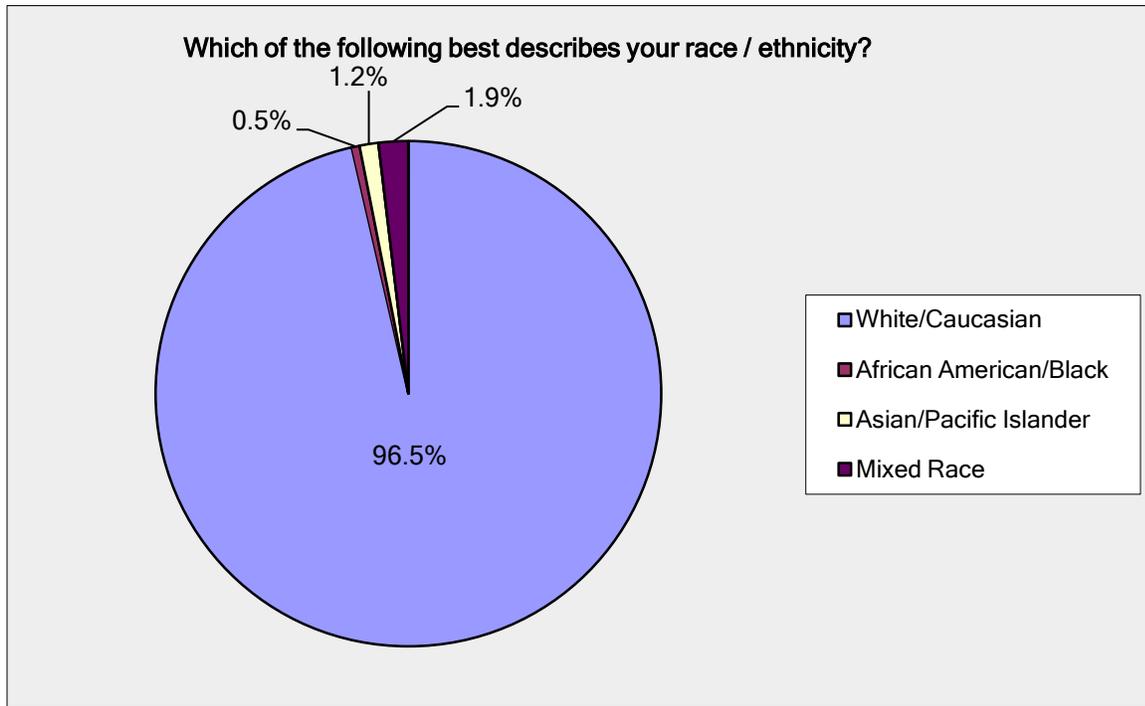

No one in group “under age 10” and “10-19” completed this survey.

Which is your age group?		
Answer Options	2012 Response Percent	2013 Response Percent
Under age 10	0.00%	0.00%
10-19	0.00%	0.00%
20-29	5.50%	3.20%
30-39	23.30%	21.40%
40-49	21.00%	21.00%
50-59	22.90%	19.00%
60-69	17.00%	23.30%
70 and over	10.50%	12.2%

The data above further demonstrates the various levels of input from the different age groups. This data does not appear to be representative on its face, because over 50% of the collected response came from the ages 50+. This is not representative of the overall population according to the most recent US Census data. Also, there appears to be an increase in the percentage of individuals who took this survey that fall into the 60-69 and 70+ age groups than in the previous year, while all the other age groups decreased in percentages, except 40-49 which remained the same.

**Question 27- Which of the following best describes your race / ethnicity?**

The following is the breakdown of the race according to responders:

Also left out were 5 who responded Hispanic as their race. These figures are almost identical to last years.

**Question 28- What is your gender?**

At approximately 56% the male population is represented more than the female, although the population according to the US Census is approximately 50/50. However, when compared to last year, this year's figures show a 2% increase in the number of female respondents.

**Question 29- Is there any way in which this survey can be improved?**

Staff analyzed the 107 responses to this question and derived the following analysis:

- a. 43 comment stated they did not believe there was a way to improve the survey and did not offer any suggestions
- b. 10 comments requested the survey be shortened
- c. 7 comments wanted clarification on how they could be informed of the results and how they could be informed of the Council's plan based on those results
- d. 6 comments suggested most of the questions were leading and should not be centered around spending
- e. 5 comments wanted the opportunity for more comments
- f. 5 comments suggested adding a "Prefer not to answer" or "Have not used" option
- g. 5 comments suggested the survey contain questions related to what they deemed the "real issues" i.e. taxes, spending habits, health care
- h. 3 comments requested the survey be more user friendly in the sense that it be easier to access the website and not require passwords that are long
- i. 3 comments were for the survey to be available in print
- j. 3 comment requested the addition of particular questions
- k. 2 comments asked for similar or duplicate questions to be removed
- l. 2 comments requested taxpayer dollars stop being spent on a survey
- m. 2 comments requested a progress indicator
- n. 1 comment was to allow a way for the survey to be reviewed prior to submission
- o. 1 comment asked for the column headings to freeze when scrolling down
- p. 1 comment suggested offering a 10% water bill discount for all respondents
- q. 1 comment stated that they were disappointed they did not see actual monkeys when they took the survey
- r. 1 comment was to voice their displeasure with eliminating the senior garbage subsidy
- s. 1 comment requested a survey related to the school system administration
- t. 1 comment requested the survey be available in Spanish
- u. 1 comment voiced displeasure that the same questions were asked as last year
- v. 1 comment suggested conducting the survey twice a year

1	<p>I am a senior and and know there is talk about taking away the senior garbage discount. I worked hard and so did my husband for the pension and S.S. I get. They are now talking about tiering the discount in other words those that are not hard up enough would not get this discount. This would be discriminating against me. Again I worked hard for all that I have and now am a widow and am trying to stay in my house. My real estate taxes are very very high and most of it goes to the schools. I am helping to support the school system even though I have no young children and get no benefits for myself from the schools. If this continues it will force me to sell my house and move elsewhere.</p>	May 17, 2013 3:37 PM
2	<p>Something needs to be done about the flooding in Sunflower!!!! Granted there was a lot of rain received in April, but according to information released by the city and area news sources, Walsh Circle/Drive was one of only two closed street throughout the city's boundaries. Several neighbors approached the city the last time this happened a few summers ago and were told it would be very expensive to replace the existing, undersized pipes already in the ground. My thought is if there are not many other flood issues within the city limits, then significant resources should be expended to fix this problem. The street had at least two feet of water from Aster Drive west almost to Columbine Drive. Many of my neighbors needlessly experienced flooded basements, not because of failed sumps, but because the water had nowhere to go. This is completely unacceptable for a subdivision the is only about 10 years old!! And it didn't help that city PW Director Eric Dhuse was quoted in the local paper after the fact blaming the street flooding on the lack of crops in the field. That does not even make sense and was a disingenuous response and demands immediate attention.</p>	May 17, 2013 12:00 PM
3	<p>Although I am pleased with the water and other services, I am not pleased with the "minimum bill" practices. This actually encourages people to wastefully use more water than needed to "get their money's worth". Otherwise billing people for more than what they use is outright STEALING. It just isn't right. Why is it necessary for minimum billing? You charge residents for the service of creating the bills so what does it matter how much the bill is? It's not like the city would loose any money. Your citizens end up loosing. If I could have gotten out of the purchase contract for my house when I found this out I would have for this reason alone.</p>	May 16, 2013 12:27 PM
4	<p>There had to be a better way to pay for streets and sidewalks other than raising fees on the taxpayers like cutting the senior garbage subsidy or getting rid of the City Council health insurance scam</p>	May 14, 2013 8:51 AM
5	<p>YBSD rates are unfair. I get charged for 6919 cu.ft. Only use 1400 cu.ft. Maybe need to borrow water meter from work and some 2 1/2" water hose and send the balance of water I don't use down the sanitary manhole.</p>	May 12, 2013 4:42 AM
6	<p>There is to much of our money going towards playgrounds, parks, and recreation.</p>	May 11, 2013 11:59 AM
7	<p>Please pave the roads. The older neighborhood roads are embarrassing. Please reduce the mandatory fees included on the water bill. .</p>	May 10, 2013 1:45 PM

10	What does it take to extend the sidewalk on Fox Road to connect with White Oak Estates? It's been more than 10 years. How long should it take?	May 6, 2013 10:55 AM
11	Roads to the north are more important than roads to the south - spend the money where needed. You are widening Bridge St - but not the bridge there - so there will be a bottle neck. Drugs are allegedly being sold in undeveloped areas by Windett Ridge and Raintree - but you won't block off streets that go to no homes to stop access to those unused areas. Many subdivision undeveloped oots are overgrown, We're told you fine builders but nothing has improved. Be more aggressive - maybe arrest the developers that are leaving our homes in a pit that is starting to look like Chicago.Do everything possible to bring businesses to Yorkville - which will bring residents to Yorkville. You need a program like BYILD, plus tax incentives and get manufacturing here.	May 6, 2013 7:25 AM
12	The Rec Center situation has only really hurt the members of the Rec Center. We don't care that you're not going to run it anymore, but the transition and it seems like the city doesn't care about the members that have been going to classes or using the pool.	May 6, 2013 5:25 AM

