SPRING BREAK CAMPS

BRIOLOGY - SPRING BREAK CAMP

Do something different this spring break; join the Mad Science team for a fun filled Brixology camp! Brixology camp sets the foundation for our next generation of builders! Kids learn about different types of engineering and then team up to construct a different engineering-themed project using LEGO® bricks. Participants will have a blast learning about aerospace while assembling a space station and explore mechanical engineering as they build boats and other vehicles. That's not all, from carnival rides to drawing machines, mechanical animals to bridges, your future engineer will build upon their creativity to solve real world design challenges, all while developing their problem-solving and team-building skills. Let the tinkering begin! Registration deadline is 3/20. RH

Location: Recreation Classroom (201 W. Hydraulic Ave)
Instructor: Mad Science **MIN/MAX:** 10/20
