The United City of Yorkville and Groot are pleased to announce that Groot will be the City's exclusive provider for residential garbage and recycling collection beginning May 1, 2022. Groot will be delivering a new refuse and recycling cart beginning the last two weeks of April. Most households will receive the same cart size as they currently have, with a few exceptions as noted below. Anyone that would like to change their cart size may contact Groot at the email address below before April 1st.

Q: What do I need to do to receive a new, Groot-branded cart?

A: If you currently have a normal, 65-gallon refuse cart, you will receive a replacement 65-gallon refuse cart with the Groot branding. If you have a large, 95-gallon refuse cart, you will need to email Groot at the email address below to request a 95-gallon cart before April 1st to ensure you get a 95-gallon cart on the initial delivery. If you have a small, 35-gallon refuse cart and you are a senior household, you will receive a replacement 35-gallon refuse cart with Groot branding and receive a senior discount. If you have a small, 35-gallon refuse cart and you are not a senior household, you will receive a 65-gallon cart with Groot branding.

Q: What if I want to change my cart size?

A: Email us at yorkville@groot.com and provide us with your name, address, and phone number by April 1, 2022. Please note that 35-gallon refuse carts are for seniors only.

Q: When will I find out more about the Groot program?

A brochure will be sent out to residents in early April detailing the collection program.