17	The only thing worse than the quality of life in yorkville is the lofty property taxes. If we could sell our home for \$1 more than we owe on it we would never look back	May 3, 2013 7:05 AM
18	The quality of the water is horrible. I continuously have a white residue on my kitchen sink and my sinks and bath tubs in my bathrooms. I pay a ridiculously high water bill for water I wont drink or cook with. I've brought this to the attention of the water department and was told it's because I live in an older section of the town and the newly constructed homes do not have this issue. In other words, I pay an excessive amount for others to have quality water but I dont get the same quality even though I pay for it. Also, the people at the water department are VERY rude and EXTREMELY unhelpful.	May 2, 2013 2:28 PM

25	you are forcing me to move due to high taxes	Apr 15, 2013 5:27 PM
26	As part of the majority of homeowners we are extremely dissatisfied with the property taxes. We are overcharged and under serviced in sidewalk and road repair maintenance for one. The locally appointed council seems to operate their own agenda without consideration of the taxpayers. An example of this happened when the residents voted not to purchase the rec center and the council tried to purchase it anyway. The fact that the appointed officials receive health care, at no expense to them, at the cost of the taxpayer is theft, in our opinion. The cost of living in Yorkville has more negatives than positives which makes it difficult to excuse the price of our taxes and entice potential buyers to the area.	Apr 13, 2013 8:01 AM
27	Game Farm is terrible and other then rt 34 and Rt 47, it is most likely the most used road. Traffic is dangerously congested when the schools are beginning and ending	Apr 13, 2013 5:50 AM

64	City should work out a deal with Blackberry Oaks and White Tail Ridge golf courses for a discount on green fees for Yorkville residents.	Mar 22, 2013 8:18 AM
65	1. Keep leaf pickup. 2. Survey Questions -- twice there were questions repeated! 3. City streets are in very bad condition and a 5-7 year repair plan is needed! You do NOT need a company to tell you - at a high financial cost -- how to prioritize the streets. Just look at them and drive over them!!! 5. One member of this household feels that it is a poor decision to put \$\$ into the KAT system for 200 people but to eliminate the Rec Center that was serving 3000 people. Seems illogical! 6. Why was there not a question regarding insurance for the aldermen? Eliminate the insurance and many more programs could be supported. Serving on the City council is a serious responsibility in representing the citizens and wise expenditure of our tax dollars. Getting insurance from the City's treasury appears selfish and self-centered. 7. We are thankful for the citizens who worked so hard a year ago to raise funds for the bike path!	Mar 21, 2013 8:11 PM

70	We were very sad as residents that there was even a thought that could have cut the transportation system even though we don't use these services, we would have considered it a social injustice to the elderly or people with special needs.	Mar 20, 2013 7:13 PM

**Page 2, Q2. Please rate your satisfaction with each City service.**

The city should be continually thinking about the real underlining needs of the community. The things that make a community a community! We love Yorkville but we would like the city to always look at the needs of the children ( like bike paths) should be something unquestionable that would join our community and make it safer. We were very sad to see the rec center go, even though we did not use the actual facility, we did use the sports programs for our children and think it is a great need for the community in keeping our children active and occupied in the sports they love! If the city was to build another rec center at some point they should maybe see if someone would donate land where all the fields (soccer and baseball) were right near the recreation center along with a green area.

71	Kennedy Road is AWFUL to drive on	Mar 20, 2013 8:41 AM
72	We live near the Riemenschneider Park and have been very disappointed with the upkeep. The fields are normally full of weeds and look terrible. This reflects poorly on the neighborhood and community. Also, parking is poor and causes dangerous conditions (people park in areas not designated as parking spots). The street lights along the park on McHugh Road are not currently not working (I have complained previously) adding to the dangerous conditions. Finally, the trees and grass along McHugh and E. Countryside (to the south, east and west of the post office) are not kept up. Many of the trees are broken and not pruned, and the grass is full of weeds and not cut often enough.	Mar 20, 2013 5:45 AM
73	YBSD Water Tax is outrageous. The streets are VERY poorly maintained on Rt. 47. Traffic on Rt. 47 is also poorly managed.	Mar 19, 2013 3:04 PM
74	I hope you folks arrange to have the former freeway money to be used to continue the 4 lane road construction all the way to I 88. Also Bristol Bay folks would love having an exit/entry from the sub division to rte. 47. Thanks for the survey.	Mar 16, 2013 1:43 PM

**Page 3, Q3. Which three of the items listed below do you think should receive the most emphasis from City leaders over the next two years? (Choose the three most important)**

1	My issue with the water services is the billing and the practice of "minimum bills". My issues with the recreation programs is that they are not on the same level as Oswego's programs and for the price I can go to Oswego as "out of town" and get better programs for similar or lower prices. 10	Traffic flow needs to include ways for people to get around other than in cars especially along major roadways and around schools.	May 3, 2013 9:24 AM
11	People who visit our city (looking for housing etc) are not impressed with the lack of curbed streets and streets in bad repair. People talked about how important the Rec center was. However, the appeance of the city they choose to live in is of far greater importance. I am a Realtor and talk with these people all the time. We pay taxes like Naperville/Wheaton, but our appearance is unkempt and rundown.	May 3, 2013 7:29 AM

35	I voted to purchase the Rec Center. I think the public will be sorry this did not pass	Apr 2, 2013 6:38 AM
36	We pay way too much for garbage collection-Viola does a good job but the city needs to implement a sticker program-you only pay for what you throw away	Apr 1, 2013 5:29 PM
37	I believe we have enough parks for the number of people that use them. It's too bad that many of them have become teen hangouts! I would like to have seen something related to homes that due to outside appearance (old cars, junk, weeds, etc.) they are hard on property values.	Apr 1, 2013 5:16 PM

40	Many streets in bad shape. If you are going to continue to use cold patch to fill holes, you need to train employees on correct application. You can't just throw it in the hole and hope that it stays.	Mar 30, 2013 8:29 AM
41	Two that are not listed but should be highest priority: 1. planning for the next building craze and 2. reducing services and gaining efficiencies to reduce tax rates. The recreation challenge is providing recreation services in spite of the limitation imposed by the voters last fall. Traffic issues are largely out of city control (47, 34, River Road bridge) but finding solutions should be an emphasis in my opinion.	Mar 30, 2013 7:53 AM

60	I was especially saddened to read in the paper that our brand new library has went without cleaning etc for the past 3 years. What is the sense in building a new facility only to not up keep it. I also am unsure as to why this task is not a responsibility of the librarians. I myself feel that if we all have pride in our homes, places of employment and community a little extra work goes a long way. Also the traffic conestion along Rte 47 is ridiculous. I know that funding really isn't all there but this needs to be Yorkville number 1 priority. We can not attract more businesses or home owners if people do not have an effective way to come in and out of town from the North and South.	Mar 13, 2013 8:46 PM
61	Need bike and walking paths.	Mar 13, 2013 1:23 PM
62	more responsibility since agreeing to take over fish bypass consider lifetime residence when taking away fishing rights council is discriminant politics as usual	Mar 13, 2013 12:10 PM
63	Rec. programing is important, especially for kids of working parents	Mar 10, 2013 2:21 PM
64	More bike paths on south side	Mar 10, 2013 12:12 PM
65	bike path needed	Mar 9, 2013 2:58 PM
66	IDOT funds should be used to maintain city streets	Mar 9, 2013 9:25 AM
67	Less policemen, better training for fewer of them.	Mar 9, 2013 9:17 AM
68	focus on basic needs, cops and infrastructure	Mar 8, 2013 2:39 PM
69	The streets here need a lot of resurfacing. The water is terrible. And a lot of the streets need to be widened.	Mar 8, 2013 9:36 AM
70	rebuilding the city infrastructure to include web payments and a sound computerized network for the city. Not outsourcing!!!	Mar 6, 2013 2:08 PM

74	Again why special event????? The roads are horrible, traffic is a nightmare and costs are out of control.	Mar 5, 2013 8:06 AM
75	Bringing jobs to Yorkville!	Mar 4, 2013 5:44 AM
76	Some parks, such as Steven Bridge Park, are in need of maintenance as safety hazards exist such as holes in the outfields.	Mar 3, 2013 8:05 PM
77	Unfortunate that the city does not value services for the young and the old	Mar 3, 2013 2:23 PM

**Page 3, Q3. Which three of the items listed below do you think should receive the most emphasis from City leaders over the next two years? (Choose the three most important)**

78	Get owner of sawmill/junkyard to clean it up.	Mar 3, 2013 1:52 PM
79	keeping costs down-no property tax increases	Mar 3, 2013 10:35 AM
80	Too much money goes into road maintenance so even if there is road congestion, we are willing to deal with it!	Mar 3, 2013 10:35 AM
81	our water bill is extrmemly high, so high my renters complain. We are paying for bills in the past and that is not fair burden to current residents.	Mar 2, 2013 5:19 PM
82	No way to contact Police after business hours, except calling 911	Mar 2, 2013 3:40 PM

