# APPLICATION FOR AGREEMENT AMENDMENT

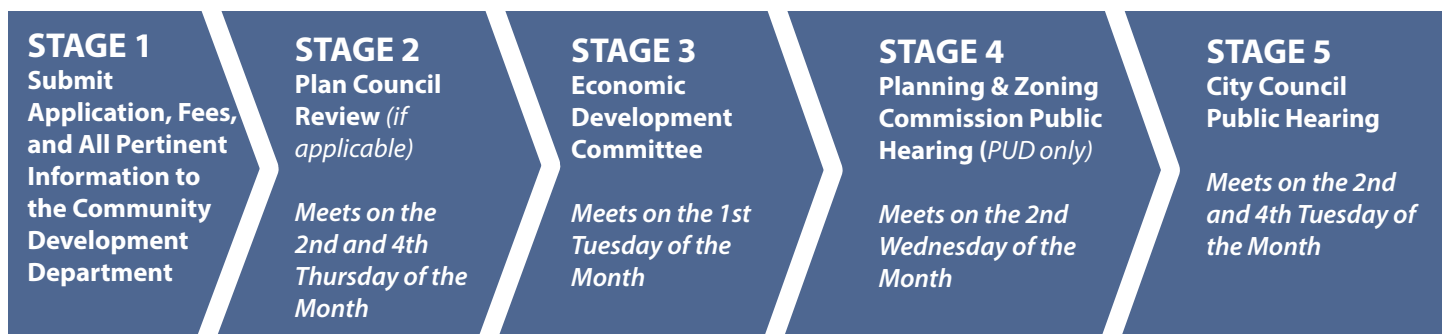

## INTENT AND PURPOSE:

Annexation Agreements specify the desired zoning and other requested approvals (i.e., bulk regulations, variances, building codes, development impacts and contributions, etc.) that will affect the property and successor owners. Planned Unit Development (PUD) Agreements are unique and a complex form of zoning which differs from the conventional approval process allowing for flexibility in the design and land use of larger scale developments. Such approvals require agreements that are contractual in nature, therefore an amendment must be sought when a change, minor or substantial, in the original terms of the annexation or Planned Unit Development (PUD) Agreement occurs.

This packet explains the process to successfully submit and complete an Application to Amend an Annexation or Planned Unit Development Agreement. It includes a detailed description of the process and the actual application itself. Please type the required information in the application on your computer. The application will need to be printed and signed by the petitioner. The only item that needs to be submitted to the City from this packet is the application. The rest of the packet is to help guide you through the process unto completion.

For a complete explanation of what is legally required throughout the Amendment process, please refer to "Title 10, Chapter 4, Section 10 Amendments" of the Yorkville, Illinois City Code.

## APPLICATION PROCEDURE:

### STAGE 1: APPLICATION SUBMITTAL

The following must be submitted to the Community Development Department:

- One (1) original signed application with legal description.
- Three (3) 11" x 17" copies each of the exhibits, proposed drawings, location map, and site plan. Large items must be folded to fit in a 10" x 13" envelope.
- Appropriate filing fee.
- One (1) CD or portable USB drive containing one (1) electronic copy (pdf) of each of the following: signed application (complete with exhibits), proposed drawings, location map, and site plan. A Microsoft Word document with the legal description is also required.

Within one (1) week of submittal, the Community Development Department will determine if the application is complete or if additional information is needed. These materials must be submitted a minimum of forty five (45) days prior to the targeted Planning & Zoning Commission meeting. An incomplete submittal could delay the scheduling of the project.

Petitioner will be responsible for payment of recording fees and public hearing costs, including written transcripts of the public hearing and outside consultant costs (i.e. legal review, land planner, zoning coordinator, environmental, etc.). The petitioner will be required to establish a deposit account with the city to cover these fees. The Petitioner Deposit Account/Acknowledgement of Financial Responsibility form is attached to this document and must be submitted with the application.

**PETITIONER DEPOSIT ACCOUNT FUND:**

It is the policy of the United City of Yorkville to require any petitioner seeking approval on a project or entitlement request to establish a Petitioner Deposit Account Fund to cover all actual expenses occurred as a result of processing such applications and requests. Typical requests requiring the establishment of a Petitioner Deposit Account Fund include, but are not limited to, plan review of development approvals/engineering permits. Deposit account funds may also be used to cover costs for services related to legal fees, engineering and other plan reviews, processing of other governmental applications, recording fees and other outside coordination and consulting fees. Each fund account is established with an initial deposit based upon the estimated cost for services provided in the **INVOICE & WORKSHEET PETITION APPLICATION**. This initial deposit is drawn against to pay for these services related to the project or request. Periodically throughout the project review/approval process, the Financially Responsible Party will receive an invoice reflecting the charges made against the account. At any time the balance of the fund account fall below ten percent (10%) of the original deposit amount, the Financially Responsible Party will receive an invoice requesting additional funds equal to one-hundred percent (100%) of the initial deposit if subsequent reviews/fees related to the project are required. In the event that a deposit account is not immediately replenished, review by the administrative staff, consultants, boards and commissions may be suspended until the account is fully replenished. If additional funds remain in the deposit account at the completion of the project, the city will refund the balance to the Financially Responsible Party. A written request must be submitted by the Financially Responsible Party to the city by the 15th of the month in order for the refund check to be processed and distributed by the 15th of the following month. All refund checks will be made payable to the Financially Responsible Party and mailed to the address provided when the account was established.
