

St. Patrick's Day Parade

Saturday, March 16

Beginning at 11:00am

Riverfront Park

(201 E. Hydraulic Ave, Yorkville)

Join the United City of Yorkville Parks & Recreation Department at this year's St. Patrick's Day Parade!

The first annual St. Patrick's Day Parade in 2018 accumulated over 1,000 viewers and we would like to invite you to join us on Saturday, March 16 to help kick off the St. Patrick's Celebration again in 2019! By creating a float, your business will participate in this new, fun annual tradition while gaining positive exposure and showing support to the Yorkville community!

Participating floats are encouraged to line up along the east end of Hydraulic Avenue near the Riverfront playground starting as early as 10:15am with the parade starting promptly at 11:00am. Floats will be placed on a first come first serve basis. The parade will then continue down Hydraulic Avenue and end once we reach Route 47.

All interested business are encouraged to contact Jake Galauner at jgalauner@yorkville.il.us or 630-553-4357 to confirm participation. Floats will be accepted the day of as long as space allows.