**Page 3, Q4. Rank these City Council goals in order from most important (1) to least important (6):**

1	The Riverfront is a real gem for the city. They need to do everything they can to make it an attractive area for everyone by securing more government to help with doing so. I know they just got some money but we all know it is not nearly enough.	May 17, 2013 3:41 PM
2	3 of these could easily be least important	May 14, 2013 1:13 PM
3	In Plano they are working to lower the interest on the SSA for Lakewood, why are we not doing anything for people in Yorkville? Is it because Golinski and company are not affected?	May 14, 2013 9:02 AM
4	Live in older part of Yorkville, developed 1890's. If the roads ever get replaced, curb and storm lines should be installed. The water destroys edge of road and 1ft gravel shoulder.	May 12, 2013 4:55 AM
5	Stop giving tax breaks to major companies.	May 11, 2013 12:04 PM
6	Commercial development and attracting more people to Yorkville are the 2 biggest issues. If traction can be made on both fronts, unfinished subdivisions would alleviate itself. The biggest issue is keeping Yorkville dollars to stay in Yorkville instead of going to Oswego and Naperville as well as north to Batavia and Geneva.	May 7, 2013 6:57 AM
7	Again, nothing to do with expanding services is important to me. Lower taxes, Less services, and Smaller government will bring growth and prosperity	May 3, 2013 7:07 AM
8	attract people by providing recreation, paths, programming	May 3, 2013 6:59 AM
9	I would love to see new subdivisions complete and more infill development in the main commercial core and downtown	Apr 17, 2013 1:54 PM
10	Economic Issues can be a big hinderance	Apr 15, 2013 7:33 PM
11	No. 1 : reduce spending / taxes	Apr 15, 2013 5:32 PM
12	less mass-quantity townhomes; want more ranch duplexes	Apr 13, 2013 2:49 PM
13	Attracting commercial and manufacturing businesses, without offering long term, major tax advantages would support the tax burden currently on homeowners. Consider making Yorkville a place palatable to those who already live here before enticing new families to the community.	Apr 13, 2013 8:08 AM
14	try being progressive, times are changing	Apr 13, 2013 7:37 AM
15	The list above doesn't address the real problems here. Too many gov't employees on the dough, and not enough focus on everyday necessities.	Apr 12, 2013 6:39 PM
16	Jobs will bring revenue	Apr 12, 2013 3:02 PM
17	The city is much too generous in tax breaks for BoomBah investments. The reasoning behind some of the breaks is INCREDIBLE and UNDEFENSIBLE.	Apr 12, 2013 1:42 PM
18	jewel needs competition need caputos	Apr 12, 2013 1:36 PM

**Page 3, Q4. Rank these City Council goals in order from most important (1) to least important (6):**

19	City has to get more businesses into Yorkville so we don't have to drive into Oswego all the time.	Apr 11, 2013 1:45 PM
20	we already have the housing.	Apr 10, 2013 3:48 PM
21	Our street lights are always burned out, our streets are filled with pot holes and unfinished roads, missing sidewalks, etc. My husband is in a wheelchair and he can't even go to the neighbor's house because we have no sidewalk.	Apr 9, 2013 9:05 PM
22	Would like to see better variety of restaurants	Apr 8, 2013 3:38 PM
23	Not just keeping citizens informed, but doing this Before decisions take place and taking into account the majorities opinions. Getting attainable housing for all would be lowering taxes, which in turn would draw more people her to fill up those subdivisions.	Apr 7, 2013 2:42 PM
24	We are highly in favor of goals that will help relieve some of the tax burden from the homeowners.	Apr 1, 2013 11:14 PM
25	It shouldn't be 1 through 6 several should be zero-no importance-Expanding cultural activities-are you kidding me?	Apr 1, 2013 5:29 PM
26	If I was running a city/business, I would rank the sentences starting with the verb "attract" before all others	Mar 30, 2013 1:37 PM
27	Would like to see Kendall Market Place completed.	Mar 30, 2013 8:29 AM
28	Work on unfinished subdivisions, but only to reduce the financial and risk liabilities to the city. Empty lots are no problem if the owner is maintaining them (and paying the taxes). We have a great community and need to attract the business base to support growth. Housing should follow the business growth. Cultural activities will also follow when financial foundations are solid. As for information, the Record does a good job and city staff are excellent.	Mar 30, 2013 7:53 AM
29	The coucilmen know what they were elected to do!	Mar 28, 2013 2:44 PM
30	Why is this only letting me rank the 1st 2? I believe all of these are important	Mar 27, 2013 8:16 PM
31	go back to basics and lower the taxes for the people that already live here	Mar 26, 2013 7:53 PM
32	We need more restaurants, not fast food, that are very different in menu and prices. We either have more expensive sit down or crappy fast food and nothing in between. When we do get something good, they end up leaving because of high rent or going out of business.	Mar 26, 2013 5:30 AM
33	Definiety try to attract more restaurants and shopping this way the target shopping center is awesone but we definitely need more food choices this at least a chain restaurant if possible	Mar 25, 2013 1:28 PM
34	Need to fix all street first.	Mar 25, 2013 7:40 AM
35	Attract new development without giving the store away with to many tax cuts	Mar 22, 2013 12:56 PM
36	Get something done with Countryside Center in addition to the movie theater	Mar 22, 2013 8:24 AM

**Page 3, Q4. Rank these City Council goals in order from most important (1) to least important (6):**

37	I don't do anything in Yorkville besides reside. There are very few shopping, dining, and entertainment options in the area.	Mar 19, 2013 3:06 PM
38	I live in Yorkville, but work in Bolingbrook. Would like to have better options for close to home, keeping service and money within Yorkville.	Mar 18, 2013 7:55 AM
39	Fix the streets first.	Mar 17, 2013 6:52 AM
40	I'm not sure what you can do to complete unfinished subdivisions until the US economy comes back, That will most likely happen anytime soon until the current regime in WDC is replaced buy another group not hell bent on the destruction of our economy.	Mar 16, 2013 2:01 PM
41	Concentrate on bringing the businesses, large and small into the area for increased revenues to the city, that in turn and with time will attract more people to come out here.	Mar 15, 2013 5:35 PM
42	First and foremost we need to work on making the developers that are still here accountable for not finishing these neighborhoods. I'm sure it is difficult to sell lots/ houses at this point but it is not acceptable for things like roads to not be completed in areas where people are living.	Mar 13, 2013 8:46 PM
43	stop catering to developers who got us in this mess along with your cooperation	Mar 13, 2013 12:10 PM
44	broaden tax base!	Mar 11, 2013 2:08 PM
45	Less social engineering and more fiscal responsibility needed	Mar 9, 2013 9:17 AM
46	govt shouldnt be involved in affordable housing, let em live in aurora	Mar 8, 2013 2:39 PM
47	We need more quality restaurants. Emphasis on QUALITY! No more McDonald type restaurants.	Mar 8, 2013 9:36 AM
48	Need more businesses	Mar 6, 2013 8:38 AM
49	I think we need more commercial and also to finish the remaining subdivisions in order to grow Yorkville.	Mar 5, 2013 3:06 PM
50	really.....? cultural activities? This shouldnt even be on the list!! Finish the subdivisions? This would just be at taxpayers expense and its not my development so why should I pay?	Mar 5, 2013 8:06 AM
51	City council does not have a vision for the future of Yorkville - The have lofty goals on a beer budget - They want us to be a new Naperville but make us look like another Plano with their narrow and archaic ideas and performance	Mar 3, 2013 2:23 PM
52	Yorkville is looing like the badlands of the west in the 1800's	Mar 3, 2013 10:35 AM
53	we need quality economic development!	Mar 2, 2013 8:52 PM
54	Taxes so high here, we will need to move when we retire.	Mar 2, 2013 7:20 PM

**Page 4, Q5. Approximately 10 cents of each property tax dollar you pay goes to the City. The remaining ...**

1	Property tases are too high.	May 18, 2013 4:47 AM
2	Again, the Parks & Rec can do a better job. I do not use the schoold so the big portion of my taxes do nothing for my benefit. I believe the city made a big mistake when they did not purchase the Rec. Center and I feel the Park Dept. should be separate from the city and am sure down the road when the city grows this will happen because the younger families will be upset with it the way it is. It should happen sooner rather and later.	May 17, 2013 3:47 PM
3	make cuts, lower taxes, I can do with less	May 14, 2013 1:14 PM
4	Yorkville has a terrible reputation because of the actions of City Officials like Rose Spears.	May 14, 2013 9:07 AM
5	It is very important to continue library services. These are important to all ages of community members.	May 13, 2013 3:22 AM
6	How about a little less money for county, more money for city. Get the rate changed alittle bit. I don't think the county's hurting for money.	May 12, 2013 5:02 AM
7	the City of Yorkville wastes tax dollars. The police department, fire department, schools, parks, every service in the city has a bad habit of wasteful spending.	May 11, 2013 12:10 PM
8	Yes I regret moving to Yorkville. Had I more time I would have waited for an opportunity to live in Oswego, North Aurora or further north.	May 7, 2013 6:03 PM
9	Yorkville needs to be better defined. We are spread out, but have distinct N,S,E & W areas of development, centered around a unique riverfront downtown. Use that as a strength and build on our size, which is better than most other Kendall cities.	May 6, 2013 4:14 PM
10	Need more and better athletic facilities (indoor and outdoor). I.e. baseball complex	May 6, 2013 12:28 PM
11	No recreation center? Never would've moved here if knew that would ever happen in a town as big as Yorkville. Ridiculous. The YMCA is way too expensive and the library is terrible to charge for movies and not have video games like all the others in the area.	May 4, 2013 8:41 AM
12	Stop paying for Alderman healthcare. Avoid and discontinue Defined Benefit pension plans for all city employees. Limit number of City employees. Sub contract as much city work as possible.	May 3, 2013 9:24 AM
13	We enjoy living in Yorkville, but that doesnt mean there is not room for improvement.	May 3, 2013 7:32 AM
14	As our property values drop, our property taxes should drop. We have to make doi with less, why don't YOU?	May 3, 2013 7:09 AM
15	satisfied with city, but certainly not a good value for the cost (taxes)	May 3, 2013 7:00 AM

