APPLICATION FOR VARIANCE

INTENT AND PURPOSE:

The purpose of a variance is to provide relief from certain regulations of the zoning ordinance to permit the use of land in a way that is not otherwise permitted under the ordinance. A variance is granted when the terms of the zoning ordinance, if literally applied, would create an unreasonable hardship on the landowner, making the property virtually useless.

This packet explains the process to successfully submit and complete an Application for a Variance Request. It includes a detailed description of the process and the actual application itself. Please type the required information in the application on your computer. The application will need to be printed and be signed by the petitioner. The only item that needs to be submitted to the city from this packet is the application. The rest of the packet is to help guide you through the process unto completion.

For a complete explanation of what is legally required throughout the Variance Request process, please refer to "Title 10, Chapter 4, Section 7 Variations" of the Yorkville, Illinois City Code.

APPLICATION PROCEDURE:

STAGE 1: APPLICATION SUBMITTAL

The following must be submitted to the Community Development Department:

- One (1) original signed application with legal description.
- Three (3) 11" x 17" copies each of the exhibits, proposed drawings, location map, and site plan. Large items must be folded to fit in a 10" x 13" envelope.
- Appropriate filing fee.
- One (1) CD or portable USB drive containing one (1) electronic copy (pdf) of each of the following: signed application (complete with exhibits), proposed drawings, location map, and site plan. A Microsoft Word document with the legal description is also required.

Within one (1) week of submittal, the Community Development Department will determine if the application is complete or if additional information is needed. These materials must be submitted a minimum of forty five (45) days prior to the targeted Planning and Zoning Commission meeting. An incomplete submittal could delay the scheduling of the project. The Kendall County Soil and Water Conservation District requires Natural Resource Inventory (NRI) applications from petitioners seeking variances. A copy of this application can be found on the District's website (www.KendallSWCD.org).

Petitioner will be responsible for payment of recording fees and public hearing costs, including written transcripts of the public hearing and outside consultant costs (i.e. legal review, land planner, zoning coordinator, environmental, etc.). The petitioner will be required to establish a deposit account with the city to cover these fees. The Petitioner Deposit Account/Acknowledgment of Financial Responsibility form is attached to this document and must be submitted with the application.

APPLICATION FOR VARIANCE

STAGE 2: PLANNING AND ZONING COMMISSION

Petitioner will attend a public hearing conducted by the Planning and Zoning Commission. The Planning and Zoning Commission meets on the 2nd Wednesday of the Month at 7:00pm. Notice will be placed in the Kendall County Record by the United City of Yorkville. The petitioner is responsible for sending certified public hearing notices to adjacent property owners within five hundred (500) feet of the subject property no less than fifteen (15) days and no more than thirty (30) days prior to the public hearing date. Twenty four (24) hours prior to the public hearing, a certified affidavit must be filed by the petitioner with the Community Development Department containing the names, addresses and permanent parcel numbers of all parties that were notified. The Certified Mailing Affidavit form is attached to this document and must be submitted prior to the scheduled Planning and Zoning Commission meeting.

If the Planning and Zoning Commission decides that the requested variance adheres to the standards set forth by the Illinois municipal code, then the variance may be granted under these instances and no others:

