A Note from the Teacher

Welcome all Preschool families, staff members are excited to welcome back familiar faces and meet new ones! During the school year students will work on name & letter recognition as well as their writing skills. Science, Math and Social Skills are also a part of our curriculum. Our goal is to get your child excited about school with the hopes that they continue to enjoy attending school for many years to come. Feel free to let a teacher know if you have any questions or concerns.

What We're Learning...

Writing:

Straight line
letters/prewriting skills
I, L, T, F