19	some roads need repair, Too many empty buildings and unfinished subdivisions	Apr 16, 2013 11:09 AM
20	Allocation of Money/Less to County/More to Police, Public Works, Planning	Apr 15, 2013 7:39 PM
21	Most people believe our taxes are too high which give us a bad image	Apr 13, 2013 11:03 AM
22	It feels we were developed with no plan	Apr 13, 2013 5:53 AM
23	Lower property taxes would increase quality of life	Apr 12, 2013 7:01 PM
24	Must eliminate the hand-out government welfare jobs.	Apr 12, 2013 6:43 PM
25	Why are we proud to be a "Playful" city? We should strive to be a well-managed city. The management is questionable at this point.	Apr 12, 2013 1:50 PM
26	Bad for community that there is an inadequate Park District. Bad that streets are such a mess.	Apr 10, 2013 3:52 PM
27	With budget restrictions, well done.	Apr 7, 2013 6:59 PM
28	Again, I think most people are dissatisfied w/ cost of living, which means the cost of property taxes & water (sewer, etc) bill is ridiculous. Any other town we've talked to is shocked at what we pay.	Apr 7, 2013 2:50 PM
29	We would love to see more riverfront development, with walking paths	Apr 2, 2013 6:30 PM
30	The library needs more funds to update their collections. They need to offer more programs at all age levels. The library board should be elected and library staff, at least the heads of departments should have Masters in Library Science.	Apr 2, 2013 4:50 PM
31	Our taxes have skyrocketed since the population growth during the last decade. It seems that our city's push for community growth (in population) has placed a huge tax burden on all the homeowners. We appreciate the growth of retail business, however, we would rather drive a little further, if it meant spending less on property taxes.	Apr 1, 2013 11:23 PM
32	So sorry I ever moved here-lost my shirt on my house and town, city council , politics, and roads all suck	Apr 1, 2013 5:31 PM

44	Dissatisfied with snow plowing, specifically clearing Rt 34 East of 47 and Autumn Creek Blvd.	Mar 22, 2013 8:11 AM
45	I expect leaders to be visionary -- forward thinking! Eliminating programs for quality of life is going backwards. Sometimes I think our elected officials would like to go back to the 1950's instead of living in 2013!	Mar 21, 2013 8:18 PM
46	The terrible state of streets/sidewalks/sewer maintenance leaves a poor image of the city	Mar 21, 2013 4:55 PM
47	Parks are great. Need recreational activities. Need less drama in the government	Mar 21, 2013 4:25 PM
48	Our downtown could use help	Mar 21, 2013 12:42 PM
49	Yorkville has so much potential but seems to be "stuck" in the past. Yorkville should be looking at communities like Naperville and mirroring a lot of their efforts. With assets such as the Fox River and their location, Yorkville could provide so much more to their residence.	Mar 20, 2013 5:55 AM
50	The city looks dirty and run-down when driving through it and there is nothing to do when something "cultural" isn't going on. The "Rec Center" is ridiculously unaffordable compared to most other town's park district fitness centers.	Mar 19, 2013 3:09 PM
51	We are still paying for the sins of the past	Mar 17, 2013 1:01 PM
52	Fix the streets.	Mar 17, 2013 6:55 AM
53	When I ask people who don't live here what they think of Yorkville,they mention the nicety water park and the ugliness of the area near 47 and 34 that looks bombed out.	Mar 16, 2013 2:15 PM

1	Shopping is improving but I find myself going to Oswego or Plano for groceries and east far too often. I wish I stayed in Plainfield.	May 17, 2013 3:47 PM
2	The taxes are really high, and a bunch of old loud jerks oppose anything good that goes on and the spineless City Council cowers at their feet but I'm not sure that these things are "major assets".	May 14, 2013 9:07 AM
3	I grew up in Yorkville. Been hear 30 years. Family lives hear. The only reason I live hear is that my daughter can grow up around the family.	May 12, 2013 5:02 AM

21	it used to be very reasonable to live out here it is now getting very expensive	Apr 12, 2013 9:31 PM
22	Everyone I know feels the property taxes are too high, and that there are too many welfare jobs in this county and municipality. Downsizing IS the ANSWER, plain and simple.	Apr 12, 2013 6:43 PM
23	The schools should focus more on the quality of education rather than building a monument to the administration. Why do we need open/unused space in our high school expansion? Amenities are costly and really have little place in a building which is meant to educate children.	Apr 12, 2013 1:50 PM
24	need to take care of vacant lots	Apr 12, 2013 1:37 PM

28	Well we thought it was the residential neighborhoods and housing cost, until the market stopped growing and we are left sitting in an underdeveloped subdivision, the residents here are left to pay what Lerner didn't, and owners of the duplexes in Raintree village are renting out their places. One owner took the smallest duplex and divided it into 3 rental spaces. We don't have parking lots for all the renters and their cars end up sitting on the street. We have renters on both sides and there is a constant turnover.,	Apr 2, 2013 4:50 PM

43	I listed "Residential Neighborhoods" as one of the assets, but lately we've been seeing a trend of very small houses being built in the area. This is a disturbing trend, and in our opinion, Yorkville should be trying to attract middle and upper class residence.	Mar 20, 2013 5:55 AM
44	Still not enough choices for shopping	Mar 17, 2013 1:01 PM
45	This town will be more presentable once rte 47 is a 4 lane road and the downtown area where the new theater is to be built is finished as that area as is makes the area by 47 and 34 look like a bombed out section of a German city after WW2.	Mar 16, 2013 2:15 PM

15	The police should be seen driving around, not hiding behind something so they can make personal goals, or whatever they call it these days.Yorkville is a low crime area. There is no need for the police to be out trying to generate revenue by issuing traffic citations. Unless someone is driving recklessly, leave them alone. Most people I know feel that the local law enforcement is corrupt.	Apr 12, 2013 6:50 PM

40	1. It is impossible to have an answer to some of these questions-- we do not have the details about how much effort is put into reducing crime and visibility in retail areas and how quickly the police respond. We checked N/A because we did not have information to be able to give even an educated guess. 2. We live in countryside Center. The 2-way stop sign on the corner of Center Pkwy and Countyside Pkwy is violated at least once a week when I'm going north or south through there. I have to constantly be aware and be ready to break for the drivers ignoring the 2-way and thinking it is a 4- way, or some drivers who do not stop at all. Not sure what to do about that -- put up a camera and write tickets??? You'd have another money source!	Mar 21, 2013 8:25 PM
41	I like the Yorkville PD and the Kendall Co sheriff. I think you folks do a fine job!!	Mar 16, 2013 2:19 PM
42	Speed limit laws in our neighborhood (Raintree Village) are not enforced. Lots of kids playing necessitate enforcement of the speed limit.	Mar 16, 2013 7:26 AM
43	In terms about being dissatisfied about enforcement in our neighborhood, the police are at a disadvantage because it's an inconsistent issue of people racing up and down Emerald Ln in Autumn Creek.	Mar 15, 2013 5:44 PM
44	I really don't deal with the police a lot.Seems very adequate	Mar 10, 2013 2:28 PM

46	Gotta get the kids in Heartland to stop riding motorized vehicles (mini motorbikes, go karts) on the bike paths. It's an accident waiting to happen.	Mar 7, 2013 9:48 PM
47	I have been passed multiple times on 47 between Somonauk and Van Emmon by speeding drivers, and there is never an officer around when it happens. It is frustrating and scary! Additionally, I live in Bristol Bay subdivision and there are so many residents who speed through the streets. There is one speed limit sign, which is largely ignored by many - including the officer and his wife who live in Bristol Bay. I have also seen that same officer texting/staring at his phone while turning into the subdivision and driving down the street. That's not a great example of respect of the law, in my opinion. 1	I've only lived in Yorkville for a month and have not experienced any of these events yet. Ribs on the river sounds interesting though.	May 16, 2013 12:40 PM
2	Hopefully there will be more ribs at the Ribfest this year.	May 15, 2013 2:06 PM
3	All of these events add value to our community and generate civic pride.	May 14, 2013 10:10 AM
4	Do not attend events.	May 12, 2013 5:08 AM
5	There is too many yearly events. Concentrate on one major event instead of way to many smaller ones.	May 11, 2013 12:21 PM
6	Don't attend - higher priorities.....	May 9, 2013 12:27 PM

13	Looking forward to all of them	Apr 28, 2013 2:50 PM
14	Love the Community Band's involvement in Towne Square events	Apr 16, 2013 1:37 PM
15	My Opinion, we lost a lot of interest when some events were moved from Town Square Park, population has not increased that much to cause a safety concern & our volunteer services were excellent in this category, you lost that old time feeling people had, downtown Yorkville area is not developed enough for some of these events, maybe in the future. Feel whoever is Mayor at the time decides where these activities take place, not what the public would like to see. Route 47th actually was a main advertisement point for non-Yorkville residents, think about it.	Apr 15, 2013 8:04 PM
16	We have not attended any of the events rated N/A	Apr 15, 2013 2:17 PM
17	Just moved to Yorkville have not attended any of the above.	Apr 15, 2013 11:36 AM