- To permit any yard or setback less than the yard or setback required by the applicable regulations, but by no more than twenty-five percent (25%).
- To permit the use of a lot or lots for a use otherwise prohibited solely because of insufficient area or widths of the lot or lots but in no event shall the respective area and width of the lot or lots be less than ninety percent (90%) of the required area and width. The percentage set forth in this subsection is not to be reduced by any other percentage for minimum lot width and area set forth in this title.
- To permit the same off street parking facility to qualify as required facilities for two (2) or more uses provided the substantial use of such facility by each use does not take place at approximately the same hours of the same days of the week.
- To reduce the applicable off street parking or loading facilities required by not more than one (1) parking space or loading space, or twenty percent (20%) of the applicable regulations, whichever number is greater.
- To increase by not more than twenty five percent (25%) the maximum distance that required parking spaces are permitted to be located from the use served.
- To allow for the deferment, or land banking, of required parking facilities for a reasonable period of time, such period of time to be specified in the variance.
- To increase by not more than ten percent (10%) the maximum gross floor area of any use so limited by the applicable regulations.
- To exceed any of the authorized variations allowed under this subsection when a lot of record or a zoning lot, vacant or legally used on the effective date hereof, is, by reason of the exercise of the right of eminent domain by any authorized governmental domain proceeding, reduced in size so that the remainder of said lot of record or zoning lot or structure on said lot does not conform with one or more of the regulations of the district in which said lot of record or zoning lot or structure is located.

If the Planning and Zoning Commission decides the requested variance follows the Illinois standards but is not included in the list of instances above, then the variance must be approved by City Council.

STAGE 3: CITY COUNCIL

If necessary, the petitioner will attend a City Council public hearing where the Planning and Zoning Commission decision will be discussed and reviewed. The City Council meets on the 2nd and 4th Tuesdays of the month at 7:00pm. Variations other than those listed above may be granted by the City Council, but only after a public hearing for an authorized variation. The concurring vote of two-thirds (2/3) of all members of the City Council shall be necessary to reverse the recommendations of the Planning and Zoning Commission.

DORMANT APPLICATIONS

The Community Development Director shall determine if an application meets or fails to meet the requirements stated above. If the Director determines that the application is incomplete it will become dormant under these circumstances:

- The petitioner has been notified of such deficiencies and has not responded or provided a time line for completing the application within ninety (90) days from the time of notification.
- The petitioner has not responded in writing to a request for information or documentation from the initial plan commission review within six (6) months from the date of that request.
- The petitioner has not responded to a request for legal or engineering deposit replenishment for city incurred costs and fees within ninety (90) days from the date of the request.

If the Community Development Director has sent the required notice and the petitioner has not withdrawn their application or brought it into compliance, then the director shall terminate the application. After termination, the application shall not be reconsidered except after the filing of a completely new application.

Withdrawal or termination of an application shall not affect the petitioner's responsibility for payment of any costs and fees, or any other outstanding debt owed to the city. The balance of any funds deposited with the city that is not needed to pay for costs and fees shall be returned to the petitioner. (Ord. 2011-34, 7-26-2011)

PETITIONER DEPOSIT ACCOUNT FUND: It is the policy of the United City of Yorkville to require any petitioner seeking approval on a project or entitlement request to establish a Petitioner Deposit Account Fund to cover all actual expenses occurred as a result of processing such applications and requests. Typical requests requiring the establishment of a Petitioner Deposit Account Fund include, but are not limited to, plan review of development approvals/engineering permits. Deposit account funds may also be used to cover costs for services related to legal fees, engineering and other plan reviews, processing of other governmental applications, recording fees and other outside coordination and consulting fees. Each fund account is established with an initial deposit based upon the estimated cost for services provided in the INVOICE & WORKSHEET PETITION APPLICATION . This initial deposit is drawn against to pay for these services related to the project or request. Periodically throughout the project review/approval process, the Financially Responsible Party will receive an invoice reflecting the charges made against the account. At any time the balance of the fund account fall below ten percent (10%) of the original deposit amount, the Financially Responsible Party will receive an invoice requesting additional funds equal to one-hundred percent (100%) of the initial deposit if subsequent reviews/fees related to the project are required. In the event that a deposit account is not immediately replenished, review by the administrative staff, consultants, boards and commissions may be suspended until the account is fully replenished. If additional funds remain in the deposit account at the completion of the project, the city will refund the balance to the Financially Responsible Party. A written request must be submitted by the Financially Responsible Party to the city by the 15th of the month in order for the refund check to be processed and distributed by the 15th of the following month.