25	should have fireworks and have a entrance for the homes around the park for home town days	Apr 12, 2013 12:10 PM
26	Holiday Under the Stars Event is held way too early, should be toward the end of November, not mid-November. I didn't know Yorkville offered these other events that I marked N/A.	Apr 9, 2013 9:13 PM
27	Have not attended any of these.	Apr 8, 2013 8:14 AM
28	I did not attend any of these events. 2 yrs ago the carnival was horrible for hometown days not aware of 2012	Apr 3, 2013 5:47 AM
29	We hope the city is not budgeting too many funds for these programs. We see that these programs have some value to some of the residents. However, if Yorkville's books are in the red, some or all of these programs should be put on hold.	Apr 1, 2013 11:46 PM
30	I put N/A next to the ones that I don't go to or care about. Hometown days has gone downhill big time from when we 1st moved here and spending more taxpayer dollars to bring in some big one hit wonder band from the 80's isn't going to save it. Get lots more food vendors, beer tents, stop charging people at the gate to get in and have more craft vendors instead of people having booths set up for to promote their business	Apr 1, 2013 5:47 PM
31	Hometown days is too expensive for families, ribs event ran out of ribs	Apr 1, 2013 11:24 AM
32	Newer to the city and have not attended any of these	Mar 30, 2013 7:58 AM

43	Keep up the good work!	Mar 16, 2013 2:40 PM
44	Unfortunately work has kept me from taking part in enjoying these events	Mar 15, 2013 5:47 PM
45	Hometown Days is not good at Beecher. Should be all downtown between river park and town square - shut down the whole town. Was so nice when it used to be held by the river.	Mar 13, 2013 1:41 PM
46	the 5ks are too expensive, i dont go to the other events, hometown days should be smaller or less days	Mar 8, 2013 2:45 PM
47	I've only been to one of these events and it was just okay.	Mar 8, 2013 9:50 AM
48	have not attended any of these events	Mar 8, 2013 7:59 AM
49	City has no business being involved in the above if tax dollars are spent. Privatize if possible.	Mar 7, 2013 3:20 PM
50	HTD needs some bigger acts. Even if the grounds have to turn to make room for more people. Other events are ok, but HTD is the best!	Mar 6, 2013 2:16 PM
51	Miniature pumpkin or candy hunt.	Mar 6, 2013 9:08 AM
52	Hometown Days was so disappointing this year. It is typically the highlight of the year, but since the City took over it has been all down hill.	Mar 5, 2013 4:27 PM
53	I strongly feel these events should be held by private organizations and not force me to pay for the entertainment of others	Mar 5, 2013 8:26 AM
54	Yorkville has great city events that are very family friendly and fun.	Mar 3, 2013 8:13 PM
55	Have not attended any events	Mar 3, 2013 3:57 PM
56	cancel all wast of money	Mar 3, 2013 3:13 PM
57	Keep up the great work	Mar 3, 2013 2:34 PM
58	Any fireworks should be scheduled for dusk, not at 10 pm.	Mar 3, 2013 1:58 PM

**Page 8, Q17. Are there any types of special events you would like to see the City engage in?**

1	Classic car show	May 18, 2013 4:53 AM
2	Wine tastings/festival beer/microbrew	May 16, 2013 12:40 PM
3	The City should partner with the Yorkville Schools to create a better homecoming. Saturday after the parade is a let down now that the football game is on Friday night.	May 14, 2013 10:10 AM
4	Less events. There are way to many bicycle and running events. It is to much of a danger and an inconvenience.	May 11, 2013 12:21 PM
5	Get your budget and spending under control -	May 9, 2013 12:27 PM
6	More fireworks, or let me run my own show.	May 7, 2013 6:10 PM
7	4th of July	May 6, 2013 10:41 AM
8	July 4th celebration	May 5, 2013 4:42 AM
9	Not at this point, budget for these events should be very limited due to economic situation in general.	May 3, 2013 4:23 PM
10	no	May 3, 2013 9:32 AM
11	I'd like to see the city not spend taxpayer dollars on any of these events. Further, the practice of providing free healthcare for part time elected officials should stop now.	May 3, 2013 7:14 AM
12	More live music events	May 3, 2013 7:04 AM
13	Something that would involve police and firefighters meeting the community in an informal fashion	May 2, 2013 5:02 PM
14	Just more advertising about special events. The signs in the park and flyers at local businesses would also be nice.	May 1, 2013 10:10 AM
15	Art in the Park type events. Fall Festival or Harvest event.	Apr 22, 2013 6:47 PM
16	We rarely ever attend any of the above events. Have City help fund 4th of July fireworks display.	Apr 20, 2013 10:07 AM
17	Can't think of any other than their support of 4th of July celebration.	Apr 16, 2013 1:37 PM
18	Restaurant Food Fest, if operated properly. "Taste of Yorkville"	Apr 15, 2013 8:04 PM
19	how to get the city to stop spending my money!	Apr 15, 2013 5:46 PM
20	more gatherings in the park	Apr 15, 2013 5:30 PM

24	Food/wine event	Apr 13, 2013 4:03 PM
25	encourage a bigger farmers market	Apr 12, 2013 9:38 PM
26	These are irrelevant. Not worth even discussing.	Apr 12, 2013 7:01 PM
27	city picnic	Apr 12, 2013 1:43 PM
28	Car shows and antique tractor shows	Apr 12, 2013 12:19 PM
29	Fourth of July activities.	Apr 10, 2013 4:03 PM
30	I would like to see more "indoor" events during the winter months. While we love the outdoor events, things get very boring around here in the winter and it would be great to participate in events similar to Hometown Days or Holiday Under the Stars inside the Rec Center or something. Perhaps a chili cookoff, or fun craft day, non-animal circus, craft shows, etc. Also, the Park District guide seems to offer many activities for kids under 5 and kids over 7. Not much in the 5-6 year old range.	Apr 9, 2013 9:13 PM
31	more 5k runs	Apr 3, 2013 8:22 AM
32	Something like "Taste of Chicago" where residents could purchase tickets to sample local business' fare.	Apr 1, 2013 11:46 PM
33	No	Apr 1, 2013 6:58 PM
34	It's not a most favorite-least favorite type category-false results for your survey- Each event should be a 0 to 10 thing. Either you love it or hate it, don't care about it and don't want to spend taxpayer money on it	Apr 1, 2013 5:47 PM
35	I would like to see the current events stay in place. If possible add more summer nights, movies/music.	Apr 1, 2013 5:21 PM
36	I love Classic Car Shows and would love to see Yorkville have their own Cruise Nights.The Morris Cruise Nights are crazy but successful.	Mar 29, 2013 12:02 PM
37	Events mean nothing to me....just looking for a quiet, safe community....	Mar 28, 2013 2:52 PM
38	How about cutting back on your special events and lowering the taxes	Mar 26, 2013 7:54 PM
39	More music under the stars nights. Wine tasting on the fox. Micro beer festival.	Mar 26, 2013 6:09 PM
40	Sorry I've only attended hometown days since moving in, so I had to guess base on my tastes.	Mar 25, 2013 1:35 PM
41	Increase use of River park, music events.	Mar 25, 2013 9:08 AM
42	bike	Mar 25, 2013 4:46 AM
43	No, the city should not be spending my money to entertain others.	Mar 23, 2013 2:40 PM
44	I believe money should be spent on more important issues with the City. I believe the City waste money on things and they are making it so people can not	Mar 22, 2013 12:11 PM

**Page 8, Q17. Are there any types of special events you would like to see the City engage in?**

	afford to live in Yorkville anymore. The property taxes are horrible and they keep adding new taxes to eveything water bills etc.	
45	Farm Days, Hiking/Picnic event, more music, outdoor theater	Mar 22, 2013 10:45 AM
46	Veggie Fest in Naperville is the first festival we've returned to two years in a row, and we spent lots of money.	Mar 22, 2013 9:59 AM
47	Give verbal support (not \$\$) to performing arts and events in the private sector.	Mar 21, 2013 8:32 PM
48	Some place for Tweens to hang out	Mar 21, 2013 4:53 PM
49	None but move the HOliday under the stars fireworks earlier. 9pm was too late for kids.	Mar 21, 2013 4:29 PM
50	Keep the 4th of July celebration	Mar 21, 2013 7:51 AM

56	Anything which increases community engagement with local business.	Mar 10, 2013 12:39 PM
57	Less events more emphasis on reducing costs of education and improving schools, not just increasing the bloated salaries of teachers who cannot be held accountable for not performing above expectations..	Mar 10, 2013 9:34 AM
58	Some of these are completely unnecessary	Mar 9, 2013 9:25 AM
59	a special election to get rid of the Aldermen that are still leaching off the citizens with the health insurance scam.	Mar 8, 2013 4:15 PM
60	No! Stop spending money on all these stupid events. Let all the mom's and dad's use their imagination to entertain their children. There should only be one event a year, hometown days, get rid of the rest.	Mar 8, 2013 9:50 AM
61	Music on the river.	Mar 7, 2013 9:51 PM
62	Leave "special events" to private entities please.	Mar 7, 2013 3:20 PM
63	Less children's events...check your demographics.	Mar 7, 2013 7:34 AM
64	I think having a Taste of Yorkville could be a great opportunity for residents to try many of the new restaurants here in our city.	Mar 6, 2013 5:02 PM
65	For a city our size we do ok. But until we attract addtional growth to the area, we will not grow and we will continue to be just another small town.	Mar 6, 2013 2:16 PM

97	I really love the shopping choices here in Yorkville. However, we really need a Chili's, Applebee's or Ruby Tuesday restaurant. Portillo's or Sweet Tomatoes (awesome all-natural foods family restaurant!). Trader Joe's or Whole Foods (or some other type of all-natural/organic food store) is GREATLY needed here. Hobby Lobby or Michael's craft store. Bulk warehouse like Costco or CVS. JC Penney or other retailer similar to Kohl's. CVS would be great! More small businesses - mom and pop shops, boutiques, etc. I own a chocolate shoppe and would LOVE to bring my business here to Yorkville where I live, but I have limited resources and I can't afford the rent here. My shop is 45 miles away at Starved Rock (Utica).	Apr 9, 2013 9:40 PM

225	Barnes and Noble - or any type of book store - would be fantastic! I also think we need some sort of place for teenagers to hang out on weekends and during the summer. Maybe something similar to Luigi's or Funway (in Batavia) in the downtown area near where the movie theater is, supposedly, being built. I think having somewhere to go would keep many kids from wandering the streets and finding other ways to "entertain" themselves (e.g. vandalism, drugs, drinking, etc.).	Mar 6, 2013 5:04 PM

1	More sidewalks, curbs and lights	May 18, 2013 10:02 AM
2	Would like to see formation of a dog park.	May 18, 2013 5:55 AM
3	Keep it honest!	May 17, 2013 3:59 PM
4	Improve value for our taxes.	May 17, 2013 1:40 PM
5	open a dog park like the one in Aurora which is after the park behind Holy Angels Catholic School off Kensington.	May 15, 2013 10:04 AM
6	make cuts, lower taxes, I can do with less	May 14, 2013 1:19 PM
7	We need a new Mayor and City Council desperately.	May 14, 2013 10:15 AM
8	Sams club or Costco	May 13, 2013 8:37 PM
9	I feel that waste collection is too expensive for single residents. I fill up the garbage can once every three weeks and recycling can once every week. Waste costs are too expensive.	May 13, 2013 3:28 AM
10	Less money going to county, more money going to city	May 12, 2013 5:14 AM
11	It is to late. Yorkville is already ruined for those of us that have lived here their whole life.	May 11, 2013 12:28 PM
12	The roads should be our first priority	May 11, 2013 7:31 AM
13	Have sidewalks all along 47, 71, and 34. Train service to downtown Chicago	May 10, 2013 11:46 PM
14	Work to reduce property taxes so people do not lose their homes. Property taxes should not exceed the monthly cost of ones mortgage.	May 10, 2013 4:44 PM
15	Please pave the roads. The older neighborhood roads are embarrassing. Please reduce the mandatory fees included on the water bill.	May 10, 2013 1:54 PM
16	No low cost housing and more stores on the south side of town, especially a grocery store	May 10, 2013 1:49 PM
17	Lower the tax base. My taxes are as high as they were at the height of the housing boom. Taxes increased and services decreased. Shamefull.	May 10, 2013 10:53 AM
18	Real Estate taxes are out of control. We are considering moving because they are so high relative to other communities and states. Seems like it's all about the schools and teachers. Might be ok if schools are top rated, but I don't believe they are.	May 10, 2013 10:35 AM
19	1. Lower taxes 2. Lower property taxes 3. NO INSURANCE FOR BOARD and CITY officials 4. REDUCE YOUR BUDGET 5. CUT SPENDING	May 9, 2013 12:30 PM
20	Citizens feeling safe. Areas kept clean and inviting.	May 9, 2013 11:55 AM
21	Fix the streets	May 8, 2013 8:35 PM

**Page 10, Q20. What suggestions do you have to improve the quality of life in Yorkville?**

22	Alderman should come around and introduce themselves in their ward.	May 8, 2013 7:44 PM
23	Keep it more clean.	May 8, 2013 3:06 PM
24	From your survey, it appears you are well aware of the problems in Yorkville. Empty developments, poor roads, weak infrastructure, poor quality of water treatment, and general disarray. I would add that property taxes are high from the SSA proliferation, who thought that was a good idea anyway.	May 7, 2013 6:28 PM
25	additional bike paths would be nice so families can ride outside of their immediate subdivision. I know that Yorkville is working on this so thanks.	May 7, 2013 7:17 AM
26	Improved awareness of Community Volunteer opportunities. Many want to help. Most don't know how to start...	May 6, 2013 4:23 PM
27	Build better and more sports complexes (indoor and outdoor)	May 6, 2013 12:38 PM
28	Wage an aggressive campaign against drugs and crime, add more business and industry - not necessarily retail, fix the streets, impose harsh penalties on developers who do not take care of vacant property.	May 6, 2013 7:40 AM
29	Stop spending and start doing. Create opportunities for volunteers to help out. Take health care and benefits for elected officials away. Stop taxing us to death. Improvements do not mean it should cost more. Listen to people. Beecher center is a joke. Either it becomes just for seniors, or just for community, otherwise the folks there will have to learn to share!! What an ill run effort. City should stop being landlord and operator. Obviously cannot do both. Thank goodness Club 47 is a done deal. And they walked off with improvements made on our dime. When you are not concerned about profit, do not go into business. Let a business guy figure it out that wants to make money that will in turn fund the city. Tax dollars lost because the city runs events and buildings is a LOT. Besides, those events can be run better and smoother in conjunction with businesses which will pay fees and taxes based on profit. Really tired of people who do half baked jobs who are elected and do not listen to people around them who try to help. STOP TAXING US TO DEATH!!!!!!	May 6, 2013 6:14 AM
30	Library support	May 5, 2013 4:46 AM
31	Connect the isolated subdivisions like Bristol Bay to the next door subdivision (Balmorea?) so more area to walk. A DOG PARK	May 4, 2013 8:55 AM
32	fix the streets to many projects at one time, whipering medows sub streets are so bad they are running our cars , tires, cant have a nice home with crappy streets	May 4, 2013 5:48 AM
33	Our infrastructure must improve before all else. We need to work closely with those community members that don't care about the upkeep or curb appeal of their property. We have rules in place (parking cars on grass for example), but their is nothing in place to enforce. Game Farm Road, no curbing / sidewalks in the older part of town give the impression that we don't care. Our city looks run down.	May 3, 2013 6:42 PM
34	Spend the money wisely.We are paying enough taxes already. My house value	May 3, 2013 4:33 PM

**Page 10, Q20. What suggestions do you have to improve the quality of life in Yorkville?**

	is 70 % of what I paid for, but by Real State taxes are the same, and refinancing is not there without a huge cost.	
35	Understand the tax dollars we pay should have a value to them.	May 3, 2013 3:55 PM
36	Fix neighborhood roads, Ilke Mill and Tuscany	May 3, 2013 1:21 PM
37	I don't believe we should have to pay an additional amount on our water bill to pay for all the road construction when it already comes out of our property taxes!!!!	May 3, 2013 1:15 PM
38	1) Provide sidewalks/bike paths as a means to get through town for all ages, especially around schools and primary/secondary roads. Install well lighted Crosswalks, well marked with large signs to make it obvious to even the most incompetent drivers. Install a few well located push button signals through town so pedestrians of all ages can stop traffic and cross major roads safely. Educate citizens of all ages of the rules and courtesies of the road and sidewalk or bike path. Vigorously enforce infractions of the rules of the road. 2) Bury all Power/Telephone lines (existing and future). They are an eyesore and detract from the beauty of our town. Very poor decision not to bury power lines through town during this construction project. Short term thinking should be outlawed! 3) Find a way to stop train horns in Yorkville. Close some of the underutilised RR crossings and make the remaining crossings safer with lighted signals. 4) Facilitate or partner to get passenger train service from downtown to Aurora station. Provide parking (car & bike) possible along Hydraulic for commuters. 5) Complete a sidewalk/bike path from Rt 47 west on Fox rd to Rivers Edge subdivision. Someone is going to get hurt or killed if we don't make this happen.	May 3, 2013 9:38 AM
39	Get the streets in our subdivision done- it is ludicrous that the city can't get the bonding company to live up to its agreement yet the city intends to tack on a charge on my utility bill to fix other streets in the city	May 3, 2013 9:35 AM
40	Do something about the drug problem. Kids are shooting heroin in the middle school bathrooms for crissake... Fix the roads. If the wagon trains had to drive on such horrible roads, the westward expansion of America would never have happened.	May 3, 2013 7:19 AM
41	More events, parks, recreation, paths. Clean energy choices. Renewable electricity providers	May 3, 2013 7:07 AM
42	More affordable family restaurants-open for lunch. More improvements to downtown and the riverwalk to draw people back downtown. Stop allowing the parks to be used as teenager hangouts.Their foul language and actions drive the families with small children away.	May 2, 2013 5:39 PM
43	Make it a more walk/bike friendly corridor along rt47, especially the downtown river area	May 2, 2013 5:04 PM
44	The quality of water needs to improve or the cost of the water (specifically the YBSD portion of the bill) needs to be lowered.	May 2, 2013 2:52 PM
45	Walk around the river on both sides	May 2, 2013 2:46 PM

**Page 10, Q20. What suggestions do you have to improve the quality of life in Yorkville?**

46	Better the parks.	May 1, 2013 10:15 AM
47	More types of businesses in downtown Yorkville to draw people. Cute shops etc. Also better enforcement of NO BURN LAWS, dogs on the lose in neighborhoods. Brighton, Mich. had a Downtown Development Authority that helped develop the downtown area to attract people to shopping and events. More parking areas in downtown.	Apr 22, 2013 7:01 PM
48	Improve Schools, Improve Roads, Clean up areas around the downtown and neat landscaping along main roads Please.	Apr 21, 2013 8:02 PM
49	Reduce the Water and Sewer bill. It is the highest I have seen from living in 3 States.	Apr 21, 2013 6:50 PM
50	change the way you work with developers in the future. I believe SSA is not attracting "buyers" to our subdivision, but instead we are left with too many renters	Apr 20, 2013 10:32 PM
51	Bike trails that would connect different communities.	Apr 20, 2013 7:52 PM
52	Lower water/sewage/garbage bill	Apr 20, 2013 1:26 PM
53	Improve quality of schools and additional materials at the library.	Apr 20, 2013 10:15 AM
54	Lower Taxes	Apr 18, 2013 3:24 PM
55	Road repairs to exsisting roads and expansion of major highways.	Apr 18, 2013 10:49 AM
56	update and improve the older areas of town. Don't allow any more new subdivisions.	Apr 18, 2013 12:13 AM
57	Encourage more independent businesses and restaurants. Work with state officials to develop safer crossings from Countryside Subdivision across route 34 and 47	Apr 17, 2013 8:02 PM
58	I would like to see the city become more bike friendly and the downtown area all the way up to 34 and 47 become more pedestrian and bike friendly. I would like to see that as a core for community activity.	Apr 17, 2013 2:12 PM
59	Senior activities, Should've kept the Yorville Rec. building	Apr 16, 2013 11:24 AM
60	All Roads are an Embarrassment, especially around our own City Hall, Police Department, Town Square, you name it, ALL. Their is NO need to pay money out for more studies, do the main areas first, around parks & schools & look at widening some of these road areas.	Apr 15, 2013 8:20 PM
61	lower my taxes so that I can live here!	Apr 15, 2013 5:55 PM
62	more activities for youth and seniors	Apr 15, 2013 5:35 PM
63	I would like more contact with my alderman.	Apr 15, 2013 2:25 PM
64	Finished neighborhoods or improved appearance of unfinished neighborhoods	Apr 15, 2013 5:40 AM

**Page 10, Q20. What suggestions do you have to improve the quality of life in Yorkville?**

65	get more kid friendly places around this city	Apr 14, 2013 8:43 PM
66	fix the streets	Apr 14, 2013 11:02 AM
67	Fix the streets faster and more efficiently.	Apr 14, 2013 8:18 AM
68	During the boom Yorkville was more interested in growing, planning new subdivisions. They were less interested in maintaining the current neighborhoods. Now that the boom is a bust, the rest of us that have lived here are paying the price. Yorkville needs to have growth but at a controlled pace. Fix what's broke first before adding new subdivisions (like the ones that are sitting half empty now).	Apr 13, 2013 6:49 PM
69	Bring more ranch duplexes to increase the volume of senior living. Don't allow any more mass low-income apartments like by Jewel and the mass-family townhomes like in Bristol Bay, b/c it's brought bad quality people to town. Low income housing brings down property values and soils the neighborhoods.	Apr 13, 2013 3:01 PM
70	Rebuild downtown Yorkville making it a quaint, interesting and accessible section of the city while also adding quality shopping, dining and entertainment to the business area of Route 34 and 47.	Apr 13, 2013 8:35 AM
71	improve road access	Apr 13, 2013 7:42 AM
72	More Store's	Apr 13, 2013 7:34 AM
73	Have a better plan for development. Look to towns like St Charles and Geneva as way to develop town. Nothing sets Yorkville apart from other towns,	Apr 13, 2013 6:00 AM
74	Lower the cost of living here, ie TAXES, water bill,...etc.	Apr 12, 2013 7:11 PM
75	Lower taxes and less waste will fix everything	Apr 12, 2013 7:08 PM
76	more restaurants and retail businesses	Apr 12, 2013 4:44 PM
77	More recreational opportunities	Apr 12, 2013 2:33 PM
78	Get some viable businesses into the city. Be conservative with incentives for companies to come to Yorkville. They will come.	Apr 12, 2013 2:11 PM
79	water quality & streets improved	Apr 12, 2013 2:07 PM
80	more involvement w/ seniors	Apr 12, 2013 1:48 PM
81	stop all the tax hikes-it is hard to stay in yorkville on a fixed income.	Apr 12, 2013 12:14 PM
82	Better sidewalks for walking and bike lanes for those of us that want to bike around town. Make sure people don't die trying to pull out of the Aldi/Dunkin' Donut parking lot onto Rt. 47. What an awful intersection! And where did the disappearing center lane there go? Not like there isn't enough land there. Hopefully when the widening of Rt 47 is done, there will be a safer way to exit the Aldi's.	Apr 11, 2013 1:45 PM
83	Get a decent Park District. An outdoor regular community pool would be nice.	Apr 10, 2013 4:14 PM

**Page 10, Q20. What suggestions do you have to improve the quality of life in Yorkville?**

	Classes for children & adults.	
84	Lower Property Taxes	Apr 10, 2013 12:01 PM
85	More activities for kids through the park district (and perhaps offer some scholarships or lower rates for residents). More offerings for people with disabilities - for example, assistance with utilities, lower taxes or grants for accessible living, other resources not available through the Dept of Human Services. I think a community garden would be very enriching, so many people would love to grow their own vegetables and plants. I believe that there could be more volunteer opportunities (riverfront clean up, etc.) Environmental activities, wildlife education (a birds of prey exhibit, owl prowling, dog sled shows, etc.), archeological dig just for fun, things that could put people back in touch with nature. I am well-educated in raptors/birds of prey (specifically bald eagles) and waterfowl, and would love to take people on bird watching tours through the city (the amount of wildlife we have here is AMAZING!) I also know several wildlife facilities and rehabbers in the area who do educational bird shows and other animals, and having these kind of events could really help teach people about the environment and how everything we do affects wildlife in general. I am a big supporter of Push for the Path, and truly believe that we need more bike/jogging paths and trails throughout the city.	Apr 9, 2013 9:44 PM
86	Hire more public works personal, improve water quality, and more pressance from our mayor and city council in our neighborhoods	Apr 8, 2013 3:29 PM
87	Keep the schools in top form. Improve infrastructure.	Apr 7, 2013 7:08 PM
88	LOWER Property taxes and water and then get the word out and people will start moving here again.	Apr 7, 2013 3:04 PM

91	The quality of life is not bad it is the amount of monies being paid for taxes and water bill.	Apr 3, 2013 5:52 AM
92	Traffic is bad, especially the major highways. I seriously believe the traffic engineer(s) should be fired immediately, and traffic flow should be studied and optimized to favor the majority, which leads to the greatest efficiency (one car stopped at a side street for a few seconds often causes major highways to turn red, bringing large qtys of cars to a stop (side streets should wait)). On a more cheerful note: river paths would be well received, I am confident!	Apr 2, 2013 6:54 PM
93	Lower taxes!!!	Apr 1, 2013 11:58 PM
94	Set terms for city council members-some have been in power longer than they should be. Fix the roads. Stop pissing away the taxpayer's money on non-essential stuff like the Rec Center, Old Jail, Caboose, Road Study. Stop taking grant money from the state of Illinois. The state is broke and doesn't have the money and neither does the city of Yorkville. When the voters vote not once but twice and tell you they don't want a bike trail then don't vote to approve one to the tune of \$357,000 of taxpayer's money cause Lynn D. & some group	Apr 1, 2013 5:59 PM

	promises you they will raise the money and then don't follow threw. Can the Ecomonic Development Corp & membership to Yorkville Chamber of commerce-the tax payers shouldn't be paying for that shit! Fix the roads and don't stick an additional tax on our water bill to do it.	
95	We need to improve our focus on recreation and family activities. Families often stay for a long time and give back to a community. Currently, Yorkville appears anti-family; cutting programs and closing the Rec Center. Having Alderman bash a non-profit trying to bring a safe family bike path is not helping. If this was the climate when I first looked at Yorkville I would have settled in a different town. Please stop giving Alderman insurance. They Do Not work 30 hours a week and should be ashamed for saying they do and wasting the tax payers money on something that costs a lot and benefits a few. Stop giving seniors a blanket discount on such things as trash fees. I would urge the alderman to think of the big picture and fund activities/resources that help the majority of the city not a select few that loudly speak out.	Apr 1, 2013 5:31 PM

119	reduce the property taxes so I can stay in my home	Mar 26, 2013 7:56 PM
120	Invest in infrastructure improvements like roads, public transportation and utility upgrades, while also investing in amenities that attract visitors/new residents and retain current residents (i.e., trails and making the community walkable/bikeable; continuing to attract development and filling empty neighborhoods; and bringing some quality employers to the city). Continue investigating creating a Park District; help maintain health care accessibility and public safety above accepted standards. 125	Keep working together on the city council and continue to improve the city. We have a good group of aldermen now who really seem like they have the best interest of the city and not their own ego like we had before. PLEASE DO NOT do away with leaf pickup. That keeps our city looking nice when people clean up their yard. If they have to bag the leaves there will be a lot that don't do it.	Mar 26, 2013 6:41 AM

151	Stop bickering at the leadership levels. Practice skills of compromise. Work cooperatively. Get an action plan for a progressive, positive future for this city. The image of the City can be set by the attitude and tome of the employed and elected leaders!	Mar 21, 2013 8:41 PM
152	More business to lower taxes	Mar 21, 2013 6:08 PM
153	Fill in all the vacant retail store fronts and empty outlots so residents do not have to drive 15-45 minutes to neighboring cities to meet all their needs. Also, expand the Parks & Rec offerings and facilities. When we were first looking to move to Yorkville, I was very excited to see the Rec Center and very impressed with the Preschool location; then, I found out that the Rec Center will be closing and the Preschool moved. I do not care for the location/facilities where the Preschool will be moved to. I am very disappointed the the city seems to be taking such a big step backwards in this department. 154	make it appear that we care about the appearance of our city	Mar 21, 2013 5:02 PM
155	We really need to do something about the rec programs. I have two children, 3 and 5, and it is really discouraging that there isn't more emphasis placed on the extracurricular activities of kids. The whole Rec center debacle is embarrassing. Along with the library. There are so few newer books, it's ridiculous. It's sad that we have to go to surrounding communities libraries to find the latest releases.	Mar 21, 2013 4:31 PM
156	Get River Road opened asap	Mar 21, 2013 2:21 PM
157	Bring the passenger train to Yorkville.	Mar 21, 2013 12:31 PM

**Page 10, Q20. What suggestions do you have to improve the quality of life in Yorkville?**

159	Like I stated earlier, Yorkville has a lot of potential but needs direction. The downtown area really should be improved and developed (similar to Naperville or Geneva). Small stores, restaurants and bars would be ideal. Stores and restaurants should be added to Kendall Marketplace mall until finished. The vacant area on the northwest corner of 47 and 34 should be developed (I believe there are plans for a movie theater). Recreational activities should be stressed (bike paths, river activities, parks and forest preserves, maybe some sort of arena or stadium for sport, maybe a minor league team of some sort). Make an effort to attract business and offices to support Yorkville through taxes. Upkeep on streets and parks really need to be stressed (this is a major downfall in Yorkville). Build homes tailored to the middle and upper class and stress family friendly communities. I know this isn't in the scope of this survey, but make the school system a top-notch program (not only in the state but in the nation). I know we pay very high taxes compared to other communities and do not see the benefits.	Mar 20, 2013 6:22 AM
160	Lower the property taxes!!!	Mar 18, 2013 4:42 PM
161	I wish the Alderman would take their time in making some decision. And take into account how they adversely affect certain citizens.	Mar 17, 2013 1:15 PM
162	Bring the downtown and the city itself into the 21st century. The town itself just feels dumpy and blah. Stuck in maybe the 1940s - feels worn out.	Mar 17, 2013 12:51 PM

171	It would be nice if there was public transportation, metra service, and walking and bike paths that linked up between other neighborhoods and cities. Also it would be great if the city really invested in making this a self service and self sufficient community, by that I mean not having to go to neighboring communities for restaurants, shopping, cultural events, even things for children such as petting zoos, childrens museums etc. I think that the city is on the right path but there are many opportunities that still await.	Mar 13, 2013 9:17 PM
172	Stop spending money on pointless activities (paying a company to determine which streets need to be replaced) and entering into stupid agreements (Club 47	Mar 13, 2013 7:38 PM

	lease). Its like death by a thousand cuts with all the small fees in this town. Please give the residents of this city a break. Also, the police department is a disaster. Its hard to get much accomplished when there are only 2 officers and a sergeant on at any time. The department is way too top heavy (2 Deputy Chiefs?) for a town of this size. Trim some fat and save some money. Also, please enforce the overnight parking ban on city streets. That is the only thing that makes this town better than Montgomery or Plano.

218	Attract more jobs	Mar 3, 2013 10:08 PM
219	Not let the Rec Center go (even though I know it's a done deal). Letting the Rec Center go is a huge mistake. A lot of families will be negatively impacted by the loss of those currently offered activities at the Rec Center, that facility is a draw for many young families to come to this area which is vital to help Yorkville continue to grow and improve.	Mar 3, 2013 8:20 PM
220	Bike Paths and investment in the downtown area.	Mar 3, 2013 7:52 PM
221	A brewery on the river would be nice...	Mar 3, 2013 6:57 PM
222	Make residential areas be a no horn zone for the trains buy placing full gates	Mar 3, 2013 3:08 PM
223	Keep transportation for elderly, Add more walkways and bikeways connecting neighborhoods with schools, downtown and northside shopping.	Mar 3, 2013 3:06 PM
224	Lower Taxes!!!!!!	Mar 3, 2013 2:51 PM
225	Create more activities for young children by increasing recreation activities and developing a Park District or by focusing on more that just adult softball and little league	Mar 3, 2013 2:38 PM
226	Shut down the "concerts' at the PNA campground in the summertime. They make weekends unbearable for residents.	Mar 3, 2013 2:02 PM
227	Get rid of hunting near neighborhoods!!!	Mar 3, 2013 11:11 AM

**Page 10, Q20. What suggestions do you have to improve the quality of life in Yorkville?**

228	Reduce property taxes. Most people bank on line, please have the utilities you provide sign up for these services so we can pay our bills in a prompt and efficient manner.	Mar 3, 2013 10:49 AM
229	Stop soaking us with these ridiculously high water bills. Keep out all traffic light camera's..waste of taxpayer money. Sync traffic lights since gas is getting up there with silver prices...nothing worse to ruin fuel economy then to start and stop a block or two later.	Mar 3, 2013 10:28 AM
230	More retail stores and Resturants-We don't need any more banks.	Mar 3, 2013 10:03 AM
231	Get a park district with good and ample programming and classes	Mar 3, 2013 9:51 AM
232	Bring in economic developepment.	Mar 2, 2013 9:01 PM
233	It is ridiculous that we are still paying the \$76.11 on our water bills. This was supposed to expire a couple of years ago. We have the highest water bills of all the neighboring cities!!!	Mar 2, 2013 8:23 PM
234	Better riverfront area. Get rid of the old train cars and rusty buildings and make it a nice park area with some coffee shops, pie shops, sandwiches.	Mar 2, 2013 7:53 PM
235	Work (I.e. attract business to Yorkville)	Mar 2, 2013 5:53 PM
236	water quality needs improving, very salty and bad taste and expensive water bills comparing to Oswgo and Ottawa Illinois	Mar 2, 2013 5:31 PM
237	Less taxation-- less money for library and tighten school budget. Superindentant salary too high	Mar 2, 2013 5:29 PM
238	More bike paths and sidewalks	Mar 2, 2013 3:40 PM
239	Keep the streets and parks as clean as possible.	Mar 2, 2013 3:34 PM
240	More events to get community together, more parks, things to do, bike paths	Mar 2, 2013 3:33 PM
241	City social events should be money makers not money pits. I would like to see the enforcement of the road construction detour signs for large trucks to bypass the center of town. The elimination of insurance, paid by the citizens, for any and all elected city officials. Let us not run Yorkville like Illinois is run in Springfield. City officials work for we the people, they answer to us, and they should never think the are above our scrutiny.	Mar 2, 2013 3:15 PM
242	Finish the subdivisions and don't tax your residents out of the city.	Mar 2, 2013 2:52 PM
243	Attract more restaurants and retail stores. Provide a quicker means to get to Insterstates 80, 55, and 88. Add a walking/bike path along the Fox river. Add a train station to get to Chicago.	Mar 2, 2013 1:12 PM
244	As senior citizens living on a fixed income, it's becoming more and more difficult to pay the high property taxes with each passing year. We are probably going to find it necessary to move within a short period of time. The fact that we could possibly lose our discounted garbage disposal fee eliminated, is also a very big problem for us financially. Most of our savings have disappeared since 2000	Mar 2, 2013 12:27 PM

**Page 10, Q20. What suggestions do you have to improve the quality of life in Yorkville?**

and we are very scared that we might lose our home. Most of the seniors I know are having the same problems we are and can't afford to lose any help we might receive.

residents CAN actually give answers. There were about a half dozen questions without explanations and we were unsure of their meaning. Most importantly -- every adult in the household should be given an equal opportunity to do the survey. A single person's survey is given more weight/ value than a survey coming from a household of 2 or more. In our household, for example, we should have two surveys -- for two opinions to be registered!!!

105	I believe the same questionnaire was sent out last year and I see that the streets have not been properly tended to nor has anything been proposed after spending \$100,000 for a survey. It appears that it's easier to raise the taxes then it is to solve the problem. Solve the problems by living within the means of the village. Run the village like you would run a house hold, do not spend more than you make!	Mar 2, 2013 3:15 PM
